Mr. and Mrs. Harvey Krentz, who are on their way to Europe for a two-month vacation, sent us a folder from the Copacabana Club in New York, where they were spending an evening listening to Bobby Darin, George Kirby, Angela Martin and many other entertainers.

A 23 (?) year old member of the Aldergrove News had an amusing experience some time ago. This was kept under wraps until the arrival of a relative who talks too much.

While passing an Auction Sale he heard the Auctioneer making a valiant attempt to sell a baby commode chair. Our 23 year old said to his wife, "I'd give him 15 cents for that." The auctioneer, having keen hearing shouted; "Sold to the man across the street for 15 cents." Confused and with an unwanted article he silently stole away.

Old friends from Saskatchewan dropped into the News on Sunday. Mr. and Mrs. Henry Rohnke and son of Saskatchewan, accompanied by Mr. and Mrs. Ernie Shilke and son of Vancouver, were the welcome guests and friends from years long past. Many old times were rehashed and old acquaintances renewed.

The "I Saw" entries have dwindled down to nil. Surely some of our readers have observed something amusing, unusual or of special note.

Don Anson Takes C.D. Course

Don Anson, former editor of this paper, dropped by for a visit Sunday. Don is on his way to Victoria where he will take a Civil Defence Course for T.V., Radio and Press executives on May 29, 30, and 31.

Don informs us that, on his trip down from Kitimat, he had to take a motorboat across the lake at Lakelse Hot Springs. This was in order to detour a cave-in on the highway ¾ of a mile long and 60 feet deep.

Previous to this, Don flew over the area with a photographer to take pictures for the Canadian Press.

Weekend Collision Injures Three Youths

Four local residents sustained injuries when they were involved in a car, tow truck collision on Saturday morning around 12:30 a.m. The accident occured on the Fraser Valley Way near the Ross Road intersection.

From appearances the car, a 1957 model, crashed into the rear end of the tow truck. Owner of the car Ervan Nikkel of Aberdeen Road. South was believed to be the driver. The tow truck, Herbs Auto Body was operated by Bert Hough who received slight injuries and was not detained at the hospital. However Ervan Nikkel, driver of the car, was rushed to the M.S.A. hospital where he was put on the critical list. Passengers in the Nikkel vehicle were Norman and Wilfred Haid. Norman suffered severe injury and is in the hospital, Wilfred Haid was riding in the back seat of the car, was examined and found to be suffering from lacerations and broken ribs. He was later released.

Damage to the tow truck was extensive. The Nikkel car was estimated to be totally wrecked. The Matsqui R.C.M.P. detachment are investigating the accident.

ANNUAL MEETING OF EPILEPSY SOCIETY

The annual meeting of the British Columbia Epilepsy Society is to be held on Tuesday, June 5th, at 8 p.m. Meeting place will be 895 West 10th Avenue, Vancouver 9, B.C.

Guest speaker will be Mr. K. R. Weaver, assistant director of Adminstration, Vancouver General Hospital. His topic will be "The Case for Rehabilitation."

Agenda of the meeting will be reports of the Associations activities for the year, proposed amendment to the By-Laws, and the election of officers.

UNUSUAL CACTUS GROWS TO GIGANTIC HEIGHT

Mrs. A. Miskuski of Roberts Road, Aldergrove, was given a cactus slip several years ago. She planted it with materials from her garden and fertilized it well, and the plant started to grow by leaps and bounds. Mrs. Miskuski has had to break off part of the leaves. Right now, the longest leaf is 6 feet 8 inches and the plant has 18 blooms 5 to 6 inches wide all out at the present time. There have been over fifty buds on this plant. The beautiful shades of these flowers make it a sight to behold! It makes you think that you are in a tropical jungle.

An Easter lily was also given to Mrs. Miskuski. She replanted it in a 5 inch pot and that, too, has kept on growing to tremendous size. It has a flower open at the top of an 8 foot 7 inch stem. Mrs. Miskuski cannot account for this tremendous growth of her plants.

Night Prowler Visits Garage

J. E. Scott Motors fell victim to a night prowler Sunday night. Breaking in through a back window, netted $3.00 out of the petty cash box. Other articles were scattered about but there was nothing else believed missing.

Due to the size of the window, 12x12, it is assumed that the break-in was committed by a small person or a teen-ager. Langley detachment of the R.C.M.P. are investigating.

ABBOTSFORD WOMAN FOUND DEAD IN SMOKE-FILLED ROOM

Miss Lily Reeves, of the Braun Apartments, Abbotsford, was found dead in her apartment on Sunday night.

An unidentified boy noticed smoke coming from a window. Upon investigation they found the smoke was coming from a chesterfield.

