BOARD OF PUBLIC WORKS HOLDS REGULAR MEETING

Civic Works, Vancouver—At the regular meeting of the Board of Public Works held yesterday afternoon, City Engineer Fellowes reported that the cost of laying three-plank walks on certain sections of Blenheim St., Trutch St. and 15th Ave. in Ward Six would cost $220. In connection with the $10,000 appropriated by the council at the last meeting the engineer stated that work to the amount of $3,500 had been sarted on 14th, 15th and Cypress St. in Ward Six and for the balance suggested that grading work on 11th, 14th, 15th and Pine St. in the same ward be done at a probable cost of $4,850, and also grading work on 22nd, 24th and Burns St. in Ward Eight. This latter work would cost about $3,600. Regarding the improvement of the lane south of 16th Ave. from Clark to Inverness Sts., Mr. Fellowes reported the cost would be about $600.

As a result of the request of the Health Committee to construct a sewer on 10th Ave. from Vine to Cedar St., Mr. Fellowes reported that a number of points would have to be settled before this work could be proceeded with. The matter has been discussed with Mr. Creer, engineer to the Sewerage Board, with the idea of having the Board contruct it, but it is not the policy of the latter to enter into drainage areas (i.e., to construct trunk sewers) of less than 400 acres without the request of the city council. If the Sewerage Board will not do the work it will be necessary for the city to arrange with Point Grey the question of proportioning the cost, which is estimated at $35,000, before the city itself can proceed with the extension.

In connection with the contract which was let for the construction of the reinforced concrete pipe for the Carolina St. sewer, amounting to $4,850, Mr. Fellowes reported that no appropriation was made for this, and recommended that this amount be appropriated, so that construction on the sewer may be commenced. There is an existing appropriation for the sewer between 19th and 21st Aves. To extend the sewer to 17th Ave. will probably cost $7,500. This would utilize all the 42 inch pipe made under the contract.

TENDERS CLOSED ON MERCHANTS BANK BLDG.

The time for submitting tenders for the construction of the new bank and office building to be erected on the corner of Pender and Granville St. for the Merchants Bank of Canada expired yesterday and all tenders are in. It is expected that the tenders will be opened today.

MAY ERECT PLANT AT PRINCE RUPERT

PRINCE RUPERT—There is every prospect that the Booth Co., which is one of the largest handlers of fish on the American continent, will, before long, be established at Prince Rupert. G. T. P. officials and representatives of the Booth Co. are in conference here. Should the company come to Prince Rupert they will build their own cold storage plant.

DESTROYED BY FIRE.

EDMONDS—A house at the corner of Royal Oak avenue and Clinton street, Alta Vista, has been completely destroyed by fire.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $500 will be found under this head.

7665—A. Perry, 977 11th Ave. E.; alter store front; $100.

7666—Anna Breitenbach, bld. res., 2876 16th Ave. E.; $200.

RECEIVING TENDERS FOR SCHOOL HOUSE ADDITION

School Addition, Steveston—Tenders will be received by W. T. Esterbrook, secretary Richmond School Trustees, up to noon, June 24th, for the erection of an addition to the school house at Steveston. Plans and specifications may be seen at the office of the architect, J. H. Bowman, Yorkshire Bldg., Vancouver, or at the office of the secretary. For additional particulars see official advertisement for tenders, page 4, this issue.

ROSSLAND COUNCIL ORDERS NEW LIGHTS INSTALLED

ROSSLAND—At the last meeting of the city council it was ordered to install eight new lights in the city. It was also recommended that the waterworks flume leading from Rock Bay to Stony Creek be repaired at a cost of approximately $600. The council also instructed the fire chief to present an estimate at the next meeting for the cost of installing four fire alarm boxes in the outskirts of the city.

WILL LAY SIX-INCH WATER MAIN IN NANAIMO

NANAIMO—On the recommendation of the waterworks committee the city council has issued instructions that a six-inch water main be laid a distance of 1,250 feet along Front street, Newcastle Townsite, from Stewart Ave. to Third street, at an estimated cost of $1,026.99 for material, etc., and $420 for labor.

NELSON BOARD OF TRADE WANTS ROADS IMPROVED

NELSON—Good roads formed a subject for discussion at the last meeting of the board of trade. The board will give a considerable amount of attention to obtaining better roads and endeavor to facilitate wagon and automobile traffic to and from Nelson. R. G. Joy urged the necessity of improving the three miles of roadway between Thrums and Castlegar which it is stated is sadly in need of repairs. The Ymir roadway will also receive the attention of the board.

