OUTLINES STATUS OF VICTORIA BRIDGE PROJECT

VICTORIA.—The present status of the Johnson Street bridge project was the subject of a lengthy report which Alderman Okell, chairman of the Council bridge committee, submitted to the City Council at this week's meeting. The report covered the negotiations since the beginning of 1914, outlined the various proposals which were made relative to the bridge design, and the changes forced by reason of the withdrawal of the B. C. Electric Company from the enterprise, and announced the increase in the Government grant from $150,000 to $175,000. The report disclosed that the joint agreement between the city, Provincial Government and the E. & N. Railway Company, has been signed by the Government and city, but the railway company, though approving of its terms, has refused to sign it for the time being. In view of present financial conditions the company does not feel it is wise to bind itself to its promised outlay of $80,000. But the company, in taking this stand, does not intimate that it is not prepared to go ahead with the project under more favorable circumstances.

Alderman Okell's report shows that at the present time four bridge plans are before the Council. Plan A calls for an outlay of $360,000; Plan B, $364,000; Plan C, $377,000; Plan D, $382,000. The committee favored Plan D. All plans called for a swing structure with two clear openings of 110 feet each. A bascule type of bridge would cost from $40,000 to $50,000 more. The cost of the approaches (not included in the above estimates) would be the same in the case of any of the plans, viz., $50,000. The bridge would be a clear width of seventy-eight feet. On the south side would be a ten-foot walk, then a roadway of forty-one feet six inches from curb to curb, then the railroad trackage, and a four-foot walk on the north side.

Towards the cost of the bridge the Government and railway company contribute $255,000, leaving $137,000 to be borne by the city, but, in addition, the city pays for the approaches, $50,000, and for expropriation costs for land taken at the eastern approach, the owners of which have consented to sell for $230,000. The total cost to the city would, therefore, amount to about $417,000.

The report was tabled for a week, and at the next meeting of the Council will be discussed.

COPPER COMPANY WILL BUILD AERIAL TRAM

According to an official statement the B. C. Copper Company, operating a smelter at Greenwood and mines in the Boundary country, will build a nine mile aerial tram from its Copper Mountain holdings to Princeton if the Kettle Valley Railway does not build a branch to the property. The company is planning improvements to cost $1,000,000. A concentrator with a 200 ton daily capacity near Copper Mountain and a power plant at Princeton are listed as the more prominent imporvements.

GREAT NORTHERN DEPOT PLANS BEING EXAMINED

The bridges and railways committee has received word from Messrs. Pringle & Guthrie, the city's solicitors at Ottawa that the plans for the Great Northern depot to be erected here are now being examined by Sir Henry Drayton, chairman of the Board of Railway Commissioners, and Messrs. George Spencer, chief operating officer, and A. G. Blair, law clerk.

CONTRACTS AWARDED

NORTH VANCOUVER—A large number of tenders were opened at the last meeting of the city council on Monday evening for the refitting of the building west of the city hall as an annex to the police station. The council awarded the carpenter work to Cummer & Bailey, the construction of the chimney to N. Burrows, and the plumbing to J. Young.

NEW WATER MAIN

NEW WESTMINSTER—On the recommendation of the water committee it has been decided to lay a three-inch wood main on Seventh street between Fifth and Sixth avenues, 630 feet, and a 1 1-4-inch branch on Belmont street, the estimated cost being $270.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $500 will be found under this head.

7907—Snider & Brethour, 1 sto. gal. iron shed, 900 blk. Granville St., owners, contrs., $300.

BUILDING PERMITS FOR SEPTEMBER AND OCTOBER

The building permits issued in 35 Canadian cities during September amounted in value to $2,434,826, a decrease of $5,836,976 from September, 1914. Increases were shown by Halifax ($52,592), St. John ($17,600), Sydney ($13,250), Lachine ($194,025), Westmount ($12,520), Welland ($3,558), Woodstock ($4,908), Hamilton ($268,830), Kingston ($1,664), Winnipeg ($53,000), Vancouver ($1,643), and Yorkton ($15,250). For the nine months the total was $20,799,403, against $76,972,727; increases being shown by Halifax ($24,437), Sydney ($63,404), Lachine ($238,547), and Chatham ($41,984).

During October the building permits for 22 Eastern cities amounted to $1,853,143, against $2,334,846 a year ago. There were increases in St. John ($3,800), Sydney ($10,545), Lachine ($26,015), Westmount ($360), Brantford ($7,875), London ($11,230), Ottawa ($207,600), St. Catharines ($4,092), Windsor ($10,755), Woodstock ($4,353), St. Thomas ($6,525), Peterborough ($5,308), Kingston ($868), and Galt ($10,779). For the ten months the total was $17,850,996, against $54,665,035. Sydney showed an increase of $73,949, and Lachine of $254,562.

ADDRESSES SOCIETY OF CIVIL ENGINEERS

VICTORIA—An interesting account of public works in the Northwest Territories prior to the organization of the provincial government of Alberta and Saskatchewan in 1905, was given to the Canadian Society of Civil Engineers, Victoria branch at a meeting Tuesday evening by R. W. MacIntyre, who was assistant engineer in the department of public works of the territorial government. He illustrated his address with a number of lantern slides, showing principally road and bridge construction.