A coroner's verdict found Miss Reeves had apparently died of a heart attack.

Miss Reeves was an employee of the Little Mountain Dairy.

Swimming Pools Slated For District

The Chairman of the Recreation Committee announced, that there were going to be 3 swimming pools with 4 instructors available for swimming instructions involving some 600 students this coming summer. Total cost of this project will be about $3,000, a large portion of this will be defrayed by Provincial Government grants. This will prove a great benefit to the students in safety, health, and planned recreation.

Two Great Men

By Margaret Green

"Father Whitehead" and "Father Cooper" are two names which have been burned indelibly into the memories of many people.

Canon Wilberforce Cooper died a few years ago in England and Rev. Harold R. Whitehead passed away peacefully in Victoria last week.

These two Anglican priests served the parish of St. James, in the heart of Vancouver's "skid row" for many years, with an abounding love for people. The poorer the people the stronger was their love. In the heart of the depression both men ministered not only to the spiritual needs of their parishoners but found food and clothing when needed.

At the time of the depression the writer was serving on the staff of the Indian Residential School at Elkhorn, Manitoba. The C.P. Railway passed the school a couple of hundred yards away and every day men came off the train to the school door and asked for a handout. Those travelling east invariably said they had been told to call by Father Cooper (or Fr. Whitehead). Some on the return journey said the same.

The rule of the school which was under the jurisdiction of the Anglican church was that no one should be turned away from the door hungry. These men, when they called, were given a meal (meat, vegetables, etc.), tea or coffee a whole loaf of bread made into sandwiches of some kind, two screws of paper, one with tea and the other sugar. Maximum day for "lunches" was 32. All that week it had been 30 or 31. When the Indian girls saw any of these men approaching they didn't have to be told to prepare a meal and sandwiches—they did it very willing. Sometimes, the men would be surprised on knocking at the door to find a plate of food steaming hot awaiting them. The men who came in those days were genuinely grateful for anything they could get and usually overjoyed at the amount.

The reason the train stopped long enough for them to come over to the school was that Elkhorn was the stopping station for coal and water for all trains, either way.

$125,000 DAMAGES IN GRASS SKIRT FIRE

A New Westminster girl, Carol Lee Chapman, wore a hula skirt to a party in her home town on November 3. 1957. During the party the skirt caught fire and Carol was burnt over 75 per cent of her body.

A suit brought against a gift store in Honolulu resulted in a Honolulu federal district court making a $125,000 damages award in favour of Miss Chapman. This was appealed at the United States Court of Appeals in San Francisco, and the earlier court decision was upheld.

Home Razed By Fire Monday

The Aldergrove Volunteer Fire Department were called at about 8:50 p.m. Monday night to the residence of Mr. and Mrs. Don Anson, who reside at the end of Angling Road.

Due to the head start of the fire, the brigade was only able to contain the blaze from possible throwing of sparks to the surrounding buildings and trees.

Mrs. Joyce Anson, who was only out for a short time at her neighbors, returned home to find the basement of her house a raging inferno.

Mrs. Anson managed to save two adult Whippet dogs and two pups from the fire, but was unable to reach the rest because of the fierce heat.

Mrs. Anson has been a breeder of dogs for many years, bringing several with her when she left England. She is well known for her judging and also for the Whippet races performed last year.

At the time of the fire there were eleven other dogs in the basement, all registered purebred stock. Among the dogs lost were an American Champion Whippet purchased in New York, a French Papillon (Butterfly Dog), which the Ansons brought from England, six poodle pups estimated value of $500 each and other dogs of the Whippet and Poodle breeds. Two other Whippets were in kennels outside and escaped danger.

In addition to losing all their furniture, the Ansons lost many treasured possessions. Many of which were priceless.

Among the treasures destroyed were many trophies won by the Ansons for their dogs, medals and countless ribbons and cups won by Pamela, the oldest daughter, for her horsemanship. Pamela was considered among the top in this field.

The fire also destroyed a very valuable stamp collection, priceless Wedgewood China, centuries old, and many other valuables that had been passed down from generation to generation. In addition to the loss of the Anson properties, their son-in-law and daughter had stored many of their wedding gifts.

The tragic loss of all these purebred animals and other possessions that can never be replaced is indeed a disaster to the Anson family. There was little insurance coverage on the property and the coverage would not begin to replace the household and other articles lost by this tragic fire.

Don is away at Victoria, at present, taking a Civil Defence Course.

Aldergrove High School Graduates 56 Students

A large class of 56 students graduated from Aldergrove High School on Friday evening. There were 26 boys and 30 girls.

