AROUND TOWN

by LOYD McINTOSH

In last week's issue, a member of the student staff was sent out for a Paper Stretcher. Not to be bested by the print shop, practical joker, the student staff made the above paper stretcher.

* * *

It is certainly quiet around the News office. Last week we had nine hardworking students on staff. Now we are back to what we like to call normal. However, I am sure everyone enjoyed and will join in on complimenting these students for their fine issue.

* * *

Was informed by my daughter there was a dance called the BIRD. When I expressed my amazement at the latest teenage craze, I was told that was an old dance. Just how ancient are we?

* * *

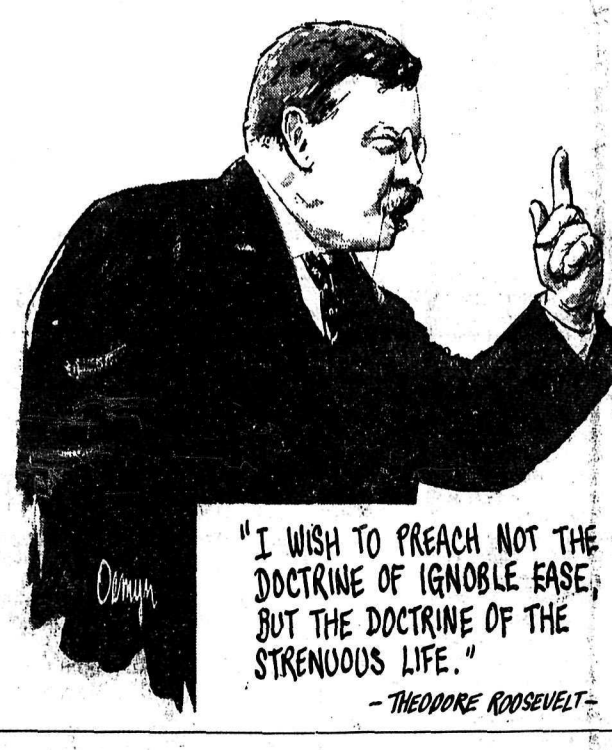
Understand Jerry Haid has a Poinsetta that is now in full bloom. This we believe is rather unusual—these plants usually bloom for Christmas. Wonder if Jerry has a secret formula? How about it, Green Thumb?

* * *

Sneaked a peak at the students practicing Belbriggan Bay. It should prove real interesting and provide a lot of humor. Everyone who goes should find it an entertaining evening, well worth seeing.

* * *

Last puzzle was guessed by Millie Paris AGAIN! It was part of a sprocket of a bicycle. So here is another one. Keep the guesses coming in. I hope this one runs into a few weeks. The winner this week gets a year subscription to the News, new or renewal. If you win and don't want it give it to someone you are mad at.



TEODORE LAPCHEVICH is shown holding a giant sized parsnip grown in his garden at Trans Canada Highway and Ross. The dimensions of the parsnip are amazing, 6½ inches in diameter and 14 inches long, weighing six and one half lbs. The land that this monster was taken from was barren seven years ago.

With the application of peat and fresh manure every year, Mr. Lapchevich has gained these results. (Just think of the size of watermelons!)

COUNCIL SURPRISED BY TENDERS FOR POOLS

Langley Municipal councillors were surprised when they were informed that tenders were being called for the construction of swimming pools in Aldergrove and Fort Langley.

It was stated that the architect or someone should keep the council informed on what was taking place. In addition to this, the question arose; Aren't we rushing things? We still don't know which piece of property in Aldergrove can be obtained for a swimming pool or even if it will be built.

A committee was formed to accept the tenders when received. This does not commit the municipality in any way If, and when the pool will be built depends on various factors and council's decision.

ABBOTSFORD HIGH JOINS "THE LANGLEY WALK"

The Langley Secondary School has accepted the challenge from the Aldergrove Secondary School as to which get the most pupils to make the walk.

The Langley Boy Scout Association is going to have participants from twelve units and many men and women of all ages are already taking short walks to get in shape for the event. Abbotsford High School phoned and will also participate. Invitations are out to many Fraser Valley Schools etc.

CHIEF DAMS WARNS AGAINST GRASS FIRES

The Aldergrove Volunteer Fire Department was called out to two grass fires last Wednesday. Both fires were caused by tinder dry grass.

Had the department not arrived on the scene of the first fire in time, the fire would have destroyed a home. As it was, there was some damage to the house. The second fire was stopped before it offered too much danger to buildings.

Fire Chief Fred Dams again warns the people of this area to cease lighting grass fires. The Chief is concerned about the possibility of some fire getting out of hand and endangering not only property but lives.

B&P Women's Oriental Banquet Wins Acclaim

The Langley Business and Professional Women's Club hosted a capacity crowd at their Oriental Banquet in the Bradner Hall last Saturday evening. Those present expressed their complete satisfaction with the fine meal prepared by the Japanese ladies of the Bradner district.

