## Attempted Murder Charged

James Raymond Puffer, 19, of 24966 - 40th Avenue, Aldergrove, remains in custody on a charge of attempted murder on his brother Daniel, 17.

The younger Puffer was shot in the basement of the family home with a small calibre weapon and is presently in satisfactory condition in Langley Memorial Hospital.

After the shooting which took place on June 6th at 4 p.m. the accused remained in the house and refused to come out despite the use of teargas. Police officers gained entry to the house where Puffer was subdued and disarmed. He appeared before Magistrate N. Friesen on June 6 where he was remanded for 30 days and held in Riverview for psychiatric assessment.

## No More Drunk Rats

Langley city public works chairman Reg Easingwood says measures are being taken to reduce the incidence of drunkenness among rats at the garbage dump.

Alderman Easingwood says occasionally Potters Distilleries dump several thousand gallons of mash at the dump and hungry rats are getting drunk after eating it.

In laying down new regulations governing control of disposal of waste, he says dumping of mash and big loads of construction material that will not burn will require the truck driver to obtain tickets, worth two dollars each, from city hall, to cover the charge of using a bulldozer to cover such material.

## Armed Robbers Sentenced To Eight and Ten Years

One man was sent to prison for 10 years and another for six years as a result of an armed robbery in which local grocery store operator Allan Bowett of Al's Service, corner of Fraser Highway and Ross Road, was slugged in the head with a shotgun butt.

Leslie Zimmer, a self-confessed drug addict, was sentenced last week by Magistrate A. H. Kelly to eight years for armed robbery and two years consecutive for possession of an offensive weapon.

Jonas Groeb, 29, was sentenced to six years for his part in the attack and robbery on April 19. Bowett was hit in the head with the butt of a sawed-off shotgun, with such a force that the butt broke. He was then robbed of $70. When police officers later apprehended the two men they were threatened with the shotgun.

The season of Queen contests ended last Wednesday when 19-year-old Sharon Daly was elected Miss Langley 1969. Sharon, a brown-eyed blonde, is a grade 13 student at Queen Elizabeth school in Surrey. She plans to enter SFU after graduation, to major in history and psychology. Sharon's other vital statistics are: 5'5" and 125 lbs. She was sponsored by the Langley Elks. Her two attending princesses are Linda Lingham and Janet Coventry.

## Chambers Petitions For Enforcement Of 2 Hour Parking

As a result of a joint executive meeting between Aldergrove, Fort Langley and Langley boards of trade, representatives of these were present at Monday's council meeting in Murrayville.

The spokesman, Dr. R. Mout of the Aldergrove chamber of commerce inquired from council the possibility of enforcing the 2-hour parking bylaw. Signs are posted in the city and in Aldergrove, but these are seldom obeyed or enforced.

The chambers suggested that since the police forces amalgamated this spring it might be possible to have one policeman looking after the two towns enforcing the bylaw. Mayor Bill Poppy said that to his mind this would be a waste of talent, to have a fully educated RCMP officer looking for parking violators. Further, he said, in a survey recently done it was found that businessmen themselves were the biggest parking offenders by parking their cars outside their premises all day. But he suggested that authority be given to a commissioner to issue tickets for parking offences.

Alderman Ralph Barichello added that there were no sense in having a parking bylaw if it wasn't enforced.

## Veterinarian To Settle In Fort Langley

Graduating from the first class of the Western College of Veterinary Medicine at the spring, 1969 convocation is Albert Fred Anderson. Born in Langley and raised on a dairy farm, Dr. Anderson is the son of Mrs. H. E. Anderson and the late Mr. Anderson of Telegraph Trail in the Sperling district. He attended Sperling and Milner elementary schools, and the Langley high school, graduating in 1960. He then attended UBC graduating with a BSA in 1965, and then went to Saskatoon for the four-year veterinary medicine course. During his senior year he was class president as well as editor of the Veterinary Medical College's first yearbook.

Dr. Albert F. Anderson

At the convocation breakfast, Dr. Anderson was awarded the second prize schering award for presentation of a seminar on "Bracken Fern Poisoning", and also the Canadian Veterinary Association Award for college leadership.