Decorations this year were outstanding and drew many comments from the audience. The theme of the evening was "Sayonara" and the many Japanese panels, etc., around the large gymnasium were the work of Miss Jude and her art students. Around the walls and the corners the decorations gave the impression of being in a Japanese garden. Three large bamboo mats hanging on the backdrop curtains of the stage were the work of Elsie Hildebrandt, a grade X11 student, who had painted Japanese scenes on them.

Receiving special awards were James Davis, Robert Gubbe, Janina Olejnik, Dennis Schmahl, Sylvia, Peter Traas and Verna Radons.

Irene Tarr and Ludy Overduin shared the honour of Valedictorian since both girls tied for top standing.

This is the second time in the short history of Aldergrove High School that this has happened. Both names will be inscribed on the Validictorian shield and the $100 scholarship will be divided.

Irene is the daughter of Mr. and Mrs. Steve Tarr, 25287 Jackson Road and Ludy is the daughter of Rev. and Mrs. J. Overduin, 4057 Otter Road North.

At the dinner the toast to the Queen was made by Dennis Schmahl, retiring president of the Students' Council who presided at the banquet. Toast to the staff was given by Robert Gubbe and Mr. G. Kinnie replied. Bill Johnson toasted the parents and Mrs. M. Olejnik replied on their behalf. Edith Davis gave the toast to the graduates and Anna Wiebe responded.

Guest speaker this year was Mr. G. W. Graham, Assistant Superintendent of Education, from Victoria.

On behalf of the graduating class Dennis Schmahl presented Mr. Don Hanson with another cup for the school.

This trophy will be awarded each year to the outstanding, or most valuable football player.

Those graduating were:—

Spencer Burden, Richard Campbell, Lynn Carpenter, Jean Christensen, Lloyd Cooper, Sharon Coulter, Grace Crosby, Gordon Dams, James Davis, Patricia Doherty, Betty Enns, Henry Franz, Merilyn Franz, Irene Friesen, Lilly Friesen, Alex Fuchs James Greening, Robert Gubbe, Alice Harvey, David Howse, Melvin Jensen, William Johnson, Judith Johnston, Donald Klick, Helen Labelle, Muriel Larson, R. Leece, Helen Limpright, C. Linke, Ted McCallum, Patricia, McLeod, Patricia McMillan, Mary Marmol, Juanita Miles, Ray Noble, Margaret Nolie, Janina Olejnik, Ludy Overduin, Bryan Parlan, Verna Radons, Judi Ross, Marvin Rud, Ronald Sewatsky, Dennis Schmahl, Edward Sieber, Sylvia Smith, Irene Tarr, Peter Traas, Robert Ulmer, John Unrau, Heather Vanetta, Ann Wiebe, Leona Wiebe, Judith Williams, Lorne Young, Elsie Zoretich.

NEW EDITOR—Loyd A. McIntosh has been appointed editor of the Aldergrove News. Loyd is married and has two daughters Rae, 14 and Lorraine 11. He has had several years experience writing for various eastern newspapers.

The family are planning on moving to Aldergrove after the close of the school term.

SAYONARA THEME—Decorations for the graduation at Aldergrove High School this year resembled a Japanese garden. Pictured above, left to right, are Helen Limpright and Verna Radons, two of the graduates who were admiring the attractive decorations in one corner of the gymnasium. News Photo

JOINT VALEDICTORIANS—Two girls tied for top standing at Aldergrove High School this year, for the second time in its short history. Irene Tarr, left, daughter of Mr. and Mrs. Steve Tarr, Jackman Road, and Ludy Overduin, daughter of Rev. and Mrs. J. IMMIGRANT'S DREAM COMES TRUE

Being a recent arrival in Aldergrove, I have taken special note of the community. It was nine years ago this month when I came here on a visit.. I find that the community has grown and has still retained its attractiveness which I found so appealing on my visit.

Over this period of years, it has been the wish of my wife and myself to someday take up residence here. The wishes of the years have finally come into being and here I am, with my family to follow shortly. We would like to take this opportunity to meet the people again, who exhibited such friendliness toward complete strangers. This is truly a western way of life in which Aldergrove appears to excel.

Letters TO THE EDITOR

Dear Sir:—

May I, through your columns, thank all those who gave of their time, energy and support in making Langley Civil Defence Exercise of April 28, 1962—from the Civil Defence point of view—a unique success.

It is impossible to enumerate one by one those who rendered such valuable assistance. The members of Langley Civil Defence did on this occasion, render a service to the community far above the appreciation of the general public. It was regrettable that the weather was rather inclement—but the apathy of the public is such that it cannot be aroused unless something drastic happens. It is then that a hue and cry is raised, and those who shout the loudest in ties of adversity are those that do the least to prepare for National Survival.