NEW RAILWAY IS NEARLY COMPLETED

OTTAWA—Grading gangs are now within fifty miles of Port Nelson, is the report of J. D. McArthur, who has the contract for the Hudson Bay railway. This season will see the grade completed, although all the steel will not be laid until next spring. Bridge building over the first crossing of the Nelson river has been delayed by the sinking of the trestle work near the first approach, but this has now been completed, and the big bridge is now under construction.

FIRE ESCAPE CONTRACT.

Fire Escapes—The contract for the new fire escapes for the Dominion Bldg., Hastings & Cambie Sts., was awarded yesterday to the Canadian Northwest Steel Co., Ltd., by Archt. Wm. Frederick Gardiner.

Palmer Bros. & Henning vs. Canadian Northern Pacific Railway, railway of Canadian Northern Pacific Ry. Co. in British Columbia; $399,286.63.

Rosano Sacco vs. Clara B. Jones, Lots 19, 20, 21, Blk. 46, D.L. 2087, North Vancouver; $125.

SEATTLE ARENA BUILDING WILL NOW GO AHEAD

SEATTLE — The proposition of erecting an auditorium on 5th Ave. between University and Seneca St., by the Metropolitan Building Co., long discussed, has now apparently been decided upon and the plans for the building are practically complete in the offices of Howells & Stokes, Henry Bldg.

The structure will be 2 story high of reinforced concrete steel and terra cotta construction and will be used both for auditorium and arena purposes.

Grant Smith & Co., Henry Bldg., will handle the general contract. Estimated cost, $100,000.

DOMINION GOVERMENT APPROPRIATIONS FOR 1915

The Dominion Government appropriations for the year 1915 for public buildings in the west include the following:

PUBLIC BUILDINGS.

Winnipeg Barracks, $150,000; Dominion buildings, improvements, repairs, etc., $20,000; drill hall (new), $170,000; new immigration building, $40,000; north drill hall, $70,000; postal station "E" $25,000; postal station "C" (south), $73,000; postal station "D" (west), $75,000.

Saskatchewan.

Battleford—Public buildings improvements, $4.500.

Canora—Public building, $10,000.

Indian Head—Forestry branch, $17,000.

Kindersley—Public building, $20,000.

Moose Jaw—Customs examining warehouse, $90,000; immigration hall, $50,000; new public building, $15,000.

Prince Albert—Drill hall, $80,000.

Regina—Armory and drill hall, $75,000; accommodation for associate receiver-general, $75,000; customs examining warehouse, $75,00.

Rosthern—Public building, $10,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

SAINO SHEET METAL FIRE DOOR

This door is radically different from Fire Door heretofore known. Made of steel and asbestos, crosslaid galvanized iron of two thicknesses, with air spaces and asbestos lining 1-16th inch thick prevents warping. Much lighter than any other standard Fire Door. Weight only 5 lbs. per square foot. Can be installed in any manner that other Fire Doors are installed—sliding, swinging, vertical, etc.—Latest approved hardware and trimmings used.

Sole Canadian Manufacturers:—

The PEDLAR PEOPLE, Ltd.

Executive Office and Factories: Oshawa, Canada.
Montreal — Toronto — Ottawa — London — Winnipeg

GETTING ON THE MAP.

In an address to the members of the Chicago Garment Manufacturers' association—representing an annual business of $20,000,000—President Joseph L. Eisendrath recently heralded 1915 as the most prosperous period that the industry had ever faced. He urged his fellow manufacturers to advertise, Advertise, and then ADVERTISE some more.

"Don't forget that it is your advertising man who puts you on the map. Unless you want to fail, don't listen to any backwoodsman who tells you that it doesn't pay to advertise. It DOES pay to advertise, and the men who are successful today are the men who realize this fact and practice it.

"Your advertising man is a great factor in putting you on the map.

"It's a good system to keep telling people about your goods, whether they are buying them at the time or not. It is even true that they may not buy them tomorraw, but they are going to buy them ULTIMATELY.

"Cease to advertise and you'll be forgotten."

"Keep up your advertising constantly and consistently. Do not give a big splash, followed by a whole lot of silence.

"Advertising is salesmanship. You send out salesmen in a new territory and you find that they have to do a deal of missionary work before the territory becomes profitable. It's something like that in starting advertising. But use of advertising as an advance agent breaks the ground for the salesman in these days of successful and profitable business.

"Make the public want your goods."