Dr. Anderson was a member of the Langley Ayrshire 4-H Club for three years and the Langley Beef Club for eight years and in 1961 attended National 4-H Club Week in Toronto.

During his summers, Dr. Anderson has found employment as 4-H assistant, and also spent two summers at the Veterinary Pathology Laboratory at Abbotsford.

Dr. Anderson is married to the former Dorothy Peterson of Agassiz and they have two children, Mark who is 4, and Corine who is 1 -1/2.

Dr. Anderson and his family will be making their home in Fort Langley and effective June 1st, he will be entering mixed practice with Dr. R. J. Irwin, at the Milner Veterinary Clinic.

## Supervised Parks Program Starts July 2nd

Langley Recreation Commission will again this year arrange a supervised parks programme in the following district parks. Aldergrove, Fort Langley, Brookswood and West Langley Parks. The programme will start July 2nd and end August 12th. The times will be from 10 a.m. to 12 noon and 1 to 4 p.m.

Supervisors will be present in the above mentioned parks to lead the children in games, handicrafts, story telling, etc. Parents are urged to enrol their children as soon as possible in this programme, which is free of charge. The recreation commission also invites parents to take part in the programme by assisting in providing transportation for field-trips, sports events etc., help in arranging 'treat days' once a week, possibly assisting with the handiworks programme, and by collecting items such as tin cans, cartons, plastic bottles, clothespins, pieces of plywood, crayons, coloring books, scrap felt and cloth, rolls from wax paper, paper towels, toilet tissues etc. Registration forms are available from various businesses in the community and local schools, or phone Recreation Director Pete Swensson at 856-8723 for registration.

## Sheep Protection Bylaw Read

After receiving several complaints on dogs running loose in the municipality which on occasion have caused severe losses to sheep farmers, Langley district council decided Monday to look into the establishing of a sheep protection bylaw for the district.

A draft of such a bylaw was read to council and referred back to the office for minor adjustments in the rates of compensation.

The bylaw will provide owners of sheep, goats, poultry or domestic rabbits with compensation in the case of injuries or killing by stray dogs. Claims for this type of compensation can only be made by farmers if the dog appears to be over four months old and the owner of the dog is unknown and cannot be found.

A sum of money will be set aside in the annual budget under the 'sheep and poultry compensation account', this sum constituting the maximum amount available within any year for this kind of compensation. The bylaw will receive first reading when minor adjustments to the rate schedule have been made.

## Dueck Remand Home To Close

It was with regret Langley district council received a letter from Mr. and Mrs. Dueck announcing their departure from the area, and the fact that they therefore were unable to continue the operation of the remand home they have run for many years.

Mr. and Mrs. Dueck have for years made their home available to the juvenile court as a remand home for young offenders awaiting trial.

Council decided to send a letter expressing thanks to the Duecks for their service throughout the years, and asking if they would know of somebody who would be willing and able to continue the service.

## Test Well Approved

The federal mines and resources branch has received approval from Langley city council to dig a test well near the city's water supply.

Carl Halstead of the resources department says Ottawa will bear the total cost of $10,000.

Halstead says the well would be drilled much deeper than city wells and the top one hundred feet would remain encased in cribbing so experts could obtain data about various layers of the earth's strata over a period of several years.

He says copies of geologists reports would be made available to the city.

## Ton Of Gold

Diana's Royalty Tillie 5R-3399 38, very good, a Jersey cow owned by R. A. Anderlini of Aldergrove, has just been issued a Ton of Gold certificate.

She produced 2,264 lbs. fat in 1,293 days, and has already won two silver, five gold and two medals of merit.

## Legion Holds Annual Tea

The ladies auxiliary to the Aldergrove Royal Canadian Legion branch 265 will hold their anniversary tea and bake sale in the Legion Hall on Saturday, June 21 from 2 to 4 p.m.

# LETTERS TO THE EDITOR

## Note Of Sanity

Editor, The Star, Dear Sir,

I just wanted to write and say "thank you" for your article - Requiem on a Rock Festival. The voice of the other local paper on this subject has been so venomous as to be frightening.

Thank you for a note of sanity that was sorely needed. You said it beautifully!

Yours truly, (Mrs.) M. Stewart, Langley.

