Sweet little deal

by Rudy Langmann

Did you, dear reader, notice the fantasmic "total community involvement" yesterday? To the tune of only $3,000 of your tax dollars.

We sincerely do hope you were at home between 5 and 8 p.m. Tuesday. Anxiously waiting.

Why?

Because that's the time large announcements placed in the Langley city paper and a weekly widely distributed in Surrey municipality demanded residents of Langley to "be home".

You didn't know that, you say?

And what for? you ask.

Well, gentle reader, since you are just as dumbfounded about this latest caper as I was up till Monday afternoon, I shall try to explain.

Last week a couple of "recreologists" with headquarters in Surrey offered in Langley district council to deliver an "excellent recreational survey" covering all of Langley district for $3,000.00.

Council wavered.

But it was finally decided, in Murrayville council chambers, on Monday, June 11, that since Greg Sharpe and Darryl Plecas offered to deliver the survey based on "total community involvement" before payment, what was wrong with letting them go ahead?

And at $3,000 this survey might well even be a bargain.

What is a mere $3,000 of the taxpayers money when you can build $2-million mausoleums in the district?

Our two Surrey friends left council in a (presumably) elated frame of mind, two days later half page ads appeared in the two Langley city publications and within a week Sharpe and Plecas had their excellent little survey of 32,000 (?) Langley residents all wrapped up.

"June 19th is your only chance" the ads read, to let your "preferences on community recreation known".

Sorry if you missed the boat, dear reader, but come to think of it, it would have been quite a shocking experience if anybody all of a sudden had started paying any heed to the Aldergrove district — now wouldn't it? The secretary for the two entrepreneurs must have thought likewise, since she, in a telephone interview with The Star, stated that "they probably didn't know Aldergrove is in Langley." And the two gentlemen, who "hired" an army of unpaid students to do the "survey" had to have it all quickly and nicely packaged so they can present their bill to Langley district council this coming Monday.

From there on, we presume, they'll be laughing all the way to the bank.

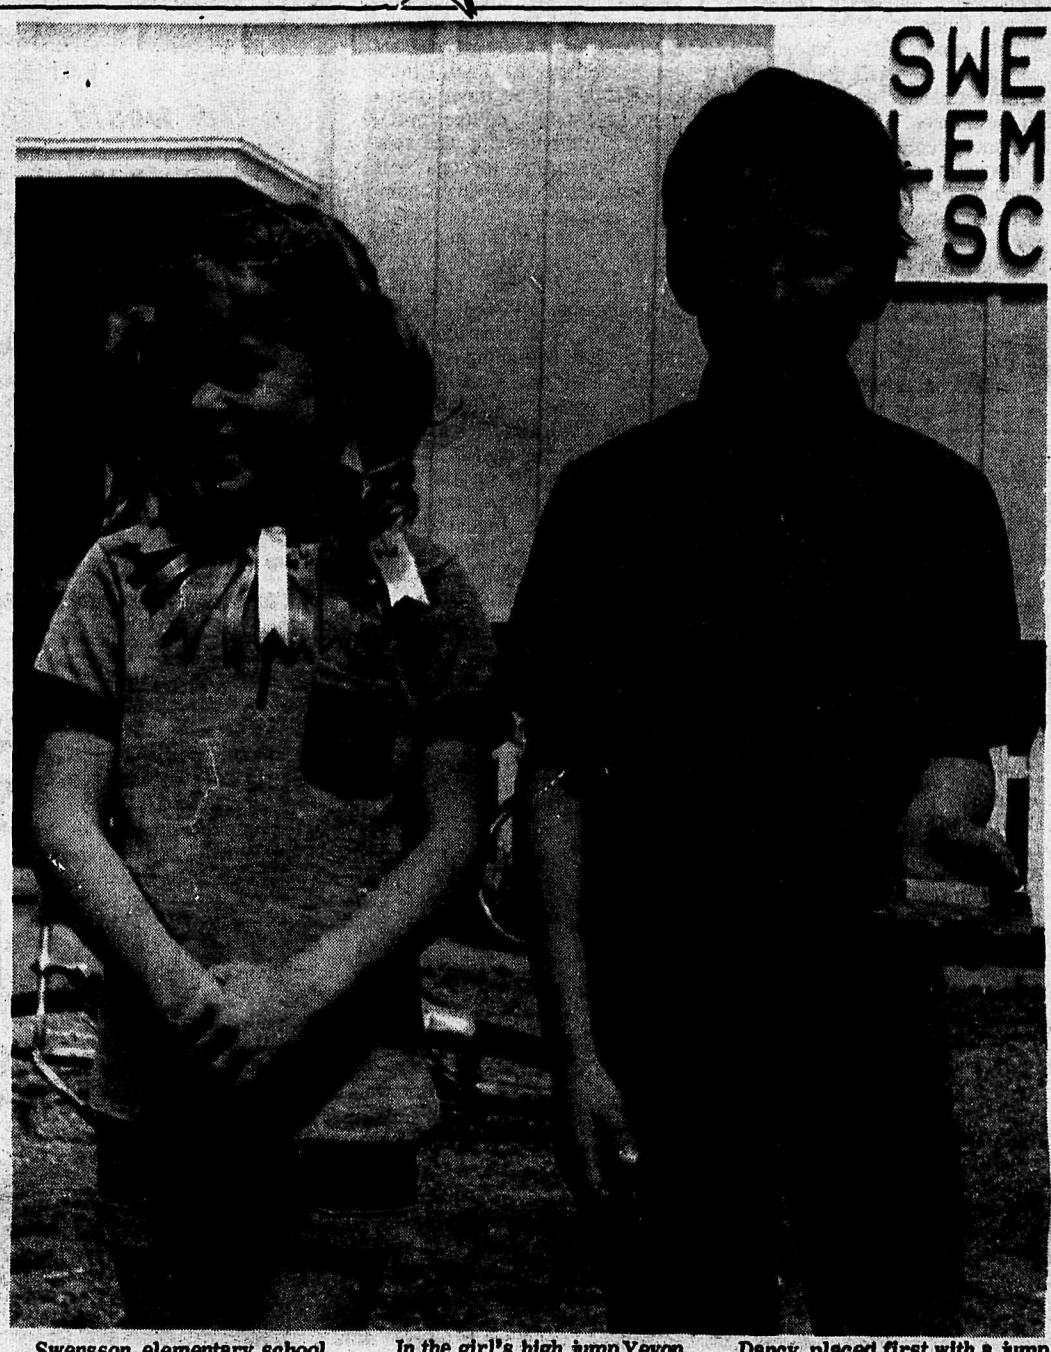
POLICE SEIZE $80,000 WORTH OF 'GRASS'

