Chas. A. Semlin, Esq.

Dear Sir;-

As the prize list for the Fall Exhibition of the above Association is to be issued shortly, we take the liberty of soliciting from you a special prize for competition in any department which you may indicate, or should you prefer, the disposition of the prize may be left to the Association.

Our list of premiums is not as large as might be desired, and knowing that you have taken a generous interest in such affairs, we would ask you to donate a prize of such amount or description as to seems proper.

As the time is short for publication of the prize list, we will be pleased to hear from you as soon as possible.

Yours truly,

C S J Shields

Secretary.