WORK ON DRYDOCK WILL START IN SPRING

Developments in the clearing up of details in reference to the construction of the big drydock at North Vancouver for the Amalgamated Engineering & Drydock Co. are proceeding rapidly and it is expected that within the next month or two negotiations will be completed and everything in shape for an early spring start on the actual construction work, probably during the month of March.

VICTORIA COUNCIL GRANTS STORAGE TANK PERMIT

VICTORIA—The City Council has granted permission to the Victoria Machinery Depot to instal an underground tank on the company's property on the upper harbor, for the storage of gasoline. The proposed tank will hold 12,500 gallons. It must be installed to the satisfaction of the fire chief and building inspector.

TO REPAIR ROADS

NEW WESTMINSTER—The city council has authorized the board of works to proceed with the necessary repairs to certain plank roads in the Queensborough section of the city. The estiamted cost is in the neighborhood of $1,400. A recommendation that St. Patrick street be gravelled at a cost of about $650 has also been adopted.

RECOMMENDS PILING

PORT MOODY—At the ordinary meeting of the City Council, Ald. Mackay, chairman of the board of works, recommended that 18 or 20 piles be driven into the Inlet at Macnair's wharf.

PROPOSALS WANTED

Tenders will be received by the undersigned up to noon on Wednesday, the 22nd day of December, 1915, for the purchase of a boom containing 108 Cedar and Fir Logs and 9 boom sticks, 62,000 feet B. M., more or less, and now anchored at the booming grounds of the Ladysmith Lumber Co., Nanaimo, B. C.

The above timber is subject to an upset price of $3.50 per thousand feet B. M., together with royalty charges, costs of seizure and advertising.

Particulars of scale showing grades can be obtained from the District Forester's Office, Vancouver, B. C.

Dated this 6th day of December, 1915.

C. D. McKAY,
District Forester.
Court House, Vancouver, B. C.

DOMINION GOVERNMENT APPROPRIATIONS FOR 1915

The Dominion Government appropriations for the year 1915 for public buildings in the west include the following:

PUBLIC BUILDINGS.

Winnipeg Barracks, $150,000; Dominion buildings, improvements, repairs, etc., $20,000; drill hall (new), $170,000; new immigration building, $40,000; north drill hall, $70,000; postal station "E" $25,000; postal station "C" (south), $73,000; postal station "D" (west), $75,000.

Saskatchewan.

Battleford—Public buildings improvements, $4,500.
Canora—Public building, $10,000.
Indian Head—Forestry branch, $17,000.
Kindersley—Public building, $20,000.
Moose Jaw—Customs examining warehouse, $90,000; immigration hall, $50,000; new public building, $15,000.
Prince Albert—Drill hall, $80,000.
Regina—Armory and drill hall, $75,000; accommodation for associate receiver-general, $75,000; customs examining warehouse, $75,00.
Rosthern—Public building, $10,000.
Saskatoon—Customs examining warehouse, $50,000; drill hall, $30,000; new public building, $75,000.
Swift Current—Drill hall, $30,000; public buildings, $50,000.
Wadena—Public building, $20,000.

Alberta.

Athabasca Landing — New Public building, $5,000.
Bassano—Public building, $15,000.
Calgary—Accommodation for assistant receiver-general, $25,000; customs examining arehouse, $15,000; drill hall, $100,000; headquarters for forestry and irrigation branches, department of interior building, $50,000; new postoffice site and building, $110,000; Dominion buildings improvements, repairs, etc., $15,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

BUILDING RECORD

Where Human Life and Property are Valued—When Reduced Insurance and Cost are Factors ALWAYS Specify

SAINO SHEET METAL FIRE DOOR

This door is radically different from Fire Door heretofore known. Made of steel and asbestos, crosslaid galvanized iron of two thicknesses, with air spaces and asbestos lining 1-16th inch thick prevents warping. Much lighter than any other standard Fire Door. Weight only 5 lbs. per square foot. Can be installed in any manner that other Fire Doors are installed—sliding, swinging, vertical, etc.—Latest approved hardware and trimmings used.

GETTING ON THE MAP.

In an address to the members of the Chicago Garment Manufacturers' association—representing an annual business of $20,000,000—President Joseph L. Eisendrath recently heralded 1915 as the most prosperous period that the industry had ever faced. He urged his fellow manufacturers to advertise. Advertise, and then ADVERTISE some more.

"Don't forget that it is your advertising man who puts you on the map. Unless you want to fail, don't listen to any backwoodsman who tells you that it doesn't pay to advertise. It DOES pay to advertise, and the men who are successful today are the men who realize this fact and practice it.

"Your advertising man is a great factor in putting you on the map.

"It's a good system to keep telling people about your goods, whether they are buying them at the time or not. It is even true that they may not buy them tomorrow, but they are going to buy them ULTIMATELY.

"Cease to advertise and you'll be forgotten."

"Keep up your advertising constantly and consistently. Do not give a big splash, followed by a whole lot of silence.