CITY ENGINEER PRESENTS NEW WORK PROGRAMME

VICTORIA—A new schedule of local improvement works which are in a position to be proceeded with was submitted by City Engineer Rust to the streets committee of the city council Monday afternoon, but owing to other important business brought forward no committee business was done. The work is covered by fourteen by-laws already passed, and already a considerable amount has been expended on it. The engineer's report showed that to complete the works as called for in the by-laws would cost $173,161. There has already been spent thereon $53,052. To complete the underground work and then close the several by-laws would require an additional expenditure of $8,760, and to go further and complete the sidewalk work before closing the by-laws would need $14,615 more. The engineer made recommendations in the case of each by-law as to how far the work should be carried on before the by-law was closed and if his recommendations are adopted the outlay will amount to $74,654 in addition to the $53,052 already expended.

So far the city council has reached no decision relative to the recent suggestion of the city engineer that hereafter, in the case of paving works, the practice formerly followed of laying all lateral underground work irrespective of whether such laterals are or are not immediately required, be abandoned. The engineer's report showed that approximately $400,000 had already been spent on needless work of that kind. He now suggests that the question be left to his department, which is probably in a better position to decide as to whether or not laterals are required, depending upon the location of the street and the numbers of houses, etc., erected.

NOTICE TO CONTRACTORS.

Tenders will be received up to the hour of noon, June 24, 1915, addressed to W. T. Esterbrook, Esq., secretary Richmond School Trustees, Eburne, B. C., for the erection and completion of an addition to the school house at Steveston, B. C.

Plans, specifications and forms of tender may be seen at the office of the secretary or the undersigned.

Tenders are to be enclosed with a marked cheque equal to 5 per cent. of the amount of tender.

The Trustees do not bind themelves to accept the lowest or any tender.

J. H. BOWMAN,
910 Yorkshire Bldg.,
Seymour St., City.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. No more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined, and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

PROPOSALS WANTED

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Supplying Coal for the Dominion Building," will be received at this office until 4:00 p.m., on Thursday, June 17, 1915, for the supply of coal for the Public Buildings throughout the Dominion.

Combined specification and form of tender can be obtained on application at this office and from the caretakers of the different Dominion Buildings.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the Honourable the Minister of Public Works, equal to ten per cent. (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so or fail to complete the contract. If the tender be not accepted the cheque will be returned.

By Order,
R. C. DESROCHERS,
Secretary.

VANCOUVER, B. C.

CORPN. OF POINT GREY.

TENDERS.

The Council is prepared to receive tenders for the following works:

(1) Concrete curbing and grading of boulevards.

(2) Combined curbing and gutter and grading of boulevards.

Approximating 12,000 lineal feet in the district known as Strathcona Heights.

Payment to be made in ten-year local improvement debentures bearing interest at 5 per cent. per annum.

Further information as to extent of work and quantities may be obtained from the Municipal Engineer.

The lowest or any tender will not necessarily be accepted.

Tenders close on Monday the 21st June, 1915, at 5. p.m. at the Municipal Hall.

G. G. HEIGHWAY,
Municipal Clerk.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

VICTORIA—The Chief forester of the province is inviting tenders for the purchase of two lots of timber. One is for the purchase of license x384, to cut 650,000 feet of fir and cedar on an area adjoining lot 18, Maurelle island, Sayward district, and the other is for the purchase of license x413, to cut 112,000 feet of fir on an area adjoining lot 4208, Oke-over arm, New Westminster district. One year is allowed for the removal of the timber in both cases.

VICTORIA—The chief forester of the province is calling for tenders for the purchase of four licenses for the cutting of timber. License X417 gives the right to cut 390,000 feet of fir, cedar, hemlock and spruce on two small islands in Baronet passage and Beware passage, range 1, coast district. License X391 gives the right to cut 546,000 feet of Douglas fir on the northwest quarter of expired timber license 20,706 on Bute Inlet. License X442 is for the cutting of 1,200,000 feet of cedar and hemlock on an area adjoining lot 1303, Chancellor channel, range 1, coast district. License X92 gives the right to cut 4,400,000 feet of Douglas fir, hemlock, cedar, spruce and balsam fir on lot 45, Chancellor channel, Thurlow island. Two years is allowed for the removal of the timber in the first case, three years in the last and one year in each of the other two cases.

NEW WESTMINSTER — Tenders are being called for by the minister of lands for the purchase of timber license X439, under which may be cut 1,760,000 feet of fir and cedar on an area north of Lot 2743, New Westminster district. Two years is allowed for the removal of the timber.
