After Freshet

FRASER TO BE DREDGED

Ottawa - A $417,700 contract for dredging in the New Westminster section of the Fraser River has been awarded to B. C. Bridge and Dredging Company Ltd., of Vancouver, Public Works Minister George J. McIlraith announced last week.
The successful tender was the lower of two opened April 18, the other being $446,900.
Three areas are included in the dredging operation to be carried out under the contract in the lower Fraser River after the 1967 freshet subsides. This usually occurs in mid-July in most years.
Class B (loose) material to be dredged will amount to 700,000 cubic yards. Channels below New Westminster will be dredged to depths of from 28 feet to 32 feet and in widths varying from 300 to 450 feet.
Affected areas are the Stevenston Cut, Tilbury Range, Annieville Channel, Fraser Surrey Docks, the Delta Alaska approach and the vicinity of Pacific Coast Terminals.
Improvement dredging work in the lower Fraser River is required annually to assist navigation of deep sea ships in this area.
Work will be supervised by Bill Koropatnick, director of the Pacific Region of the federal Department of Public Works.

The meeting will take place in St. Dunstan's Hall, and will be preceded by the regular executive meeting.

SWAMP WANTED

Langley District is looking for a large acreage of swamp land to be used to get rid of wood products waste.
McDonald Cedar Products of Fort Langley, in a letter to council, has complained that no market for wastes exists at the present time, and the company must continue to burn the surplus material.
Fort Langley residents have been concerned over the high degree of fly ash in evidence throughout the area because of the company's burning policies. McDonald Cedar had promised to curtail the problem. The company has offered to haul the waste, providing dumping land can be made available.
Reeve Bill Poppy told council that other municipalities have reclaimed large areas of un-useable land in this manner, and cited Ambleside Park in West Vancouver as an example.
Council will set up a special committee to investigate.

DOCTOR SAYS

So You Think You Can't Be Hypnotized

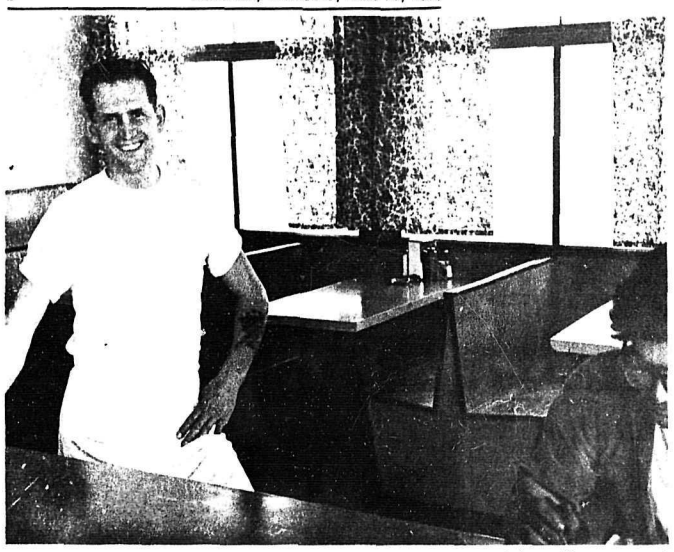
A Burnaby medical doctor says 10 per cent of the population can not be hypnotized.

Dr. D. A. Denny, speaking to the Langley Teachers Association at their annual dinner at Aldergrove Secondary School last Monday, told the audience that hypnotism could be an asset at exam time, as well as in other circumstances connected with the learning process.
He said that very young children (under 6) and elderly people (over 60) generally are not good subjects for hypnotism.
But he added that most intelligent people who feel a real need for such assistance can be hypnotized quite easily to their advantage.
10% of the population cannot be hypnotized, Dr. Denny claimed, while approximately 70 per cent are reasonable hypnotic subjects, and only the last 20 per cent can be brought into the so-called 'somnambulistic' state of hypnosis.
While a person under 'the spell' of hypnosis may appear asleep he is not asleep at all, Dr. Denny claimed, rather he is very much awake and in full control of his full senses at any time, he has not at any moment lost his consciousness nor his own will power to the hypnotist.
Dr. Denny gave a brief summary of the history of hypnosis, starting with the ancient priest-doctors of the Egyptians and the Greek, and the resurrection of hypnotism in the 18th Century, where men like Mesmer, James Bray and Esdale practised a form of charlatan-healings throughout Europe. He told the audience that in early days hypnotism was used in healing certain ailments of a psychosomatic nature, and nowadays doctors and dentists are making more and more use of this particular science.
As an answer to a request from the audience, Dr. Denny offered to teach anyone how to hypnotize in "about 10 seconds".