It was the unanimous opinion of everyone that the evening was a complete success. and high praise was heard for the ladies of the Langley B. and P.

Mrs Joyce Brand, president of the club, opened the evening's proceedings with a welcome to those present. Miss Peggy Crook asked grace, followed by Mrs. Brand's introduction of honoured guests at the head table.

Following a sumptuous banquet of palate tempting Oriental dishes served by Japasese girls in colorful Japanese costumes, Mrs. Brand introduced Mrs. Eva Ingersoll, a member of the club, who was recently made Honorary Fire Chief of the Aldergrove Voluntary Fire Department. Fire Chief Dams was on hand to explain why Mrs. Ingersoll had been so honoured. Chief Dams explained her many years in acting as the one who received and relayed all calls to the department, plus the sounding of the siren, was the reason for the honorary appointment.

Mrs. Margaret Green, who is an active participant in all club happenings then took over the chore of M.C. for the evening. Representatives from 22 different countries, dressed in their native attire were viewed during the evening. Guest speakers were Reeve D. W. Poppy, Langley Municipality, Reeve J. A. Murphy, Matsqui Municipality, and Mayor John Condor of Langley City.

Guest of Honour was Noboru Imajo, Japanese Consul at Vancouver. Mr. Imajo addressed the gathering. He told them how he had longed to return to Canada, having been here for 5 years from 1926 to 1931. The Consulate addressed those Japanese present, in Japanese, and plauded them for their wonderful accomplishments in their participation in such a successful evening.

Mrs. Green called upon Mrs. Brand to present a silver spoon to Mrs. Ichikawa. This was in token of appreciation for the fine work she and her co-workers had done.

Countries represented at the International Night were: America, Mr. Alwyne Buckley; Iceland, Mrs. John Sawyer; England, Mrs. S. G. Machan; Japanese dancers, trained by Mrs. Kagawa; Norway, Mrs. W. A. Johnston; Jamaica, Mrs. Gwendolyn Brown; Italy, Miss Lorraine Borsato; Great Britain, Miss Marion Simpson; Finland, Mr. and Mrs. W. Makela; New Zealand, Alan Fowler; China, Mrs. Emile Sing; Yugoslavia, Dr. George Szeckely; Denmark, Mr. and Mrs. Pederson; India, Mrs. Gill; Australia, Miss Joan Meaker; Sweden, Mrs. Andrew Ness; Scotland, Piper Tom Farquhar who played "Scotland the Brave"; Czechoslovakia, Mr. and Mrs. Joseph Gorcak; Holland, Mr. and Mrs. John Traas; Cpl. Jack Turner, represented Canada and the R.C.M.P.

Telephone Co. Requests Keep Old Phone Books

Lower Fraser Valley residents are requested to keep their 1962 phone books. B.C. Telephone Co. officials report that 31,000 telephone books have been issued to Lower Fraser Valley residents. The first section of the book, with listings of Abbotsford, Langley, Aldergrove and Mission subscribers, became effective February 6th. Effective May 5th will be listings for Newton, Cloverdale, White Rock, Beach Grove and Ladner subscribers.

Officials state that splitting the directory into two sections is a temporary arrangement made necessary due to changeovers to the all-number calling system.

A single directory will be issued in 1964.

ALL CANDIDATE MEETING

The Aldergrove and District Chamber of Commerce will sponsor an all candidate meeting to be held in Aldergrove. This plan will be put through if a suitable time for all parties can be arranged.

Council Decides Against Any White Rock Park Support

In a survey of the Lower Fraser Valley, the White Rock area was selected as the site for a regional park.

An assessment of 25c per capita, from the Langley municipality, for the development of this park and maintenance thereafter evoked a lively discussion among the municipal councillors. Opinions on the subject were expressed, some of those negative and others of the opinion that the plan was in the best interest of the Lower Fraser Valley.

Councillor Jensen—"What contribution would the provincial government make towards this, is what I want to know. We should look after our own municipal parks."

Reeve Poppy—"White Rock, is used by more than residents of Surrey, so that other municipalities should contribute towards this."

"The Lower Valley should be divided into three zones, with a regional park in each zone."

There is a provision for a municipality to accept—also once committed, it can withdraw.

Councillor Blair—" I am not in favour of closing the door on the idea permanently, but at present we are unable to afford it. I move that it be left in abeyance at the present time for reasons that we cannot afford it."

Councillor Booth—"White Rock wants a sea-side resort and have others pay for it. We have plenty of work to do on our own parks. Industry in White Rock benefits greatly by the use of the area."

Reeve Poppy—"Our citizens could enjoy better facilities at White Rock if they contribute."

Councillor Blair—"The people who use the parks are those that benefit the most, no matter where the park is located. We have no beach area, and due to our proximity we would derive more benefit than most other municipalities."

Councillor Woolley —"Woodwards do a lot of business. They don't ask us to build parking lots."