In a drug raid at the Aldergrove Customs Langley RCMP seized 330 pounds of marijuana Monday.

A Vancouver man was arrested and is to be arraigned before Langley court Tuesday afternoon.

Police say the cache had a value of $40,000 on the market if sold in "bricks" or if cut up into "nickel bags" could bring up to double this amount.

Staff Sergeant Bob Crawford said RCMP plain clothes officers had had their eyes on the arrested man for a long time but waited until Monday to make the arrest when the man returned to Canada via the Bellingham - Aldergrove crossing.



Swensson elementary school held their sports day last Friday, June 15, 1973.

The top boy and girl of the day were Terry Dancy and Beverly Lundeberg, each with 26 points.

The high jumpers all used various techniques to make the jump, but one little tyke, Brent Toews, had a style all his own. He dived over the bar, and made quite a few successful jumps.

In the girl's high jump Yevon Oros was 1st with a jump of 38½", Manon Brier was 2nd and Beverly Lundeberg 3rd.

In the boy's high jump Terry Dancy placed first with a jump of 42½".

In the preschool race Glen Meyer was the winner and Sandra Funk came second.

Road bylaw fails to pass

Residents in outlying areas want road improvements in Matsqui district, more so than those living closer to the central core ... but the majority couldn't care less.

That, in essence, was the result of Saturday's vote on the $2-million road improvements bylaw no. 1099.

In the Aldergrove district, householders in Glen Valley came out 100 per cent in favor of the bylaw — all seven of them. At the June 16 poll voters were 52 per cent for, Bradner 65 per cent for, Jubilee 71 per cent for, Mount Lehman 69 per cent for, Peardonville 66 per cent for, and Pinegrove 64 per cent for.

The advance poll was split 50-50 with a total of 20 votes.

Total turnout at the polls was described by one official as "disgustingly low". Only 8.3 per cent or 936 of the total registered ratepayer-voters decided to bother about coming out.

The bylaw referendum was approved by 54.2 per cent of the electorate, but it needs two-thirds majority to carry and consequently was turned down.

Perhaps it is the beginning of the summer doldrums or maybe the majority of the voters have more important things on their minds, but as Mayor Douglas Taylor said, "Basically only those against the bylaw decided to show." However, Matsqui will try again. "If at first you don't succeed....," Taylor said.

The bylaw would have provided for an extensive road grid system, truck routes and road improvements throughout the district.

Bridge to open

The new $11 million, four-lane Mission bridge will be officially opened July 7, a highways department spokesman said last Thursday.

The bridge links the Lougheed Highway in Mission City and Highway 401 in the Abbotsford area and will reduce traffic on the old CP Rail bridge over the Fraser River at Mission.

The spokesman said crews will begin paving the bridge this week. He said the bridge might unofficially open to traffic a week or so early, depending on the weather.

Plans to build the bridge date back to a Social Credit election campaign promise in 1963; the first contract was awarded in 1968.

PTA petitions for light

The Aldergrove-Parkside PTA is currently circulating a petition to be sent to the provincial department of highways for a push-button light crossing at the elementary school on Fraser Highway.

The petition, signed by PTA President Elsie Bartz, points out that two children were struck down by automobiles at this crossing during the past year.

A copy of the petition is available at The Star office.

Authority absent

The monthly meeting of the Aldergrove Fair Association was held June 7th with only nine members in attendance. Mrs. Green told those present that 104 children have gardens under their auspices. A fifty dollar increase in grants for judges fees was announced.

