SHERIFF'S OFFICE,

PRINCE RUPERT, B. C. AUG 24 1911 191

Constable Forsyth
Port Essington

Dear Sir

Re Gasoline Engine and moving picture machine. Do not interfere with them. I did not seize them. I wired you on Wednesday 23 to prevent removal from there, and shortly after to have nothing to do with them. The first message I addressed in a mistake to Hazelton. There is a report here that you are holding them.

Respectfully
John Shirley
Sheriff
