Five constituencies to hear from.

Cabinet Ministers beaten were: W. S. Fielding, Minister of Finance; Sydney Fisher, Minister of Agriculture; Sir F. W. Borden, Minister of Militia; William Templeman, Minister of Mines; William Patterson, Minister of Customs; Geo. W. Graham, Minister of Railways; Mackenzie King, Minister of Labor.

Whilst complete election returns are not as yet available, it is quite evident from the summaries to hand that the Laurier government has been decisively defeated on the reciprocity issue. Seven cabinet ministers, including the two responsible for the drafting of the pact, being mong the number of the defeated.

British Columbia, apparently, has returned seven straight Tories, although no definite word has been received from Comox-Atlin up to the ime of going to press.

In Kootenay, so far as returns to hand indicate, Mr. A. S. Goodeve has been re-elected by a fair majority, but exact figures were not obainable from any source. From such figures as could be obtained it appears that Goodeve's majority is at least 300.

Below are the returns by polls in the Cranbrook and Fernie districts:

LAURIER'S VALEDICTORY.

"There is no doubt that we have been decisively defeated," declared Sir Wilfrid Laurier last evening at Quebec to a group of friends who had gathered with him to hear the returns.

"I gladly lay down the premiership, a burden which I have carried for fifteen years. I believed that in making the reciprocity arrangement we had done something which would be greatly to the benefit of the people of Canada. The electors have declared otherwise, and I bow to their decision. I regret that we have been unable to carry reciprocity, which I still believe would have promoted the material advancement of Canada and would have promoted the growing friendship between the United States and Great Britain. The country has spoken, we must bow to the inevitable, and I cheerfully do so."

EDITORIAL NOTES

Canada's verdict is against reciprocity.

So far as the returns to hand go, the verfict is clear and unmistakeable. Sir Wilfrid Laurier's government must step down and out. An end has been called to the most brilliant administration in the history of the Dominion, but in the eyes of every true Liberal, it is a glorious end. How could the Liberal party go under better than in fighting for a great principle? There is, to our thinking, something far from disheartening in the result. Whilst we sincerely regret the delay to national development that will inevitably ensue as a result of this verdict, we cannot but rejoice over the fact that the Liberal government sustained defeat in a glorious fight for popular rights. That is a cause in which Liberals have frequently sustained defeat and will do so in the future.

It is reasonably certain that yesterday's decisive defeat spells the termination of Sir Wilfrid Laurier's public career. Short of death in harness, we cannot conceive of a more glorious termination to a great public career, devoted to popular rights, than to go down to defeat in the grandest battle against special privileges and interests that has been waged on the American continent in the past generation. Whilst Sir Wilfrid was himself returned in two constituencies, several of his ministerial colleagues were defeated, notably Finance Minister Fielding, minister of railways, Hon. G. P. Graham, and minister of customs Paterson. Of them, too, it can be said, they went down fighting for a noble cause. There is something pathetic in the complete destruction of an able, progressive and aggressive government, until within a few hours ago, strong in the popular affections, but it is a possibility afways confronting administrators of public affairs in democratically governed countries, and the verdict must and will be cheerfully accepted.

Dr. King's defeat is a sore blow to Kootenay Liberals, but in his case, as in that of his leaders, there is the satisfaction of knowing that he went under in a fight for principle. Dr. King made a gallant fight against admittedly heavy odds, and that he succeeded in materially reducing his opponent's former majority is eloquent testimony to the merits of his cause and the vigor of his campaign.

MAKES HAIR GROW.

The Cranbrook Drug and Book Co. has an invigorator that will grow hair or money back.

The time to take care of your hair is when you have hair to take care of.

If your hair is getting thin, gradually falling out, it cannot be long before the spot appears.

The greatest remedy to stop the hair from falling is SALVIA, the Great American Hair Grower, first discovered in England. SALVIA furnishes nourishment to the hair roots and acts so quickly that people are amazed.

And remember, it destroys the dandruff germ, the little pest that saps the life that should go to the hair from the roots.

SALVIA is sold by The Cranbrook Drug and Book Co. under a positive guarantee to cure Dandruff, stop Falling Hair and Itching Scalp in ten days, or money back. A large bottle costs 50c. The word "SALVIA" (Latin for sage) is on every bottle.

MAGISTRATE CURED OF PILES & ECZEMA

"One of the latest prominent gentlemen to speak highly in Zam Buk's favour is Mr. C. E. Sanford of Weston, King's Co., N.S. Mr. Sanford is a Justice of the Peace for the County, and a member of the Board of School Commissioners. He is also Deacon of the Baptist Church in Berwick. Indeed it would be difficult to find a man more widely known and more highly respected. Here is his opinion of Zam-Buk. He says:—

"I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of Eczema on my ankle which had been there for over 20 years. Sometimes also the disease would break out on my shoulders. I had applied various ointments and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike everything else I had tried, proved highly satisfactory and cured the ailment.

"I have also used Zam-Buk for itching piles, and it has cured them completely also. I take comfort in helping my brother men, and if the publication of my opinion of the healing value of Zam-Buk will lead other sufferers to try it, I should be glad. For the relief of suffering caused by Piles or Skin Diseases I know of nothing to equal Zam-Buk."

Zam-Buk cures ulcers, abscesses, blood-poison, ring-worm, festering or running sores, bad leg, varicose ulcers, salt rheum, prairie itch, cuts, burns, bruises, baby's sores, etc. Purely herbal, 50c box, druggists and stores. Refuse imitations.
