What Will People Say

A New Novel by Rupert Hughes

will be published on April 20th

A brilliant story of New York's mad dance after wealth and pleasure. Through hotels and cabarets, ballrooms and country houses, by motor and on yachts, on the backs of blooded horses, eating, drinking, making love, beautiful young girls, women who still try to be young, and the men of their gay set, follow each other in feverish haste, with no break to hold them back except the fear of "What Will People Say?" But the piper waits to be paid.

Illustrated, Post 8vo, Cloth, $1.50
