Dear Sir:-

Mr. Peter Wesley has asked us to look after the interests of his boy, who, we understand, was arrested along with two or three other boys yesterday, and is now in jail awaiting trial. It is impossible for one of us to get over to Port Essington today, and we will be greatly obliged if you would delay the hearing until tomorrow, Friday afternoon. The bearer, Mr. Wesley, will advise us if this is agreeable to you if you will tell him. We regret having to ask a delay, but under the circumstances it is unavoidable.

Yours truly,

CVB/
MN.