## BCTel. Answers Attack

Editor, The Star, Dear Sir,

Very recently, serious misstatements were made in public, and no doubt will continue to be made, about the affairs of British Columbia Telephone Company. It is our intention to refute these statements over a period of time by presenting the fact to our shareholders, to the media and to members of the British Columbia community.

I realize full well that no one is going to fight our battle. This is our responsibility. However, it does occur to me that our factual releases will enable the public to decide whether the statements made are warranted.

Very recently on a radio program, the new leader of the New Democratic Party in British Columbia made statements about BC Tel which were not only misleading but, indeed, in some instances were false. I have a tape of that program.

It is my duty not to let these statements go unchallenged. Our shareholders and members of the community are busy people. Rather than deal with some of these statements in one long presentation, I propose over the next few weeks to answer on each occasion one or two of the statements. In this way we will not be imposing on anybody's reading time.

The NDP leader made the following statements:

"They (BC Tel) make a guaranteed profit and that means that your phone bill and mine goes to BC Tel and from there a big chunk of it goes to New York to General Telephone and Electronics."

"If you want to keep on paying a tax to BC Tel, seeing millions go unearned to the US every year, that's your business."

"A hundred and thirty million bucks has gone in dividends from BC Tel to New York in the last 15 years."

The facts are:

The ownership of BC Telephone Company is no secret. We publish it in our Press Facts which has wide distribution throughout B.C. and the rest of Canada to news media, radio, TV and financial analysts.

BC Tel has over 24,000 common and preferred shareholders. Of the 18,000 preferred shareholders 99 per cent are in Canada and 63.5 per cent in B.C. Of the 6,300 common shareholders, 95 per cent are in Canada and 56 per cent in British Columbia.

Anglo-Canadian Telephone Co., a holding company with head office in Montreal and a wholly owned subsidiary of General Telephone and Electronics Corp. of New York, now holds 50.31 per cent of the common shares of this company. Anglo-Canadian is a public company with a published annual report.

General Telephone & Electronics Corporation has no direct ownership in BC Tel.

Dividends paid on shares of BC Tel held by Gentel, either directly or through Anglo-Canadian, during the past 15 years have totalled $29,106,000. Of this, only $6,000,000 have been paid to Gentel in the U.S. During the same period, more than $71,000,000 in dividends were paid to other shareholders, the majority of whom are in B.C.

Rather than an outflow of $130,000,000 in B.C. Tel dividends to Gentel the net capital made available for investment in Canada by Gentel during the past 15 years was over $110,000,000.

Yours sincerely, J. A. MacInnes, Director of Public Relations, B.C. Telephone Company.

## YOU CAN OBTAIN PROFESSIONAL STANDING IN FINANCIAL MANAGEMENT

In commercial and industrial firms, institutions and governments, professional financial managers hold responsible executive positions. Conversant with tax and financial problems, budgeting and accounting, they have skills that are essential to the proper management of every type of enterprise.

The Certified General Accountants' Association of British Columbia, through its affiliation with the University of British Columbia, offers young men and women an opportunity to become professional financial executives.

If you have completed Grade 12 in B.C. or the equivalent elsewhere, you can enrol in a course of study leading to certification as a Certified General Accountant (C.G.A.). This course may be completed either at evening lectures or by correspondence while you remain permanently employed and earn a regular income.

Applications for enrollment for the 1969-70 academic year will be accepted by the Registrar up to September 1, 1969.

# 12th Annual Awards Day At Aldergrove Senior Secondary

The 12th annual awards day ceremonies were held last Friday at the Aldergrove senior secondary school with Warren Oja, president of the students council presiding.

The awards ceremony started off with a presentation to retiring school superintendent Harold Stafford, presented on behalf of the students by Myrna Beggs. Myrna commented on the fact that during the 12 years of existence of AHS, Harold Stafford had not missed one awards day presentation, and whenever something special had taken place at the school he had always honored AHS with his presence. In his thank you speech Stafford told the students that although he was retiring from office he hoped to be present for many more special occasions at the Aldergrove school.

Next, Warren Oja called upon Gene Kuna to present the bowling award. This was received by Dave Halliday on behalf of the team.

