TO UNDERTAKE REPAIR OF ROOF OF WHARF SHED

The board of harbor commissioners has awarded the contract for the repairing of the roof of the No. 2 shed at the government wharf to the McLeod Sheet Metal Works, 1042 Richards street. The exact amount of the contract will depend on the area found necessary to repair, but it is already known that this will be quite extensive. The repairs are to be made with an asphalt and gravel six-ply roofing, and the shed roof is to be given a thorough renovation. Work is to be started on the job at once.

CONTRACT FOR BRICK POWER HOUSE AWARDED

Having about completed the excavation for the power house unit of the new factory on Drake street for the Dominion Canners, Ltd., Mr. Frederick Sherborne, 77 Fifty-fifth avenue, west, South Vancouver, has also been awarded the contract for the erection of the brick power house which is to cost about $10,000. The award of the contract is announced by Architect J. E. Parr, Carter-Cotton building, who prepared the plans and is supervising the erection of the new factory. Mr. Sherborne was the successful tenderer for the excavation and foundation for the power house.

$10,000 ADDITION

In connection with the remodelling the Chamberlain block at the corner of Seymour and Cordova streets for David Spencer, Limited, the Dominion Construction Co. have taken out a permit for an additional storey to that building to cost $10,000.

WILL AWARD CONTRACT SOON FOR FINE HOME

Plans have been prepared by Architect H. H. Gillingham, 1502 Tower building, who expects to award the contract this week, for a fine residence to be erected for Mr. F. G. Evans at the corner of Twenty-ninth avenue and Margaret street, Point Grey. The dwelling will be of frame and stucco construction and will have five rooms on the ground floor and five upstairs. The plans provide for a handsome porte cochere, and a full concrete basement. A garage also of stucco construction to match the house, is also to form part of the contract. It has not yet been definitely decided whether a hot water or hot air heating system will be installed.

WOODWARD'S BUILDING PROGRAMME DEFERRED BUT WILL BE ENLARGED

With the acquisition by the Woodward Departmental Stores, Ltd., of another 50 feet frontage on Hastings street, comprised in the building at present occupied by the J. N. Harvey, clothing firm, the Woodward firm now control 185 feet frontage, or about half of the block between Abbott and Cambie streets. The price paid for the Harvey store and premises is stated to be $140,000, which is conceded to be a pretty fair bargain for such desirable Hastings street realty.

As the lease of the present Harvey premises runs until next January, the prevously arranged building programme of the Woodward firm has been considerably altered. It was originally intended to have commenced the erection of a six or eight story building uniform with the present department store at the corner of Abbott and Hastings street, some time this summer. The building programme called for an expenditure of about $400,000 on the construction of this new building. But with the acquisition of the additional frontage comprised in the Harvey store, the necessity for a complete revision of the original plans, combined with the present high prices of building materials, combined with the uncertainty that exists in the labor market, the firm has decided to defer the start on its building programme until next spring. It was stated to The Record by a member of the Woodward firm that it is planned to start early in the spring of 1921 on the demolition of the building now occuping the Hasting street frontage from the department store to the westerly limit of the Harvey store. Meanwhile plans are to be prepared for a six or eight story building that will occupy that entire frontage and will probably close to $1,000,000.

OFFICIAL ORGAN.

The British Columbia Record is the official organ of The Architectural Institute of British Columbia, federated with The Royal Architectural Institute of Canada and as such is used by them as the medium through which to make their official announcements to the general public.

By such selection the British Columbia Record is no wise pledged to editorial support of any policy advanced by these societies, but maintains an absolutely independent position on all matters subject to editorial opinion.

BUILDING STILL BRISK ALL OVER UNITED STATES

According to a summary of building operations from all points in the United States and a number of Canadian cities as secured by Bradstreets, constructional activity continues to show a healthy increase. Notwithstanding reports of scarcity and record high prices of all kinds of building materials of new and every increasing demands for advances in wages, and of high money rates causing cancellations aggregating the huge sum of one billion dollars, the filing of new plans for building goes on rapidly in most Canadian and American cities. It is worth noting, however, that the passage and operation of the rent bills in New York state has tended to operate as a check to real estate operations in the metropolis. Whether this will also affect building operations remains to be seen but the housing shortage continues so acute it is not expected to affect conditions very long.

