VOL. 11, NO. 1 — ALICE ARM, B. C., FRIDAY, JULY 3, 1931 — 5 cents each.

## Anyox Enthusiastically Celebrates Dominion Day

Dominion Day opened with glorious sunshine for the celebrations at Anyox. Starting on schedule at 9.30 a.m. the Parade moved forward led by Jimmie Varnes' Band, next followed the Boy Scouts, ahead of a nicely decorated float entered by the Granby Stores depicting the industries of B.C. A prairie schooner followed by a covered wagon came next. Many original floats were entered by the children and the judging became a difficult task. Besides the excellent floats of the prize winners there were many prettily decorated entries, notably a decorated harp, a rickshaw with two daintily dressed children, Barnums Circus from which the wild animal (a cat) escaped much to the dismay of the entrant. Many budding orators took part in the oratorical contest. The Boy Scouts gave a very efficient display of First Aid.

A large crowd witnessed the sports in the afternoon in spite of the change in the weather which became cloudy and showery. The events were carried through with ease, but in some events the lack of entries was somewhat disappointing.

The Children's events were very popular and the youngsters had some splendid races and all had prizes.

The boys' and girls' and ladies' races were all good. The new marathon course, a longer and more difficult one than last year's created quite a lot of interest, Jaaka Havista had no difficulty in winning this race, finishing at the ball ground a lap ahead of H. Kangos.

The 100 yards dash was run in two heats, Stan. Ellison, C. J. Docherty, Fred Williams and Frank Dodsworth getting into the final, which Stan Ellison and Fred Williams tied. From the run off Stan Ellison won by nearly two yards in 10.5 secs.

The relay race attracted three teams and was easily won by the Store and Office quartet.

The amusing nail driving contest was a revelation of the ability of the fair sex to drive spikes. Miss K. Eve won the first prize and Miss Salo came second in the final heat.

Art. Dwyer won the high jump and Archie McDougall came second.

In the broad jump Archie McDougall covered 19ft. 2ins. in fine style to win first prize. Jack Ion made 18ft. for second.

The rain came down towards the end of the sports and rather spoiled the afternoon.

Great credit is due to the Anyox Community League for the splendid day's entertainment.

Following is the list of prize winners.

Boys' Float, assisted: 1, W. Lavery, Schneider Cup Plane. 2,

## Bishop G. A. Rix Visits Alice Arm

Alice Arm received a visit on Sunday from the Rt. Rev. G. A. Rix, Bishop of the Diocese. He was accompanied by Rev. W. B. Jennings and they arrived on the Anglican Church Mission launch Northern Cross during the early afternoon. The Bishop held a Confirmation Service at Anyox during the morning.

At the Evening Service at Alice Arm, Bishop Rix consecrated the new Church, and held a Confirmation Service in addition to the regular service. Four candidates were received into the Church at the Confirmation Service. They were: the Misses Lois and Florence Studdy, Miss Alma Evindsen and Miss Lillian Moss.

The pretty little Church was filled to capacity before the service commenced, and the beauty and fragrance of the flowers that decorated the Church added to the enjoyment of the service.

Bishop Rix spoke highly of the work started by Canon Rushbrook, and now so ably carried on by his successor, Rev. W. B. Jennings, who was assisted in his work by Mrs. Jennings.

He also praised the efforts of the people which enabled them to have such a fine building in which to worship God.

## Celts and Smelter Draw In League Game

There is always keen rivalry betwen these two teams, although in daily life most of the players and supporters on both sides are inseparably associated. Miserable weather conditions spoiled the game on Thursday the 25th. There was a changeable wind and a downpour of rain, the ball refused to be controlled. Despite this is was a good game.

Both sides were unlucky in being unable to take full advantage of good openings, the shooting being high and wide. Smelter had a shade the better argument. George Allen for the Celts and Stan Ellison for the Smelter cut another notch apiece in their guns, making the score even.

Several instances occurred where the players were apt to take the man instead of the ball, and on one occasion the dangerous play of one of the players was absolutely unwarranted and marred the game. Heavy charging and fouling is uncalled for, and especially on the Anyox Ball Ground, which by its very nature is not suitable for rough and tumble work. All players should have continually in mind that football is only a game after all and should before them the slogan: "Safe Play All The Time." Then we will have football only, a feeling of real good fellowship among the players and much more enjoyment for the spectators.

---

Jimmy Donaldson returned on Monday from an enjoyable trip to the Old Country.

## Dancing Students Give Excellent Performance

On Friday, the 26th, the Recreation Hall was almost filled with children and their parents and friends to watch the dancing exhibition given by the pupils who have been receiving the expert tuition of Mrs. V. S. McRae during the past few months. The various dances were carried out exquisitely and enthusiastically by the pupils.

