Talented Artistes Entertain Large Audience Variety Concert

The Variety Concert under the auspices of the Vestry of Christ Church was held in the Recreation Hall on Friday February 25th, and like the Benefit Concert held in January was well attended which is the biggest remuneration the public can give to those who offer their services and talent so freely. The concert started well on time with a march by the members of The Anyox Band under the leadership of Mr. J. J. H. Varnes.

The brief resume given here as the various numbers were called on the programme where exceptionally good and all were encored. Mr. J. L. Anderson sang "The Floral Dance," followed by Mr. W. E. Yard in a monologue, "The Madman." Next came a Violin Duet, rendered by Messrs. Armstrong and Kania. This was followed by a solo "If I might come to you," by Mrs. Pinckney.

The Rev. J. S. Brayfield at this point addressed the audience present and extended to them his hearty thanks for the way the people of Anyox had supported the artistes appearing. At the same time offering regrets that the programme could not be followed in rotation as shown, this was due to the sickness of some of the artistes.

Miss Kathleen Bruggy next appeared giving a Spanish Dance. This was exceptionally well executed and met with loud applause. She obliged with an encore. Mr. V. F. Eve gave a solo, followed by a solo "Nivana" by Mr. J. Hegarty. Next to appear was Dr. Trefry in a monologue, "The Negro Parson," this was the Doctor's first appearance in Anyox in giving a turn at a public concert. His impersonation of a negro parson was good and thoroughly enjoyed. From now on his services will be eagerly sought for.

Miss Irene Bruggy gave a Chinese Dance and was accompanied on the piano by Miss Kathleen Bruggy. At the conclusion she was given a big ovation by the audience who appreciated her clever dancing. At the conclusion of the dance she recited a Chinese verse which showed that she is also skilled as an elocutionist. Mr. W. Murdoch next gave a solo. This was followed by a five minute interval, during which the Anyox Band rendered a selection.

After the Selection Mr. W. E. Yard gave a Monologue, entitled, "Thirty Pieces of Silver." Mr. Yard representing "Judas" the acting and delivery of this sacred drama was very creditably done.

Miss Kathleen Bruggy next gave a piano solo "Twilight Dreams," by Leo. Friedman which was exceedingly well rendered.

Mr. J. R. Mitchell was next to appear and gave two humorous songs. Mrs. T. Pinckney rendered a solo, followed by an Acrobatic Dance by Miss Kathleen Bruggy, she was accompanied on the piano by her sister Miss Irene Bruggy, these two little girls are to be complimented very highly for their talent and skill, and the interest shown in appearing in a public performance in Anyox. The end of a successful evening was brought to a close by a selection from the band followed by "God Save the King."

Little Miss "Bubbles" Eve, who was dressed as Charlie Chaplin, posted the numbers of the programme as they appeared, and her clever impersonation was a feature of the evening.

The artistes were accompanied on the piano by Mrs. A. R. Kent, with the exception of Mr. J. R. Mitchell who was accompanied by Mr. Garton Crow.

The Rector and Vestry of Christ Church wish to extend their hearty appreciatton and thanks to all those who helped to make this affair such an enjoyable evening.

The Woman's Auxiliary of Christ Church entertained the artistes at the conclusion of the Concert with refreshments.

A Big Sporting Night in Store

The biggest sporting event of the season or any other season will be held at Anyox Beach Gymnasium on Friday March 25th. under the auspices of the B. P. O. Elks.

Dick Stubbs, the well known local wrestler will wrestle J. M. Brown, of New Westminster, who is coming north for the occasion. Brown held the 145 lb. championship for two years, 1923-24, and retired on account of a bruised collar bone. In twenty-four matches he invariably obtained a fall within two minutes, thus winning the match. The record of Dick Stubbs is too well known for mention.

Battling Gurvich of Prince Rupert will box J. O. Kirk of Anyox. These boys are in the 150 lb. class, and are both fast and carry a big wallop.

Billy Reynolds and Jack Barnes, 135 lbs. will also box. Numerous other events will be staged, a full programme will be advertised at a later date.

A special 18 ft. ring will be built and a new wrestling mat provided. Everything will be in Tex Rickard style, and it promises to be a big night.

Alice Arm Will be Farming Centre

Development of Alice Arm is going on in all directions. The latest to be developed in the fertile Kitsault River flats. J. Saur, who operates a ranch recently imported two oxen and two cows and this week saw the arrival of a big sow. Jake intends to wrest a fortune from the top of the ground instead of driving deep tunnels. Since its arrival one of the cows has given birth to a calf, which is the commencement of a dairy herd that will supply the town with fresh milk.

