"Wanted" baggage will be delivered to cabins, or if too large for cabins, will be placed in the baggage room to which passengers have access daily. BAGGAGE INSURANCE.—The Company takes every reasonable care of baggage, but their liability is limited and passengers are recommended to fully protect themselves against possible loss, damage or pilferage by insuring baggage for a sufficient period of time to cover journey.

Policies covering baggage against risks of transportation and navigation, including theft and pilferage, can be obtained from any Canadian Pacific office.

BAGGAGE VIA SOUTHAMPTON.—The baggage of first class, cabin and tourist third cabin passengers destined London, sailing eastbound by Canadian Pacific steamships via Southampton, will be booked by the ship's Baggagemaster direct through to London, saving the owners inconvenience on the dock in landing, and enabling them to depart promptly by special train to London. The charge for the service, including Southern Railway Company's excess charges from Southampton to London, is $1.00 per piece for trunks, boxes, and other heavy baggage; hand baggage free.

Passengers must personally attend to Customs examination of their baggage on landing at Southampton.

The Southern Railway, England, has inaugurated a baggage checking system between all stations on that line, including Southampton docks, which will be a convenience to Canadian Pacific passengers travelling via Southampton.

Southern Railway employees meet all Canadian Pacific steamships on arrival at Southampton for the purpose of accepting and checking baggage for despatch and delivery to hotels, residences, railway stations, etc., inLondon, Southampton and other stations on the system.

Passengers sailing westbound by Canadian Pacific steamships from Southampton may have their baggage collected at their residence or hotel and despatched to the ship by application personally or in writing—in the case of London to the Parcel Superintendent, Waterloo, London, S.E.1., and elsewhere to the Station Master at any Southern Railway Station.

The checking fee, viz., 25 cents per package, will cover the service of collection or delivery, as the case may be, of baggage at any address in London within two and a half miles of Somerset House (Strand) or within one mile of the docks or railway stations of all other principal points on the Southern Railway.

BAGGAGE VIA CHERBOURG.—The heavy baggage of all passengers destined Paris or points beyond, travelling eastbound by Canadian Pacific steamships via Cherbourg, will be checked by the ship's Baggagemaster direct through to Paris, at which point Customs examination will take place. The charge for the service, including excess charges of the French State Railways Cherbourg to Paris, is $1.00 per piece.

Passengers must surrender the duplicate portions of baggage checks in Paris before delivery of baggage can be obtained.

This arrangement does not apply to ordinary hand baggage, which passengers take with them in passenger coaches.

The baggage of passengers destined Cherbourg locally or vicinity must be claimed by the owners on the dock on landing.

BAGGAGE STORAGE.—For the convenience of passengers who desire to tour Europe without the worry and expense of carrying heavy baggage, the Canadian Pacific has made excellent arrangements for the storage of such baggage at all ports of call at the following rates:

Port	Storage Per Piece	Cartage Per Piece
ANTWERP	First day Fr. 1.00, following days Fr. 0.50	Heavy baggage Fr. 5.00; Suitcases and light articles—None.
BELFAST	Free	None
CHERBOURG	Fr. 2.50 per week	Heavy baggage Fr. 15.00 Hand baggage Fr. 5.00
COBH	Free	None
GLASGOW	Free	None
HAMBURG	Marks 1.50 per month	Marks 2.00
LIVERPOOL	Free	1/4 per package
SOUTHAMPTON	4d. per week	1/- per package

Arrangements for storage should be made with the Baggagemaster of the ship, and if westbound sailing has been arranged, the baggage should be labelled accordingly. The Baggagemaster will issue storage check for the baggage left in his care, and passengers should write to the Canadian Pacific office at the port where the baggage is stored, giving name and date of sailing of the ship on which they intend to return, so that the baggage can be placed on board. This facility will be of special benefit to passengers landing on the Continent and embarking at a British port, or vice versa.

AUTOMOBILES (crated or uncrated), when accompanied by passengers, will be handled on Canadian Pacific Trans-Atlantic ships at special excess baggage rates, and under regulations and conditions as published in Circular A.L. 24 of August 26, 1927 and Automobile Tariff B-2. Consult nearest Canadian Pacific Agent.

MOTOR BICYCLES AND CYCLE SIDE CARS.—When accompanying passengers, rate for Motor Bicycle is $25; with Cycle Side Cars, $35. They are carried at owner's risk and must be crated and tanks of motor bicycles must be empty. Rates to be paid to Baggage Agent at port of embarkation or to Purser on board.