A quartet of tiny tots, daintily dressed, opened the program with scarcely any trace of shyness, their efforts delighting everybody. Following this a recitation and dance: "How Do You Do?" was neatly given. The next item showed the dancing school going through their exercises. A very pretty scarf dance was given and revealed plenty of clever dancing. Each item seemed to improve as the programme advanced. The Dutch dance was excellent, and the tap dancing proved that we do not have to go out of Anyox for talent. The Russian dance was well applauded, and a solo dance by one of the pupils was faultless. Following a snappy Spanish dance the final item "Choo Choo" was given by the younger pupils, and received well-merited applause.

To put on such a varied programme must have involved considerable time and patience on the part of the teacher, frequent practices by the pupils, and much expert dress-making by either the parents or someone well skilled with the needle. Much credit is due to all who in any way took part.

Miss Annie McLachlan as pianist ably accompanied the dancers. No doubt as a result of this very excellent exhibition the classes will resume the coming season, and an even better performance can be anticipated.

## Choral Society Hold A Jamboree

The members of the Anyox Choral Society, with a number of friends met in a social way on Thursday the 25th in the Oddfellows' Hall and held their first annual "jamboree." This Society has been in existence for only two years, and after much hard work, and a very successful termination of the past season, they were justly entitled to relax. The evening was devoted to dancing, and the zealous vocalists found a new outlet for the harmony, expression, and rhythm which has made them famous.

The gathering was honored by a visit from the "Roamers," a troupe of classy entertainers who injected a large amount of pep and ginger into the proceedings. President James Elliott and secretary A. E. Field proved themselves to be genial hosts, and a very enjoyable evening was thus spent, Music was supplied by the New Victor Orchestra.

---

Mrs. K. C Watson arrived from Vancouver on Monday.

## Promotions Of Scholars Of Granby Bay Schools

In the following lists "C" means that the pupils must satisfy the teachers at the opening of school in September that they have reached standard in any conditional subjects before proceeding.

Pupils are arranged in order of merit.

From Grade I to Grade II. Beverly Cormier, Audrey Forde, Roberta Ferguson, James Kirkland Annie Evich, Freda Schneider, George McEwen, Florence McIntyre, Angus McDougall, Marguerite Lew, Glenna Lee, Joan Adams, Douglas Hague, Maisie Hillyard, Kenneth McLean, David Kirkwood (C.) Eva Zitko (C,) Dan Lew (C,) Alex. Mahood (C.)

From Grade II to Grade III: Mary Czepil, Mary Campanella, Shirleigh McRae, Sally Arscott, Betty Dunn, Edith Anderson, Frank Zitko, Johnnie Spanger, Bessie Dunn, Daphne Warwick, Peter Loudon, Harry Czepil, Mike Perpich, Bert Ferguson, Lesseal Brown (C,) Gordon McEwen (C,) Billy Lavery (C)

From Grade III to Grade IV: Sheila Kirkwood, Esther Olson, Jack McConnell, Priscilla Rogers. Edith Johnstone, Jimmie McMaster, Jack Ferguson, Harold Dodsworth, John Thomas, Mervyn Owen, Isobel McDonald, Moyra Manning, Angus Tierney, Shirley Hague (C,) Hettie Wynne (C,) Ronny Parsons (C,) Edna Brown (C.)

From Grade IV to Grade V Snr.: Ellen McLeod, Nancy Gigot, Jean Lee, Lillian Stone, Hubert Warden, Margaret Dunn, Helen Anderson, Kathleen Ward, Peggy McDougall, Bennie Parsons, Dick Ward, Samuel Service, Dorothy Owen, Hugh McDonald, Mary Robertson.

From Grade IV to Grade V Jnr. Jack Tierney, Shirley Manning, Bruce McEwen, Jean Parsons, Marie Spanger, Alverda Brown (C) Neil McDonald (C,) Violet Nicholson (C,) Jerry Cundill (C,) Roy Pynne (C.)

From Grade V to Grade VI: Jack Lindsay. Hugh Stewart, Violet Vine, Stanley Kirkland, Jean Munro, Lillian Barclay, Shirleigh Doelle, Dick Wynne, Jimmie Varnes, Esther Robertson, Eddie Johnson, Nellie Salmon (C), Bobby Kent (C,) Norma Olson (C), Jack Smith (C.)