ALICE ARM NOTES

Art. Beaudin of the Welcome Hotel, returned last week from a two month's trip to Vancouver.

Miss A. McIver left on Monday for the south. She will spend three week's vacation at her home near Vancouver.

S. Dumas returned home last week from a vacation spent in the East. He visited his home in Quebec and also visited Montreal, Toronto, Detroit and other eastern cities.

J. B. Robinson, one of the early residents of the camp, spent the week-end in town, returning to Prince Rupert on Monday.

Word was received during the week that S. Morrison, who left a few months ago for his home in Scotland, has been married. A number of friends received samples of wedding cake.

Wm. Hanna, who has spent the past few months here, returned to Anyox on Monday.

J. A. Anderson left on Monday on a business trip to Vancouver.

T. Tavener was a south-bound passenger on Monday to Vancouver. He expects to return in a few weeks.

Miss B. Crawford, who left here about 18 months ago, arrived yesterday from Prince Rupert.

New Improvements Made on C. N. R. Coast Boats

The S. S. Prince George made her first trip into Anyox on Thursday, after her annual general overhaul in Rupert. Many pleasing and artistic improvements have been made in this vessel. The newsagent's stand and bar have been removed and combined into one on the top deck outside the smoking room. This alteration has given additional space to the smoking room. The music room has been fitted with a new hard wood floor, covered with blue Chinese rugs. This will be a very popular place with the passengers who care to dance, and one of the latest orthophonic 5-tube power gramophones will be installed in the near future. The railings between decks and approaching the dining room are decorated with Canada's national emblem, the maple leaves. These are profusely hung at an angle under the banisters. These vessles are the last word for comfort in travelling.

Elks' Basketball Team Win From Celtics

The Celtics suffered another defeat at the hands of the Elks, 27-24 on Wednesday March 2. It took the Students about ten minutes to locate the basket in the first half but when they started they soon drew up even. The second half was fast and exciting with only one or two baskets separating the teams. Lindgren with his long shots from centre starred for the Celtics. Gordon and Stewart collected the points for the Elks and Stewart and Bruce played a strong defence game.

Big Enthusiastic Crowd Mine Club Smoker

The big smoker held at the Mine on Monday evening went over with a bang. It was under the auspices of the Mine Club. The attendance was large, and enthusiasm high.

Wrestling, boxing, songs and music was given and a thoroughly enjoyable evening was spent.

Following is the programme:

1. Opening number. Christy Madsen, piano, and Otto Neiderman, violin.
2. Evan Jenkins, comic song.
3. Tony Calderoni vs. Joe Jonason. Boxing.
4. Christy Madsen, Otto Neiderman, Tack Buntain, Steve Jones. Orchestra selection.
5. Wm. Watkins, harmonica solo.
6. Morgan Fyle vs. Bob Mitchell. Boxing bout.
7. Johnny Hegarty. Solo.
8. Harry Gourlay. Elocution with a few pointed stories.
9. Otto Niederman. Violin Solo.
10. Orchestra Selection.
11. Dick Owen. Solo.
12. Battling Bjorking vs. Smiling Johnny Bodin. Boxing bout.
13. Steve Jones and Jack Buntain. Saxophone Duet.
14. Tony Calderoni vs. Sid Brown. Boxing.
15. Johnny Hegarty. Solo.
16. Orchestra Selection.
17. Dick Stubbs vs. Ed. Bjorking. Exhibition wrestling.
18. Dick Stubbs vs. Billy Reynolds. Boxing bout.

God Save the King.

The above programme was well received and everything went off without a hitch. Christy Madsen is a marvel on the piano and accompanied the singers delightfully. There were three intervals for the distribution of refreshments and hot dogs.

A great deal of credit is due to the committee and the instructors for the energy they displayed in getting the programme together and no less to the artists who took part in the programme.

Mining Operations At Wolf Recommenced

Mining has been re-commenced at the Wolf mine, near the town of Alice Arm by Messrs J. Fiva and P. Peterson. This property was closed down for a few months while the above were driving the new tunnel at the Toric mine and which was recently completed.

Stoping of ore is being carried on at the Wolf ,and the stope will be carried through to the surface, a distance of about 70 feet, so that better ventilation can be obtained.