The presentation of the group awards was done by Harold Stafford, and the large letters went to Richard Friesen, Robert Friesen, Sandy Maitland and Janice Trickett. Small letters went to Myrna Beggs, Gail Lesiuk and Frances Penny. Certificates were awarded D. Ashman, M. Babey, B. Copp, B. Dornan, R. Edge, D. Erbacher, S. Harms, C. Harvey, C. Martens, D. Penzer, L. Sebelle, T. Smith and M. Taylor.

The sports block awards were presented by Barbara Ross and went to Betty VanDiepen, Myrna Beggs, Lois Eden, Joanna Nundal and Bev Chard.

Sports service awards went to Ute Goetzke, Myrna Beggs, Betty VanDiepen, B. Kaur and C. Broome. P. Roy, D. Farmer, V. Johnston, and R. Bradley.

Mr. Kinnie presented the citizens awards to the following students, Ute Goetzke (large block) and Linda Hill, Sonya Konkin, Annette Priester, Jennie Kostering, Leigh Winter and Betty VanDiepen (certificates of merit).

The artistic service award was presented to Joanne Nundal by Miss Jude, while Mr. A. Goostrey presented the drama plaque to Kathie Ball who received it on behalf of Sonya Konkin.

Mrs. Puls read the names of the recipients of the typing certificate awards. They went as follows (grade 9 merit awards) Lois McWhinnie, Janna Iverson, Joanne Anderlini, Lottie Braun, Lynn Horton and Eileen Schoff. (grade 10) Myrna Beggs, Lorna Anderlini, Pat Hatchwell. (grade 11) Jannie Kostering, Kathy Braun and Lois Eden. (office practice 12) Darlene Ross and Margaret Wagner.

After a short intermission where the school band under the direction of Mr. Stonier entertained, the awards presentation carried on with Mr. Sherritt announcing the house winner of the 1968-69 school term. The winning house was Tsimshian and the house captains Margaret Wagner and Frank Krobath received the trophy. Out of the 12 years of existence of AHS, Tsimshian house has won this trophy seven times.

The band awards were presented by Mr. Stonier. The outstanding grade 8 band students were D. Penzer, B. Kirkaldy, D. Olson and B. McIvor. Junior band award went to D. Makela, B. Dornan, and the award for general proficiency and outstanding service to P. Roy.

## 1969 Annuals Issued

by Eleanor Stevenson

The 1969 annuals were issued Monday instead of Tuesday, thanks to the extra effort of the business managers.

Wednesday brought the junior trackmeet. Because of the beau tiful weather the outdoor meet was a great success. Tsimshian won with Nootka second, Haida third, and Salish fourth.

There was a FN 9 field trip to Dairyland Thursday and the students received free ice cream as a sample of Dairyland pro ducts.

The event at noon Thursday was the grade 8 Triconda. This consisted of tricycle racing in the gym between the grade 8 teams. The winning group was 8B with Eunice Ross, Bruce Copp, and Barry Justice doing the tricycling.

Awards day was held Friday during periods 5 and 6. A special presentation to Mr. Harold Stafford for his work with our school got the awards program underway.

Awards were presented for Academic Achievement, Sports, Service & Citizenship, Band, French, and Construction to men tion a few.

The house scores for the year placed Tsimshian first, Salish second, Nootka third, and Haida fourth.

Special presentations were made to Miss Jude and Miss Peacock for their service over the years.

The occupational classes present ed Mr. Norman Sherritt with a gift for his help during the past year. The grads presented Mr. D. Urquhart with a gift for his assistance in making the graduation so successful.

Mr. Alex Goostrey was presented with a gift for his service to the school.

The assembly drew to an end with Bob Dornan receiving the student council presidency from Warren Oja.

Miss Jude set up a fund for the presentation of a special book award for future awards presentations.

"If you had to choose between hiring a permanently disabled man and one who wasn't, when both could do the job equally well, which man would you choose?"

CYRIL WHITE Chairman
WORKMEN'S COMPENSATION BOARD OF BRITISH COLUMBIA

I believe every man should have an equal opportunity for employment. He should be given the chance to show his ability to do the job whether he is disabled or not. I believe this is an employer's responsibility.