From Grade VI to VII: Peggy Anderson, Jean Tamkin, Dorothy Doelle, Winnie Teabo, Edward Griffith, Albert Gigot. Bruce McMaster, Elvy Johnson, Dorothy Plumb, Leslie Murdoch, Dan O'Neill (C.) Richard Manning (C,) Donald McDonald.

From Grade VII to VIII: William Shields, Harold Dresser, Myrtle Owen, Peggy Arscott, William Wilson, Helen Simpson, Dan McDonald (C,) William Dunn (C.)

From Grade VIII to High School: Donald Gillies, William Lindsay, John Vine, Thomas Kirkwood, Maisie Evans, Donald Anderson.

Writing the Departmental Entrance Examination: Jean Pinckney, Edward Jarvin, Arthur Deeth, John Dodsworth (the latter was recommended, but wished to write the examination.)

## Football Benefit Funds Are Distributed

The receipts from the Football Benefit dance held at the Mine recently have been distributed among the injured players participating, who wish to express their thanks to all those who helped to make the dance a success. Plans are afoot for a similar function in the near future, to be held at the Beach. An announcement of this affair will be made shortly.

---

Miss K. Blakey left on Tuesday for a vacation in Vancouver.

## Granby Bay High School Promotions

Promotion List of Grade Nine of the Granby Bay High School. Names are in order of merit. Amy MacDonald and Dora Peterson passed with honors.

The Annual Report of the Minister of Mines has recently been distributed throughout the province. As in former years, it gives a mass of information, and provides interesting reading for those engaged in the mining industry. Although a tremendous decline in metal prices took place in 1930 the Report shows that even greater tonnages of silver, lead and zinc. This increase plainly shows that the big companies do not expect the present low prices to prevail much longer. It also shows that the companies mining these metals can successfully compete with the world in low cost production. A review of the Annual Report shows that the mining industry weathered the world depression last year better than any industry in the province. It is true that quite a number of small producing mines closed down. Also the big plant of the Granby Co. at Copper Mountain, and a number of properties throughout the province that were in the development stage. It also shows, however, that several new mines have been brought to the production stage and others increased their output. The report contains a detailed report by every resident mining engineer of his district. Chief of these is the very exhaustive report of Dr. J. T. Mandy, resident engineer of the North-Western district. Dr. Mandy's report covers a large number of mines and prospects. In his description of the Alice Arm district he has mentioned more properties his year, than has been done for a long time. He voices the opinion that in the Alice Arm district there are known ore bodies of potential commercial value, and given proper smelting facilities, Alice Arm would play an important role in mining affairs.

## C. N. Railway Earnings Drop

Montreal—Gross earnings of the Canadian National Railways for the week ended June 14, 1931, were $3,560,252, as compared with $4,577,216 for the same period in 1930, decrease of $1,016,964.

## American Smelters Close Down

Lead smelters of American Smelting & Refining Co., at Murray, Utah, and East Helena, Montana, will be closed down during July, August and September. Low price of lead is the cause.

## Pioneer Gold Produces About $2000 a Day

Production of Pioneer Gold Mines, with a property in Bridge River district, is about $2000 a day this month compared with $1,800 a day during May. The mill is running to full capacity of 100 tons a day, and last week a gold brick came from the mine valued at $19,000. This represented one week's run.

The average value of ore going through the mill is from $15 to $18 per ton, but on the 8th level some $80 has been encountered. The vein which is from 2 to 6 feet wide has been explored for 1650 feet.

Development is being pushed with a view to increasing the capacity of the mill to 300 tons as soon as the 3-compartment shaft is completed to the 2,000 foot level.

## Each B. C. Car Uses 374 Gallons Gasoline

British Columbia with its hills and mountains is by no means the heaviest user of gasoline per car among the provinces of Canada. That distinction belongs to Alberta where each car used 459 gallons last year as against 374 in B. C. Alberta therefore has first place both in production and consumption, since no other part of Canada produces as much oil as the Turner Valley wells. Average consumption in Ontario, Quebec and Nova Scotia exceeds British Columbia, though all other provinces are all below. Manitoba uses only 316 gallons per car in a year.

First Husband: "'Arry, me boy, why do you keep that ornery worthless dog about your 'ome?

Second Husband: "For sentimental reasons, Arthur. The wife 'ates 'im."

