## Community League Sports' Banquet Is Brilliant Affair

### Banquet, Presentations, Music, Speeches and Song

During the past few years it has been the pleasure of Anyox sport teams and fans to be the guests of the Anyox Community League at their Annual Sports' Banquet. On Monday evening this now celebrated event was held at the Recreation Hall, when one hundred and seventy sat down to enjoy the bounteous hospitality of the League.

For brilliancy of the scene, the sumptuousness of the banquet, the high order of the entertainment and the enthusiasm shown by everyone, the banquet on Monday far surpassed those of previous years. Arrangements were carried out with splendid precision, and the whole programme was completed without the slightest hitch.

Every invitation card carried a number, and on entering the Hall the guests were conducted to their chairs which bore a duplicate number.

The tables extended the full length of the Hall in two rows, while at the stage end the tables were across the Hall, in the centre of which was seated Dr. D. R. Learoyd, who acted as Chairman, and supporting him on either side were the managers of the baseball and football teams.

The coveted silver cups, for the possession of which every team has striven throughout the season, were displayed in the centre of the table.

After several selections had been played by the orchestra, the Chairman proposed that an onslaught be made on the edibles, and this proposal seemed to have the hearty support of all.

At the conclusion of the banquet, the Chairman made a few remarks, during which he said: The men in the camp may sometimes be thinned out, but those left carried on the sports programme with renewed vigor, irrespective of what position they held. He was pleased to say that one of the outstanding features of the past season was the excellent football games played, and was glad to see all the fellows get together at the end of the season and enjoy themselves.

The baseball cup, which has been held by the Mine Club for the past year, was then presented by Mr. A. L. Ployart, manager of the Mine team. to Mr. E. J. Waterman, manager of the Elks' team, who won the championship this year.

Mr. Ployart spoke a few words in handing over the cup, and said he had followed the game for three years. The Elks had played the most consistent game of the season, and deserved to win. He was sorry that the Smelter team could not finish their games.

Mr. E. J. Waterman in accepting the cup, said it was always nice to have something given to you, and it was a great pleasure to accept the cup on behalf of the Elks' team, and hoped next year they would again be in the fight.

The cup then went the rounds, and was kept well filled by Mr. Jimmy Thompson, who acted as pilot.

Song: Mr. R. W. Murdoch. "Songs of Araby." He also sang an encore.

Mr. J. B. Haffner gave a short address, and stated that he was very pleased to share in this celebration. Sport, he said is good for everyone. It takes our mind from our daily grind, and gives us a chance to relax, which makes us more fit to tackle our problems of the following day. He pledged himself to do everything possible to further the interests of good sport in the camp.

The Chairman then presented the sweaters, which had been donated by the Granby Co. and won by the Mine Football Club.

Song: Mr. E. Blundell, "Bonny Mary of Argyle." Encore: "On the Road to Home Sweet Home,"

The Doctor Keeley trophy of $20.00 for the best batting average of the season, and won by Mr. C. Hall of the Elks' team, was presented by the Doctor to Mr. E. Wall, Vice-president of the Baseball League, Mr. Hall being out of town. Dr. Keeley said he believed all good citizens should get out and give their support to sport, for its success depended entirely on the amount of support received.

Dr. E. E. Harper then gave two

## Anyox Moose Hold Card Party and Dance

All records were broken in Anyox on Wednesday evening, in regard to card parties, when the Anyox Lodge, Loyal Order of Moose, held their first Card Party and Dance of the season in the Catholic Hall.

The Party was advertised for 8 p.m. and when the hour arrived every one of the twenty-eight tables were filled. At ten minutes after 8 the Hall itself was filled and in order to accomodate those who came late, games were played downstairs. Whist was qlayed at all tables, and concluded about 10 o'clock.

The winners were: Ladies, 1st. prize, Mrs. J. Zitko; Consolation Prize, Mrs. J. Cloke.

Gentlemen: 1st. prize, Mr. C. Parmiter; Consolation Prize, Mr. J. Munro.

At the conclusion of the card games, dancing was carried on with great vigor until 12 o'clock. The celebrated Moose orchestra consisting of J. Dresser. piano: S. Armstrong, violin; J. Varnes, bass horn; P. Stivenard, cornet; H. Ward, clarinet; and J. Cameron, drums, wrs in attendance.

If the Wednesday evening entertainment is a fair sample of the quality that is being planned for the coming winter, the people of Anyox can look forward to spending a number of pleasant evenings that will be sponsored by this rapidly growing organization.

The committee in charge, were: Chairman, O. J. Hutchings, Mesdames J. Varnes, F. Cross, L. Dodds; Messrs. L. Dodds, J. Varnes, P. Stevenson, T. Simpson.