Mr. Ron Eveleigh of the Fuschia and Begonia Society addressed the members in regard to P.N.E. To obtain grass-root participation from smaller clubs and societies the PNE is supplying 50 sq. ft. of space and a grant of $50 plus car and gate passes to any group to exhibit vegetables and flowers. When he pressed the fair board for a commitment, no decision could be made as no one in authority was present. The address by Mr. Eveleigh was very interesting and informative and it was regrettable that only nine members were present.

The final date for flower garden contest entries is June 22nd. Flower gardens must be in Aldergrove phone area. Entrants must live on property, gardens must include six rose bushes. Contact Mr. C. Haid for entry forms.

The meeting on May 12th to have children and adults meeting judges for information of exhibit requirements was not well attended. Some misunderstanding in date and time even had one of the potential speakers showing up one month later.

Natural gas heating:
a switch in time saves $75.00

$75 $75 $75 $75

$75.00 OFF
IF YOU SWITCH TO BLUE FLAME NATURAL GAS HEATING BEFORE JUNE 30, 1973.

Call a gas heating dealer in your neighbourhood for a complete estimate, free and without obligation, on the cost of conversion to gas heating.

If you switch from another fuel to natural gas heating before June 30th, you can save $75.00. That's for a Blue Flame Seal installation.

But the really big saving starts next winter. Because gas is so much cheaper than oil today you can expect fuel savings of $50, $75 or $100 every year*. The kind of savings that will go a long way toward paying for that new gas furnace in a very few years!

So clip the coupon today and contact a gas heating dealer in your neighbourhood. He can estimate the cost of converting, free and with no strings attached. Remember, there's low cost financing available through B.C. Hydro and there's $75 for your old furnace if you switch to gas now.

Which beats burning money to keep warm.

FROM PARLIAMENT HILL

The Moppet Manipulators

by Mark Rose, MP

For years we've heard complaints against TV advertising directed towards children. Finally Parliament is looking into the question and hopefully preparing to do something about it. The Commons Broadcasting Committee is currently dealing with a private member's bill (James McGrath, PC-Newfoundland) which seeks to ban all advertising on Canadian television programs aimed at the moppets and sub-teen group.

As a member of that Committee I am extremely interested in this subject and am enjoying the gyrations of witnesses attempting to convince committee members that child-directed advertising is somehow good for us.

Naturally the prospect of Parliament passing such an ad limitation has upset certain very powerful interests such as the dry cereal and toy manufacturers, so these lobbyists have been falling all over themselves to tell their side of the story to committee members.

Of course, using kids to flog products has a hoary history, reaching back long before TV. Those my age recall vividly that radio's Orphan Annie and Daddy Warbucks both possessed a strong affinity for Ovaltine - perhaps to calm their nerves following each day's thrilling episode. And good old Jack Armstrong, the all-American boy, always vanquished the forces of evil because he had the strength of ten men, apparently due to stuffing himself with Wheaties. In the earlier days, cereal serials were considered just good clean fun and nobody thought too much about them one way or another.

With the impact of television and the fascination it holds for most young children, the whole question of TV's effects on children began to be questioned. In the U.S., the Pastore Senate Committee has examined television violence with a view to finding out whether violent programs were, in fact, producing violent children. Is TV educating kids into eating habits which are nutritionally deficient or downright harmful. Has advertising caused family problems because of children bugging their parents to purchase Barbie dolls, gimmicky toys or other junk beyond the family means?

Perhaps there are no final answers to these and other questions being discussed by our Committee. Research is limited, therefore the potential damage to children is hypothetical at best. But so what, I say? If the general public finds advertising directed at children either distasteful or unacceptable, we should ban it completely because it serves no useful purpose. On the contrary, child-directed TV programs may cause a great deal of harm.

Existing research suggests that it takes twelve years for a child to develop a critical attitude to TV ads. Before age twelve kids accept almost everything presented to them as the gospel truth. If this is the case, the CBC announcement this morning is of considerable importance.

CBC, bless its fat corporate heart, is going to delete all advertising from its 12 and under programming beginning September, 1974. In the commercial time slots the CBC plans to insert educational and informational packages tailored to kids. Water safety, health habits, nutritional information, are among the topics slated for exposure. These ads should be very effective. It was found in an auto-seatbelt campaign in the States that ads advising the kids to tell Mommy and Daddy to "buckle up" were far more successful than ads with similar objectives aimed at adults.

The CBC ad ban, costing over $2 million a year, is undertaken voluntarily but in response to public opinion. The gesture, though laudable, is largely symbolic. Regardless of any law our government passes dealing with TV advertising to children, kids and their parents will continue to be saturated by hucksters beaming Captain Kangaroo at us from U.S. satellite stations like Bellingham and Seattle.

LEN FERGUSON ELECTED PRESIDENT OF B.C. SOCIETY

by Toots Tucker

The Fraser Valley Rock and Gem Club held its meeting on Saturday, June 9 at 8:00 p.m. in the Old Age Pensioner's Hall, Aldergrove, with many members present.