CAROL KLOCKARS

Essay Brings Trip to Expo

In an essay-contest sponsored by the Dominion Stores Ltd. of Toronto, an Aldergrove Senior Secondary school student won an all-expence paid trip to Expo. Carol Klockars, grade 12 honor student wrote a 2,000 word essay entitled "Why I would like to visit Expo-67", and when the Canada-wide contest was judged in Toronto, Carol's entry was found "excellent".
Carol will now be going to Expo for a week this summer, because as she sums it up in her essay, "I have the desire being a normal teenager, to do whatever is considered as 'in'. Since Expo '67 is to be visited by such personages as tycoons, arts and entertainment stars, all sorts of heads of state, queens, kings, presidents and maybe even the pope; it is very much 'in'.
"I have few goals - losing five pounds, seeing Halley's Comet, graduating from university, but when such a 'happening' as Expo '67 beckons, offering an indescribable world of experiences, I know it must be added to my list. If others do not care to tour Expo, that is their choice. I, for one, just simply have to visit Expo '67."
While in Montreal, Carol will be staying at the Decarie Manor, and besides the all-expence paid trip with Air Canada she will be given $50 in pocket money by the Dominion Stores.



REOPENED FOR BUSINESS

The well known Oasis Drive-in on Fraser Highway in Aldergrove re-opened for business last week. The new owner-operator is Lee Schultz, and he is looking forward to serving you in the future. Lee has been in the food business for over 12 years, he started out in 1953 working for Woodwards. *A few years later he went into* partnership, and was operating the Delta Dairy Drive-in in Ladner. After two years in this business he went back with Woodwards and worked there until one year ago when he took over as grocery manager of Super Valu in Abbotsford.

Lee has been quite busy since he took over the Oasis, the building has been given a sprucing up, and the parking area is all neatly fenced in. The inside of the cafe has changed face as well, and has been livened up with gay curtains.

The Oasis is being operated as a *serve yourself over the counter,* and you can get anything in the line of a snack from hamburgers to soft icecream. Lee intends to keep open till 2 am. Friday and Saturday nite, and Sunday to Thursday from 8:30 am. to 11 pm. While he was living in Ladner Lee started a boxing club for young lads, and he intends to do the same here in Aldergrove. He feels this will give the young boys something to do in the evenings. "Kids are running around the streets fighting anyhow," he says, "they might as well learn to fight fair, and learn to win and loose in a sporty way."

At the present Lee is looking for a place to have the boys coming *in for work-out and training,* and for an organization who will sponsor such a club. When these are found the doors will be open for boys in all age groups for a chance to become prize-fighters. We wish you good luck with your business as well as the boxing club, Lee.

Local Soccer

After playing a pair of exhibition game ties during the season Dick Prediger, coach of White Rock's Sunnyside Club, and Denny Ross, coach of Langley's Kinsmen Div. 6 league champs decided to have it out for keeps over a 3 game route for the S.& L. trophy which was donated by a mutual friend for the occasion. Sunnyside triumphed 2-1 at home on April 15th. Kin turned the tide 3-2 at City Park on April 30th. The final showdown was run off May 6th at Centennial Park, White Rock. Kin right wing Lorne Frieberg put Langley 1 up after six minutes with a sharp penalty shot. Sunnyside equalized, but Frieberg crossed to left wing Dick White, and Whitey's tally stood up as the winner. In the second half the Kin carried the game more steadily and hit paydirt twice more - both by centre forward Denny Padmore, and both set up by White.
The game ended a very enjoyable year for Kin. They won the Div. 6 championship for the second straight season - winning 24, tying 4, and losing 3 in league and exhibition contests. They were the first team to play in the fall and the last to quit in the spring.

Centre forward Denny Padmore scored 40 goals, and goalie Greg Palmer racked up 15 shutouts. Four men, Lee Robinson, Wayne Compton, Larry Lechner and Dick White were chosen for the local all-star team. In the words of their coach, "the Kin are all good ones, and we're already looking forward to next year. My main complaint about this game is the long summer layoff.