No shipment of ore will be made until the snow is off the Dolly Varden railway at least, and then shipping depends upon the price of silver. As soon as silver reaches a level that will pay for shipping it will be done.

Option Taken on LaRose Mine

London Corporation Involved

An option has been taken on the LaRose Mine by G. R. Bancroft and associates. The price is in excess of $175,000. An examination will be made as soon as possible, and if satisfactory the option will be taken up and development of the mine on a big scale will be undertaken.

It is understood that Mr. Bancroft represents London capital, and ample funds are available for any programme of development and equipment that the mine warrants.

Mr. Bancroft recently successfully negotiated a deal whereby the Sebakwe, a subsidiary of the Selukwe corporation of London, took over the National Silver mines at Stewart. He had charge of the work there which resulted in striking the ore body. He formerly represented the Tonopah Mining Co. of Nevada in Canada, and had charge of the work on the Mandy mine, which is at The Pas, Manitoba.

The La Rose is counted among the most promising properties in the Alice Arm district. It consists of four claims and is owned by the LaRose Mining Co. whose head office is in Prince Rupert. It is situated in the Kitsault Valley and is less than two miles from the Dolly Varden Railway.

Several shipments of ore have been made, and development work done in the last two years has proven that the mine contains much high grade ready for mining, in addition to a big tonnage of milling ore.

A few years ago a shipment of twenty-two tons was made, which gave returns of nearly 300 ozs. silver per ton.

Last year a shipment of forty tons of ore was made, which yielded 177 ozs. silver and $4.35 per ton.

Considerable underground work has been done. A good sled road provides transportation to the Dolly Varden Railway, and with active development work it should not be long before it becomes a steady producer.

The operation of the LaRose to capacity will stimulate mining, in the district. The directors are to be congratulated on interesting wealthy operators which are needed for the development of the camp.

Popular Residents Depart

Mr. and Mrs. C. W. Bagwill left for Seattle during the week where they will reside. Before their departure they received many beautiful presents from their friends in Anyox. Mr. Bagwill has held the position of Chief Accountant for the Granby Co, for the last five years. He is being relieved by Mr. A. S. Baillie. Numerous friends were down at the boat to wish them a fond farewell, and all happiness in their future life.

E. MOSS, Editor and Publisher.

Although the year is still young plans are being made for extended mining operations in the Alice Arm district this year. It is the belief of many that this year will witness the commencement of earnest efforts to develop the camp on a scale far beyond what has been accomplished in the past. Alice Arm is at present receiving far more notice than has been our lot in the past. Every new move is being watched with interest. The Vancouver press and mining journals are realizing that the public desire news of our activities, and they are giving liberal space to our happenings. The mining world in general, realize that we possess vast potential mineral wealth, and that a virgin field of unbounded possibilities is on the eve of being thoroughly developed. Development to date has been marked with unusual success. The development of the big ore body at the Toric, and the discovery at depth of ore on the LaRose, together with the Silver Cord, LeRoy and others have awakened interest in our mineral wealth. The work done by the owners on numerous properties have also proved that in size of ore bodies the district stands second to none. The publicity booklets circulated last year also drew considerable attention to the camp. All these things have created an interest, which is already commencing to bear fruit. The enlarged programme of development work this year will undoubtedly be successful and each year will see steady progress until the camp becomes a producer of importance.

Although, to use a colloquial expression, "things are coming our way," it would be a poor policy for the people of Alice Arm to sit and wait for the "big boom." We have an organized branch of the B. C. Chamber of Mines, which, up to six months ago did excellent work. The need for this work is just as pressing as it was one or two years ago. Statistics show that when any concern ceases to advertise, sales immediately drop. The same is unquestionably true of a new mining camp.

Missed Holes is Cause of Many Accidents

Drilling or picking into missed holes is one of the most frequent causes of blasting accidents in metal mines, in a recently issued publication. When it is known that a face contains an unexploded charge the hazard is greatly reduced as before any one does any other work at the face the missed hole can be reblasted by placing a new primer above the charge.

To count the detonation of shots in rounds and to report the missed holes is an almost universal practice. Occasionally, as in a large stope where a number of rounds are shot together, it is not practicable or possible to count the individual shots.

Where "V"-cut rounds are used, two or more charges often explode together and in consequence there is doubt as to whether any misfires have occurred. Under these conditions miners are most likely to pick or drill into missed holes in cleaning out the broken material.