The motion, we don't participate at this time was changed after more discussion to—we don't participate. As Councillor Wellman was absent, the first vote was three for and three against. The Reeve voting for the contributing. Councillor Flowerdew, being Chairman of Recreation Committee, did not enter into the discussion but cast a negative vote.

A tie vote, on matters of expenditure of money, is automatically a defeat for a motion.

The Reeve has the right to bring it up again.

Councillor Wellman was present later to cast his vote for the negative. The motion for support was definitely defeated.

Kettle Heads Mount Lehman Credit Union

Mount Lehman Credit Union Annual Meeting was held February 21st at 8 p.m in the A. & N. Veteran Hall, Mt Lehman.

Mr George Sterling of Cuna Mutual Insurance showed a film about Cuna Insurance, and gave an interesting short talk on the same.

Reports of directors, supervisory and credit committees showed the pastyear as a very encouraging one. Water and sanitary facilities were installed in the C. U. Building and a new safe purchased. In spite of these additional costs, the members named 3% interest on shares and 4% patronage refund on interest paid by members.

New members of the boards are L. J. Kozie, re-elected to supervisory committee; G. C. Israel to credit committee, and F. Stadnyk and J. D. Reimer to the board of directors. Mr. R. Forsythe was named president, and F. Stadnyk vice-president of the board of directors. Meeting adjourned at 10:15 p.m. and coffee and doughnuts were served by the ladies.

Belbriggan Bay A Page From Real Canadian Life

The presentation of Belbriggan Bay by the Aldergrove Secondary School is reported to be the largest and best ever presented The last minute brushing up and alterations have been completed. Dress rehearsal proved very successful and was the tonic needed for performers to pass the qualms common to all performances.

Many hours of hard work and problems which seemed unsurmountable, were overcome. As a result the school is now prepared to provide an evening of full entertainment for young and old alike.

The story of Belbriggan Bay is based upon life, in 1910 on the maritime sea coast. However a trip to some of the smaller communities today, would show the scenes, depicted by the high school play, to be still in existance. The attire and scenery appear as a page from real life in these areas.

Everyone is urged to attend. The students and teachers have sacrificed many hours in order to present this play. They have come up with a play, enacted in such a manner that anyone would enjoy it. There are scenes of humor, music, and of the rugged rough and tumble reality of the east coast. Perhaps even the authors do not realize how close they are to portraying a scene of true life.

Belbriggan Bay will be presented on Friday. Saturday, and Monday, March 15, 16, and 18 in the Auditorium of the Aldergrove High School. PLAN TO ATTEND.

Swimming Pool Collection Campaign Proving Success

Contributions for the Aldergrove Swimming Pool are continuing to build up but the pace must be increased if the pool is to be constructed under the Winter Works program. The intensive phase of the drive will end on Friday, March 22nd, but it is hoped canvassing will continue after that date until every resident in the area has been approached.

Collections to date are slightly over $4,000. seventy-five percent of which has been contributed by the businesses of the district. The target is $9,700.

The draw for the paid trip for two to Reno is to take place on Saturday, March 16th at 2:30 p.m., at Langley City Park, in conjunction with the official sod turning ceremony there.

The expenses for this trip comes from a separate donation and does not effect the Community Centre's Fund. To qualify for the draw, participants must have been active in this campaign. The names of actual canvassers will be obtained from Section Captains.

NEW SCHOOL BUDGET APPROVED BY MATSQUI COUNCIL

Matsqui Council have accepted School District No. 34, 1963 Budget of one million eight hundred and fifty eight thousand dollars The budget is approximately one hundred and fifty nine thousand dollars more than last year's budget figures.

Council were in favour of a request by a delegation from the Khalsa Diwan Society. The group of officials put forth a suggestion to develop a playground on their property across from the Sikh Temple on South Fraser Way. Council felt that a supervised playground at that location had merits.

Aldergrove Scouts Hold First Cook-out

The 1st Aldergrove Scouts held their first cook-out on Friday evening, March 5th.

The boys got together on Boundary road near the High School for an experience reported as a complete success. Jerry Olynyck was on hand to lend a hand should the occasion arise.

Scouts attending were: Scott Angrignon, Paul Brown, Neil Endacott, Garry Fouchon. Teddy Groves, Wayne and Don Haldorson, Daryl La Chapelle, Larry Orwick, Bill Penrose and Mark Webster.

M.S.A. HOSPITAL SOCIETY MEMBERSHIP DEADLINE NEARS

By ADA MAE DUECK

The Board of Management of the M.S.A. Hospital Society gathered to make arrangements for the annual general meeting.

The meeting will be held on April 29, at the hospital. At this time reports of hospital management during the past year and progress reports of building plans will be given.

All members must renew their memberships by April 15 to be eligible to vote. Memberships are on sale at the hospital now and will later be available at drug stores in the district. There is a total of 160 district residents who are now members of the Society. It is hoped that more people will join this year.