Norman Young presented an interesting summary of carbon and diamond deposits, which was both enjoyable and educational to all members.

Len Ferguson told of the correct and proper way of working with tiger-eye, that is, in cutting with the grain of this beautiful stone, and not against it. He detailed his theory on the blackboard, and also answered questions pertaining to the working of this stone, or any other lapidary technicalities. Mr. Ferguson has been elected as president of the Lapidary, Rock and Mineral Society of B.C., and we are doubly proud to have him honor our membership.

Olive Ferguson reviewed the procedures of the planning for the lapidary exhibition for this fall, and also discussed the "Merrifield Table" — that is, rocks which members have brought to present for the evening. They were all very lovely and all members enjoyed hearing of their history and locations as to where they were found.

Refreshments were served in the social hour following the meeting. Meetings are held every second Saturday of the month, and the club invites guests interested in the lapidary and mineral fields.

Geri Allan with 'Martha' outside the newly-opened Aldergrove Veterinary Clinic.

Miss Allan is the receptionist at the animal hospital on Fraser Highway, just west of town, which caters to the welfare of small domestic pets such as dogs and cats. But also more exotic pets such as monkeys, parakeets, snakes and you name it, will be treated for their medical needs, says Mrs. Alan Purvis.

Dr. and Mrs. Purvis have for seven years been operating an equestrian treatment centre at Fair Trial Farm Ltd., at 6670-267 Street and this is the place where horse lovers in Aldergrove take their animals for whatever illnesses might befall them.

Fair Trial has the one and only operating table for horses in B.C., says Mrs. Purvis.

Congratulations!

by Robin Peterson

On Wednesday, June 6, following "O Canada" by the Stage Band, Dougal Shewan (It's an AHS custom for the Student's Council President to chair the Awards Day ceremonies, with Vice-Prez as co-chairman) stepped to the podium and briefly explained the purpose of Awards Day: "A means of recognizing and rewarding students for their scholastic achievement, athletic achievement, and services to the school. These people receiving awards have excelled in their fields, and this ceremony is simply our way of showing our appreciation." He also remarked on a change from tradition in the form of two awards ceremonies. This year, the usual, all-afternoon assembly was split into two portions: Academic achievement and service awards on June 6; Sports awards on Monday, June 11.

Mr. Sherritt read the citation for scholastic awards, explaining the system by which awards are doled out. An "A" average is the first qualification. One full year of maintaining an "A" average earns the student a certificate of merit; two years, a small "A", blue-on-black; three years (not necessarily consecutive), a large "A", four years, a block "A"; five years, the "five year pin." (Service awards are given following a similar system, main difference being that "A" 's for service are black-on-blue): Certificates were given to E. Bleau, S. Dempsey, S. Gerard, S. Hoeppner, J. Hunter, S. Jensen, J. Kirkoff, R. Mout, J. Reams, C. Bondar, M. Wiebe, B. Ashton, J. Braun, T. Fentie, P. Frank, S. Hildebrand, D. Kotzer, H. Krueger, W. McCubbin, C. Roos, S. Taylor, K. Trembath, C. Tucker, K. Reynolds, D. Legge, L. Hyde, R. Gerard, K. Dukeshire. S. Boehm, G. Babey, B. Fraser, C. Kramer, E. Newmann, M. Wollenberg, G. Kawamoto, R. Peterson received small "A"s.

Large A's were awarded to J. Mout, N. Petersen, A. Smith, E. Watson, D. Penzer. Loretta Mudri won both a block "A" and the trophy, donated by the Class of '68 (but never used till now), for top Grade 11 student in 1973, while Margaret Babey, this year's Valedictorian, earned herself the five-year pin.

The Art Service trophy was presented to Grade 12 student, Judi Harms.

Public speaking cups were awarded to senior, Dougal Shewan and Junior, Kris Ruginis. John Butcher was recognized for his outstanding contribution to the Grovette, and walked off with the appropriate plaque.

The general citation for citizenship and service, read by Mr. Goostrey, noted that willing students, who contributed via the Yearbook staff, P.A., Photography, Projectionist, Library Assistants, Art Service and Film Clubs, Concession staff, Grad Committee, and Students' Council make things easier for both teachers and students, and for that reason are selected through teacher questionnaires for recognition. Certificates for one year's service went to R. Amundson, S. Barbeau, R. Berg, D. Brama, J. Brama, R. Buxton, D. Fraser, B. Hays, B. Henderson, O. Kerslake, D. Kirchmeyer, C. Kramer, C. Levac, W. McIlwain, B. Newmann, C. Parkin, T. Pippus, M. Pollock, E. Ross, S. Thompson. E. Bussler, G. Chard, K. Cornies, C. Hiebert, R. Johnson, D. Penzer, R. Petersen received small "A" 's, and D. Garrett, J. Griff, L. Johnson, D. Shewan won large "A" 's.

Two special awards, devised this year by the Grad Committee, were presented to Dave McDonald as "Tardy of the Year" and to Glenn Olinek as "Skipper of the Year".

