I. O. D. E. Hold Their Monthly Meeting

The Collison of Kincolith Chapter, I. O. D. E., held its regular monthly meeting on September 10th. Regent Mrs. Fricker occupied the chair. A sum of money was voted to the I. O. D. E. Cot at the Solarium, Victoria, where children with tubercular troubles are treated.

Mrs. N. R. Redman was appointed Social Convener for the balance of the year.

Cards on Empire Trade were given to each member.

Among the many objects of the Order, most of which are participated in by the local Chapter, are the following:

Communism is being combatted by an educational and child-welfare policy.

Imperial Work in India is being continued.

The Institute of the veterans of the Royal N. W. Mounted Police, which is a tribute to real empire builders, receives attention.

Donations are asked for the schools of the Peace River District, in some of which there is not even a picture or a book. Clothing for women and children, books, British and Canadian magazines, gift articles such as beads, vanities, etc., are requested, as many girls in this district have nothing whatever of this kind. Leave anything you may have at the Legion Club Room, marked "I. O. D. E." any time before October 15th.

The hostesses for this meeting were Mesdames Dunn, T. Evans and C. O. Fricker.

Enjoyable Card Party Held At Alice Arm

A very enjoyable card party was held at the Club House of the Alice Arm Athletic Association on Saturday evening. It was held under the auspices of the Badminton Club.

Mrs. G. Anderson was the winner of the ladies prize, and Mrs. J. Wheatley obtained the consolation prize; Mr. W. B. Bower carried off the men's first prize and Mr. Ed. Peterson succeeded in capturing the low score trophy. Appetising refreshments were served.

Birth At Alice Arm

Born to Mr. and Mrs. W. M. Stephen at Alice Arm, on Saturday, September 12th. a daughter.

Finals Played In Tennis Tournaments

As weather permitted, the various finals of the Championship games have been played off. Great interest was shown in these matches, and some excellent tennis was witnessed. The mixed Doubles Championship was won by Miss K. Eve and Ross Oatman who defeated Mrs. J. Smith and O. G. Macintyre in straight sets, 6-4, 7-5.

The Consolation Singles was won by J. Gillies, who defeated Frank Hill 4-6, 7-5, 3-6, 8-6, 6-4.

The Ladies' Consolation Singles was won by Miss Grace Peters, who defeated Miss Lillian Dresser 4-6, 6-4, 6-4.

The Men's Open Championship went to E. Ross Oatman, who won from O. G. Macintyre 6-2, 7-5, 6-3. This match had to be played in two sessions, the first being stopped by rain after Oatman had won one set.

Finishing Tournaments Of Hidden Creek Tennis Club

As was the case with its sister club at the Beach, the matches for the championships of the Hidden Creek Club have been held up on account of weather conditions. The Ladies' Singles Championship is now in progress. In the Men's Singles the supremacy carries with it a handsome cup presented by Mr. W. B. Maxwell, and there is keen competition for this trophy. In the Mixed Doubles event some games have already been played.

The committee are now endeavoring to work off the various events as quickly as possible while the fine weather holds. The prizes will be presented to the successful contestants at the Tennis Dance on October 9th.

Ladies Will Hold Bazaar

The Mine Ladies of the United Church will hold a Bazaar on Wednesday, September 23rd, in the United Church Hall, Anyox. There will be opening Tea, Sale of Home Cooking, Fish Pond, etc. The opening hour is set for 2 p.m.

Fourteen men in need of government relief arrived at Alice Arm from Anyox during the week, and have been placed in the relief camp near the Illiance River. Others are expected to follow. The total number at the camp is now twenty-eight.

The Anyox Golf Club Championships

In the semi-finals for the Handicap Championship, which carries with it the handsome cup presented to the Club by Mr. Charles Bocking, C. O. Fricker defeated Don. McLeod, and James Hutchinson ousted J. MacConnachie. The final between Messrs. Fricker and Hutchinson will be played on Friday the 18th.

The qualifying rounds for the Open Championship of the Club, the trophy for which is the Cup presented by the Granby Stores, are now being played, and some very interesting golf is being witnessed. Every advantage is being taken of the present spell of fine weather to work off these preliminaries. Mr. Sid. Peters is the present holder of this championship.

Anyox Badminton Club Elect Officers

At a general meeting of the members of the Badminton Club held on Monday the 14th. the following officers were elected: President, S. Peters; Vice-President T. Cloke; Secretary-Treasurer, Mrs. C. O. Fricker; Committee, Mrs. Capt. Johnston, Miss Frances Dresser, Messrs. R. Deeth and O. G. Macintyre. Tentative days for Badminton play at the gymnasium are Tuesdays and Thursdays. There will probably be three afternoons a week available for practice. As soon as actual days have been decided upon they will be announced.

