"Sunrise Cabaret" Was Season's Outstanding Social Event

For a real evening of pleasure the Sunrise Cabaret, held at the Gymnasuim on Monday evening has probably never been equalled in Anyox and will long stand as a mark to be aimed at by future entertainment organizers.

An extraordinary large audience; perfect acting by the entertainers; the splendid music of the orchestras; the fashion parade; and the appreciation of the large audience were outstanding features of the evening.

The programme commenced at 9 p.m. and by that hour 350 people were seated at their respective tables which were massed around the hall leaving an open space in the centre for the artists and also for the convenience of those desiring to take advantage of the dance music played before supper.

Following the playing of several dance numbers the members of the New York Follies made their debut. Their clever execution of an intricate dance, "Here Comes the Sun" won them rounds of applause, and their faultless dancing, combined with their up-to-date dancing costumes, which were reminiscent of Broadway, Piccadilly and the Champs des Elysees, won them further applause and an encore. The Follies also entertained the audience later in the evening with several other intricate dances, entitled the "Kiss Waltz" and "Them There Eyes." Those taking part were Misses Helen Simpson, Vera Eve, Kathleen Eve, Teresa O'Neill, and Mrs. G. S. Macdonald. The latter's exhibition of cartwheels was a feature of the evening's dancing.

A short skit entitled "Two Macs" was then staged by Messrs W. Ridley and J. Elliott. Their witty repartee was extremely funny and tickled the feelings of the audience.

A cornet solo was given by Mr. E. Ross Oatman and this talented musician drew well merited applause for the faultless rendition of this soul-stirring solo.

And then came the parade of mannequins attired in the latest feminine creations of tailoring, coats and shimmering evening gowns. Their natural grace and poise earned the admiration of all, and even the mere male seemed to

Alice Arm Card Party Was Greatly Enjoyed

A very enjoyable card party was held at the Alice Arm Hotel on Tuesday evening of last week. Mrs. H. F. Kergin and Mrs. O. Evindsen were the hosts. A large number were present and a very pleasant evening was spent playing bridge. The winners were: Ladies' first prize, Mrs. J. Trinder; consolation, Mrs. J. Wier. Men's first prize, Mr. Gus Anderson; consolation, Mr. J. Trinder.

Following an excellent supper, dancing was indulged in for a short period. The proceeds were devoted to the Anglican Church Building Fund.

Mrs. A. Crawford Dies In Vancouver

Mrs. Alex Crawford died at her home at Burnaby, Vancouver on Sunday last. She was 75 years of age, and 4 years ago celebrated her golden wedding anniversary. She is survived by her husband and several children, also 19 grandchildren and 9 great grandchildren.

Mrs. Crawford was a resident of Alice Arm during the early days of the camp and her many friends will be sorry to hear of her passing. W. J. Crawford and Jack Crawford, also former residents of Alice Arm and who are now residing at Stewart left on Monday for Vancouver to attend the funeral of their mother.

Draws Six Months For Breaking Bank Window

Antonio Perez, who was charged with breaking a window at the Canadian Bank of Commerce at 3 a.m. on Monday, February 9th, appeared for trial on Tuesday. He was found guilty and sentenced to six months imprisonment. He was escorted south on Wednesday and will serve his sentence at Okalla Prison Farm.

Tony Karlovich, who was charged with purchasing liquor indirectly was fined $50.00 and costs or thirty days imprisonment at the Anyox Police Court.

Dr. Smitheringale Conducts Anyox Lectures

Dr. W. V. Smitheringale held a series of mining lectures in Anyox during the week, following a week's lectures at Alice Arm. The meetings were well attended and much interest was shown.

Greenville Basketballers Trim Anyox

On Wednesday and Thursday of last week, the Anyox basketball teams met two Indian teams from Greenville. The visitors won three of these games and Anyox secured the other.

The results of the games were as follows: Wednesday, first game, Celts 25. Greenville B 14. Second game, Greenville 26, Micos 22.

Thursday; First game, Greenville B 16, Micos 15. Second game Greenville A 28 Anyox 15.