Mrs. Puls and Mrs. Whyard distributed the Commerce Department awards. Thirty-nine students received certificates for typing and office practice achievement while Pitman certificates of Shorthand Proficiency were given to ten Commerce students. Shirley Barbeau, who has attained 120 wpm in testing, was honored as a winner of the National Pitman Shorthand contest.

Two band selections, "Why Not?" and "Hurts So Bad" preceded the band awards which were presented by Mr. Turvey to Enrico Giustra as Outstanding Grade 8 Band student; Brenda Erbacher, Junior Band Award; Reid Johnson, Concert Band; and Elizabeth Watson, General Proficiency and Outstanding Service.

The Gavel Ceremony was the last item before "The Queen". At that time, Dougal Shewan, as retiring student body president, remarked on the 1972-73 school year at A.H.S. and then surrendered his gavel, with best wishes, to incoming president, Reid Johnson. Reid accepted the gavel and outlined a few of his planned projects and alterations for 1973-74.

The Monday, June 11 Sports Award hour was chaired by Dougal Shewan and Eunice Ross, with sports reps Robert Richardson, Shelagh Thompson, and Richard Braun also helping out. Small "A"'s went to B. Morris, C. Mains, C. Homewood, P. Davidson, L. Watson, N. Petersen, J. Petersen, E. Bleau, B. Erbacher, L. Dyck, M. Wollenberg, R. Martens, A. Smith, G. Sandusky, D. Enns, L. Goin, R. Mout, K. Masztalar, S. Malish, W. Rousseau, E. Giustra, D. Fraser, R. Dornan, A. Koch, R. Johnson, K. Bandenieks, and D. Voth. Senior athletes, E. Ross, K. Petersen, C. Levac, S. Bleau, R. Richardson, B. Makela, A. Bandenieks, and D. Miller received large "A" 's for good attendance, sportsmanship and outstanding performance. In the service department, certificates of merit were given to P. Thomas, A. Wright, D. Fraser, G. Sandusky, R. Mout, L. Ross and D. Miller for first year service while J. Griffs, P. Dondo, M. Beggs, J. Petersen, N. Petersen, E. Ross and K. Petersen received small "A" 's for two year service. Ron Buxton received a special, framed block "A" for continual sports service during his school years.

After a musical break of "South Rampart Street Parade" and "Totem Pole", individual awards and trophies were distributed. Nootka monopolized the three house awards, Interhouse Volleyball, Interhouse Basketball and House Trophy to Senior House Captain, all of which were accepted by Ron Buxton.

Individual trophies were then awarded: Carol Homewood, Juvenile Girls Aggregate Track and Field; Sandra Simpson, Junior Girls Aggregate Track and Field; Liz Watson, Outstanding Junior Girls Basketball Player; Janet Petersen, Most Improved Player; Chris Levac, Best Senior Girls Basketball Player; Kathy Petersen, Senior Girls Athletic Award. John Mellis received the Juvenile Boys Aggregate Track and Field Trophy; Wes Rousseau won the Junior Boys Aggregate Track and Field Trophy while Arthur Bandenieks won the Senior Outstanding Track and Field trophy. Enrico Giustra and Don Voth were recognized as Outstanding Grade 8 Basketball Players, and Roger Dornan was the Outstanding JB Basketball Player.

Brian Makela was noted as Most Valuable Player in SB Basketball. In Football, Jerry Anderson was Best Lineman, Bob Sowerby was Rookie of the Year, and Brad Kotzer and Terry Grovue shared Most Valuable Player.

Carol Homewood and Wes Rousseau won the Junior Athletic Awards. Senior Girls Athletic Awards went to Kathy Petersen while Brian Makela and Arthur Bandenieks split the honor of the Senior Boys Athletic Award.

Christine Levac made a special presentation to Jim Wright, ex-student and girls basketball coach.

Last were the bowling awards made by Mr. Whyard. Girls top average, High Score, and High Triple went to M. Pollock (209 points), D. Kirchmeyer (323), W. Williams (676), respectively; the same awards for boys went to J. Henderson (224), J. Griff (313), R. Johnson (760), respectively.

Top team was the Bucky Luggers (218 points): John Henderson, Deane Miller, Carol Homewood, Barb Anderson, and Kim Blades.

Weather Report

by Norm Green

1973 Date	Temperatures High	Low	Precip. Rain
June 10	63	41	—
June 11	71	39	.25"
June 12	68	54	.63"
June 13	64	49	—
June 14	63	41	.16"
June 15	61	44	.21"
June 16	57	48	.44"
June 17	—	43	—

Normals for the period: High 67 deg., low 47 deg., precipitation 0.63". Generally cool, wet weather has prevailed since June 6th. Nine days out of twelve have had measurable rain and the total so far this month, 2.71", is already past the June normal of 2.62". This compares with 3.33" in May and only 1.34" in April. Cloudy, cool, wet weather occurred last June from the 8th to 27th (20 days) but in 1971 we had a very long period of mostly bad weather, May 29 to July 11 (44 days).