M S A Junior Softball

by Jim McNeil

The elements are definitely not with us this season. Cold weather and rain combined not just to postpone many scheduled games, but also to make miserable those games that the braver souls did play.
By now I suppose that most of the ear drums of coaches and managers have been well pounded with the seasonal grievances of parents, players and spectators. Just as a little reminder to some of the "complainers", lest they forget, coaches and managers get nothing (capital N) out of little league except the few little pleasures, what is the point of coaching? I would also ask all the dissatisfied to remember that coaches are not easy to come by and they should be treated somewhat more enthusiastically than they have been. Remember, your child is playing under a coach -- not over, and he (or she) may be prepared to play under the house rules the coach establishes OR quit. If you want special rules for your child you'd better start your own team!
In peewee boys action on Tuesday night Mount Lehman pounded out a 38-11 victory over Sumas North at Sumas. Clearbrook A defeated Bradner 22-10 and Clearbrook B defeated Sumas East 28-18. In Friday's games the scores given were Bradner 24, Sumas East 12, and on the same night Clearbrook A downed Mount Lehman 23-15. Clearbrook A is still undefeated.
In Monday's midget boys action Sumas North clipped Bradner 7-2, Clearbrook B was downed 15-8 by Rotary and Clearbrook A slipped by Mt. Lehman 17-15.
In Wednesday's action Clearbrook A blanked Rotary 8-0, Clearbrook B squeaked by Bradner 18-16, and Sumas North edged out Mt. Lehman 6-4 (because it was only 4 1/2 innings it must be replayed).
Bantam boys action for the week went as follows: Glenmore 10, Sumas 5; Bradner 20, Rotary 21; Lions 2, Clearbrook 17; Clearbrook 16, Glenmore 3; Bradner 1, Sumas 0 (a real classic); Rotary 8 - Lions 2. Clearbrook looks tough in this division, as does Rotary.

Juvenile boys action on Monday saw Duecks nip Matsqui Kustom Koach 14-13. Rotary was beaten 10-6 by Bradner. In Wednesday's games Bradner and Kustom Coach were rained out and Clearbrook defeated Duecks 18-2.
In peewee girls games on Monday Telfords, still acting like they are in a league of their own, clobbered Abbotsford 40-9. Mt. Lehman and Bradner were rained out. On Thursday Bradner and Telfords were rained out, and Mount Lehman, showing signs of new found strength, defeated Abbotsford 29-6.
The midget girls league on Tuesday saw Matsqui handle Hubs Grocery 25-15 and Bradner nip Godsen 18-14. On Thursday Godsen bowed to Matsqui 30-13 and Bradner won another squeaker 24-21 over Hub Grocery.
I have nothing to report from bantam girls except that the Mt. Lehman team has folded.
Prediction: Many a busy night will be spent in the weeks to come playing rained out games.

At the yearly Bowling Banquet held last Saturday evening in the Bradner Community Hall, the winning Teams were awarded their trophies. BRADNER NEWS

by Sara Arnold

Mr. Harry Paver, a 78-year-old resident of Inter-Provincial Highway, Bradner has a most exciting and interesting story to tell of his trip back to England , 56 years after he left that country to come to Canada.

On Sunday, February 26 Mr. Paver left Vancouver by Air Canada and landed in London, England on Monday morning, for a two month vacation. From the London Airport he was taken by bus to the BOAC terminal, where he was met by a niece and nephew, Mr. and Mrs. A. Munzer who took him on a tour of London, where he saw such sights as Buckingham Palace, Westminster Abby, St. Paul's Cathedral, The Tower of London and many more.

The first Sunday after his arrival in London he was the centre of attention when 18 relatives of his wife (now deceased) some who hadn't seen each other in 20 years, joined at a party to welcome him.

Another niece and her husband Mr. and Mrs. M. Amphlett, took him to their estate in Kent.

A third niece and her husband, Mr. and Mrs. G. Smither took him to the village of Pluckley, and from there they visited Dover, Folkstone and other towns and historic sites such as Canterbury Cathedral. While there, he stood on the spot where Thomas A' Becket was murdered, and walked on the Pilgrims Way.

Mr. Paver left his wife's people in London and surrounding area and drove north to Leeds to visit with his five sisters. The sixth sister resides in Vancouver.

After touring the Yorkshire moors and spending some time with his sisters he drove to Manchester. He took the plane for Toronto at 11:35 am. Sunday and arrived in Toronto at 3 pm. where he was met by Mrs. Mary Edwards, who drove him to Niagara Falls. He toured around the Great Lakes by bus and on to Belbraine. He was taken to the farm where he first went to work when he came to Canada 56 years ago.

From there he visited the village of Bright, where he was a shoemaker, and continued west to Delaraine, Manitoba, where he visited with his sister-in-law, Mrs. D. Henry.

