Dear Goldie

many thanks for yours of 31st. McLean told me he would take all the ties he could cut off the property. he had to go to Kelowna but expected to be back in a few days & on his return he & I will go over the limit & size up about what could be got off it in the way of ties. I told him the best thing he could do would be to buy the place & he said that it might pay him to do so when he has gone over it. Please give me best price & terms you will take including commission & I will see what