Mr. Joe Breier told the members of the Aldergrove and District Chamber of Commerce that the need for a Secondary school was urgent. It is tthe intent of the School Board to ask for a referendum for a secondary school.

He further stated that the present Langley Secondary School was built to facilitate 960 pupils and has 1056 students enrolled now. Mr. Breier said that with the excess pupils now and the increase of 6% annually it would mean that should there not be another school built classes would be held on double shifts.

Chamber Investigates Obtaining Dental Service

President Art Dingley suggested at the last Aldergrove and District Chamber of Commerce meeting, that the need to obtain dental services in Aldergrove, was something that deserved immediate attention.

The Chamber members discussed this and decided to send in a release to the B.C. Bulletin and contact other dental sources. Joe Breier suggested the 900 students attending the schools in Aldergrove alone, indicated the need.

SPRING CLEAN-UP MEANS EVERYTHING

With spring's coming, people begin to get the urge to clean up their properties. Houses and yards get a complete going over and in so doing make a town appealing to the visitor's eyes.

However, the entrances to most communities seem to be an eyesore. This situation is not unique to any specific town. On the highway outside of towns there are always the customary Junk yards. Scrap metal, wrecked cars and other unsightly items are the first sight a tourist views. This is a sorry state, when we are attempting to entice the tourists into spending their dollars on their way through.

However, in some of these towns, the sorry sight of items displayed even extends to the business section. Articles, that should be kept inside and out of sight, are put brazenly on the sidewalks. These items may not be offensive to the townspeople. However, to the tourist, whose aim is scenic beauty, this is a guaranteed method of discouraging them to drop in.

How can we remedy this? Fences should be erected of a height to hide the material. These fences could be painted and signs erected to inform the public of the business within.

If we want the tourist dollar, we will have to work for it. We can only attract the interest by offering them an introduction of attractiveness on their first impression. The best products and nicest people don't make a town tourist-appealing. We must make the initial appeal to them by presenting an inviting entrance as well as the rest of the town.

Council Comments

By Crusader

It looks as if we have at least two councillors who consider that our by-laws, in their observance, are for the benifit of the many and not for the few.

We all lose when they are tampered with, for the personal convenience or gain of any individual.

Here are their reactions to a petitioner's application to build a carport, 3 feet instead of 10 feet, from a garage, situated on a property line. The adjacent buildings are decidedly non conforming according to our building by-laws.

Councillor Booth — We have a building by-law that specifies the 10 feet space—this should be enforced. You would have to change the by-law.

Councillor Wellman—I cannot see that the carport would be a fire hazard.

Councillor Blair—The buildings are non conforming beside it.

Councillor Jensen — Implement the by-law or throw it out the window. Does it depend upon how much influence an applicant has with council members? There is no argument here— and where can it end if we keep chiseling on these by laws.

* * *

A Council Committee interviewed the—little old gentleman with the quiet voice—regarding his proposed subdivision and he was adamant in his refusal to accept the council's plan.

Two alternatives were proposed to him on an accept or else basis.

I'm still betting on the 'sand in his craw.'

PROGRESS

The Pembroke paper of October 17th 1884 stated; "Town Council agreed to light our street (five streetlights) from dusk until one o'clock." That was Canada's first street lighting installation.

Legislative Report

By Camille Mather, M.L.A. Delta

The traditional and often lengthy addresses of the reply to the Throne speech and Budget debate have come to an end after almost five weeks, and the main business of the legislature,

The presentation of the Estimates and bringing down of the Bills has begun.

One contentiuos issue has been the failure of the government to remove the tolls on the Oak St. Bridge and the Deas Tunnel. When questioned, the Premier stated the tolls would be taken off when the City of Vancouver and the Federal government contributed their share.

Subsequent denial by the City of Vancouver that any agreement had ever taken place has left much doubt as to the validity of this excuse. It is doubtful if the municipalities south of the Fraser will be satisfied with this answer, or to feel that there has not been discrimination shown. The matter of the lifting of the tolls on these two highway necessities has been raised in the House by both Jim Rhodes MLA and myself since our first session in 1961.

The Agricultural estimates presented little new in either policy or expenditure. During the year 1962 there had been some suggestion by the Department that Grants to Agricultural Fairs should be curtailed or very carefully scrutinized. I took the matter up, stressing the importance of these exhibitions. In a farming society, this annual gathering of the fruits of the year's labour, the mingling of groups, and the general air of festivity holds a vital and traditional place. The direction should be toward encouragement, not curtailment.

Under the Attorney-General's Department, I raised the question of Radar traps. I contended that where Radar is used, it should be by law indicated. If the purpose is to control traffic, the signs are most effective. Motorists are very much aware of the sign, "RADAR CONTROLLED" on the highway, and behave accordingly, and in so doing the purpose of speed control is fulfilled.