The season will be officially opened on a date soon after October 1st and will take the form of a social evening. Membership fees will be $4.00, with a further assessment later in the season if same is found to be necessary.

ANYOX NOTES

Mr. and Mrs. F. Teabo returned on Monday from a visit to Vancouver.

Mr. R. J. Ford and family returned Monday from a holiday spent in Prince Rupert.

T. N. Youngs arrived Wednesday from a holiday visit to Prince Rupert.

A. E. Field returned on Wednesday from a trip to Prince Rupert.

Meeting Held In Connection with Exhibition

A public meeting in connection with winding up affairs of the recent Alice Arm Exhibition and making plans for next year, was held at the Club House on Tuesday evening. E. Moss presided and H. Fowler was the Secretary.

The minutes of the previous meeting were read by the secretary and adopted by the meeting.

Reports from the various committees followed, all of which were very satisfactory. Those speaking on behalf of the committees were Mrs. H. F. Kergin, Harry Smith and T. W. Falconer, Each one reported splendid success, and hoped that next year's exhibition would be even better. On behalf of the dance committee, Mrs. Kergin reported a balance in hand of $8.55. It was decided that this sum be placed to the account of the Alice Arm Athletic Association, subject to withdrawal at any time by the Exhibition officials.

Discussion followed in connection with the date of the annual meeting next year. It was decided that the present chairman, E. Moss and secretary, H. Fowler be empowered to set the date, which will be some time next spring. At this meeting permanent officers will be elected and work commenced for the 1932 Exhibition.

Tennis Dance on October 9th

October 9th. has been set as the date for the Annual Tennis Dance, and an energetic committee is working to make this a really outstanding event. This affair will really mark the opening of the social season in Anyox. It will be held in the gymnasium, where the newly-renovated floor is now in splendid shape for dancing.

The trophies for the many events competed for throughout the season will be presented at this function, and the best music possible will be secured, so that the dance promises to be a very attractive one.

Lady Golfers Are Busy

A good many ladies are taking advantage of the fine weather to get out for practice. The club championship is now being played off, great interest being taken in this event. Next week there will be a medal tournament for prizes donated by Mrs. Learoyd.

Silver Crest Co. Hold Annual Meeting

The annual meeting of the Silver Crest Mining Co. was held on September 12th. at 300 West Pender street, Vancouver. In the notice to shareholders, it was pointed out that $15,000 is required to put the Saddle property on a shipping basis, but an appeal to shareholders to subscribe for stock at 10 cents a share elicited practically no response. In the meantime, a further amount has been borrowed from the company's financial agents to settle outstanding accounts, pay taxes, etc., the total amount advanced now being $60,000. The directors have acquired the remaining 30 per cent interest in seven of the eight claims comprising the Saddle group, through the issue of 300,000 shares to the owning syndicate. The remaining claim on which all the development has been done has been purchased from the owner, Charles Clay, for $50,000, of which $6,000 was paid in cash, the remainder being payable from royal ties on ore shipped or in cash the sum of not less than $1,000 each year.

Huge Sums Expended On Oil Drilling

Calgary—More than $57,000,000 has been expended and more than a million feet of borings done in Alberta in search for oil during the last thirty years, according to a recapitulation made by J. I. Carmichael, Lethbridge engineer. In all, some 407 wells have been drilled, not including the Ribstone field for which no details are available. Of the drilling done, 160 wells in the Turner Valley have drilled 650,000 cubic feet—more than half of the province's total of 1,167,787 feet.

Ottawa—Preliminary census figures give Prince Rupert a population of 6326, as compared with 6393 in the last census year of 1921.

Premier Co. Options Claims at Stewart

Premier Gold Mining Company recently acquired an option to purchase a group of 26 mineral claims on Summit Lake on the divide between the Salmon and Naas River, owned by Ted Morris of Stewart and associates. A report to this effect stated to be based on good authority, is contained in the Stewart News. Described as a "raw prospect," the property will be immediately subjected to preliminary investigation and development before any definite plans are decided upon by Premier.

A description of the claims in the 1930 report of the B. C. minister of mines states that the location is at an altitude of from 2720 to 4000 feet. The property is about eight miles north of the end of the Missouri road and is reached by a fair horse trail to near Summit Lake which Ted Morris has been in the habit of crossing by means of an improvised raft.