Due to a blizzard he was held up one day and then continued on by bus to Edmonton where he was met by Mr. and Mrs. H. Morse sister and brother-in-law of E. Sanders of Bradner. He also visited Mrs. T. Sanders, who has since passed away in her 99th year.

From Edmonton Mr. Paver continued his trip by train, and arrived home a week ago.

While in England he saw one niece married and another gave birth to a baby. There was no grinding poverty, and old tenements were being demolished Mr. Paver says.

WATCH THE BIRDIE

BELGRADE — Two teen-agers played an endurance game of bad minton in a Belgrade street. They batted the ball back and forth for 90 minutes—a total of 3,135 strokes—before it touched the ground. They said they could even have done better, if a huge refrigerator truck had not come along the street between them. They said they could not bat the ball over it as they did over other passing cars.

Letters to the Editor

The Editor, Aldergrove Star,
Dear Sir:
On behalf of the Langley Municipal Recreation Commission we wish to express our sincere thanks for your valuable assistance in helping to make this our Canadian Centennial Langley Walk such an outstanding success.
It is through the combined efforts of so many people, who willingly give of their time to help, that makes the Walk' an outstanding yearly event in the Langley Municipality.
Again thanking you very much,
I am, Yours truly,
(Mrs. B. Watt, Secretary, Langley Municipal Recreation Commiss.
Box 26, Aldergrove, B.C.

We thank you, and agree wholeheartedly with the following letter:

WALKER HAILS WALK

Reeve D. W. Poppy,
Dear Sir:

May I congratulate you on the total community effort exhibited in carrying out the organization and administration of the 5th Langley Walk.
What a tremendous community undertaking; this must stand as one of the outstanding Canadian Community Centennial events, celebrating our 100 years of existence, as a Canadian Nation.
Any time you can get 4,500 Canadian people walking almost 17 miles, the effort has to be recorded as outstanding in Canadian History.
From the beginning of the walk at the Fort Langley Municipal Park to the end of the walk at Aldergrove Park, top organization community cooperation, and effort was in evidence. From the pleasant greetings of the people manning the 12 "check points" to the final reception at the park by yourself and members of the Recreation Commission, the human understanding element of the walk was highlighted. The fact that there was little traffic on the walking route, that there were people manning concession booths and refreshment stands; that police were on patrol and official cars with good communication set up and that the major corners of all the walks were all supervised speaks for one of the best organized events of this kind ever carried out.
Finally the walk itself is great. It goes through a wonderful variety of the Langley Municipality and highlights some of the major historical points as well as the park and recreation development taking place in the Langley Municipality. All of which stands as a lasting and great credit to yourself, the councillors, to your recreation commission, and recreation director Pelle Swensson. Indeed when Mr. Swensson started four years ago and translated the thought of a Langley Walk into the cooperative effort it is today it's doubtful if anyone could have imagined the success that such a thought may turn out to be.
Again my congratulations, certainly yourself and all those officials and organizations in your community who made this years walk the success it was deserve, in the vernacular of the stage, many curtain calls.
Finally it was a great thrill for myself and family to be part of the Langley Walk for the fourth time. Asise from a few minor blisters and stiff muscles and joints we are, as I am sure all other 4,500 participants of this years' walk are, ready for the 1968 Langley Walk as a "fit" beginning of Canada's second century.
Yours sincerely,
K. Keith Maltman, Federal Coordinator of Sports & Physical Fitness, Community Programmes Branch.

JEHOVAH'S WITNESSES PROTEST

Leslie H. Leighton, presiding minister of the Aldergrove congregation of Jehovah's Witnesses, reported last week that the 40 members assembled for the weekly ministry school session at the Kingdom Hall, unanimously approved a public protest of the persecution of Jehovah's Witnesses in Portugal. The expression of the congregation followed a report on recent developments in Portugal in an appeal of the Witnesses to the Supreme Court of that land. Leighton told the local congregation that the Supreme Court of Portugal had, on February 22 this year, upheld the conviction of forty-nine Portugese Witnesses arrested in June of 1965 for attending a Bible Meeting. They make up the entire adult membership of the Feijo congregation. Police invaded a private home there and broke up religious services.

"You will be shocked," he told the local group, "to hear that these Christians were charged by the Plenary Court of Lisbon with being guilty of 'a crime against the security of the state.' It was ridiculous he added, for anyone to think of these harmless Christians as a security risk. He explained, "It is most interesting that the prosecution produced no witnesses to back up the charges and no evidence to show guilt at any time during the three-day trial. Hence it is unreasonable for the Supreme Court to uphold these convictions." He claimed that the Portugese press, significantly, had not reported the Court's decision to the public.