In the near future, with the extremely delicate situation on the International Front, we may be called upon to throw all our resources of National Defence into action at a moment's notice. It is then that those who are prepared will appreciate the training, sacrifice of time, and the interest in the saving of humanity that has been accomplished.

Again let me, on behalf of Civil Defence and my Headquarters staff, thank one and all for their splendid co-operation in all phases of the Exercise.

Yours truly,
C. D. O., Langley.

Dear Sir:—

This is a reply to your editorial of May 23rd, 1962, in which you cast reflection on my ability to give a direct answer relative to a technical point concerning a plumbing installation.

Contrary to your statement, the main point WAS whether the Langley Plumbing By-Law should be enforced or not. The By-Law had been enacted by Council and lived up to by a great many builders and owners in Langley.

You may not know that the National Housing Standards which includes Housing, Part 9, was over three years in preparation and was the work of many committees from various interests covering every trade required in house construction. The standards were not set up by the opinion of one man in any trade, but the combined opinions of many men across Canada—Reference Building Research News, April, 1962, published by the National Code, and all houses built under N.H.A. or V.L.A. must comply with the standards outlined.

You may understand from above why I would be reluctant to give a snap answer concerning a technical opinion on a matter which had been checked by many plumbers, engineers and health authorities.

You might also know that all building by-laws are set up with one idea in mind—the safety and protection of the public. Only proper, firm, and fair inspection will ensure to the Langley Homeowner that the standards covered in the by-laws are carried out. Most builders like consistent inspection because they know their competition will receive the same treatment.

You say use "common sense", which is hard to define. How would this do? "Please, Mr. Officer, I know that I went through that red light, and scared hell out of that stupid lady driver and slow footed pedestrian, but won't you please just use your common sense, and let me off this time?"

Yours truly,
A. Edward Roberts, M.R.A.I.C.

Straight from Laslo Bachy

If I finish my breakfast after I smoke a sigaret. When I finish my lunch or after the coffee break I always smoke a sigaret. But if I talk with somebody, if I enjoy somebody's company I must smoke too. Without smoking I can not enjoy the food, company and the rest. I remember when I was 18 years old my father give me a sigaret and told me, Laslo from this time you are matured and I give you your first smoke."

But poor father he did not know, I start smoking about two years sooner secretly. But since my 18th birthday, I can smoke freely. And I smoke, I like it. I can enjoy a mild good smelling blond sigaret. I can't imagine a nice deeply confidence discussion with my best friend without a sigaret. And what can I read every day in different newspapers? The sigaret is dangerous, very dangerous. I fraid open a newspaper and start read it because I fraid maybe found again a story about the cancer. Lots of professors. doctors, nurses, and everybody who is close to health problems. warn everybody from smoking sigarets. And now when I pull out my next sigaret from the packaqe I must think always my lung and the cancer. I think maybe I smoke poison. But ask you again, the professors. the dokters, the nurses and everybody who are close to the health problems why not warn louder everybody from the abomboll smoke.

Is this not much more dangerous like the sigaret smoke?

If you not quite understand, please read again.

Council Jottings

The "Go ahead" was given to Supt. Merrill to hire mowing machines to cut grass along the edge of the miles of Municipal roads.

Brush spraying to start in June—weather permitting.

A request was made and granted to black top 16,000 feet of pot-holed gravel road between the Roberts Road and the Langley Junior-Senior High school driveway.

* * *

The opportunity of pre-paying Municipal taxes was brought up again. It was argued that it was not to the advantage of the greatest number of people in the municipality.

It has apparently been successful in Burnaby but their large amount of industry, and regular labour force, as compared to Langley, likely makes this possible. It was suggested that Matsqui be asked their opinion on prepayment of taxes. Also, the percentage of the total tax figure, received by pre-payment.

There are 22 residents in Langhome, 17 men and 5 women.

Cost of extension of Langley City water to the Dodd subdivision was given as $3,987. Mr. Steele, representing the house owners. will be notified and asked if they wish to proceed with the extension.

