Throughout, the Returns for North Vancouver are for 1895, those for 1894 not having been made.

The Return marked "A" is for the year 1895.

The Assets and Liabilities for Chilliwhack belong to 1895, there being no statement by the Auditor for 1894.

The Returns for 1895 have not all been received. There are a few omissions and apparent inaccuracies in the Statements herein presented, which will be rectified as soon as corrected Schedules are to hand from some of the municipalities.

Considerable difficulty was experienced in obtaining complete and correct Statements in every case, but this, there is reason to believe, will be obviated in future, as the result of a better understanding of the Schedules and the objects of the information sought.