## Elks Hold Another Successful Dance

Saturday night was the occasion of a successful dance at the Elks Hall.

The orchestra, which consisted of Jack Austin, piano; Sid Armstrong, violin; and Ed. Waterman, drums, rendered new and snappy music and were applauded repeatedly. The Elks dance committee consisted of H. St. Clair, Jack Goertchen, Vic Cruikshank, Mel Gow, Percy Davis, and A. Nickerson.

## ALICE ARM NOTES

Baths for ladies and gentlemen. First-class Service. J. Laidlaw, Alice Arm Electric Laundry.

Mr. C. B. Byles arrived on Tuesday from Ocean Falls, to inspect the timber on the holdings of the Granby Co. He was accompanied by Mr. Geo. Williscroft of Anyox.

Mr. Allin arrived from Vancouver and Anyox, on Tuesday, and left the following day for the Toric.

Mr. W. M. Cummings will receive on Monday, a fresh supply of Purdy's renowned chocolates, for Thanksgiving Day.

Incoming and outgoing mail hours are as follows: Mail closes for the south on Sunday evening, 7.30 p.m. and Thursday morning, 7.30 a.m. Mail arrives from south on Monday morning, Thursday evening 6 p.m. and Saturday evening 6 p.m.

See Al. Falconer for Freight and Pack Horses.

Mr. H. F. Kergin left on Thursday for Victoria, where he will attend the opening of the Legislature on November 3rd.

Mrs. Carl Johnson arrived home yesterday from Anyox Hospital, where she has been receiving treatment for the past three weeks.

Miss Nettie Hogburg left on Thursday for Vancouver and New Westminster on an extended visit.

Rev. Rushbrook will hold Divine Service in the Anglican Church, on Sunday, at 7.30 p.m. Sunday School 11 a.m.

See Al. Falconer for Wood, Coal and Lumber.

Mr. J. Powich arrived from Prince Rupert on Monday.

Mr. F. Rose left on Monday for Stewart.

Mrs. T. W. Falconer and daughter, Juanita, left today for a month's visit to Vancouver and New Westminster. Mrs. Falconer will attend the wedding of her sister while in the south.

Mr. J. Trinder, who conducted the Casino Crill during the past summer, left on Monday for Stewart.

Mr G. G. Mitchell, government timber cruiser, left on Monday for Prince Rupert.

Mr. A. C. H. Gerhardi, left on Monday, for a short visit to Vancouver.

Hand Laundry Work. Moderate Prices—Miss B. Crawford, Alice Arm.

Mrs. H. Nucich left today for an extended visit to her home in Jugo-Slovakia.

## BIRTHS AT ANYOX

Born to Mr. and Mrs. Geo. Lee, at the Anyox Hospital, on Tuesday, October 28th, a daughter.

Born to Mr. and Mrs. P. Petrusiok, at the Anyox Hospital, on Thursday, October 23rd. a son.

B. P. O. Elks
Dominion of Canada
ANYOX LODGE No. 47
Meets Every Monday, 8 p.m.
Elk's Hall

## *Even a Ford Car Has Limit Of Endurance*

It is conceded by everyone who knows anything about a car that the Ford is a wonderful piece of locomotion. A Ford car will do almost anything it is called to do by a skillful driver. But there are limits to which even a Ford can go, as Barney Turbitt found during the week, when he endeavoured to convert his trusty Ford into a snbmarine, without first encasing her with a steel shell.

It appears that Barney was speeding up from the wharf, with freight and passengers for the city, when he came to the creek near Bruggy's store. It was high tide and real high at that, but Barney opened her up and she hit the "drink" on "high." Passersby on the street say she threw a wave so high it made them feel sea-sick to watch it. The Ford made a gallant attempt to cross the ford, but the steep incline of the bank was too much and with a groan and then a gurgle she died in midstream. A team of husky horses hauled her to the city streets, and under the skilful manipulation of the monkey wrench by Barney, and supported by a number of assistants, both vocal and otherwise. the high diving Ford has recovered.

## ANYOX NOTES

Miss Marjorie McDonald left on the Cardena last Monday for Vancouver. Miss McDonald will proceed to San Francisco, where she will visit with her sister.

Mr. Frank Gigot arrived in town from Stewart last Sunday. Mr. Gigot will spend a week or ten days in town.

Mrs. J. Conway returned from a visit to Stewart on Monday.

Mr. Fred Morrow left for Vancouver on the Cardena on Monday.

Mr. D. Rashleigh left on the Cardena last Monday. Mr. Rashleigh will proceed to San Francisco to join his family.

Miss Ward arrived in town from Victoria last Monday. Miss Ward will spend an extended visit with her sister Mrs. Kribbs.