The rain we have had is nothing like that in Alberta in the June 14-16 period. Medicine Hat had 3.13" on the 15th (June normal 2.50") while Coronation recorded 4.50" (June normal 2.15") eclipsing their 24-hour record of 3.89".

The long term outlook for the period June 16 - July 15 for our area is for cool wet weather, while for the Prairie provinces it is "unseasonably dry".

From the recently published Climatic Normals of the Atmospheric Environment Service are the following snowfall averages:

Vancouver city 21.4", Abbotsford Airport 30.8", Aldergrove 37.8", Agassiz 33.3", Chilliwack (Gibson Road) 38.1", Chilliwack (Vedder Canal) 53.6 (1951-19), Hope 63.8", Prince Rupert 44.5", Terrace A. 146.2", Kitimat 211.4", Stewart 209.5", Barkerville 228.9", Revelstoke 162.1", Mica Dam 289.9", Glacier (Rogers Pass) 381.7", Alta Lake 233.7".

Now ... Watergate on Wax

by Rick Dennis

"Music is a reflection of contemporary society ... pop and rock music has been mirroring the times, the lyrics dealing poetically with events happening around the world and at home, a sort of musical magazine or newspaper... We have heard songs about everything that has concerned us at one time or another - the loss of the land, the tragedy of war, the injustice of racial prejudice and the pleasures and dangers of the non-medical use of drugs".

The above quotes are from a recent column. In the past few months a strange and bizarre drama has been unfolding in Washington. It is perhaps one of the most highly publicized and discussed news events of the past twenty years. The unfortunate revelations of government corruption and deceit in high places has dealt the U.S. a serious blow in world prestige and placed suspicion on the integrity of the U.S. administration right at a time when President Richard Nixon is conducting delicate negotiations with major foreign powers. Government agencies in Washington are virtually stalled and the business of administering the nation's affairs is at a crawl. The U.S. stock market has shown marked losses in recent weeks. The entire American political system is under a cloud. Hardly anything there to laugh about. Yet the first recognition by the U.S. record industry of the Watergate scandal has come in the most unlikely form - comedy.

During the past two weeks no less than nine different comedy records have been released in the country and indications are the flood gates have just opened.

An album called "The Watergate Comedy Hour" featuring a group of top comedy talent including Jack Burns and Avery Schreiber has topped the 50,000 copy mark in sales less than two weeks after release.

New York disc jockey-recording artist Don Imus has rushed out a single called "Son of Checkers (The Watergate Case)" on RCA Records. David Frye, whose uncannily lifelike voice impressions of Nixon made him a fortune along the Las Vegas-Johnny Carson entertainment circuit is currently working on an album to follow up his success of last year "Richard Nixon Superstar". Veteran comic Mort Sahl has titled his new LP "Sing a Song of Watergate". (Sahl, one of the top comics of the 1950s along with a young Lenny Bruce and Shelley Berman hasn't recorded an LP in four years.). Jim Capaldi, drummer for rock group Traffic is represented with "Tricky Dick Rides Again". A country-pop group the Waves bow with "At the Watergate (The Truth Comes Pourin' Out)". There is even (so help me!) a genuine U.S. Congressman getting in on the act. William Hungate (Democrat - St. Louis) and the Watergate Singers have a biggie called "Down at the Old Watergate".

Dickie Goodman, another veteran disc jockey-record producer, has come up with a novelty effort called "Watergate" which features a humorous collage of current hit records worked into a political theme.

Bill Gavin, leading music trade writer, says "No matter how seriously we regard the unsavory revelations we might as well find something to laugh at .... and Dickie Goodman's record is a hilarious spoof on our national scandal."

What he really means is we might as well find something to make money from out of the whole sordid mess. The sudden outburst of Watergate wax after several weeks of dead silence from the record industry is interesting. It is as if the entire country had been rolling on the ground with the wind knocked out of it and had just recently regained its breath again. And its sense of what is commercially hot.

You know nothing about Watergate. Which group would you most likely suspect of burglary, theft, breaking and entering, wiretapping, election law violations, and conspiracy?

Jubilee hillbilly doings

by Frances Evanoff

Special events occur infrequently in most of our lives. So I think the Laxton family will have fond memories of Sunday afternoon, June 10, at Jubilee Hall. Members of the PTA, community club, plus friends from Mt. Lehman and Bradner gathered together to wish this family good luck in their new home at Salmon Arm. Flowers, nicely arranged, and a tastefully laden luncheon table set the scene for a pleasant afternoon. Sonny Susani, spokesman for the guests, lauded the hard working man and wife, reminisced about the years of effort that went into making a comfortable home out of bushland, then thanked Mrs. Laxton for her seventeen years as an active P.T.A. member. Mrs. A. Isaac presented an engraved silver tray to Mrs. Laxton from the P.T.A. and club. Entertainment was provided by Mr. and Mrs. C. Thiessen and Mr. and Mrs. Ed Unruh and hymns were sung. Jubilee pupils and Mrs. Isaac sang three songs, Pioneer, This Land, and Happy Wanderer.

Jonathon and Murray Pauls played accordian solos, Mesdames A. Saengar, D. Back, M. Gibson, W. Pauls and F. Hamefeld were the co-hostesses.