Every year in B.C., more than 1,000 men and women sustain permanent, partial disabilities in industrial accidents. Many have been rehabilitated by the Workmen's Compensation Board with the co-operation of employers and return to their regular employment. They are still a valuable human resource. When given the opportunity, they can more than compensate for their disabilities by doing a better job for their employers by concentrating their energies on the work they *can* do. It is good business to offer disabled persons the chance of employment.

Labour, management and the Workmen's Compensation Board have been working together to reduce the toll of industrial accidents for many years—but there is still much room for improvement. Hazardous work can usually be made less dangerous by complying with strict safety regulations prescribed by the Board. The Workmen's Compensation Board is embarking on an important campaign to educate and remind workers of the need to take every safety precaution in the course of their jobs.

The combined efforts of labour, management and the Workmen's Compensation Board are needed to help reduce the more than 90,000 industrial injuries incurred every year in B.C. and to return disabled workers to productive employment.

**Employers having job openings for disabled persons should contact the Board's vocational rehabilitation department.**

# Recreation Commission Starts Swimming Program

Langley recreation commission swimming programme will commence on July 2nd in Aldergrove and Fort Langley swimming pools. Registration will take place June 29th and 30th at the pools.

The charge for 12 lessons will be $4; this includes the required membership in the recreation commission and insurance cover age for the child taking part in the swimming lesson or any other programme sponsored by the commission.

The first session of 12 lessons will start July 2nd with exams on July 18th. Second session starts on July 21st with registration on July 19th and 20th and examinations on August 6th. Third and last session registration on August 9th and 10th with lessons commencing August 11th and exams on August 26th.

Minimum height of the pupil swimmer should be 4'-4". There is no age limit. Classes will be conducted for beginners, juniors, intermediate and seniors.

The recreation commission also invite swimmers to join the Flipper Club at the pool. Membership in this club gives the member the advantage of a chance for competition. Here is a chance to improve strokes and general physical fitness.

The municipal pools will open for public swimming on June 14 from 4 to 8 p.m. daily and from 1 to 8 p.m. Saturday and Sunday

# Championships This Week

At least two records appear in jeopardy as Seattle powerboat crews prepare for championship races on Harrison Lake June 14 and 15.

Scheduled to run the competition for giant seven-litre hydroplanes is the H-22, a $22,000 investment for owner-driver George Babcock. The hydro, known as the "Record Seven" is aimed at establishing world marks in the seven litre class.

In races at Seattle on June 1st, the boat was a crowd-thriller with its roaring speed and wide turns. The world record for five miles in circuit competition for seven-litres is an average 93 miles per hour, and the H-22 turned two leaps at 99 mph before losing oil pressure. Babcock cut the engine rather than risk damage that might keep the boat out of the divisionals at Harrison Hot Springs. A crew member says the team is determined to win the action on Harrison Lake because the divisional champ gets automatic entry into the North American finals in July without having to qualify.

On the water or on the road, the big yellow H-22 is an eye-catcher. The hydroplane is so wide that it has to be jacked up hydraulically to an angle on its trailer to keep it within legal width limits.

Babcock's chief threat is expected to come from "Quick Delivery" driven by Dr. Tom Gilpatrick the racing MD from Spokane who won the last seven-litre race in Seattle when H-22 had to stop.

Super stock runabouts at Harrison could also bring a new course competition record. The holder of the world super-stock record on a one-kilometre straitaway, Ivor Jones of Seattle, says he'll be shooting to regain the circle record he once also held. His SS-100 did 100 mph on the kilo and he'll face top competition Saturday and Sunday, June 14th and 15th. Jones expects super-stockers from California to come north for the divisional and of course he'll have his brothers, Steve and Jack, battling him with their speedster SS-200.

Other top names in the inboard racing world will be running for double points, prize money and trophies at Harrison. They include Ron Derickson and Mike Bate of Kelowna in the 145's; Lock Madill of Vancouver in the 150's; and last year's super-stock high-points champ Clyde Pruitt of Tacoma, Washington.

The 225 cubic inch hydros will feature Bill Allan of Port Coquitlam, high points champion for the last two years; former sports car racer Jim Rattenbury of Vancouver; high-points runner-up George Henley of Eatonville, Washington; Bob Best of Everett, Washington; and Bob Urbon of Tacoma. Included in the 266's will be Gerry Bangs in "Champagne Lady", fifth in high points last year.