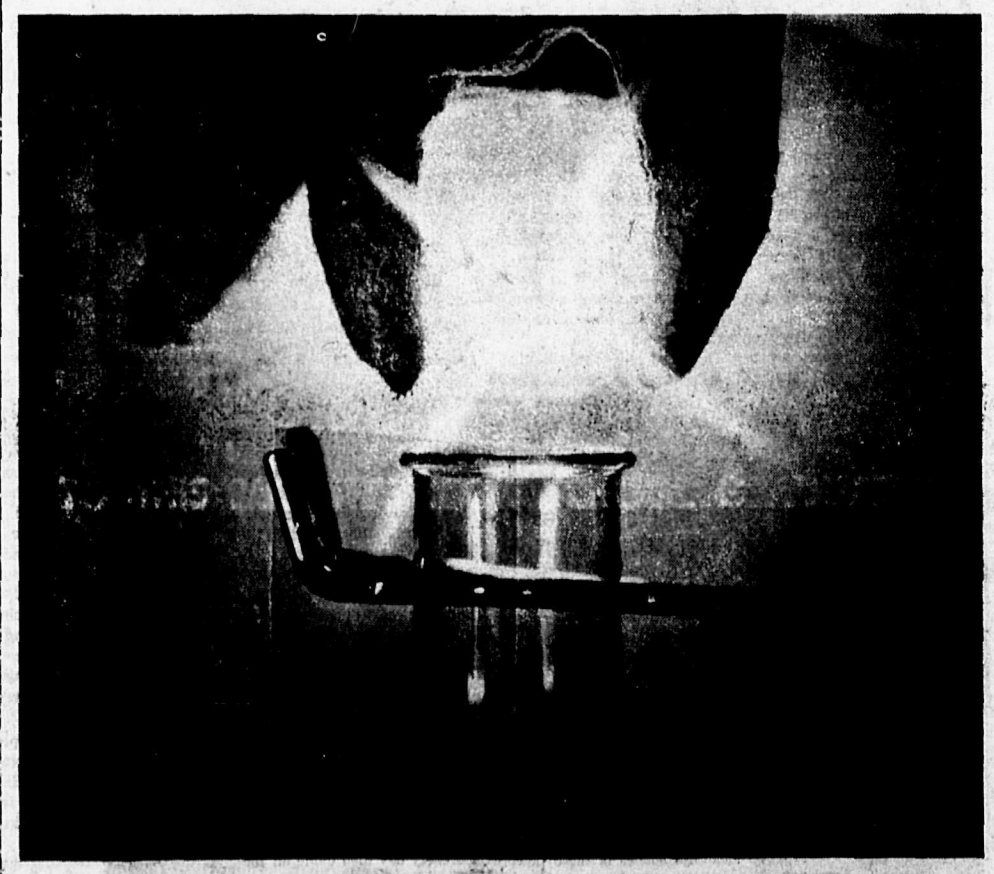
90% of all oil company product research in Canada is done by Imperial

At Imperial Oil's laboratories at Sarnia, Ontario, more than 200 scientists and technicians are working to improve present petroleum products—and to develop new ones. Their research covers *many fields, from gasolines to household detergents.* Another 130 scientists and technicians are working at Imperial's Calgary laboratories on ways to find and produce more Canadian crude oil and natural gas. Imperial does more research *than all other oil companies in Canada combined.*



Every barrel of crude oil contains some of the sun's heat. Imperial research works to unlock more of this energy. After five years' intensive research, Imperial found a chemical additive which makes more heating oil available from Canadian crude oil. One important result: less oil imported to heat Canadian homes.

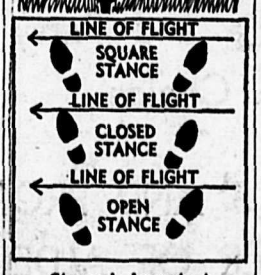
GOOD GOLF



Stance is important

After the grip has been mastered, the next most important factor in a good golf game is the stance.

Generally speaking, stances fall into three types —the square, the closed, the open.

In the square stance the feet are parallel to the line of flight, toes pointed slightly outward. The ball is played off the left heel.

The right foot is drawn slightly back from the line of flight in the closed stance. Ball is played off the left instep. Some pros use this to hook deliberately.

In the open stance the left foot is drawn back a trifle. Pros like this one for pitching short irons to the green.

New Product To Give Poultrymen Cheap Calcium

Lime Products, of Cloverdale announced the beginning of a production of Limestone which is specially made for chickens as a subsitute for oyster shells and No. 3 Grit.

This product will retail for $24.50 per ton as compared to $40 to $50 per ton for oyster shells.

Limestone was analysed by General Testing Laboratories and found to contain a calcium content of 37.7%.

"Lime Products" will also manufacture Agricultural Lime (Fertilizer). This product will be subsidized by the Federal government at $3.00 per ton.

The Lime Products will give immediate delivery. They plan in the future to include warehousing, Packaging facilities in Aldergrove. With the lower costs of the products and the availability this should prove a boon to the local poultrymen.

For further information desired please consult the companies and the newspaper.

