PETITION.

To the Honourable Mr Speaker and Members of the Legislative Assembly, now assembled at Victoria, B.C.

SIRS,—We, the Citizens of this Province, humbly beg of you to give the Amendments to the Coal Mines Act, presented by the Coal Miners of Nanaimo District, your earnest consideration and support; particularly the Clause relating to the employment of Chinese underground, as from the evidence presented to us, we are of the opinion that the lives of the miners are greatly endangered by their presence in the mines.