The need for Motor Vehicle testing stations was brought forward. If this service is pertinent in Vancouver in checking vehicles, it surely must follow that it is necessary in other parts of the Province.

At this time the Education department is under discussion. The decision on additional Universities appears to be finalized, but as yet financial committments are vague. The great question as yet unanswered is the operating budget of the University of B.C. and there is no assurance that it will meet the needs required.

And so each Department of the government is brought to the floor of the House where the Minister, assisted by the Deputy Ministers, answers, or attempts to answer, the many questions relative to the functioning of the office, and so the Legislature proceeds.

AT THE BARRIER

Four well groomed, fuming, Frantic steeds are grouped at the barrier, nervously impatient to be off. Their ebullient jockeys are couched low in the saddles, outwardly calm, but desperate in their efforts to control their distracted mounts by pressure of the hands and knees.

At gate five is 'Conserva', sired by Libertino, dammed by Posterity. Has a long record of many wins, fares poorly on muddy track and was a one time favorite. Good in the long haul. Exellent long distance stamina. Age is a contributing factor. Poor odds.

* * *

At gate two is 'Libera'. Sired by Freedom out of Punch. Good on all tracks when well mounted More trophys than all others in the race. Easy favorite for those who claim to be in the know. Low odds. Track times unusual for aged mare.

* * *

At gate seven is 'Socredo'. Sired by Funnymunny, out of Hardtimes. Western mount of unusual breeding. Good on rough track, inclined to jump rails. Young and enthusiastic but lacks experience. Past record mediocre. A long shot.

* * *

At gate eleven is 'Endeepi'. Sired by Commonwealth, out of Travail.Three years old. Vicarious breeding Good in any race regardless of length or condition of track. Bears watching, could prove a long shot winner if well jockied. Odds high.

You Said It

"Flapper"

The term signified many a giddy miss of the "roaring twenties." In the post World War I era of hip flasks, raccoon coats and Charleston dancing, college girls wore high four buckle galoshes. They never fastened the buckles, swishing about with abandon. The word described girls of a generation oblivious to convention.

NO LEISURE TIME FOR TOMMY—Singing star Tommy Common still has time for autograph seekers in spite of his many commitments on CBC radio and television. The handsome young vocalist is heard twice a week on the CBC radio network program, What's On Tapp, and can be seen each Friday night on CBC-TV's Country Hoedown. Between these two regular shows Tommy still has time to run his own record shop and make personal appearances.

Langley Soccer Leagues Prepare For Final Tilts

Although defeated again by a high score, excitement ran high at one stage of the game, between Aldergrove Firefighters and Harris Shop Easy, in the B division of the Langley and District Juvenile Boys Soccer Association. As yet, the Aldergrove boys have not scored a goal this season, but last Saturday saw them almost break this unfortunate record as they swept down the field in an attack led by John Speedie. For once the opposition were unable to hold them back, but unfortunately they were unable to finish the attack and were robbed of the ball when on the Shop Easy goal line.

It has been a disappointing season for these boys but they are to be greatly admired for their pluck in coming back again each week after suffering heavy defeats each Saturday. They are undoubtedly the smallest and youngest team in the whole league and are most certainly playing against teams which have the advantage of age, size and weight. League officials are already planning to see that this does not occur next season. This was the first year of operation of the Langley and District Juvenile Soccer Association and they were most anxious to get competitive soccer going in the district. Next year will probably see a lower age limit in the division B and competition will be much more even.

Aldergrove A had a bye last Saturday and were unable to arrange a friendly match. In other division B games, the leadership changed over to Harris Shop Easy, who moved into possession of the top spot. They defeated Aldergrove, whereas Glenwood only managed to tie with Langley Lumber. Previously these two teams, Shop Easy and Glenwood, had been joint leaders. Next Saturday is the last day for league play and both these teams have keen competition to face.

Glenwood played to a one all tie with Langley Lumber, and Willoughby lost to Milner by a single goal.

In Division A, the league leaders Otter Merchants and Langley Rotary did not play. This game, which will produce the winners of the division, was postponed to this weekend as many team coaches and boys had expressed their desire to see the game. Therefore both divisionns in the association will end on the same day.

In other division A games, Langley Athletic defeated Langley Pinky, two goals to nil.- West Langley downed Fort Langley by a score of 2—1.

After league play ends next weekend, the association has a knockout competition planned in which all teams wishing to enter will be brought in to play the six a side tournement which was previously planned for the Christmas holidays. but was cancelled on account of the bad weather.

It is anticipated that the soccer season will terminate around the second week in April.

Better Bowling

Follow Through Naturally

The follow through is the same as anything else in bowling: a simple movement which should come naturally.

After you have released your ball, simply keep your arm moving to the conclusion of its upward sweep. Don't stop it the instant you let the ball go. If you do, it will cause a jerky delivery which is likely to hook the ball right off the lane.

Most important, don't worry about the follow through. Just get it in your mind that you are going to throw the ball with a natural movement and you follow through automatically.