United Church NEWS

The Evening Circle meeting of United Church women was held Monday, May 21, with 15 ladies present, under the leadership of Mrs. N. Hall. The devotional was led by Mrs. Hilda Brown.

Minutes of the last meeting were read by Circle secretary, Mrs. Mout. After the various standing committees gave their reports, an appeal for summer clothing, especially for men, for Korea was read.

Mrs. McIntosh led the program she chose 'immigration' as her topic—old and new Canadians, and read the interesting and informative article—The Red Silk Dress.

Hostesses for the social hour were Mrs. Andrews and Mrs. Corraini.

Linda Burden And Eric Williams Exchange Vows

Lynda Dorene Burden, daughter of Mr. and Mrs. Thomas Burden of 3715 244th Street, Langley, chose May 19th as her wedding day. She was given in marriage by her father Thomas Burden, to Eric John Williams, son of Mr and Mrs. George Williams of Kimberley. The Rev. N. Calland performed the 8 o'clock double ring ceremony in St. Dunstan's Anglican Church, Aldergrove, with Mr. N. Green at the organ.

Dennis Chobitar supported the groom, while ushers were Terry Jeffery and Spencer Burden.

The bride chose a hoop-skirted floor-length gown of white satin, lace trimmed; semi-scooped neckline with lily-point sleeves. Her veil was a halo finger-tipped headpiece and she carried yellow roses and white gardenias in her bouquet. She wore cameo earrings and diamond inset necklace, gift of the groom. Her attendants, Arlene Kitsul as maid of honor; Patricia Merrell and Carol Evans, bridesmaids, were each gowned in semi-bell style afternoon length taffeta in apricot tones, with nylon headpieces to match; while the Junior bridesmaid, sister of the bride, Wendy Burden, wore pale green nylon with band of apricot flowers in her hair. The little flower girl, Gail Kitsul wore white nylon also with band of apricot flowers in her hair. All attendants carried nosegays of yellow roses and bronze chrysanthemums. The bride's gift to her attendants were crystal necklaces.

For the reception in Vasa Hall, the parents of the bride and groom joined in receiving with the bridal party.

The bride's Mother chose a gold sheath dress of serento linen with matching three-quarter length coat, brown headpiece and brown accessories with a yellow corsage; while the groom's Mother wore a beige sheath nylon eyelet dress with matching coat, pink headpiece and pink accessories, with a rose corsage.

The hall was tastefully decorated with pink and white streamers and bows with mauve lilacs and white bridal wreath. The brides' table was centered with a three-tiered wedding cake topped with a miniature bride and groom, atop a beautiful crochetted tablecloth, made by the groom's mother. Toastmaster was Elmore, who proposed the toast to the lovely bridesmaids. Serviteurs were Mesdames S. Moberg and W. Veale.

For their wedding trip to Seattle and Vancouver Island the bride donned a two-piece English wool coral boucle suit and pink hat, with pearl shoes and accessories.

Out of town guests included Mr. and Mrs. George Williams Dennis Williams, Mr. and Mrs. H. Onlen and Miss Judy Gordon of Kimberley; Mr. and Mrs. J. Rajala of Calgary; also Keith Lang, Mr. and Mrs. M. Burden and Ron, Mr. ad Mrs. Watson, Miss Betty Apsey, Mrs. T. Hamilton and Ricky, Mr. and Mrs. W. Burrell, Joan McDonald, Mrs. Douglas, Mr. and Mrs. Bell and Mr. and Mrs. G. Burden and daughters, Mr. J. Eckersley, Mr. L. Williams, Mr. F. Carlson and Mr. A. Johanson from other points.

Lynda is a graduate from Royal Columbian Hospital's Xray Technicians of this year; while her groom is a graduate of UBC and a teacher at Pitt Meadows Jr.-Sr. High School.

Upon their return they will reside at New Westminster.

NAVY LOG

By ANDREE

There has been a flurry of arrivals and departures this week. We are happy to welcome "aboard" Commissioned Officer William Gidley who has come with his family from Victoria to take up his duties as Executive Officer. Welcome also to Petty Officer C. Miller, a Radio Mechanic, who will serve on the operating staff in Aldergrove, to Able Seaman Royce Stoner whose culinary experience will be enjoyed by all, and to Able Seaman Joseph Majernik, who will be stationed at Matsqui as part of the electrical staff.