Choral Society Preparing For Concert

The Anyox Choral Society made a good start on Wednesday with a rehearsal of the Operetta planned for their next concert. The members entered into the swing of songs with enthusiasm and by the first night's showing it spells for a successful concert later on.

Births, Deaths, Marriages In Anyox During 1930

As in previous years the number of births in Anyox exceeded deaths by a substantial number last year. Following is a list of the births, deaths and marriages for the year 1930.

Births	37
Deaths	24
Marriages	4

Annual Hospital Meeting On Monday

The annual meeting of the Anyox General Hospital Association will be held in the Provincial Government Court House, on Monday, February 23rd. at 8 p.m.

ALICE ARM NOTES

A. McGuire arrived home on Monday from a visit to Vancouver.

J. A. Anderson of the Public Works Department spent the week end at Alice Arm, returning to Anyox on Monday. He left there the same day for Stewart.

Dr. W. V. Smitheringale. who conducted mining lectures here during the past week left on Monday for Anyox.

Geo. Beaudin left Anyox on Wednesday's boat for the south.

"Just think, my dear," said the talkative wife to her husband, "one half of the world doesn't know how the other half lives!"

"Never mind, my love," was the reply, "that isn't your fault."

Buds, High School And Celts Win Games

On Wednesday, February 18th the Buds beat Blossoms by five points. Scores: Buds 11—H. Dresser-6, D. Gillies-2, F. Gordon-3. Blossoms 6—T. Scott-2, A. Dodsworth-2, F. Calderoni-2.

The High School won from the Pats in the last few minutes by two points in a well contested game, Scores: High School 10—G. Peters 4, L. Dresser-4, M. Dresser 2. Pats 9—Mrs. McRostie-2, K. Eve-4, J. McDonald-3.

The Senior "A" game between Sheiks and Celts ended in favor of the latter team by a margin of 20 points. The Celts played their usual fast passing game and thoroughly deserved their victory over the Sheiks. The losers included L. Gillies in their quintette and he justified his inclusion by playing well with the rest of the team. It was a cleanly contested game and well handled by George Lee. Scores: Celts 34—T. Calderoni 18, Steele-2, Davis-4, Hill 4, F. Dodsworth-2, Patrick-4. Sheiks 14—Dresser-10, Barclay 2, Gillies 2.

Mining Lectures Concluded At Alice Arm

Dr. W. V. Smitheringale concluded his interesting mining addresses at Alice Arm last Saturday evening. His supject was: "Ore Deposits and their Occurrences." A good number was present and the speaker explained his subject very fully and clearly. This concluded his Alice Arm lectures. At the close a vote of thanks was tendered Dr. Smitheringale for the able manner in which he had conducted his lectures, and the great interest he had shown in answering questions that had been asked during the week.

Distances & Elevations Alice Arm District Correctly Given

Distances and elevations in the Alice Arm district have always been a matter of guess work. Below will be found the correct distances to various points and also the correct elevation of a number of the highest peaks.

This information was supplied to the Herald during the week by the Geological Survey, Department of Mines, Ottawa. It was obtained by Mr. Bartlett who was in charge of the Topographical Survey party, who spent two summers in the Alice Arm district. It is through the kindness of Mr. Bartlett and the Department of Mines that this information has been made public, and this kindness will no doubt be appreciated by our readers.

E. MOSS, Editor and Publisher.

During the past ten years the Herald has given a large amount of free publicity to every deserving organization of the district, especially when they hold a social affair in order to raise money, such as dances, concerts, card parties, etc. We are always glad to be able to play our part in extending a helping hand to all organizations, and we hope that we shall be able to continue to do so in the future. It should be borne in mind, however, that free publicity does not increase the revenue of the newspaper. It does not help to pay for paper and ink, light and fuel, wages and taxes, neither does it enable the proprietor to pay his bills for the necessities of life. Advertising is the life blood of a newspaper. Withold it and you are assisting in the strangulation of your local newspaper. Any public affair for which an admission fee is being charged, should be worth advertising in the local newspaper. One or two extra tickets sold pays for a newspaper advertisement and for this modest outlay you have an opportunity of appealing to almost the entire population of Anyox and Alice Arm and numerous outside points. We would appreciate it, if, when you are holding a public social affair you would get in touch with us. We will gladly give you advertising rates.