Sports day at Jubilee School as usual well attended. Hot dogs and ice cream were provided by the P.T.A. Scores: Grade 3 - 1st Kent Anderson, 2nd Kieth Schultz, 3rd Jonathon Pauls. Grade 2 - 1st Vicky Bosman, 2nd Eddy Gentry, 3rd Billy Siddel. Grade 1 - 1st Kevin Evanoff, 2nd Mike Susani, 3rd Ronnie Anderson. 2George White took the whist trophy again last week and Ellen Taylor was ladies high single for the season.

June Bingo jackpot was won by Jubilee's Bill Love.

Mothers Day draw was won by Mrs. K. Anderson and so the season ends with the June 30 cabaret dance. Happy vacation! There will be a songfest July 1 from 2 p.m. to 9 p.m. at the Church of Christ in God. Lunch will be served. Location, corner of Ross and Downes.

Frank Marshall's Show Talk

Columbia Pictures have just announced they will release 17 new motion pictures between June 1973 and March 1974 and will re-issue another six during that period. A couple of them are "The Hireling", the highly acclaimed Cannes Film Festival entry which stars Robert Shaw and Sarah Miles and will hit the market early June along with "Let The Good Times Roll", a nostalgic look back at the world of the 50's. "Five Easy Pieces" starring Jack Nicholson and Karen Black will be rereleased the same time.

Writer-director Richard Brooks is currently working on "Flowers of Evil" which is being adapted from the powerful best seller "Force Ten From Navarone" and this will of course be the sequel to "Guns of Navarone", certainly a powerful masterpiece.

Robert Redford and Mia Farrow are teamed up together to head up the cast of "The Great Gatsby", the film based on Scott Fitzgerald's classic American novel.

Cliff Robertson will portray the title role in the new suspense thriller "Man On The Swing" which is in production now in Connecticut.

Elaine May will direct her own original screenplay "Mickey and Nicky", with Peter Falk and John Cassavetes in the title roles. It is the story of the relationship of two men in the underworld, one the intended victim of a "hit", who is aware that he is slated to die, and the other, a trusted friend who may or may not be able to help him.

With the early success of "Tom Sawyer" back east the producers have decided and are underway with "Huckleberry Finn" with Jeff East, Paul Winfield and Eddy Albert in the lead roles.

For those of you that are staunch Lucille Ball fans, you will be happy to know that she is back in the movies again, this time in the lead role of "Mame", and advance notices say its a great one.

Canvassers comb the Valley

More than 500 volunteer canvassers have been combing the Fraser Valley during the past six weeks searching for rooms in private homes to accommodate delegates to the "Divine Victory" international convention of Jehovah's Witnesses at Empire Stadium July 4 to 8.

Convention officials estimate that 60,000 Witnesses from 50 different countries will be attending the five-day seminar.

Grant Sonmor, rooming department supervisor, says "there is still an urgent need for accommodations for out-of-town delegates. Requests are being received at headquarters at the rate of two and four thousand per week. Since all hotels and motels are now filled to capacity we are now appealing to residents in the Fraser Valley area to contact convention headquarters if they have rooms available to rent during the week of July 4 to 8. Telephone numbers are 433-6633 and 438-1301."

The climax of the convention will be the public discourse "Divine Victory — Its Meaning For Distressed Humanity" to be delivered Sunday, July 8, at Empire Stadium by a representative of the Watch Tower Society.

Open House at Women's Centre

Sunday, June 24 is Open House at the Women's Resource Centre in Aldergrove. If you've been wondering what a women's resource centre is all about, this is your chance to drop in and talk with the staff. They'll explain the activities that are involved in exploring resources for women.

A woman's area has traditionally been confined to the boundaries of home and family in our culture, a centre spokesman says. Now, changing life styles and changing consciousness have expanded the horizons of Canadian women. Many women are looking for a way to step out of the socially imposed "role" of housewife and into work or training that has more meaning for them.

The women's resource centre has already established rap groups in Langley, Aldergrove and Abbotsford. Some of the staff are working on a recreational program with wives of prisoners. Workshops in gestalt and communications have already happened, and plans for the summer include self-defense for women, sports, a gestalt weekend, a seminar on sexuality and an anger workshop.

The centre has set up a small library and the staff is available to offer information and support to women in the Fraser Valley.

Women are invited to discover the centre and see whether any of the activities have any relevance for them. A simple exchange of feelings about where women are at is part of what's happening.

There is still no phone installed, which makes communication difficult, but individual staff members may be contacted at their home numbers.

Dorothy Williams at 853-3638, Susan Belford and Janet Currie at 853-6949, Susan Beachie at 826-9197, Arlene Dashwood at 856-2262, Esther Robertson and Jennifer Lake at 856-2048, Rhody Lake at 534-2191, Lisa Gordon at 534-7795 and Cheryl Doubt at 534-4836.

Be sure to drop into the Women's Resource Centre, 2961-272 Street in Aldergrove, any time between 1 p.m. and 5 p.m. this Sunday, June 24th for Open House.