Mr. Chas. P. Byles, logging superintendent of the Pacific Mills, arrived in town last Monday. Mr. Byles will look over the Granby timber limits at Alice Arm.

Mr. and Mrs. E. Menzies departed on the Cardena last Monday for Vancouver. Mr. and Mrs. Menzies plan to proceed to Portland, after a short visit in Vancouver.

Continued on Page 4

## Through Sleeping Cars To Ship's Side

The Canadian National Railways have made arrangements to operate tourist and standard sleeping cars through from the Pacific Coast to the ship's side at Montreal and Halifax in connection with Old Country sailings, during November and December. Full information regarding rates, reservations, passports, etc. can be secured from R. F. McNaughton, District Passenger Agent, Canadian National Railways, Prince Rupert. B. C.

## Homeguard Property Gives Good Values From New Strike

What is probably the most important ore strike in the Alice Arm district this year, was that recently made by Wm. McFarlane on the Homeguard property. Assay returns that have just been received give the following values; gold 0.04 ounces, silver 26.55 ounces, copper 0.76 per cent per ton, This ore was picked right off the surface and was leached out considerably, so that with lower depths the value should considerably increase.

Lots of higher values have been obtained in the Alice Arm district, but it must be remembered that the Homeguard contains immense bodies of ore, but the property has been a mystery to mining engineers and geologists.

Immense boulders of rock have been found, measuring 26 feet wide and 50 or more feet in length. These boulders carry as high as ten per cent. copper, and it has been estimated that 4000 tons of ore is in sight in these boulders ready to mine.

The question was: where did these boulders come from? They could not have travelled any great distance, or they would have broken smaller. This question now seems to be answered, as the ore from which the above values were obtained is solid rock. This ledge is located a distance of 400 feet above the previous showings where a tunnel is driven, and lies in a southerly direction.

Mr. Geo. Clothier, government mining engineer was on the ground this year, and made an extensive examination of the property, but this find was made since his visit.

The owners, Messrs. G. W. Bruggy and Wm. McFarlane are jubilant over their good fortune in finding the key to the mystery, and plan to do extensive work on the new ledge next spring.

The Homeguard is situated about 14 miles up the Kiisault valley on the east bank of the river, and is only 1500 feet from the Dolly Varden railway. A good pack bridge was built across the river this year, so that transportation problems will not enter into the development or shipping of ore from the property.

## A BIG BAZAAR

The Ladies of the Anyox Union Church. are holding their autumn Bazaar, on Saturday, November 8th, at 2.30 p.m. in the Church. There will be a nice assortment of Fancy Work, also a Handkerchief Booth, and as it is not too soon to select Christmas gifts, we advise you to come early and get first choice. There will also be home cooking, candy, plants, etc., and last but not least, a wonderful fish pond. Children save your dimes.

Afternoon tea will be served.

## British Electiom Returns

Latest election returns from Great Britain, are: Conservatives 383, Labor 148, Liberals 38. Other Parties 12. Con. majority 185.

## Great Britain To Smelt Canadian Concentrates

A Vancouver dispatch states that the British Government will not have to smelt considerable of its zinc in Belgium plants after April, 1925.

Refineries and new retorts are being installed in Britain that will make it possible to care for all the concentrates shipped from the colonies.

At the present time Britain imports 12,000 tons of slab zinc a month from Belgium and this is principally refined from Australian and Canadian zinc concentrates.

The smelters of Britain are producing only about 4,000 tons of zinc a month at presnt.

Louis Hersler, associated with the Joplin zinc interests of the United States is endeavoring to secure certain connections with the Belgium refineries that will mean Antwerp refining American concentrates and competing in world markets with British zinc made from Canadian concentrates after next April.

Hell hath no fury like a woman's corns.

## SYNOPSIS OF LAND ACT AMENDMENTS

### PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

### PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

### HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

### LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

### GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

## What The Copper Industry Means to State of Montana

Over a 10-year period the Anaconda company,s expenditures in Montana have been $474.518,891.-81. The yearly average of expenditures in Montana has been $47,-451,889.18, aud the average number of men employed by the company in that state for the period 1914 to 1923 has been 14,-841. The wages alone paid during this 10-year period amounted to $235,334,489.30 or 45.59 per cent of the total expenditure. Wages at present are running more than $2,000,000 a month.

An idea of what this great industry means to the state is gleaned from the statement of taxes paid. From 1919 to 1923 the Anaconda company paid taxes amounting to $9,275,933.

## Indians Strike Placer Gold Near Carcross

Practically the whole male population at Carcross has set out for Little Atlin Lake where it is said a band of Indian prospectors under the leadership of "Big Lake" Jim has discoverd placer gold within 40 miles of the town and twenty miles east of the old Tagish post.