Missed holes in drift rounds are usually easy to detect by an inspection of the face, and are generally identified by the fuse sticking from the hole. Missed lifters in drift rounds are sometimes not made evident by an inspection, and for this reason are more dangerous. Most miners load the lifters heavily so that the broken rock will be thrown back from the face on a shoveling sheet; this makes the detection of a mis-fire in a lifter easier Missed holes in shafts or in underhand stopes are more hazardous than those in drifts because the unexploded charges are harder to find.

Charlie Hunter Passes Away

Charlie Hunter who spent several years in Alice Arm during the construction of the Dolly Varden Railway and the operation of the mine, passed away in Prince Rupert Hospital, on Monday February 21st.

Deceased came north during the construction of Grand Trunk Pacific Railway twenty years ago, and since that time has resided in Prince Rupert, with the exception of the time spent at Alice Arm.

He was born in Scotland, where he received a good education. He was prominent in labor circles, and an eloquent platform speaker.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

BRITISH COLUMBIA
The Mineral Province of Western Canada
Has produced Minerals as follows: Placer Gold, $77,663,045; Lode Gold, $122,808,459; Silver, $74,111,397; Lead, $89,218,907; Copper, $197,642,647; Zinc, $39,925,947; Miscellaneous Minerals, $1,594,387 Coal and Coke, $273,048,953; Building Stone, Brick, Cement, etc., $44,905,886; making its mineral production to the end of 1925, show an
Aggregate Value of $920,919,628
The sudstantial progress of the Mining industry of this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years-1906-1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; 1921, $28,066,641; for the year 1922, $35,158,843; for 1923, $41,304,320; for 1924, $48,704,604, and for 1925, $61,492,242.
Production Last Ten Years, $404,649,375
Lode mining has only been in progress for about 25 years, and only about one-half of the Province has been even prospected; 200,000 square miles of unexplored mineral bearing land are open for prospecting.
The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire.
Mineral locations are granted to discoverers for nominal fees.
Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.
Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B. C. Reports covering each of the six mineral Survey Districts are published separately, and are available on application. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.
Full information, together with Mining Reports and Maps, may be obtained gratis by addressing
THE HON. THE MINISTER OF MINES,
VICTORIA, British Columbia

Anyox Basketball Teams Still Going Strong

Still hitting their winning stride the Concentrator defeated the Celtics 30-25, in a senior league fixture at the Beach Gymnasium on Friday February 25th. The Mine Girls again won from the Freshies, 20-10 and the B. A. C. took a close game from the High School A team, 21-20.

The first half of the senior game was a hard close checking exhibition with the Celtics leading 8 6 at the whistle.

At the beginning of the second half the Concentrator took the lead when Jack Hill and Archie Smith got their eyes on the basket. The students came back strong, but were unable to overcome the lead.

Lazoreck, Lindgren and McDonald did most of the scoring for the Celtics. Jack Buntain refereed.

Concentrator: J. Stewart-6, J. Hill-8, A. Smith-13, J. McConachie-2, D. McLeod-1.

Celtics: J. Lazoreck-10, E. Clay, A. Lindgren-6, C. McDonald-7, S. McLachlan-2.

At half time in the girls' game the Mine led 6 2. In the third quarter the Freshies almost pulled up even but could not hold the pace. Sid Peters refereed.

Mine: J. Calderone-6, H. Calderone-2, A. Scott, M. O'Neill-2, M. Johnson, T. Deeth-4, P. McMillan-6

Freshies: C. Nucich 2, T. Gordon 2, V. Eve-6, Z. Sutilovich, P. Dermody.

The opener was anybody's game up to the final whistle, the B. A. C. finishing one point ahead of the High School. S. Barclay collected 12 points for the Beach.

High School A: Johnson-6, Barclay 4, Watson, Gillies-3, Brown 6, Cloke-1.

B. A. C.: T. Cloke-2, Dresser-4, Teabo, McDonald 3, S. Barclay 12

Engineers Gold in the Atlin district is sinking a three-compart-shaft on the E vein, 150 feet from the Alexander workings. The Alexander and E veins are the principal ore-bearing veins on the property.

J. Coughlan & Sons, Limited, Vancouver, have been awarded the contract for the construction of the new Canadian National Railways bridge across the North Thompson River at Kamloops, at a cost of approximately $200,000. The bridge will be about 1,200 feet long.

Police Chief—"What! You mean to say this fellow choked a woman to death in a cabaret in front of two hundred people, and nobody interfered?"

Cop—"Yes, Cap, everybody thought they were dancing."