One 266 racer not expected at Harrison is Lynn Montgomery of Seattle. His boat, "Short Snort" flipped in action on Green Lake in Seattle and disintegrated in the air as it tumbled at high speed. Montgomery suffered a broken arm but was otherwise in good condition.

There will be ten classes of competition on the Harrison Lake course which is approved for record runs. They range from the trisky full-race 850 c. c. hydros through hydros of 145, 150, 225, 266 and 280 cubic inch engines, to the monster seven-litres.

Also included are flat-bottomed racers; ski-boats, super-stocks and crackerboxes. Racing starts at noon both Saturday the 14th and Sunday the 15th, and there should be 20 full heats of speed, plus possible eliminations expected because of the heavy entry list.

To round out the regatta weekend at Harrison, there's a parade Saturday morning and dances on the nights of Friday, June 13th and Saturday, June 14th.

The California 'Cuties' will be playing Surrey Coop at hilarious game in the Aldergrove ball park tomorrow night.

## Thursday Night In Park

## California Cuties Vs. Aldergrove

If you want to see softball as Doubleday never pictured it, catch the game between the men of Surrey Coop and the "girls" of the visiting "California Cuties." You'll see some of the most ridiculous ball playing either side of Mudville.

Don't blame the Surrey Coop team; it's all the fault of those California Cuties, whose hilarious antics are devastating to the game of softball, but are awful lot of fun to watch. The Cuties, led by Trino Palacios, are actually a team of male softball players who only remotely look like girls, even in their bright wigs and minis.

The first part of the exhibition they play to win -- and they usually do. You'll see first-rate pitching by "Lotta Fanny" -- tape-measure home run slugging by Dumpy Dora and Hefty Helen, and sparkling play all around.

Then the antics start, with quite a few surprises. One of the littlest surprises is known as Beulah. Ever see a pitcher trying to find the strike zone of a 38-inch batter? That's Beulah, the automatic base on balls.

And there's Fifi-the-Flirt, the team's glamor-girl -- sort of. Best known clown of the team is Liza Jane, who doubles as manager under his real name of Trino Palacios.

Well, this is softball for fun and entertainment. Say, maybe this is the way the game really should be played!

See the California Cuties play the Surrey Coop on June 12th at Aldergrove. Tickets are available at the gate.

## 41 Riders Particpating On Totem Race Track

With 41 riders participating in Sunday's events on the temporary Townshipline Road tracks, the results were:

125 cc class: Peter VanBruegel of Aldergrove, Harvey Dickow of Vancouver, and Gordie Potter of Vancouver.

250 cc juniors: Larry Acton of Vancouver, Ken Tadlock of Everett, Wash., and Barry Coles of Vancouver.

250 cc seniors: Chuck Storme of Everett, Dick Shannon of Surrey, and Gary Rogers of Vancouver.

250 cc expert: John Vance of Vancouver, Bob Underhill of Aldergrove, and Wayne Schuler of Ladner.

Open juniors: Don Weeks of Everett, Wash., Jim Kowalski of Vancouver, Bob Havorka of Vancouver.

Earl Anderson of Everett, Wash. took the trophy for the most spectacular falls.

Open expert: Stan Johnson of Burnaby, Randy Skiver of Everett, Gary Lawry of Vancouver.

Grand Prix: Stan Johnson, John Vance and Bob Underhill.

## Great Display Of Good Driving

The evening races of June 7th did not provide anything as spectacular in the line of pileups as were seen there the week before, when Rica Goodwin's machine ended up in an inverted position and Bill Godfrey's car committed hara-kiri along with 100 feet of guard rail, but to lovers of good driving it was a spectacle unsurpassed this season.

In trophy dashes:

Early Late; Al Tourand of Surrey.

Super Stock: Gordon Hemwick of Vancouver.

Modified Stock: Lloyd Bellamy (Charlie Brown).

Modified A: Larry Sproule of Surrey.

In main events:

Early Lates 1st: After the dust settled from Fred Bruce's pile-up into the fence 1. Gary Steen of Vancouver, 2. Bill Dunn of Haney, and 3. Dave Jones of Burnaby.

