P. O. BOX 152
VERNON, B.C.

5th Aug. 1908.

Dear Sir.

Many thanks for your letter & particulars about the pony.

I think the pony would do for the children all right but I am afraid I could not go to that price as a pony that

size is too small to be
of any use for anything
else.

Yours sincerely.

H. W. Husband.

If any time you want
to part with him & could
take $50. please
let me know H.W.H