Big Jim notified other Indians of the discovery before coming to town to let the white population in on the strike and the Indians are said to have pegged out the best claims. Nearly everyone making the trip has been successful in getting a claim or the part ownership in one.

In the stampede, the first Carcross has seen for some time, practically everyone fit to travel rushed out to the scene as soon as word of the strike was received-

## Anyox Community League Hold Their Annual Banquet

Continued from Page 1

delightful pianoforte selections. "Finale from Altude Symphony," and "Symphonic Studies in English." The latter being an encore.

Mr. C. Wing, who was also called upon by the Chairman to say a few words, said that making speeches was a pastime he did not enjoy. In looking back over the past few years, he was glad to say that the games now played were of a much higher standard than formerly, and the class of ball now played in Anyox was hard to beat, even in the big cities. He hoped that as good games would be played next year, and that we would all be here again at the next banquet.

The Football Cup, which was won by the Beach team, was presented to Mr. E. Craggs by H. R. Patrick of the Smelter team, who has held it for the past year. Mr. Patrick, in handing over the cup congratulated the Beach team on their good play, but was sorry to part with the silverware.

Mr. Craggs said it gave him great pleasure to receive the cup and hoped the same bunch would win it again next year.

The cup then went the rounds.

Song: Mr. H. Baillon, "Sun shine of your Smile". Encore, "Dear old Pal of Mine."

Song: Mr. J. Varnes. "Old man Bailey had two sons." Encore, "Burglar Bill."

The Chairman stated that the medals, donated by the Granby Co. to the winning baseball team had not arrived, but would be presented at a later date.

Mr. L. F. Champion was the next one chosen by the Chairman to say a few words on behalf of sport. Mr. Champion said the Rifle Club, of which he was a member had been practising throughout the summer, and all members had enjoyed themselves. He expected that a 25-yard range would be made under the Gymnasium for the winter season, and hoped they would obtain all possible support.

Selection by the orchestra. Medley.

Song: Mr. Heggerty. He also sang an encore.

Accordeon Solo: Mr. F. Johnson.

Duet: Messrs. Owen and Evans.

Clog Dance: Mr. J. Tierney.

Song: Mr. J. E. Mitchell, "Alueta."

Humorous Patter: Cy. Greenwell and Bob Watson. "Gallagher and Sheen."

God Save the King. Accompanist, Dr. Harper.

For the splendid success of the evening a considerable share of the credit is due to Dr. D. R. Learoyd, that incomparable chairman. He handled the programme in a manner, that left not a dull moment in the entire evening, and any deviation he made from the printed programme, was a liberty well rewarded.

To entertain such a large number entails a vast amount of hard work, and the major portion of this naturally fell upon the shoulders of the secretary-of the Community League, Mr. F. M. Kelley. That he did his duty well, was evidenced by the unsurpassed arrangements made. Everything was handled with clock-work precision, and everyone was well cared for. Assisting him were the various committees which are as follows:

Programme Committee: Ed Pearce, Ed. Waterman. Reception and Supper Committee: G. Williscroft, G. Booth, H. Thorley, A. L. Ployart, J. D. Wilson, E. Dearlove, E. Wall, A. Sinclair, E. Waterman, E. Pearce, E. Craggs, H. R. Patrick.

The seven-piece orchestra in attendance was composed of J. Austin piano; G. Leslie and S. Armstrong, violins; P. Stivenard and J. W. McDougall, cornets; S. Steele, trombone; E. J. Waterman, drums.

## The Mineral Province of Western Canada

Has produced minerals valued as follows: Placer Gold, $76,962,203; Lode Gold, $113,352,655; Silver, $63,532,655; Lead, $58,132,661; Copper, $179,046,508; Zinc, $27,904'756; Coal and Coke, $250,968,113; Building Stone, Brick, Cement, $39,415,234; Miscellaneous Minerals, $1,408,257; making its mineral production to the end of 1923 show

## An Aggregate Value of $810,722,782

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906 1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; for the year 1921, $28,066,641, and for the year 1923, $41,304,320.

## Production During last ten years, $350,288,892

Lode-mining has only been in progress for about 33 years, and not 20 per cent of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing land are open for prospecting.

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing

**SANDY MACDONALD**
SCOTCH WHISKY
Try a Bottle & Make a New Friend
"SANDY MACDONALD" is one of Scotland's *rare* old Whiskies. Once you taste it you 'll know how "Soft," mellow and stimulating Scotland's *best* really is.
For many generations "Sandy Mac," as it is usually called, has been known all over Scotland—pretty well all over the world too - as a whisky that never varies in its high quality and reaches a degree of purity and "delicacy" of flavour that is as unusual as it is satisfying
Drink "Sandy Mac" yourself and put it before your friends who know what is good.