"Even more shocking," the congregation was told, " will be the result for the families involved. Thirty-five of those convicted are women who will be taken away from their families. Two of the women are expectant mothers. Their babies will be born in prison."

Terms of from one-and-a-half to five-and-a-half months have been set for thirty-nine of those convicted. Ten were given suspended sentences. All forty-nine were fined from $47 to $170 and must pay court costs of $35 each. The hope was expressed that public awareness of the treatment of a minority religious group in Portugal might yet bring relief to the Witnesses there.

A one-armed right-handed pitcher, Hugh Daly, won 74 games and lost 88 between 1882-87. He pitched a 1-0 no-hitter for Cleveland against Philadelphia in 1883.

Favor Night Fashion Shopping for Business Girl

"We're For it," says Maurice Lucow, editor of Style, in a recent "Here's Where We Stand" editoral on night shopping. "And we're for it as many nights a week as are necessary to give full service to the consumer. The business girl, who is probably the fashion retailers most important customer, prefers to shop at her leisure after working hours and must be given unlimited opportunity to do so."

THINK THINGS ARE BAD NOW? HOW ABOUT THE 1870 ?

In an age when coffee breaks, the five day week, air conditioning and other amenities are taken for granted, it is enlightening to read the Office Rules drawn up by one employer of the 1870s:

.Employees will daily sweep floors, dust the furniture and shelves.

-Each day fill lamps, clean chimneys and trim wicks. Wash windows once a week.

-Each clerk will bring in a bucket of water and a scuttle of coal for the day's business.

-Make your pens carefully. You may whittle nibs to your individual taste.

-The office will open 7 a.m. and close at 8 p.m. daily, except on the Sabbath, on which day it will remain closed. Each employee is expected to spend the Sabbath by attending church and contributing liberally to the cause of the Lord.

-Men employees will be given an evening off each week for courting purposes, or two evenings a week if they go regularly to church.

-After an employee has spent his hours of labour in the office, he should spend time reading the Bible and other good books.

-Any employee who smokes Spanish cigars, uses liquor in any form, gets shaved in a barber's shop or frequents pool and public halls, will give me good reason to suspect his worth, intentions, integrity and honesty.

-The employee who has performed his labours faithfully and without fault for a period of five years and who has been thrifty and attentive to his religious duties will be given an increase of five cents per day, provided a just return in profit from the business permits it.

From a recent newsletter of the Bakery Council of Canada.

(Isaiah 26:3)

Funeral services for the late Rev. Henry H. Neufeld was held on Sunday, May 14 from the M.E.I. Auditorium in Clearbrook.
Rev. Neufeld, who was a pastor of the Greendale Mennonite Church, was born on July 3, 1912 in Russia.
When he was about six years old in 1919, his father passed away, leaving the mother Maria (nee Walde) with seven children, the oldest 15 years and the youngest 4 months.
The Neufeld family came to Canada in 1926 and made their home near Rosemary, Alberta. It was during these years brother Neufeld found his 'wonderful saviour'. He was baptized and became a member of the Rosemary Mennonite Church in 1932. From 1936 to 1939 he attended the 'Prophetic Bible Institute' in Calgary, and on June 4, 1939 he married Anna Epp, who has been faithfully standing by him to the end. She mourns his passing together with six children, five daughters and one son, two sons-in-law and one grandson.
Henry H. Neufeld was ordained to the ministry at Rosemary in November 1942. He attended the Winkler Bible Institute in 1942-43 and the Winnipeg M.B. Bible College in 1943-44.
Because of illness the Neufeld family moved to Abbotsford in 1945 where he became a minister of the West Abbotsford Mennonite Church. During this time he also taught at the Bethel Bible Institute first as teacher and later as principal from 1948-52. From here the Neufeld's moved to Vancouver to open the Vancouver Mennonite Mission in 1952-56, and from 1956-62 he was the pastor of the East Chilliwack Mennonite Church.
After returning to teach at Bethel Bible Institute for one year, he accepted the call to pastor the Greendale Mennonite Church in 1963.
He was called home to his resting place by his Lord, in the early hours of May 10th, 1967 at the age of 54.
A choir of over 100 voices was serving with two songs, the choir being set up from the congregation of the four churches in which Rev. Neufeld had served.
More than a thousand people attended the ceremonies being conducted by Rev. P.J. Froese, Rev. G.I. Peters, Rev. J. Tilitzky, Rev. H. Brandt.
