THE GOVERNMENT OF
THE PROVINCE OF BRITISH COLUMBIA.

CHIEF CONSTABLE'S OFFICE

Prince Rupert, B.C.
December 31st, 1917.

K. F. Birchall, Esq.,
Provincial Constable,
Port Essington, B.C.

Sir:-

Enclosed herewith is a letter received from Chas. P. Richardson, Hotel Graystone, Tacoma, in which he complains James Wells has broken into his house at Kitselas.

I have written to Earl Hays of Usk, and I am informed he has left for the States, and will not return for some time.

I would be pleased if you will look into this matter on your visit to Kitselas when you go there to have the Government property in the lock-up shipped to Prince Rupert, and let me have a report, also return the enclosed correspondence.

Obediently Yours

Ernest Pammon.

Chief Constable.