Editor:
The Herald.

Sir:

The petty thieves of Alice Arm are the worst vermin left in the camp. Taking the people as a whole no frontier camp ever had a more generous lot, and I am proud to be one of the lot. There is, however, someone in hiding who should and would not be tolerated if he or they were once exposed. Their shadow leaves an impression.

Harry Smith.

Gold mining is the only business which makes the world richer at no loss to any competitor. The more gold that is mined, the higher prices for other products generally go. When the world turns—as it eventually must—to remonetization of silver, the producer of silver will be as great a public benefactor as the producer of gold today.—Mining Truth.

Production has become a science. Consumption is still in the realm of astrology.—Stuart Chase, economic expert.

Breezy News Items From Provincial Capital

Victoria, Feb. 9; The creamery at Vanderhoof which has been operated by P. Burns & Co. for the past two years, has now been leased by the Provincial Government to H. B. Valentine of Prince Rupert for a period of three years. When this creamery was operated by the Nechako Creamery Company Mr. Valentine was employed as the first butter maker. After leaving them he started in business for himself at Prince Rupert. The patrons of the Vanderhoof Creamery are pleased to see him return, as he has the confidence of the cream shippers and the general public there, and his former experience in the district is an added advantage.

The Women's Institute at Courtenay operates a store of its own, where they sell home made cookery and hand made mats, knitting and needle work. In Victoria the Women's Institutes have also taken a stall in the public market where they will handle goods and produce of various kinds.

On July 20th next it will be sixty years since British Columbia entered Confederation. The diamond jubilee is to be celebrated in Victoria on that date. A committee under the chairmanship of R. H. Hayward M.P.P. is working out the plans. They are sending an invitation to the Prince of Wales and his brother Prince George, both at present in South America, to attend.

Good progress is being made with the new plant of the Consolidated Mining and Smelting Company at Trail for the manufacture of chemical fertilizers. It is expected that first shipments to the prairies will be made in time for spring planting. A home supply of nitrates, phosphorus and potash should prove most useful to the growers of British Columbia in maintaining the fertility of the soil.

Sambo: "When ah hits a fellow, he knows it."

Rastus: "Big boy, when ah hits a fellow he don't know it until a week later."

Meet the Makers of "Melody Mike"

The Canadian Pacific Railway cross-continent radio feature, "Melody Mike" every Monday night has grown into the most popular radio hour in Canada as is proved by the fact that many thousands of letters continually pour into the railway headquarters from delighted fans. Al and Bob Harvey are responsible respectively for music and general effects and for direction of the dialogue. They are the sons of a well-known entertainer and have sung before the Prince of Wales. They won radio fame as the "A and B" battery boys. This season they have concentrated on "Melody Mike."

AL. HARVEY

Mrs. Evelyn M. Biddle is responsible for the continuity and dialogue of the feature. She taught school in rural Ontario where her knowledge of atmosphere was acquired and where she gained the wide experience from which such characters as "Simplicity Sawdust," "Deacon Scratchgravel," "Abe," "Whiskers Wilson", and "Lack-a-day Liz" were evolved. These characters have captured the liking and interest of hundreds of thousands of listeners-in.

The Nova Scotia fish catch for December last was 12,161,600 lbs., having a landed value of $266,111, as compared with a catch of 10,480,700 lbs with a value of $329,552, for the corresponding month of the previous year.

Total amount of capital invested in Canada from other countries as at the end of 1930 was $6,375,533,000, an increase of $229,000,000 as compared with the total at the end of 1929. Of this outside investment, 61 per cent. is said to be from the United States; 35 per cent British; and 4 per cent. from other countries.