Reports secured from 149 cities in the United States and 9 in Canada show 30,593 permits issued in March providing for the construction of $139,104,195 worth of new buildings or of alterations. These figures mark an increase of 17.5 per cent. in permits and of 155 per cent. in value as compared with March of last year in the same identical cities. This total of value and the gain over March a year ago are both very large, and it is interesting to note that with only 149 cities out of 163 regularly reporting, the March total is the largest recorded since last December, and has only been exceeded in three months since August, October and December of last year.

These comparisons with the best months of last year are illustrative of the building returns were first compiled by Bradstreets. Those months were the continuing strength of the building movement, though it should be borne in mind that the gains over previous years to 1919 need to be considered with some regard to the great advances that have occurred in material and labor as compared with earlier years. In other words, there is probably as great a gain in area or floor space of buildings erected as the much advanced returns of value would indicate.

The total number of permits issued in 9 Canadian cities for March was 1,291, and their total value was $4,668,759, representing an increase of 112.1 per cent. in the number of permits issued and 1112.2 per cent in the value of the construction they authorized, over the same month last year. In the 149 American cities tabulated during the same period there were 30,593 permits issued of a total value of $139,104,195. This represented an increase of 117.5 per cent. in the number of permits and 1144 per cent. in the value of the building in that period as compared with March, 1919.

HUDSON'S BAY COMPANY TO BUILD AT WINNIPEG

WINNIPEG—The Hudson's Bay Company will probably commence building operations on their new store here, which will cost approximately $5,000,000, some time this year.

ROAD CONTRACTS AT MATSQUI ARE AWARDED

MATSQUI—The Matsqui municipal council has awarded several contracts for road work in the municipality on which work is to be commenced at once. The contract for repairs to the Mathers road was awarded to Matthew Graham for $1,007. R. H. Macgee was the successful tenderer on the repairs to the Huntingdon road and his bid of $467 was accepted. W. Murphy was also awarded a contract for repairs to the road near the station at $150. A grant of $250 was also made for grading work on the Glenmore road, and an additional $100 was voted for work on that road from the town line to the boundary of the ward. Repairs to Marshall road at a cost of $150 were also authorized.

PLANS PACKING PLANT ON SITE NEAR EBURNE

Backed by local capital, a new company has been organized and incorporated under the title of the British-Canadian Meat Packers Company, Limited, with head office in Vancouver, and capitalized at $500,000. The company has recently acquired and will shortly take over the wholesale meat and dairy produce business of Charles Taylor & Company, formerly of Calgary, and the plans for the immediate future include the erection of a modern meat packing plant and abbatoir on an excellently situated site of four acres which has recently been secured near Eburne.

Plans for the new abbatoir and meat packing plant which will be strictly modern and sanitary in every particular, are to be prepared shortly. It is estimated the first units of the plant will cost about $100,000. The board of directors of the new company include: Mr. Charles Taylor of the Cal-Van Products Company, managing director; H. H. Beck of the Union Trust Company of Toronto, and E. A. Allison of Vancouver.

GOVERNMENT VOTES FOR ROAD WORK IN B. C.

VICTORIA—The public works department of the provincial government has been voted the following sums for construction work during 1920 on roads, highways, trails and bridges in the various electoral districts for the current year:

District	Total
Alberni	$46,400.00
Atlin	38,000.00
Cariboo	74,000.00
Chilliwack	30,800.00
Columbia	39,100.00
Comox	66,000.00
Cowichan	31,300.00
Cranbrook	48,200.00
Delta	23,900.00
Dewdney	54,700.00
Esquimalt	31,800.00
Fernie	40,500.00
Fort George	80,600.00
Grand Forks	24,000.00
Greenwood	26,400.00
Islands	27,000.00
Kamloops	68,300.00
Kaslo	39,100.00
Lillooet	62,150.00
Nanaimo	9,800.00
Nelson	5,000.00
Newcastle	30,000.00
New Westminster	1,800.00
North Okanagan	53,500.00
North Vancouver	28,000.00
Omineca	81,000.00
Revelstoke	38,400.00
Prince Rupert	63,450.00
Richmond	26,000.00
Rossland	9,600.00
Saanich	5,000.00
Similkameen	43,600.00
Slocan	37,200.00

South Vancouver	16,900.00
Yale	49,900.00
Trail	42,500.00

B. C. MARINE TO BUILD NEW VESSEL FOR H. B. CO.

At a figure that is said to approximate $300,000, the B. C. Marine, Ltd., has been awarded the contract for the construction of the new auxiliary schooner intended as an Arctic trading vessel, for the Hudson's Bay Company. The award of the contract was made by Capt. J. Fitzgerald, marine superintendent of the Hudson's Bay Company, after a careful inspection and investigation of the equipment and facilities of various local yards, with a view to ascertaining what firm was best situated to turn out the vessel as quickly as possible.