Dr. J. T. Mandy, the resident government engineer, advises that the property may be recommended to mining engineers as being decidedly worthy of extensive exploration. He states that a definite east-wide structure seems to feature the locality and on the higher altitudes around the tongue of the glacier oxidized outcrops can be seen that are worth prospecting.

Britannia Co. Interested In Gold Properties

Howe Sound Company, which operates the Britannia mine, 28 miles from Vancouver, is considering taking up gold properties in what is known as the Mother Lode section of California. Its chief operation in addition to Britannia is a silver mine in Mexico, although this is not working at the present time owing to the low prices of silver.

One of Britannia's mine geologists was in the vicinity of Barkerville a couple of weeks ago and looked over the Proserpine mountain property, but decision has not yet been made to enter that field.

A clean up of more than $10,000 has been recorded by Messrs. McKay, Johnson and Morrison, who have been working on the Ophir lease since November last.

Woodbine Property May Merge With Others

Merging of the Woodbine. Pittmont and Premier Extension properties in the new Portland Canal region under a new company which would control a total of 537 acres is proposed. Capitalization at 6,000,000 no par shares of which half would be alloted for properties is suggested. It is intimated that eastern interests may finance the new company.

Many jobless men who have been panning gold in the Saskatchewan river, near Edmonton, have been prevented from doing so any further by the government, which insists upon payment of the license fee of $2.50. The men were making from $3 to $5 a week.

Nurses on Way to Far North

Bishop Turquetil and four nurses, members of the Grey Nuns, arrived at Churchill, Manitoba recently completing a long journey from Quebec by Canadian National Railways. The party is enroute to Chesterfield inlet, 500 miles north of this Hudson Bay port, where the farthest north hospital on the Continent opens this month.

The veteran Roman Catholic churchman, known throughout the continent as the "Bishop of the Arctic" left with the nuns in his 25 foot motor boat on the hazardous trip along the rocky west coast of Hudson Bay.

The Premier Gold Mining Co. who have been developing a property at Mount Olie for some time have discontinued work. The name of the property is the Lake View.

Here and There

Canada's total wool clip is about 21,000,000 pounds annually, while Canadian mills use at least twice as much as this every year, and Canadian consumption of manufactured woollens equals about four times the clip.

Lake Louise Icelandic poppies, one of the glories of this part of the Canadian Rockies, are in demand in thousands of gardens all over the world. Gardeners at the Chateau are now busy gathering seeds which will later be mailed to guests of the hotel this season.

Representing an increase of 31,000,000 bushels over the same period last year, 199,989,000 bushels of grain were marketed on Canadian Pacific Railway western lines during the twelve-month period since August 1, 1930. This gives the railway company a percentage of 52.3 of all the grain handled in that period.

More than 479,000,000 fish eggs, fry, fingerlings, and yearling fish and a few older fish were distributed last year from the hatchery establishments operated by the Fish Culture Division of the Canadian Department of Fisheries. Largest distribution was from the hatcheries in the Prairie Provinces.

Nipigon River Bungalow Camp Trophy competition is getting some fine entries this season. Recently a trout of seven pounds and one ounce was put in, and shortly afterwards, a six pounds, fifteen-ounce trout was taken. Catches of three to five-pound fish are frequent and one of the best seasons in years is reported from the camp.

J. O. Turcotte, Canadian Exhibition Commissioner, who visited Regina recently in connection with interior decoration in the magnificent new building which will house the World's Grain Exhibtion and Conference, states that a start on this work will be made immediately. Decoration will be in grain seeds, no paint of any kind being used.

The Dutch wheat mixing law, effective July 4, enforcing a maximum of 25 per cent. of soft domestic wheat in the making of bread in Holland, may lead to an increase of this percentage which should have the effect of creating a great demand for Canadian hard wheat, says J. C. Macgillivray, Canadian Trade Commissioner at Rotterdam.

"Development of Canada's ocean ports is not merely a Dominion problem but is a matter of interest and concern to the British Empire and the world as well," is the conviction expressed by Sir Alexander Gibb, G.B.E., world famous engineer and authority on port development and operation, who has been called in to superintend the rebuilding of the Saint John port facilities, recently destroyed by fire.

Stay of the King and Queen of Siam at the Banff Springs Hotel during the latter half of August marked the peak of the season at that famous Canadian Rockies resort. His Majesty, under the incognito of Prince Sukhodaya, opened the Highland Festival August 27, and the royal party made a thorough inspection of the mountains in motor excursions, had a couple of fishing trips, saw a rodeo at Kananaskis ranch, and were guests of honor at a Pow-Wow of the Stoney Indians. 767
