STORAGE OF BAGGAGE.—For the convenience of passengers who desire to tour Europe without the worry and expense of carrying heavy baggage, the Canadian Pacific have made excellent arrangements for the storage of such baggage at all ports of call.

CHARGES

	STORAGE PER PIECE	CARTAGE PER PIECE		STORAGE PER PIECE	CARTAGE PER PIECE
Southampton.	5 pence per week	2/-	Antwerp....	Fcs. 6 per mo.	Fcs. 2.25
Liverpool....	Free	1/6	Cherbourg...	Fcs. 6 per mo.	Fcs. 4
Glasgow.....	Free	None	Hamburg...	Mks. 1.50 per mo.	Mks. 2

Any arrangements for storage should be made with the Baggage Master of the ship, and if westbound sailing has been arranged the baggage should be labelled accordingly.

The Baggage Master will issue receipt for the baggage left in his care, and passengers should write the Canadian Pacific Office at the port where baggage is stored, giving name and date of sailing of the ship on which they intend to return, so that the baggage can be placed on board.

This facility will be of special benefit to passengers landing on the Continent and embarking at a British Port or vice versa.

Checking of Baggage to and from Southampton.—The Southern Railway, England, has inaugurated a baggage checking system between all stations on that line, including Southampton docks, which will be a convenience to Canadian Pacific passengers travelling via Southampton.

Southern Railway employees meet all Canadian Pacific steamships on arrival at Southampton for the purpose of accepting and checking baggage for despatch and delivery to hotels, residences, railway stations, etc., in London, Southampton and other stations on the system.

Passengers sailing westbound by Canadian Pacific steamships from Southampton may have their baggage collected at their residence or hotel and despatched to the ship by application personally or in writing—in the case of London to the Parcel Superintendent, Waterloo, S.E.1., and elsewhere to the Station Master at any Southern Railway Station.

The checking fee, viz: 25 cents per package, will cover the service of collection and delivery, as the case may be, of luggage at any address in London within two and a half miles of Somerset House (Strand) or within one mile of the docks or railway stations of all other principal points on the Southern Railway.

Baggage for London, via Southampton, and for Paris via Cherbourg, may be checked through by the Baggagemasters on Canadian Pacific Steamships calling at Southampton or Cherbourg respectively.

BAGGAGE INSURANCE.—The Company takes every reasonable care of baggage, but their liability is limited and passengers are recommended to fully protect themselves against possible loss, damage or pilferage by insuring baggage for a sufficient period of time to cover journey.

Policies covering baggage against risks of transportation and navigation, including theft and pilferage, can be obtained from any Canadian Pacific office at following reasonable rates:—