SUPREME COURT TO RULE ON INDIAN HUNTING

The Supreme Court of Canada agreed last week to determine whether treaty Indians in Manitoba are subject to the white man's hunting laws.

The case involved Rufus Prince of Portage la Praire and Robert Myron of Edwin, who were charged Oct. 27., 1961, at South Cypress of unlawfully hunting big game with the use of night lights.

They were aquitted in magistrate's court on grounds that Indians do not come within the scope of the Manitoba Game and Fisheries Act.

The court said Indians have a right to hunt in any manner they see fit on land to which they have access.

However the Manitoba Appeal Court reversed the decision on grounds that Indians are not wholly free from restrictions contained in the Manitoba Natural Resources Act and the Game and Fisheries Act.

This court said Indians are entitled to hunt for food on land to which they have the right of access but have no right to adopt a hunting method prohibited by provincial legislation.

Prince and Myron were granted leave last week by Supreme Court of Canada to appeal against the Manitoba Appeal Court ruling.

In their application, they said all treaty Indians in Manitoba should know what rights they have to hunt for food and whether provincial laws dealing with game life take precedence over the right of Indians to hunt for food.

Frozen Pipes

One of the best ways to thaw a frozen pipe is to wrap heavy cloths soaked in hot water around the pipe. Work from outlet to source.

Newest in paper fashions is a paper tunic worn under ski jackets for extra warmth. Compact and light, it folds into pocket size and chemically treated for wet strength.

The Yardener

Root of Problem

If house plants have taken on enough growth to be transplanted into larger pots, use care in transferring them. Be sure the plant is in dry soil that is easily tapped from the pot. This helps keep roots strong and vigorous.

PERFORMANCE AND ECONOMY
Chevron gasolines give you both. First, they're blended for your climate, to give you faster warm-ups. They contain Methyl* — first new antiknock compound since Ethyl — to step up octane performance.
Second, they have Detergent-Action, the carburetor-cleaning additive that dissolves gums and dirt deposits, protects the fuel system against rust. These features cost you nothing extra.

PERFORMANCE!
"Canada's most poised and eloquent Parliamentarians do not include the Prime Minister, any of his Cabinet, or the Leader of the Opposition," Senator Grattan O'Leary said Friday night.
"The first four or five — and only — places in Parliament's oratorical stakes go to the New Democratic party."
— Ottawa Journal
"The New Democrats could be confident that their MPs had given the ablest individual performances in the Commons."
—Time Magazine
"When it comes to ackowledged stars, the New Democratic party has a bundle of them."
—Montreal Gazette
"The New Democrats have always respected the principles they stand for, and they certainly are the party in this country which holds most closely to its program . . ."

NEW DEMOCRATIC PARTY NEWS

The monthly meeting of the Aldergrove N.D.P. Club met at the home of Mr. and Mrs. H. E. Larson on March 5th with eighteen present, including Barry Mather M.P. and two guests. Three memberships were renewed, with one new couple joining; Mr. and Mrs. Caplette reported a full house when whist was played at their home in Feb. Mrs. Nordin reported she had attended the last executive meeting at the Quinn home in Surrey, report to be given by B. Mather. It was decided to hold a Cabaret dance in Vasa Hall on March 23 when the coffee table and other articles will be drawn for. Tickets may be obtained from Mrs. L. Nordin, of Aldergrove.

Mrs. B. Nordin will hold a "Candidate" tea in the Vasa Hall from 2:30 to 4 o'clock in the after noon on March 18th, and all are welcome to attend and meet our M.P., Barry Mather, who is standing for re-election in Delta.

Mrs. Nordin then called on B. Mather for a few words, and he gave us a regime of his programming and working in Ottawa, as well as the aims and aspirations of the Party here in B.C. He later answered questions regarding missiles, etc. Any information can be obtained from Mrs. B. Nordin by phoning 856-2883 Aldergrove, who will again have the office located in her home, taking phone calls from there.

Mrs. F. Ferguson offered their home for the April meeting which was gratefully accepted, and the Larson's were given a vote of Thanks for their hospitality of the evening. Mrs. R. Caplette and O. Ovitsland were winners of the draw. Lunch was enjoyed at the close of the meeting, served by the members.

Members of the Aldergrove Club attended the N.D.P. Whist last Saturday evening, being played at the home of Mr. and Mrs. Kirpan, Larsen Road.

FVMPA Meeting Honours Youth Award Winners

Young people who have won FVMPA-sponsored awards during the past year will be special guests of honour at the 46th Annual Meeting of the Fraser Valley Milk Producers' Association.

The youth leaders will be introduced to the first day session March 21st in the Canadian Legion Hall, Mission City.

Representing Saanich, will be Linnet Lennon and Mary Lord of the Saanich Home Arts Club. The girls were the 1962 winners of the FVMPA 4—H and FFC Project Demonstration Trophy, given to the top club project at the PNE. Co-leaders Mrs. Cronk and Mrs. Lord will be in the Vancouver Island party.