Petty Officer and Mrs. Proctor have left for H.M.C.S. Stadacona, the biggest Canadian shore establishment. Leading Seaman Peter Burr and Able Seaman John Bullas have left for Frobisher Bay, Baffin Island, where the Navy has a radio station. Petty Officer and Mrs. Jack Wilson of the Matsqui Station will leave Friday for Victoria. Mrs. Wilson entertained at tea on Tuesday, receiving Mrs. Fred Ruddick and her mother, Mrs. Finn. Able Seaman G. Ennis of the Aldergrove Station has returned to civilian life.

Petty Officer Andrew Eburne has been appointed to H.M.C.S. Grilse, a submarine based in Esquimalt, B.C. In a few weeks time, he expects to leave for Connecticut, U.S.A., where he will take a course to familiarize him with submarine duties. His wife and children will follow to Victoria when the school holidays begin. A true gentleman Petty Officer Eburne will long be remembered by everyone in this Station, and he and Mrs. Eburne will be very much missed by their many civilian and Navy friends. Petty Officer Eburne devoted himself unstintingly to the Boy Scout movement: at Monday's meeting of the 2nd Aldergrove Troop, he was presented with a number of gifts and tokens of appreciation. One of them was a gildwell paperweight which is the most coveted award of the Boy Scout Association.

No parent or child will forget that Petty Officer Eburne was responsible for the good maintenance of the swimming pool last summer. It is due to his untiring efforts that the swimming facilities were enjoyed to such an extent. We wish to the Eburne's and all the others who are leaving, the very best of luck in the future.

Mr. and Mrs. Gavin Machan of Los Angeles are visiting their son and daughter-in-law, Lieut-Cdr. and Mrs. S. Machan. Perhaps they will have brought us some Los Angeles sunshine, to chase away those too-frequent rainclouds which, nevertheless, haven't dampened our spirits.

The Spring Dance which was to have been held Friday at Matsqui has been postponed for a month, due to movement of personnel.

DOGGONE HAPPY

Two dogs were brought to the Municipal Hall, when the S.P.C.A. delayed calling for the puppies, found abandoned on a municipal road. One of the puppies found a home with a visitor to the Hall, and the other one was taken home by a female member of the staff—Two pups with two happy endings.

A MESSAGE FROM THE HONORABLE
LESTER B. PEARSON

F. H. (Toby) JACKSON

The Liberal Party has a programme geared to the needs of Canada today, and in seasoned candidates like "Toby" Jackson we have the men who will make it work. After meeting and talking with Mr. Jackson on my recent visit to British Columbia I am convinced he can play an effective role in Parliament. I was *most impressed by his mature understanding of New Westminster* and national problems, and he has proved himself capable of serving your interest faithfully and well. I am looking forward to having Mr. Jackson working with me in Ottawa, to achieve the progress we all want for Canada.

Our Local #502 of The International Longshoremen's and Warehousemen's Union compliments the Diefenbaker Government in its initiative in trading with the Government of Mainland China, in selling our countries surplus wheat. By this action shipping on the West Coast of Canada; not only longshoremen but Railway workers, Elevators workers and numerous others including farmers; have enjoyed one of the best years on the waterfront.

We also wish to compliment W. "Bill" McLennan, the member for New Westminster, for the improvement he has been instrumental in getting from the Government regarding Docking facilities in New Westminster and Surrey, also the condition of the river Channel has improved 100% because of the dredging operations he has seen fit to endorse. —Passed Unanimously. Mather Comments

By Camille Mather, MLA, Delta

A report in Time magazine of May 18th, 1962, shows unusual and interesting information as the result of a survey conducted by acknowledged medical experts, in New York City. The Columbia University made a survey on behalf of a trust fund representing both labor (165,000 teamsters) and management (which pays for the insurance that covers the teamsters' hospitalization and most of the physicians and surgeons fees).

1 Overall, only 57% of the patients received good or excellent care; 20% received fair care; and for 23% it was poor.
2 Patients fared best in non-profit hospitals where medical and surgical services are supervised by medical school faculties. In hospitals run for profit, the care was good or excellent for only 39%, and poor for 43%.
3 One-fifth of hospital admissions were unnecessary.
4 Among sixty cases in which the uterous was removed, there were twenty in which the operation should not have been done; five more were questionable.

Doctors rarely criticize one another's work, but the report was studded with such angry comments as "bad medicine—completely unjustified surgery —appalling—scandalous—a gross violation of medical ethics". It was ironic that the study started because of concern over the high cost of medical care, and ended in far more shocking observations about the low quality.

Unnecessary operations, which are profitable to the hospital and doctors. but not to the patient, were more common in the profit-making hospitals. The report mentions that, while this survey was made in New York City, there is no reason to suppose that conditions in country hospitals are any better, and in all likelihood, worse.