The yield of potatoes in Canada in 1930 totalled 81,933,333 bushels from 574,500 acres an average yield of about 142 bushels per acre In 1929 the yield was 66,550,000 bushels from 543,727 acres or an average yield of 122 bushels per acre. Potatoes are grown successfully in commercial quantities in every province of the Dominion

---

The Canadian Pacific Railway has announced placing of orders with the Algoma Steel Company of Sault Ste Marie for 30,000 tons of 130 lbs steel rail for spring delivery, representing a value of approximately $1,500,000 This unusually heavy rail will be laid on 150 miles of the company's main line in the Mountain Division of British Columbia.

Prescott, Ont., Canada's newest national port, is rapidly approaching completion. The $5,500,000 terminal which the Canadian Government is building there as a turning point for the Upper Great Lakes grain boats when they come down through the Welland Canal in the spring of this year will be ready for traffic in advance.

Canoeing history was made at Quebec recently when the seven Lavoie brothers piloted their craft over the ice-dotted waters of the St. Lawrence between Quebec and Levis in the remarkable time of 9 minutes, 43 seconds, and took first place in the canoe race which was one of the features of the Quebec Winter sports season with headquarters at the Chateau Frontenac

Premier Co. Interested In Eastern Mine

Toronto—Premier Gold Mining Company has taken a substantial interest in Toburn Gold Mines Ltd., a new company formed to take over an option on the Tough Oakes-Burnside Mines at Kirkland Lake from the Bunker Hill Extension Mines. The latter company acquired an option on the property from English bondholders of Tough-Oakes-Burnside. The property was operated from 1912 until 1918 and from 1922 until 1928 when it was closed down. Total gold recoveries amounted to nearly $3,000,000. Bondholders took over the property in 1929 in default of interest payments. Last year the Bunker Hill Extension Mines secured an option and did considerable exploration work.

H. A. Guess, vice-president and managing director of Premier Gold is on the directorate of the new Toburn Gold Mines Ltd.

Canadians Are Returning

Ottawa, February 14: Special to the Herald). During the first ten months of last year there was an exodus of Canadians from the United States—men and women returning home to their own land. The figures show that during the period Canada received 2,897 more persons from the United States than had entered from Canada. A few of these were United States emigrants but mainly the figures comprised those returning to their former homes.

The present surplus of commodities is a favorite topic of discussion, but it is not the first ever known. Let us glance at some easily available records. In 1918 Australia had sufficient old wheat on hand, over 200 million bushels, to provide without further planting for her own requirement for the next five years In May, 1921, the stocks of refined copper in North and South America were about four times larger than the average holdings, and slightly in excess of those reported on December 1st, 1930. The present supply of refined zinc in the United States exceeds the peak in the preceding business depression, that held in August. 1921, amounting to 92,000 short tons, but there were then in addition large government supplies of metals. as well as many other commodities purchased as war materials which acted at that time as a heavy drag on nearly all markets. All these surpluses disappeared in time.

"That man wants me to lend him some money. Do you know anything about him."

"Why, I know him as well as I know you. Don't lend him a bean."

Wheat Shipments From B. C. Ports Shows Increase

In spite of business depression Canadian grain trade with the Orient from B. C. Ports showed a satisfactory increase of approximately 1,600,000 bushels of wheat shipped to the Asiatic countries in 1930 as compared with 1929. Japan also took 110,481 barrels of flour more than in the previous year.

"How old is your grandfather?"

"I don't know, but we have had him a long time"

India Still Flooding Silver Market

With silver down to 26½ cents, it must be admitted that the disabilities of the Far East in foreign trade have increased. India is still throwing silver on the groaning world market. If that source of selling could be plugged the price of silver would have some chance of recovery, but the selling is merciless in its persistency.—Financial News.

The characteristic sound of Chicago, as recorded by an instrument placed at a great height above the street levet, is described as resembling the hum of a motor running without engine knocks. But surely there is occasionally a suggestion of backfiring?—Punch.

"Melody Mike", Canadian Pacific Railway radio feature given every Monday night, is not only attracting wide popularity in Canada; the United States also like it and the railway's radio department recently had a letter from a school teacher in Angola, New York state, asking for 55 copies of Melody Mike's Favorite Irish songs, for distribution among her pupils.