IN MEMORIAM

HIGGINSON: Matthew

In loving memory of my dear husband, father and grandfather who passed away suddenly June 24, 1972.

We did not know that evening
What sorrow morning would bring,
The bitter grief and shock severe,
To part with one who was so dear,
Not just today, but every day in
Silence we remember you.
Matt, Till we meet again.

Sadly missed and lovingly remembered by your loving wife Margaret, son Andrew, Leona and family, daughter Ellen, and Ted Vanderhoek and family.

Whoa Up, Folks!

The community's newest weekly publication maintained in its regular vein last Thursday with a savage article labelled "Full Scale Attack Launched at Recreation Commission." The writer quoted several remarks alleged to have been made in council by aldermen.

More questions in the mind of the literate reader were created than answered.

Firstly come the comments of Ms. Mooney; something about "...recreation should be handled differently from the way in which it is being handled at present. It should be integrated." This means what? and ..."recreation commission up there is made up of a bunch of people who have one little aspect they are interested in." Obviously the lady has been misquoted, or the paper has, in omitting some of her words, caused a bias to appear which was surely not intended.

I'm with Merv Hunter. He stumped for lower rates for juvenile hockey and with good cause. Here's why: The opinions of several assembly members not withstanding, we are not all affluent. If the rates are not subsidized, then a lot of kids shall be too poor to play. The fabled arena then, paid for by all, shall become yet another luxury for the rich kids and those of the lower socio-economic classes will be allowed to watch. When the Langley voters passed the referendum with such a thumping majority, is this what they were endorsing?

One wonders.

And the Villas - an imported club of Junior "A" Vancouver players ... whose bright idea was that? As moms and dads sit in the 5:00 a.m. cold together at juvenile practise they shall ask each other whom, on our councils has put arena income ahead of public interest - namely the comfort and welfare of our children.

And after all, why juggle funds? Why hand to the Rec Commission the chore of doling out that which is only the kids proper right? If the Commission is placed in the role of benefactor cum miser then even more cruel comments shall fly. Truly, the administration of Langley's new arena should be given over to the shadow body. As Iris Mooney is said to have suggested, the joint arena committee should run it. Consider the advantages. No one knows their names! The combined talents of my whole realm of acquaintance can not identify them! Their list of membership has never been published to my knowledge in any public journal! Nor have their qualifications!

Let them run the show. After all, we've already given over to them one million, seven hundred fifty thousand dollars to spend as they see fit and incognito, too.

Why not let's go whole hog and give over the place's administration in perpetuity?

Incidentally, though the righteously distressed have decried a membership of over twenty persons on the Rec Commission, no rec commission people yet interviewed can tell us who is on that arena committee. I wonder if Mayor Duckworth feels that this is unfair.

But let's all slow down a bit with the recrimminations. The thing is built or is almost so and the Commission will consider it just one less headache if it's given over to some other body to run. Let's just run it in the best interests of the most people and not worry about breaking even or about getting our money back. It's true that no-one subsidizes the golf games of our local businessmen, but then they have a bit more cash than have the kids.

Speedway Results

by Larry Pynn

With a hurried schedule and a lot of luck the "Carlings Challenge" super stock special was performed last Sunday at Langley Speedway. Unstable skies threatened rain so consequently officials decided to proceed non stop through the day's events starting with the "B Main", after the preliminary trophy dashes. Drivers were competing for $3,500.00 worth of cash prizes and henceforth the racing was at its best.

A fast time of 15.54 seconds by Harold Hardesty earned him fifty dollars. Don Fletcher and Terry Forsyth meanwhile, were earning the same amount by taking the B and A trophy dashes. Gordie Hemrich was unfortunate to blow his motor before the racing even started. This was disappointing to many hometown fans.

The B Main saw twenty cars compete in a fifty-lap event. Tom Mair, of Vancouver, was first and picked up $200.00. Cliff Hague, of Surrey, received $100.00 for second while Chuck Geska, of Anacortes, captured $75.00 for third.

Eighteen cars fought it out for a $1,000.00 first prize in A Main event. It seemed like it would be a long seventy-five laps when an early pile-up resulted in a complete restart. The unusually long race took its toll on such local favorites as Al Mullet and John Rothwell as both were put out long before the end. By the end of the race only eleven of the original pack still remained. The ultimate victor was Terry Forsyth of Victoria. Second and third places went to George Stuart, of Campbell River, and Rick O'dell of Victoria. These two received $500.00 for second and $250.00 for third.

It seemed the only event our

A Credit Union by any other name

would be a lot easier to understand

We could call them "money houses" because they really are a great place to save or borrow money--and they offer a variety of other up-to-the-minute money services too.

Or we could call them "people places" because credit unions are owned by the people who use their services. And they're designed for everyone's use, regardless of where they live or where they work.

What credit unions definitely shouldn't be called are four letter words (especially beginning with "b"). Because they're not! The big difference is that credit unions share their earnings with the people who save and borrow with them.

But credit unions are credit unions. And the nearly half a million British Columbians who profit through them don't mind the name a bit. Shouldn't you join them?
