Poet Essington B.C.

Sir.

I beg to hand you a copy of Special Constable Godson's report on the matter you complained of. It seems to me there has been some misunderstanding both between Mr Godson and Mr Gay, also between Mr Gay and yourself.In future if Mr Gay does not carry out your instruc--tions to the letter please notify me at once. I again repeat that there are no complaints against you, or the manner in which you are policing Essington. Your conduct is entirely satisfactory to me. Please hand the enclosed letter to Special Constable Gay.

Yours Obediently