The new schooner which is to be very staunchly built and will have a special sheathing of selected oak as well as steel armor on the bow to enable her to withstand ice pressure and cut her way through floating ice, is to be 200 feet in length with a beam of 36 feet and a depth of 12 feet. She will carry about 1,200 tons as well as oil fuel for a large cruising radius. Speed in construction is desired as it is planned to have the vessel launched in August and taken north around through Behring Sea to the mouth of the Mackenzie River, on which stream she is to be used for trading purposes. Manager James Innes Hopkins of the B. C. Marine announces that an early start is to be made on the construction of the vessel which will be the first of this particular type for Arctic work that has ever been constructed in local shipyards.

PREPARING PLANS FOR STORAGE WAREHOUSE

Plans are now being prepared in the offices of Twizell, Birds & Twizell, Metropolitan building, for a municipal storage warehouse to be erected at Summerland to take care of fruit and other shipments. The building will be constructed either of hollow tile or brick and will be 100 by 65 feet in size, three stories in height and of frost proof construction. Plans will be ready for tenders in a short time.

START SOON ON KELOWNA STORAGE WAREHOUSE

Architects Twizell, Birds & Twizell, Metropolitan building, are engaged in preparing working drawings for a proposed fruit storage warehouse at Kelowna. The warehouse, which is intended to provide for the care of large fruit shipments, will be a three story structure 85 by 150 feet in size and of tile construction. It is expected that plans will be completed ready for work to be started in about two weeks time. The work will probobaly be done by Okanagan contractors.

PLANS FINE HOME FOR SHAUGHNESSY HEIGHTS

Plans are now being prepared by Architect Edwardes Sproat, 403 Dominion building, for a handsome, two-story residence to be erected on Shaughnessy Heights for Mr. J. Dundas. The dwelling is to contain all modern improvements including hardwood floors and hot air heating. The plans will be completed in a few days when tenders will be invited, due notice of which will be given in these columns.

CALL TENDERS MONDAY FOR SOLDIERS' HOUSES

SOUTH VANCOUVER—Tenders for the erection of seven new homes under the Soldiers' housing scheme will be asked for on Monday.

"Look here! Do you say I stole the five dollar bill you lost?"

"No, I don't say that."

"Then what do you say?"

"Well, I say that if you hadn't helped me look for it, I might have found it."

START WORK SOON ON CAWSTON DEPOT

CAWSTON—Information has been received to the effect that the Great Northern Railway company has issued instructions and called for materials to be laid down at Cawston preparatory to the erection of the depot.

Housing in Winnipeg and district has become such a problem that the citizens are almost frantic in their endeavors to secure suitable accomodation. Daily reports show that rental agents and janitors are offered cash bonuses in order that certain families may secure preference, but without avail.

WILL SPEND $25,000 ON SO. VANCOUVER ROADS

SOUTH VANCOUVER—Assurance of a considerable improvement in South Vancouver roads during the coming summer is promised as a result of a lengthy conference between Hon. Dr. J. H. King, minister of public works, A. E. Foreman, government engineer and Commissioner, F. J. Gillespie, during which the minister of public works undertook to provide $25,000 for road improvement in the municipality this summer. Of this amount the municipality will repay to the government out of next year's receipts $8,000.

This $25,00 will provide for the hard surfacing of Marine Drive for the entire width of the municipality, extending from the Burnaby boundary to that of Point Grey, thus linking up this fine highway with the other sections and providing an excellent trunk road. This item alone is estimated to cost $16,000, and Hon. Dr. King intimated that work would be started at once. Another item of $4,000 was remarked for the repair by the municipality of the Vivian creek bridge on Marine Drive. Fraser street paving will also be repaired by the municipality at a cost of $1,000, while necessary repairs to the paving on Kingsway will also be made, the government paying 75 per cent. of the cost, and the remaining 25 per cent. will be paid to the government by the municipality next year.