"Advertising is salesmanship. You send out salesmen in a new territory and you find that they have to do a deal of missionary work before the territory becomes profitable. It's something like that in starting advertising. But use of advertising as an advance agent breaks the ground for the salesman in these days of successful and profitable business.

"Make the public want your goods."

QUEEN'S AVE. PAVING HAS BEEN COMPLETED

NEW WESTMINSTER—The paving of Queen's avenue from First to Sixth street has now been completed, and as it is not the intention to proceed meantime with the paving of Sixth street from Fourth to Sixth avenue, there will be no more paving done this winter, with the exception of that now under way on Columbia street.

DESTROYED BY FIRE

SOUTH VANCOUVER—A vacant house on the corner of Dumfries and Thirty-second Avenue, owned by Dr. Price, has been practically destroyed by fire.

CRESTON—Work of erecting the government telephone line between here and Sidar commenced this week.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. No more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined, and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

AUCTION SALE OF TIMBER BERTH COVERING DOMINION LANDS.

The right to cut timber under license on Berth No. 2210 comprising the following lands in the Province of British Columbia, will be offered at public auction at the upset price of $5511.80, including cost of survey, at 2 o'clock p.m. on Wednesday the 9th February, 1916, at the office of the Crown Timber Agent at Calgary, in the Province of Alberta:—

Timber Berth No. 2210, situate in the Province of British Columbia, comprising a portion of the 5000-acre coal reserve block lying between Elk River and the south branch of Michel Creek, about 42 miles north of the international boundary containing an area of 1.17 square miles, more or less as shown on plan of survey thereof approved by the Surveyor-General, dated the 10th of August, 1915, and of record in the Timber and Grazing Lands Branch of the Department of the Interior. A license will not be issued until the full amount of the purchase price and the ground rental for the first year have been paid.

The conditions of payment, rate of rental, etc., are contained in the Timber Regulations, a copy of which, together with a blue print showing the location of the berth, will be furnished on application to the undersigned or to the Crown Timber Agent at Calgary, Alberta.

B. L. York,
Controller.

Timber and Grazing Lands Branch, Department of the Interior, Ottawa, November 17, 1915.

PROPOSALS WANTED.

MISCELLANEOUS PROPOSALS

The Dominion Construction Co. 509 Richards St. has been awarded the contract to erect a concrete warehouse 80x40, a brick stable 32 ft. 6 in. x 64ft. 6in. and frame office building for the Imperial Oil Co. at Victoria. The contractors are ready to receive tenders at the head office for lumber, sand and gravel, cement and common brick.

VICTORIA—Tenders will be received by the minister of lands up to January 5th for the purchase of timber license X529, under which may be cut 2,200,000 feet of balsam, cedar and hemlock on an area adjoining lot 489 Nimmo Bay, Mackenzie Sound, two years being allowed for the removal of the timber.

VICTORIA—The chief forester of the province will receive tenders for the purchase of license X491, to cut 4,318,000 feet of Douglas fir, cedar, hemlock and balsam on an area adjoining lot 1907, Prince of Wales reach, Jervis inlet, and license X506, to cut 581,000 feet of Douglas fir, cedar and hemlock on an area adjoining lot 44,769, Princess Royal reach, Jervis inlet.

MURRAYVILLE.—Engineer F. W. Glover is calling for tenders on contracts 3, 4, 5, 6, 7, 8 and 9 in connection with the Biggar Prairie ditching scheme, and specifications can be seen at this office at the municipal hall. The contracts are for clearing, grubbing and excavating, and, altogether, about 3,000 cubic yards of material will have to be moved. There will be only a small amount of clearing to be done. Owing to the fact that the awards will be made against the different owners, the contracts are segregated, but in the event of a unit bid the contracts may all be awarded to the same party.

VICTORIA—Tender are invited by the chief forester of the province for the purchase of timber license X489, to cut 115,000 feet of cedar and Douglas fir on an area adjoining Lot 2646, Penrose Bay, Oke-over Arm. One year is allowed for the removal of the timber.

VICTORIA—The provincial forest department is asking for tenders for the purchase of the following timber licenses: X253, to cut 4,124,000 feet of Douglas fir and cedar on an area on Nelson Island; X472, to cut 186,000 feet of Douglas fir on an area on Ruby Lake, Sechelt peninsula: X471, to cut 260,000 feet of cedar and Douglas fir on an area adjoining the same lake; X470, to cut 300,000 feet of Douglas fir and cedar on an area adjoining Killarney lake, Sechelt peninsula. Three years is allowed for the removal of the first lot and one year in each of the others.

VICTORIA—Tenders are invited by the forestry branch of the department of lands for the purchase of three timber licences. Under license X371 may be cut 2,144,000 feet of cedar, balsam, and hemlock on an area on Nimmo Bay, coast district ;under license X59 may be cut 608,000 feet of Douglas fir and cedar on an area in the vicinity of North Passage, Calm Channel, coast district, and under license X501 may be cut 264,000 feet of hemlock, cedar and spruce on an area in the vicinity of Cooper Reach, Loughborough Inlet, coast district. In the first case two years is allowed for the removal of the timber and one year in each of the other two.
