Mr. Birchall, Constable
Port Essington, B.C.

Dear Sir:

I have a matter I wish to place before you and see what you think can be done.

Albert McKenzie, Indian of Van Anadol bought a gasoline boat of my late husband, D. B. Kenny. He had used the boat at Kitselas and Albert McKenzie and a brother of his agreed to pay $325.00 for the boat. They paid part down at the time, about four years ago, promising to pay balance soon. In the meantime one died and Albert had a hard table of axe consequently we led them avoid a while. Since Mr. Kenny's death he has continually promised me to pay the balance of $100 which he admits is still owing. Has ever promised to pay certain days but I am afraid he never has intended paying. Half interest of boat belonged to a man in the land and

I feel responsible and have written him I will pay him if it cannot be procured soon.

I had Mr. Doolittle, constable here, go to him and he said he would pay, then again he said the engine was no good and to take the boat. He was at that time working at the government hatchery at Labelle Lake so was in hopes of procuring the money. Lately I have learned he has left there and gone fishing. Presume he has gone to Lexington and is either using the boat or possibly has sold same. He can pay the $100 if he wants to as he has had lots of opportunities to have the money.

Now if there is any way I can procure money or boat I want to. My patience is almost exhausted and if anything can be done I am going to do it.

Will you kindly look into the matter and let me know your opinion at any early date?

Would be glad to pay you

ten dollars if you can procure the hundred from him.

Is there any way in which he can be forced? Otherwise is there a way I can take the board from him?

Thanking you in advance I remain

Sincerely Yours

Mrs. C. T. Sundal