Early Lates, Fast main: After a seven-car prang in the first lap - 1. Al Tourand of Surrey, 2. Rick Adsit of Surrey, and 3. Don Fletcher of Surrey, all of LARA.

Modified stock. LARA ruled again with 1. Jim Dinsmore of Surrey; 2. Charlie Brown (Bellamy) of Langley; and 3. Rick Atchison of Surrey.

This last one was a duel between three artisans of the oval, each striving to outdo the others in a desperate struggle which completely outclassed the rest of the field.

The Superstock main event was another classis. Gord Hemrick (CORA) and George Cook (BC TRA) embedded their gaspedals inches into the deep-pile carpeting on their floorboards and left some 8,000 fans breathless as they completed 20 laps in that order, scant millimetres apart. CORA's Dennis Lester was third -- but nobody noticed.

Super stock winner was Larry Sproule who ran some 19 laps fighting off the challenges of Cal Arnold. Arnold's car didn't have the guts to match those of its driver, and quit. Second place -- Dennis Wooden of Surrey, and third Harry Roberts of Coquitlam.

Next Speedway evening date to remember is June 14th. Races begin at 7:45 p.m.

## Caribe C.C. Strikes Again

Last Saturday at Langley City Park the Langley Cricket Club lost to first place (and undefeated) Caribe Wanderers, thereby slipping from second to third place in league standings. The all-black team from the Caribbean via Vancouver elected to bat first and were dismissed for a reasonable score of 103 runs.

Langley's top bowlers were Keith Gardiner -- six wickets for 46 runs, and Len Horne -- four for 21. The Langley team, however, could not muster any attack against the exceptional bowl ing of their opponents and were all out for 80 runs.

Top local batsmen were Keith Gardiner -- 13, and Alan Legg -- 14.

This coming Saturday Langley travels to Brockton Point for a game against the Vancouver C.C. Game time is 1:30 p.m. Langley Cricket Club has now won 5 and lost 3 games.

## Aloha Park News

It was amidst a barrage of horn honking that Mrs. Jan Johnsson drove through the Aloha Mobile Home Park for the last time. She and her two daughters, Ann and Kay left the park to join Mr. Johnsson in their new home in Auburn, Calif. While residing at the park Mr. Johnsson developed an interest in flying and enrolled as a student pilot at Langley Flying Club. His wife became interested in sky diving and made her first jump shortly before leaving the court. She hopes to enrol in a club in California and continue this hobby. Their son Nick is at the moment residing in Sweden with his grandparents. He has been attending school there but hopes to join his parents and sisters in California shortly.

Mr. and Mrs. Herb Reddicopp returned recently from a motor trip which took them to Kamloops, Kelowna and Merritt where they visited with friends.

Mr. and Mrs. J. Gibson attended graduation exercises last week of Mrs. Gibson's niece in Sumas. Following the graduation a reception was held in Chilliwack.

Mrs. B. Cook and sons Vincent and David are spending a short time on Vancouver Island visiting with friends and relatives.

Mr. A. Northup spent a few days with his family before returning to Peachland where he is now employed.

## 4-H Club Visit BCAI

by Richard Friesen

On Monday, April 28th, members of the Otter Ayrshire 4-H calf club planned recreational activities for the club.

On Saturday, May 24th, new member Kathleen Lane was presented with a box of chocolates for selling the most chocolate bars in the money-making project for the club.

On Thursday, May 29th, a decoration meeting was held to discuss plans for the club's signs for the fair.

And on Tuesday, June 3rd, the club took a tour of B. C. artificial insemination centre at Milner. Laboratory staff member Wes Muir and technician Jack Wright showed the club members around the building.

"The world will have one religion, one government and one leader. That leader will be anti-Christ and he will rule the world for 3-1/2 years. -- Russia will invade Israel." These are two of the many prophesies found in the Bible, according to Norm's guest, Evangelical Minister Reverend Douglas J. Clark on Perry's Probe, Friday, June 13 at 2:30 p.m.

From Parliament Hill

# A Nothin' Budget

by Mark Rose, M.P.

Last week Mr. Benson unveiled his second budget for the session. Two budgets per year have recently become fashionable because in the governments words "things (meaning inflation) have been moving so fast" that a second budget is necessary to keep up with these changes.