1927 European Educational Tours

Personally Conducted Tours have been arranged this Summer, under the joint supervision of the Canadian National Railways and the Cunard Steamship Company to Great Britain and Europe and return. All transportation, hotel and sight-seeing expenses included in fares. See any Canadian National Railway Agent or write District Passenger Agent, Prince Rupert, for particulars and descriptive literature.

LARGE FAMILY PARTY FOR ALBERTA FARMS

MANY more inquiries are being made in the United States for farm homes in New Ontario than ever before, according to a Dominion Government official stationed at Detroit, but Manitoba and northern Saskatchewan and Alberta is the objective of most of those now being sent north or who are negotiating to cross the line.

"I am sending a number this spring to northern Alberta, around Lac Labiche," said this agent. "In June, 1923, I sent from here to that place 35 people in one car, ALL THE FAMILIES OF THE FOUR PLAMONDON BROTHERS. They lived at Provement, Mich., and their parents originally came here from Quebec. These people were experienced farmers, had a little money and prospered from the first. They have written their friends and relations and are responsible for many more going into Alberta. There are many Quebec French in Ohio and Michigan and many of them are returning to British soil. I do not think it is an exaggeration to say that fifty per cent of all those now crossing the line both to the prairies and New Ontario, are former Canadians going home or Americans who have previously resided on Canadian farms."

Photograph shows the Plamondon families when they left the Canadian National train on reaching their destination.—C. N. R. Photos.

ANYOX NOTES

Bobby Orr the star pitcher for the Mine Club Baseball team arrived on Monday from Vancouver, where he has spent the winter.

J. Greigg returned on Monday from Vancouver. While in the south he received medical treatment for his eye and is feeling much better.

Among the arrivals from the south on Monday, were: W. E. Griffiths, R. Green, H. Brentzen, Miss Ingaard, Miss Silbing, M. Boyd, R. J. Hawkes, F. L. O'Hearn W. Nicholas.

George Corckle was a passenger to Prince Rupert on Monday.

Rev. Father Godfrey left on Monday for Prince Rupert.

Morley Shier, of the Canadian Explosives Ltd. left on Monday for Prince Rupert.

C. W. Smith, auditor for the Canadian National Railways, left on Monday for Prince Rupert.

Mr. Leirsch, was a passenger to Bella Bella on Monday.

Mr. and Mrs. J. Pottinger returned last week from their honeymoon trip, which was spent in southern Coast cities.

F. F. Patton returned home on Thursday last week from a trip south.

Mrs. R. Ingram and children were passengers to Vancouver last week.

Miss Nancy Wilson left last week for Vancouver.

Mrs. McDonald was a passenger to Vancouver last week.

W. R. Lindsay returned on Thursday from a short visit to Prince Rupert.

W. P. Armour, an old resident, arrived on Thursday from Prince Rupert.

Mr. and Mrs. F. D. Rice arrived in town from Prince Rupert on Thursday.

Bob Strand arrived back on Thursday from Prince Rupert.

Among the arrivals on Thursday, were: D. Davidson, H. Cook, D. Evans, C. E. Struthers.

Mrs. Chas. Bocking left on Thursday for the south.

The El Doro, a cigar of Quality.

Mrs. Garton Crow and child were passengers on Thursday to Vancouver.

Mrs. T. Evans was a passenger to Prince Rupert on Thursday.

D. McVicar left on Thursday for Prince Rupert.

Those leaving for the south on Thursday, were: T. Stevens, J. M. Hawkins, C. M. Boyd, R. C. Hanks J. C. Bigham, H. Cook.

Homer Clay, who has been visiting his parents for the past few months returned to Prince Rupert last week.

Alice Arm Lots
Now is the Time to Buy
Alice Arm will very soon become a mining town of considerable importance. The mining industry is undoubtedly on the eve of big developments, which means a big payroll and a much larger town. Increased activity will result in placing good residential and business lots at a premium. At the present lots can be secured at attractive prices and on easy terms
BUSINESS LOTS FROM $200 TO $500
RESIDENTIAL LOTS FROM $200 TO $300
Terms made to suit buyers. See Stephen Dumas, our agent, and build where you don't have to move.
S. DUMAS
Agent for the Alice Arm Mining & Development Co

The Advent of Spring and Brighter Days
Makes one realize the need of brighter and more attractive attire. One's general appearance when attractively dressed, makes one feel better, look smarter, and the world surrounding him is brighter
