THE GOVERNMENT OF
THE PROVINCE OF BRITISH COLUMBIA

CHIEF CONSTABLE'S OFFICE,

PRINCE RUPERT, B. C., ...191

Const. Forsyth. Re. George McLeod

In reference to the enquiry by Coroner, this is not necessary unless you consider there is foul play. Just have an enquiry before a Magistrate which I think will be sufficient. The Coroner has been notified and these are his instructions.

Take charge of all deceased's effects and send an inventory of same to the administrator.

W. Owen
Chief Constable

P.S. Send me full particulars soon as possible. W.O.