TENDERS INVITED FOR NEW INDIAN SCHOOL

Mr. Duncan C. Scott, deputy superintendent of Indian affairs, at Ottawa, is calling for tenders for the erection of an Indian boarding school at Stuart Lake, B. C. Tenders will be received up to noon of Tuesday, May 25, at the office of R. H. Cairns, school inspector, Vancouver; W. E. Ditchburn, chief inspector, Victoria; Charles C. Perry, Indian agent, Prince Rupert; R. E. Loring, Indian agent, Hazelton; and the post offices at Calgary and Edmonton, in addition to the department of Indian affairs at Ottawa.

Each tender must be accompanied by an accepted check for ten per cent. of the tender, and one of the conditions of the contract is that the school must be completed and ready for occupation by May 1, 1921.

INVITE BIDS TO BUILD SIX COURTENAY HOMES

COURTENAY, B. C.—Municipal Clerk Robert McCuaig is inviting tenders for the construction of six dwellings under the provisions of the Soldier Housing Act, to be erected on various locations in this town. Separate tenders for each house are not wanted and no tender will be considered unless for the entire six dwellings. Tenders will be received up to noon of Monday, May 17, and each tender must be accompanied by an accepted check for a sum equal to ten per cent. of the tender.

A NEW GAS SERVICE -- HEATING --
YES, you can heat your home, office building, store or factory with GAS economically, conveniently and satisfactorily—without the dirt and dust of a furnace—without the work of carrying ashes or shoveling fuel.
There are gas-heating systems that fit any type of house or building from the hot air system that uses your present registers and pipes to the automatic unit radiator system that controls your heat to a nicety.
Think of the convenience of a gas-heating system—think of the clean basement and the freedom from work that gas means—and then call up our New Business Department. Seymour 5000.
WE SHALL BE GLAD TO ADVISE YOU ON YOUR HEATING PROBLEMS

AWARDS CONTRACT FOR VICTORIA STORE BLOCK

VICTORIA.—Architect Percy Fox, Brown block, announces the award of a contract to Mr. A. Lockely, Esquimalt, for the erection of a two-story business block of three stores on Douglas street. The building, which is being erected for Mrs. W. H. Dougan, is to be of brick and tile construction and will cost approximately $29,000.

Mr. Fox is also engaged at present on the completion of plans and specifications for the Weiler building on Douglas street. The drawings will be finished about May 15th and tenders will then be called for. The building is estimated to cost in the neighborhood of $30,000.

NOTICE TO CONTRACTORS

REVELSTOKE WEST ROAD.

Sealed Tenders endorsed "Tender for construction of Revelstoke West Road," will be received by the Honourable the Minister of Public Works up to 5 o'clock p.m. the third day of May 1920, for the construction of approximately 19 miles of above road.

Plans, Specifications, etc., can be seen at the District Engineer's Office, Court House, Vancouver, at the Court House, Revelstoke and at the Office of the undersigned.

The lowest or any tender not necessarily accepted.

A. E. FOREMAN,
Public Works Engineer.
Public Works Department,
Victoria, B. C., April 15th, 1920.

"The time for receiving tenders on the above road has been extended until 5 p.m., May 17th."

VANCOUVER HARBOUR COMMISSIONERS.

NEW PIER WORKS AT BURRARD INLET.

CONTRACT NO. 1.

Sealed tenders addressed to the undersigned and endorsed "Tenders for Filling and Dredging" will be received at this office until twelve o'clock noon fifteenth May, 1920, for the execution of the Filling and Dredging for the Harbour Commissioners' New Pier, to be known as "Ballantyne Pier," at Burrard Inlet, Vancouver, B. C.

Plans and Specifications can be seen and form of tenders obtained at the office of the Harbour Commissioners, 712 Pender St. W., Vancouver, B. C., or at the office of A. D. Swan, M. Inst. C. E., Consulting Engineer to the Commissioners, 10 Phillips Place, Montreal, P. Q.

Tenders will not be considered unless made on the forms supplied by the Commissioners and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the Order of the Harbour Commissioners for the sum of Fifty Thousand Dollars ($50,000).

Copies of plans can be obtained on application to the Harbour Commissioners or the Consulting Engineer on payment of the sum of $25.00 which will be returned when the plans are returned.

The Harbour Commissioners do not bind themselves to accept the lowest, or any, tender.

By Order.
W. D. HARVIE.
Secretary.
Vancouver Harbour Commissioners,
Dated at Vancouver, B. C.,
April 20th, 1920.