Reports of this nature, and the determined stand of the American Medical Association against the proposal of President Kennedy to bring legislation to assist the aged in a medical care program are surely incompatible with the high ideals to which the medical profession should aspire.

Education and health are two vitally important factors in our lives—it has been found advisable to carry out education on a public basis, supported by public money. There are private individuals whose interest in many cases is to make a good living?

It is unfortunate that in the one province in Canada where a Medical Care Plan is proposed, the doctors seem to be so opposed. This attitude does much to tear down the image of the kindly and dedicated doctor. concerned only with the welfare of his patient.

Junior Tattoo Honours Dr. N. A. M. MacKenzie

There is to be a Junior Tattoo staged at Chilliwack on June 16th, 1962. It is being organised to honour Dr. Norman A. M. MacKenzie, the president of the University of British Columbia, who is due to retire in July.

Entries have been invited especially and come from all parts of the Fraser Valley and Lower Mainland. Director is Mr. D. Bellamy and organizer is Mr. K. K. H. Knoop.

The Navy Honour Guard will be composed of the sea cadets from R.C.S.C.C. Columbia, here in Aldergrove, under Commanding Officer Lieut. J. R. Thomson. At the ceremonies they will be inspected by Col. W. K. Lye, M.B.E., C.D., Capt. B. D. Blair, and Dr. Norman MacKenzie. The Navy Drum and Bugle Band will be supplied by the cadets from R.C.S.C.C. Lonsdale in North Vancouver. Commanding officer is Lt. Kenneth Boyle and Band officer is Lt. Marrion.

Also taking part will be West Vancouver Boys and Girls Band, the Chinese Girls Drill Team from Vancouver, the Optimist Junior Boys Pipe Band (Vancouver), Madeleine Finnigan Highland Dancers (Vancouver), Army Cadets with the Cadet Drum and Bugle Band from Camp Abbotsford, the Royal Canadian Engineer Cadets with their Bugle Band, from Camp Chilliwack, Chilliwack Senior High School Band will open proceedings and Chilliwack Senior and Junior Glee Club, accompanied by the band, will give selections. Also taking part will be the Royal Canadian Air Cadets from Mission, Royal Canadian Air Force Cadettes and Cadets from Chilliwack.

All units will take part in an impressive finale.

CHAMBER OF COMMERCE LADIES NIGHT, JUNE 11

The Aldergrove and District Chamber of Commerce will hold its annual Ladies Night Dinner Meeting at the St. Anne's Catholic Church basement hall.

Featuring the evening will be guest speaker Mr. Ken Webber, architect, who will speak on "Municipal Land Use and Parks." Mr. Webber is conversant on this subject and members can look forward to an interesting and informative talk. Folowing his talk, Mr. Webber will hold a question period for further enlightment.

All members are urged to purchase their tickets well in advance of the event. This will enable sufficient time to make the arrangements for caterers service for the dinner.

Tickets may be obtained from the following business establishments:— Shell Service Station, Super Valu, Aldergrove Cleaners, Rowley's Jewellery Store, J. E. Scott Motors, Aldergrove Bulldozing Contractor and Haid's Custom Woodwork.

LOCAL MAN'S FATHER DIES IN HOLLAND

Mr. A. J. van Diepen, 2036-264th Street, Aldergrove received word on May 23rd that his father. S van Diepen of Noord—Scharwoude, Holland, had passed away suddenly at his home.

Born and raised in Noord—Scharwoude, the late Mr. van Diepen was 63 years of age. It is presumed it was a heart attack which caused his death since he had suffered heart trouble.

Surviving are his wife, Elizabeth, who visited Aldergrove 3 years ago; 7 sons (including A. J.); 3 daughters and 21 grandchildren.

INJURY EVERY 5 MINUTES 9 TRAFFIC DEATHS A DAY

Traffic deaths are occuring at the average rate of 9 per day in Canada. Someone is injured every five miuntes. The annual toll in property damage each year reaches a higher level.

Many automobile accidents occur at night and on the long weekend trips.

All Canada Insurance Federation suggests these rules for safe night driving:

1 Do not drive when over-tired. Stop for coffee or a short nap.
2 Do not rely on "wake up" pills. Their effects are sometimes unsafe.
3 In general, drive slower than you would during the daytime when visibility is good.
4 Keep a special watch for pedestrians in dark clothing.
5 Always dim your lights when following another car or approaching other cars.
6 Keep well to your own side of the road. Approaching drivers use your lights to help acertain their own position.
7 Pull well off the highway if you must stop for repairs or other reasons.
8 Always carry a flashlight or flares for use in emergencies.
9 Pump your brakes several times to give a good warning when you are about to stop.
10 Signal all turns.