**The Shield for efficiency among the four Canadian Pacific white Empresses of the Pacific, donated last year by E. W. Beatty, chairman and president of the company, was presented for the second time at Vancouver recently to Captain A. J. Hosken and the ship's company of the Empress of Russia. During the presentation the gathering was entertained by the broadcast from the Empress of Britain, over 3,000 miles away, steaming down the St. Lawrence.**

**Definite promise of an international travelling Art School with headquarters to be established at Banff in 1932, or at one of the Bungalow Camps in the Rockies, has been given by Tom Hall, prominent London, England, artist who has been assured by a number of his confreres in England that they would join him in artistic exploitation of the scenic wealth of the Canadian Rockies.**

**Travelling by Canadian Pacific special train from Toronto to Victoria and return, over 100 members of the Canadian Manufacturers' Association held their annual general meeting early in June and took the opportunity to make a Trans-Canada tour, including Winnipeg, Regina and Saskatoon, where they conferred with local industrialists and were given civic and provincial welcomes. The meeting coincided with the 60th anniversary of the entrance of British Columbia into Confederation.** (7-1)

## *Canadian National Official Promoted*

R. F. McNAUGHTON

**Formerly District Passenger Agent for the Canadian National Railways at Prince Rupert, who has been promoted to General Agent, Canadian National Railways, San Francisco. Mr. McNaughton is well known in transportation circles in British Columbia and on the Pacific Coast. He succeeds W. J. Gilkerson, formerly General Agent at San Francisco, who is retiring from the service.**

## Nation River Strike a Fizzle

A special despatch to the Alaska Weekly, June 20th, from Prince George, B. C. says: "In regard to the placer strike on the Nation river, there is nothing doing beyond it being a good place to prospect. All the excitement has been on the outside. There is not a ripple here."

## Sherritt-Gordon Will Continue To Operate

Directors agreed at a recent meeting that careful review of the first three month's operation of the Sherritt-Gordon Mine has shown that such results have been obtained as to justify them in keeping the property, as at present, in operation at one third capacity.

Both in extractions and costs the estimates previously made have been bettered.

## Here and There

Total number of poultry on farms at end of 1930 in the Dominion was estimated at 60,795,000, of which 56,247,000 were hens and chickens. Value of this poultry was placed at $54,852,000.

Radio is to be used to aid in forest fire protection in Northern Saskatchewan. The provincial forestry department has decided to establish a system of look-out towers equipped with short wave radio sending and receiving sets.

A catch of 244 salmon by three anglers in nine days has been reported recently from the Cain's River, New Brunswick, by G. W. Scott, of Keene, New Hampshire, who was one of the party, and himself netted 111 of the fish.

More United States branch factories are established in Canada than in any other country outside of the United States itself. At the beginning of last year over 500 such factories were in the Dominion,, representing investments of $540,590,000.

Shipping of all kinds entering and leaving Canadian ports has increased 60 per cent. in the last ten years. Total net tonnage, exclusive of coasting, for year to March 31, 1930, was 88,438,789 tons. To this must be added net tonnage of 87,734,773 tons for vessels entered and cleared coastwise.

A gold-headed cane was presented by the Montreal Harbor Commission to Captain A. Freer, master of Canadian Pacific Steamship Duchess of Richmond, on the occasion of the first arrival of the season at Montreal of a trans-Atlantic liner. The Duchess of Richmond reached port April 19.

Increased tourist traffic to Canada from the United States is foreshadowed by reports from Canadian Pacific passenger agents in the U. S., which show a much larger number of enquiries from would-be travellers than in former years, C. B. Foster, passenger traffic manager of the railway, stated recently in an interview at Saint John.

Canada said au revoir but not good-bye to Their Majesties the King and Queen of Siam at the border station of Portal, Saskatchewan, whither they had travelled by Canadian Pacific on their journey to New York. They were passengers by the Empress of Japan on that ship's record-breaking passage from Yokohama to Vancouver.

"It's not so much the captain as the chief engineer who makes speed records possible at sea," Captain Samuel Robinson, of the Canadian Pacific liner Empress of Japan, told the Vancouver Board of Trade recently, at a luncheon in his honor, after his ship had clipped another seven hours from her previous speed record across the Pacific. She had averaged 22.27 knots over the 4800-mile course from Yokohama to Victoria, a speed hitherto unheard of.

Largest and most powerful locomotive of its kind in the world and unique on this continent, Canadian Pacific Railway "8000" type engine, product of Canadian brains and skill and composed largely of Canadian materials, has just been turned out by the Angus Shops of the company at Montreal, for use in the railway's Rocky Mountain territory. Engine and tender weigh together 392½ tons and it has a tractive effort of 90,000 lbs., sufficient to pull a mile-long freight train of 150 forty-ton trucks, weighing 6,000 tons, on a level track. (737)

## Granby Co. Will Pay 25c. Dividend

Granby Consolidated Mining, Smelting & Power Co. Ltd. has declared a dividend of 25 cents per share payable August 1, to shareholders of record July 17. The previous dividend was 50 cents per share paid May 1.

