CREATIVE GIVING

FOSTERS EXCELLENCE AND VARIETY AT THE UNIVERSITY OF BRITISH COLUMBIA

WALTER H. GAGE, President
Dean of Inter-faculty and
Student Affairs

A record of the private gifts, grants and bequests to the University

April 1969 — March 1970

THE UNIVERSITY THANKS ITS FRIENDS FOR THEIR SUPPORT

The University owes much of its stature to private gifts. Research studies, special teaching projects, scholarships, prizes and bursaries have been supported by individual benefactors, alumni, firms, foundations and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as lasting testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by student fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends to a great extent on added support received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends and by bequest in wills. During the past year, benefactors donated $6,640,407.

This brochure does not include the detail of the magnificent support received from donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve faculties, eight schools and six institutes, the needs of the University are many and varied. Support is welcome in every area of teaching, research and student aid. However, as the needs and the priorities of the University change we welcome early opportunities to discuss with donors the form their support might take. No gift is too small — and none too large — to be of value.

U.B.C. GEOLOGICAL SCIENCES CENTRE FUND

The Fund drive was launched on 20 January 1970. The proposed Centre will cost $4,030,000, the University's current commitment is $930,000. The goal for individual and corporate donors is $3.1 million.

As at 31 March, 105 donors had pledged $216,046. As the majority of gifts will be received in the fiscal year 1 April 1970 to 31 March 1971, donors' contributions will be recognised in next year's booklet.

The University is grateful to Aaro E. Aho, and the outstanding team of volunteers working for the Fund.