Two University of B.C. bursaries in agriculture awarded by the Association in 1962 went to Ted Witt of Port Kells and Richard Tigerstrom, Vancouver. Both young men will be on hand to meet dairymen from districts of the Fraser Valley.

Joan Thompson of Abbotsford will represent the Upper Fraser Valley Music Festival as the winner of the 1962 FVMPA trophy for national dancing.

The best young plowman in the Fraser Valley, Charles Thomson from Chilliwack, will make his third appearance as a winner.

Jack Anvik, Delta Junior High School and Dennis Schmahl of Aldergrove Senior High School, the 1962 champion orators of the Western Fraser Valley, have been asked to attend.

Another public speaker present will be the Fraser Valley Junior High School champion of the upper-Valley schools, Henry Schmidt of Clearbrook Junior-Secondary School, chosen on March 8th in the finals at Haney.

MT. LEHMAN
HELD OVER

The regular meeting of the Mt. Lehman PTA was held in the Mt. Lehman North Elementary School. The president, Mr. Jake Born, reported on a meeting he had attended in Abbotsford with other PTA's from this district in view of forming a Parent Teachers Association Council. Mr. Epp senior teacher, reported plans had been completed for the Open House which was held on March 5th.

A film of Spain was shown by Mr. Epp, followed by refreshments served by the Social Conveners, Mrs. John Carter and Mrs. K. Parker.

Winners of prizes at the last whist drive, held in the Army, Navy and Air Force Veterans Clubroom Mt. Lehman. were Mrs Gledhill and Jim Dumont. Refreshments were served.

Mrs George Savitsky spent a weekend at the home of Dr. and Mrs. Volkoff in Vancouver.

Mr and Mrs. Fred Mitchell and daughter, Joan, of North Vancouver, were guests of Mr. and Mrs. Wellman.

The Mt. Lehman Presbyterian Young People's Society held a Bake Sale at the Laundermat in Clearbrook last Saturday.

Mrs. Murdock's Hi C Group met with other Hi C Groups in Mission United Church, for a party and refreshments.

Mrs. Clare Parker returned home from the MSA Hospital with her infant son.

Mr. and Mrs. Simeuko moved to Abbotsford.

Word was recieved from Lillooett that Jake Singh had his foot broken in a mill accident. Jake is Mrs. Bill Clark's brother.

The Dunn Memorial Presbyterian Church was filled with bespring flowers, for the dedication service for the new Electric Reed organ. Rev. Desmond Howard was in charge of the service.

There were 30 present at the Women's World Day of Prayer meeting in the Presbyterian Church. Mrs. D. Corbett. of Burnaby, was guest speaker. Leaders were Mrs. P Edge, Mrs. H.E. Taylor and Mrs. F. Threfall.

Largest mammal in the modern world is the sulpher—bottom or blue whale.

OTTER

Executives of Otter District Credit Union met in their hall on North Otter road on the evening of the 6 h, with the President J. Macfarlane presiding. Plans were laid for the annual meeting taking place later in the month. Business taken care of and two new members welcomed for the year.

Mrs. J. MacFarlane to be delegate to the B.C. Credit Union League which takes place in Vancouver on the 30th of March. Mrs. L. Radford to be alternate delegate.

A report of the annual banquet was given by Mrs. Macfarlane, who stated that the Vancouver guests were delighted with the number attending and the supper. Otter W.I. met in Credit Union hall on March 5th. Mrs. M. Larson presided in the absence of the President, Mrs. F. Flowerdew, who was ill with the flu.

Our members have accepted the invitation to attend the St. Patrick's Tea of Coghlan W.I. on March 15th. A letter was read from Mrs. E. Roberts who was grateful for kindness shown her by the ladies. We hope she improves with these fine days.

The District Convenfiioon will be held in the Kennedy hall on Scott Road on April 9th, when Mrs. M. Larson was chosen to be delegate. Apron goods was taken to be made up and pillow slips will be worked; all for a start on our fall sale of work. Mrs. A. P. Ness was hostess for the afternoon.

Don't be a cloud because you can't be a star.

EGG RECIPE

PUFFED EGGS

3 eggs
3 tablespoons mushrooms
1 cup milk
1 cupful white sauce with cheese
Seasoning

METHOD

Beat the eggs with a fork, add the milk and season. Add red pepper if desired. Pour into buttered moulds, and steam in pan of boiling water for a quarter of an hour. Tip out on to a warmed dish and cover with white cheesy sauce with the yolk of another egg stirred in. Add mushrooms to the sauce to add to its richness.

The Morgue

Continuing last week's new feature we have again dug into the files and come up with news from the past few years. Do you remember when?

1959 —Aldergrove High School Production "Alderama" attracted a sell-out crowd. The tremendous audience was treated to a fast moving variety show including band, drama, ballet, tumbling duets, choral singing and orchestral work.