In 1930 the Dominion's gold production was valued at $43,000,000, an increase of $2,000,000 over 1929 The capital investment in the mining industry in Canada at the end of 1929, the last year for which complete industrial statistics are as yet available, amounted to $850,000,000. In that year the industry gave employment to 95,000 men and paid out in salaries and wages $125,000,000.

The establishment of a $75,000 marine leg for handling grain at the Ocean Terminals is one part of the programme for the development of the Port of Halifax recommended to the Federal Government recently by the Halifax Board of Harbor Commissioners This addition, in the opinion of the chairman of the Commission, would attract more shippers and vessels to the port, and would save in one year an amount equal to the cost of the equipment.

"Sunrise Cabaret" Was Season's Outstanding Social Event

Continued from P8ge 1

enjoy this novel part of the evening's entertainment quite as much as the ladies.

A somewhat lengthy but hilarious skit was the next item on the programme. It produced roars of laughter from beginning to end, and the participants displayed unusual talent, which has been rarely equalled in Anyox. The Alice Arm and Anyox Herald provided the background, and the leading lady, who was cleverly impersonated by Stan. McIntosh was a member of the reporting staff. Her endeavor to successfully interview a new arrival in town provided much merriment, and when she finally decided to marry him it led to further laughter, provided chiefly by Ed. Blundell. who acted the part of the nigger parson. This skit was put on by the Mine Players, comprising Ed. Blundell, Stan. McIntosh, Ray Roberts, George Dyer, and T. Sanderson, all of the Mine.

Mr. C. P. Ashmore then followed with a vocal solo. entitled: "Some where a Voice is Calling." His splendid baritone voice was heard to full advantage in this song, and in order to still the applause he obliged with an encore. Mr. Ashmore also provided the solo background in the "Kiss Waltz" by the New York Follies.

Following another appearance of the New York Follies, Mr. J. Tierney delighted everyone with an expert exhibition of clog dancing, and his nimble feet and perfect time to the music demanded an encore.

Following a very appetising supper, the floor was cleared for dancing and the dancers carried the gaiety along until 2.15 a.m.

Toward the close of the evening, Mr. C. O. Fricker thanked every one for their assistance and especially Mrs. V. S. McRae for her generosity in conducting the training of the dancing girls of the New York Follies. Mrs. McRae, in a short speech, replied to Mr. Fricker's well directed praises.

Members of the two orchestras, one of which was composed of Mrs. L. H. McKay, Miss Wilma Powell, E. Ross Oatman, T. Stretten, and J. Pinckney, and the other, the Rozmarin orchestra deserve great praise for their tireless efforts. Their music was perfect. Praise is also due Mrs. J. McMillan, who accompanied several numbers.

Mr. W. F. Eve and Mr. C. O. Fricker very efficiently acted as floor managers.

The I. O. D. E. and Canadian Legion deserve great credit for the excellent entertainment. They desire to express their gratitude to all who assisted towards the evening's success.

ANYOX NOTES

Pete Chillak left on Wednesday for Saskatoon.

Mrs. MacDonald and two nieces returned on Monday from Vancouver.

Rev. Father Chas. Wolfe arrived on Monday from Prince George. He has taken the place of Rev. Father Champagne who was a southbound passenger on Monday.

WHAT ARE SCANTIES?

One thin layer of luxurious softness replacing all the old foundation strappings for the perfect fashionable form.

One pair of shoulder straps, a perfect brassiere, vest and panties, the girdle eliminated. They accentuate the waistline and gracefully confine the hips, leaving you in perfect freedom. Every girl should have at least one "Scanties" in her wardrobe.

- CUP FORM! -

The brassiere foundation for what Paris decrees for the fashionable woman.

CUP FORM BRASSIERE

Beneath your thin, clinging frocks will add fresh enchantment to your figure. Cup-form forms the perfect curves that are now the mode. Convenient, beautifying, comfortable. Cup-form is the solution.

The popular girl knows her charm and makes the most of it. Admiring eyes will turn toward you too, if you show your frocks to the best advantage and accentuate your beauty with CUP FORM.