There are about 3,000 saw mills and 108 pulp and paper mills in Canada. The saw mills represent a capital investment of $180,000,000 and the pulp and paper mills an investment of $660,000,000. The former employ about 45,000 persons and the latter about 34,000.

## Australian Oranges Pours Into B. C.

Between July and December of last year there were shipped into British Columbia 14,000 cases of Australian oranges. There was some complaint that the sugar content was below that of smaller shipments in previous years. An Australian grower contends that oranges of better quaility might have been shipped if proper selection had been made. As it is the shipments show a considerable increase.

Ladies' 50 yards race, 1 Mildred Dresser, 2 Mrs. Stretton, 3 Phyllis Bushfield.

Men's Relay Race, 1 Store and Office team comprising Stan. Ellison, Fred Williams, Bert Field and Maxwell Patrick.

High Jump, schoolboys, 1 Maxwell Patrick, 2 Frank Dodsworth.

High Jump, schoolgirls, 1 Mildred Dresser, 2 Agnes Kruzick.

High Jump, men, 1 A. Dwyer, 2 Archie McDougall.

Running Broad Jump, schoolboys, 1 Maxwell Patrick 16 ft. 4 in. Frank Dodsworth 15 ft. 11 ins.

Running Broad Jump, schoolgirls, 1 Mildred Dresser, 12 ft. 5 ins. 2 Agnes Krusick 11 ft. 10 ins.

Running Broad Jump, men, 1 Archie McDougall 19 ft. 2 ins., 2 J. Ion 18 ft.

Sack Race: 1 Freddie Calderoni, 2 Bennie Parsons, 3 R. Manning.

Three-legged race: 1 Harold Dresser and Freddie Calderoni, 2 Dan McDonald and Arthur Dodsworth.

Ladies' Nail Driving Contest: 1 Miss Kathleen Eve, 2 Miss Salo.

Shot Put: W. Haapala 35 ft. 2½ ins., 2 Jaake Havista 33 ft. 4½ ins.

The Dominion Day Celebration closed fittingly with a big dance in the Gymnasium, when a large crowd attended this popular annual event.

## ANYOX NOTES

Mr. and Mrs. B. G. Anderson arrived in town on Monday from Vancouver.

D. M. Campbell arrived home on Monday from a visit to Vancouver and southern points.

R. W. Wood, E. Morgan, C. Kingston and S. Manisto arrived on Monday from Prince Rupert.

Mrs. W. F. Barclay and daughter left on Monday for Victoria.

R. P. Wilmot was a passenger to Stewart on Monday.

Mrs. F. Dodsworth and Miss A. Dodsworth left on Monday for a vacation in the south.

R. E. Collis, D. J. Hartley, B. Bass, Miss Keith and Miss E. Ormrod, of the Granby Bay School teaching staff, left on Tuesday for holidays in the south.

J. A. McMaster is leaving today for the south on holidays. He will join Mrs. McMaster and family, who left last week.

Rex Towgood of the Canadian Bank of Commerce is leaving today for Ocean Falls, where he will be stationed for several weeks before going to another branch.

A. H. Stewart arrived back last week, and received a warm welcome from his many friends.

## ALICE ARM NOTES

Miss Alice Kergin arrived home on Saturday from Prince Rupert, where she has been attending High School.

Mrs. T. W. Falconer and daughter Juanita arrived from Vancouver on Monday to spend holidays here with Mr. Falconer.

C. W. Ellison, government engineer, accompanied by J. A. Anderson, district road superintendent arrived at Alice Arm on Saturday. Mr. Ellison will make a thorough survey of the Alice Arm Naas Valley auto road as far as Bowman Lakes. It is expected that work of grading will be undertaken this year. The work will form a part of the government's relief work.

Miss Henderson who supervised the High School and entrance class examinations left on Tuesday for Anyox.

Mr. and Mrs. Kenny McDonald and family of Anyox mine are spending summer holidays here.

Mrs. W. Simpson and daughter Helen arrived from Anyox yesterday to spend holidays here.

Mr. and Mrs. Atkinson and family of Anyox are spending holidays here, arriving on Wednesday.

The Alice Arm Anglican Church Sunday School Picnic will be held the last week in July at Campers Point.

Rev. W. B. Jennings' father and mother accompanied him on his trip north on the Northern Cross last week. Mr. and Mrs. Jenning's home is in Toronto.

Owing to a congestion of news this week several important Alice Arm news items have been held over until next week.

Send your films direct to Wrathall's Photo Finishing, Prince Rupert, B. C. We use the best materials in a modern plant. Careful work and quick service.