1960—The Harlem Stars played the Aldergrove Sr. Boys in a basketball game and beat them by a score of 62 to 47.

1961—The Aldergrove Water System erected a new water tower opposite Krieger's Hatchery.

1962—The Aldergrove United Church Men's Club held a Minstrel Show in the High School Gymnasium to raise funds for a new organ.

"May I say, that there is no other party with the equal equilibrium of ours within the confines of our territorial limits. We stand alone, guarding the ramparts of the nation, while others, mentally evacuated, stand in an enchanted pool of dreams, their subjective symbols grounded in the mire. Electors, I implore you not to waste a vote on those whose obstinate tyranny is self interest. Let us all vote with judicial impartiality, the only honest and reliable method.

"More Cheers."

"In all sincerity, I believe that the prodigious arrogance of our former government was profound They have pothumously realized their constant fallibilities and are an everlasting disgrace, not only to the legislative assembly, but to the world at large. It is within your power. Ladies and Gentlemen. to remedy past ommissions. A vote for me and the party I represent is an intercession against the rights of the Canadian citizen. Thank you."

"Cheers."

NATURE'S SCRAPBOOK

Only Yesterday

Historically speaking, the logging industry in British Columbia can look back over more than 180 years to the arrival of Capt. James Cook in Nootka Sound where he set his crews to work falling the giant firs to renew his masts and spars Virtually all its startling growth, however, has taken place since 1890 when the introduction of the steam donkey brought power to the big woods. Since then the machine has dominated the industry, growing ever more powerful and versatile as engineers and logging operators pooled their technical knowledge and practical experience to solve the special problems peculiar to the mountainous country and big timbers of this region. Today, power saws fell and buck timber, tractors and gas or diesel-powered donkeys in mobile yarding units bring the huge logs to the landing or cold-deck and giant truck-trailer combinations link the remotest operations high on the hills with mill or saltchuck. Tomorrow—who knows. Men who still remember when ox shoes punctuated the greasy skidroad with silver commas scarcely elevate an eyebrow when we talk of helicopter log hauls and electronically controlled processing plants.

Protective Coloration

The flounder, a peculiar fish with both eyes on one side of his body, can match the background color of the ocean bed by flooding or draining its body of color. Certain reef fish adjust their colors to the amount of light found at different depths. Some fish even manage to disguise their activities by amazing manipulation of the strips in their patterns. When darting forward, they change transverse lines to longitudinal ones which tend to conceal their movements. The stripes quickly resume their transverse position when the fish draws up short. Some creatues, on the other hand, find their best protection is to advertise their presence with a vivid display of colors—a sort of "anti - camouflage." Such creatures, of course, must possess some characteristics so distasteful to others that a conventionally camouflaged coat would serve no useful purpose. The skunk is a good example. His loud, distinctive coat is quickly associated in the minds of his potential enemies with unpleasant odor and rarely fails to ward off intruders.

Council Jottings

The decision on building the municipality's share of the proposed new sidewalk, along Roberts Road, east of the Langley Junior High School, is to be held in abeyance until word is received from the city on what they propose to do. It is likely the cost of the project is much higher than what was anticipated.

Holidays for Board of Works employees will be arranged this year so that as little interference as possible will be made to the continuance of road work during the good weather months of summer.

There were times last year when work in this department during the most favourable weather, about came to a stand-still due to the number of men on holiday.

A new caretaker is to be appointed for the Murrayville Cemetery.

Stan Monaham, who has filled this post for many years is retiring next July.

He suggested that all grave markers should be installed before he leaves, to prevent any mistakes being made in identifying the graves.

LIONS CLUB FOSTERS COMMUNITY CENTRE PLAN

The Abbotsford Lions Club intends to explore the needs and possibilities of establishing a community centre for the M.S.A. District.

They are pleased to have been assured of the support of the Corporation of the District of Matsqui.

A survey will be made and the Lions Club invites the active participation of all within the M.S.A. area.

The objective is to establish a Community Centre incorporating Recreation and Convention facilities etcetera.

Chamber Notes

BRADNER FLOWER SHOW

The Aldergrove Chamber of Commerce were advised that the Bradner Flower show would be held again this year. The Bradner group will hold a meeting this coming Monday to discuss plans for the show. The Chamber was advised that the cavalcade and floral arranggements for Aldergove would meet with full co operation from Bradner.

JACKMAN SIDEWALKS

A survey of property owners on Jackman road from the Trans Canada Highway to the new post office, met with little approval on the construction of a sidewalk. It is estimated that properties would be assessed from $80 to $300. The Chamber still expressed their disapproval of these property owners being assessed when the sidewalk would be for the benefit of all. The present safety hazard to pedestrians was stressed.

DINNER MEET

The next regular meeting of the C of C will be a dinner meeting on April 8th in the Aldergrove Hotel dining room.