Since government intentions in the taxing field are so important to people, budgets are highly secret documents, always closely guarded until their revelation in the budget speech by the minister in all his glory on budget night. There is a little game played by the opposition in advance of the budget and that is to find a suitable name to tag on the budget because no matter what the budget contains the opposition's job is to find fault with it.

Various adjectives have been applied to past budgets -- a blue budget, a brutal budget, a viscious budget, etc. -- but I believe this one to be a "nothin' budget" because it contains little that is new and nothing for relief of millions of Canadians caught in the cost price squeeze. Billed as anti-inflationary, the budget continues to fight inflation in the classical way, that is to maintain oppressive taxation -- you remember that 3% "temporary" Income Surtax and the 2% Social Development tax -- and cut all possible government expenditures. There was no mention of any pension increases for the elderly or the veterans, nothing about agricultural programs for the difficult Prairie situation, nor were there any measures outlined to combat the great problem of foreign takeovers of Canadian industry. The budget went further than a "balanced" one. In fact, it even predicts a $575-million surplus! The NDP position is that this surplus should be distributed to the sections of society that really need it and are already overburdened.

## Prices and Incomes

Everybody is concerned about the cost of living so with a fair amount of fanfare Ron Basford has appointed a Prices and Income Commission. A chairman has been appointed but the minister seems to be having some difficulty in attracting reputable economists to fill the other chairs. Why, you might ask? It seems pretty sensible to examine the reasons behind price rises in Canada.

Well, it seems that our economy is so intertwined with that of the U.S.A. that there is very little we Canadians can do to independently control prices here. Except for some glaring grocery store items, a price rise in the U.S. is bound to influence what Canadians pay for the things we need.

Prices are going to rise because they always have -- the question is what is tolerable, and among the first things the commission will attempt is to come up with some arithmetic. Supposing for instance that the commission decides that we can live with four per cent inflation; then this figure will become a government guideline and will be imposed first on the people under direct government control that is, the civil service, the pensioners, the veterans and the welfare recipients -- people already on the lowest rung of the economic ladder.

Militant organized groups like industrial unions, corporations, and the professions who enjoy a sizable income advantage will not accept the 4% guideline. First of all because they have the strength to fight it and secondly, because it locks them permanently into their current income position in relation to other groups in society.

We'll see how it all works out, but from here it looks like another fraudulent attempt to take the heat off the government over price rises and give an appearance of action to our ever hopeful citizens. But what the government should be really "hailed" on is for allowing inflation to proceed at above four percent each year, with a limit of two percent escalator clause in transfer payments to the provinces. The organized get richer while the unorganized find themselves getting poorer by at least two percent annually.

## Visitors Day

Parliament Hill and the visitors' galleries are packed these days with up to five thousand groups of school children, tourists and convention goers. Last week the Canadian Federation of Mayors and Municipalities convened in Ottawa and I was delighted to welcome representatives from the nine municipal governments in Fraser Valley West riding. Mayor and Mrs. Al Howe of Port Moody along with Alderman Flynn and Clerk Bill and Mrs. Spence came up one day for lunch. I had a very pleasant evening with Mayor Jack Campbell of Port Coquitlam. Mayor Peter Jennewien of Maple Ridge and I met with Indian Affairs over Mosquito control in the Fraser Valley. Alderman Jack Gilmore of the District of Coquitlam was around too, as was Mayor and Mrs. Doug Taylor of Matsqui.

It is really pleasant to see people from home so if you are travelling to Ottawa anytime Parliament is in session, I would be very pleased if you would give my office a ring -- whether we have met previously or not.

# Second Dry Spell Of The Season

We are now well into the second dry spell of the growing season. Sunday, June 8th will be the tenth consecutive dry day, while the previous spell lasted 20 days, May 3 to 22. In the 35-day-period, May 4 to June 7, only six days had maximums below normal. Total rain in 36 days was 1.61" which all fell in the period May 23-29. Normal for July, our driest month, is 1.67". The first week of June has been very warm, averaging 63.0° -- 7.3° above normal. The warmest week of June last year was the 24th to 30th with an average of 60.4°.

The Fraser River at Mission reached a level of 17.21" on the 7th, above the previous peak of 16.78 inches on May 30.
