REPORT OF THE LIQUOR CONTROL BOARD.

INTRODUCTION.

The Board presents the Sixth Annual Report, covering the operations from April 1st, 1926, to March 31st, 1927.

The "Government Liquor Act Amendment Act, 1927," a synopsis of which is included in this report, revised the constitution of the Board, limiting its membership to one, fixing the tenure of office for a period of ten years, and placing it directly under the control of the Legislature.

Provision was also made for the appointment by the Board of an officer to be known as the "Assistant Commissioner," with authority, under specified conditions, to exercise all the powers of the Board. The appointment of the Purchasing Agent, Vendors, and Inspectors, which formerly required the approval of the Lieutenant-Governor in Council, was placed entirely in the hands of the Board, which now appoints the entire staff.

The Commissioners of the four Western Provinces continued their conferences, which had been commenced at Calgary in the spring of 1926, in a further meeting held at Victoria in September, at which matters of mutual interest were advantageously discussed and arrangements made for regular meetings.

The accounts of the Board, certified to by the Comptroller-General as required by section 116 of the Act, and the statistical data as required by section 111 are shown in the Appendices as follows:—

GOVERNMENT LIQUOR STORES.

ESTABLISHMENT OF STORES.

Upon representation to the Board as to the necessity of accommodating the resident and visiting population in the outlying district of Cassiar, the store at Telegraph Creek was opened in June, 1926, under the management of the Government Agent.

As soon as navigation on the Stikine River permitted, arrangements were made to forward shipments of liquor under seal through Alaskan waters. Supplies were sent in this manner direct to Telegraph Creek, the shipments being accompanied by a patrol of the Royal Canadian Mounted Police whilst passing through territorial waters of the United States.

DISCONTINUANCE OF STORES.

On July 24th, 1926, the Government Liquor Store at Keremeos was totally destroyed by fire, though no loss was incurred by the Board, the stocks and fixtures, amounting to $3,200, being fully covered by insurance.

After consultation with representative citizens of the town of Ocean Falls, it was decided to close the store at this point, and business was officially suspended on August 3rd, 1926. A beer licence was issued thereafter at this point.

HOURS OF SALE.

The amending Act of 1927 made provision for stores being kept open in the evening in cities with a population of over 25,000. This change was approved by the Legislature to counteract illegal activities where illicit selling takes place after the Government stores are closed.

STOCKS.

The stocks on hand, as indicated in the Trading Account at March 31st, 1927, amounted to $1,182,435.78, showing a decrease of $233,056.97 as compared with inventory valuation at March 31st, 1926.

SALES.

Total sales of $13,805,089.50 showed an increase over the previous period of $370,744.22. A classification of the sales is as follows:—

Classification of Sales.

Wines and Spirits—		
Spirits	$7,280,499.93

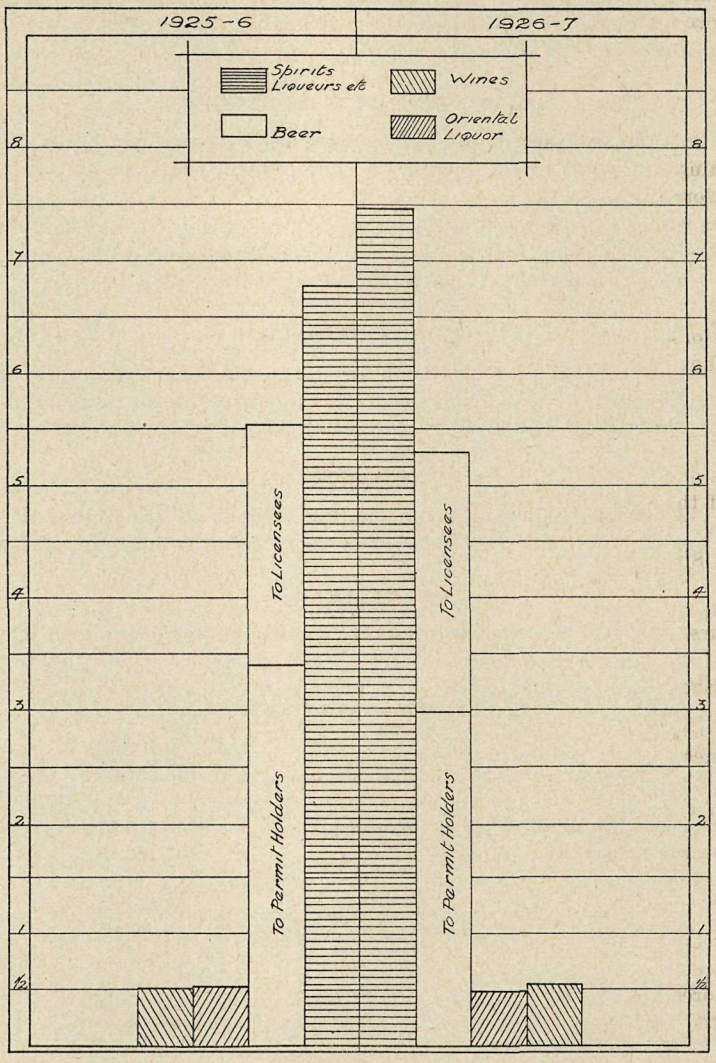
		$13,805,089.50

The graph on page 8 illustrates the comparative sales for the fiscal years 1925–26 and 1926–27.

PRICES.

Amendments to existing price-list have not been numerous. The variety of brands both in wines and spirits presents reasonable opportunity of choice and price to all purchasers in obtaining their requirements. The Board points out that during the fiscal year 1926–27 there has been paid to the Dominion Government in customs and excise duties and sales-tax the sum of $3,117,490.36. Moreover, this amount, which is only some $272,000 less than the net profits derived from the business for the same period, does not include the amount of excise duty and sales-tax paid direct by the breweries and the manufacturers of native wine.

COMPARATIVE SALES IN TERMS OF ONE-HALF MILLION DOLLARS.



INSURANCE.

Burglaries at Government Liquor Stores which occurred during the year were as follows:—

1926.	Store.	Value of Goods stolen.
May 7.	Maillardville	$63.20
Sept. 15.	Chilliwack	300.13
1927.		
Jan. 5.	Chilliwack	134.25
Feb. 26.	Ashcroft	19.50
	Total	$517.08

Under the terms of the insurance carried all of the above were settled in full without loss to the Board.

In addition to the fire already referred to at the Keremeos store, a fire of considerable proportions took place in the Government Liquor Store at Nelson. The value of stock and equipment destroyed and damaged by fire and water amounted to $3,864.64. Of this, goods to the value of $1,775.72 were salvaged and returned to warehouse stock, the balance being settled in full by the insurance company.

LOGANBERRY WINE.

The increased sales of loganberry wine continue to testify to the growing popularity of this native product, and the market has been extended to the Prairie Provinces, where the wine is reputed to be meeting with a favourable reception.

PERMITS.

A detailed statement showing the sale of each variety of permit is shown in Appendix D. The sum of $167,036 has been received from the sale of permits in the Government Liquor Stores and transmitted to the Department of Finance. This amount represents an increase of $5,775 over the preceding year.
