BUILDING NEWS

And Construction Work not otherwise Classified.

The contract for the heating at the Great Northern depot will be awarded within a day or two.

Balfour Guthrie & Co. have been awarded the contract to supply the bolts and iron work to be used in the construction of three, five masted wooden ships to be built by the Cameron & Genoa Mills, Shipbuilding Co. Ltd., Victoria.

Word has just been received from Seattle to the effect that tenders will be called in about three weeks for the construction of the new Pantages Theatre building on Hastings St. near Carrall. Working drawings have been started, the preliminaries having been approved by Mr. Pantages.

The contract for the construction of he two new buildings to be known as the Chemistry and Assembly buildings, and for alterations to the Arts, Mining and Science buildings at the University of British Columbia, 10th and Wilow Sts., Vancouver, has been let to Baynes & Horie, 836 Howe St.

The heating contract, for which tenders were taken at the same time, has been let to Leek & Co.

Balfour Guthrie & Co. will supply the reinforcing steel and cement to be used in the construction of the concrete arch over Burnside road, Victoria. Robertson & Partners, Metropolitan Bldg., Vancouver have the contract.

As stated some time ago in these columns, A. W. Quist, Hoge Bldg., Seattle, is doing some work at the plant of the Canadian Fish Co., Ltd. This consists of a new roof, one-half of walls of building and considerable new insulation. Cost about $30,000. Decision will be reached this week as to whether the plant will be permanently rebuilt.

KAMLOOPS—Work is expected to be started soon on the Kamloops—Kelowna line of the Canadian Northern.

SANDON—The erection of the Surprise concentrator and putting in of the Slocan Star tram and loading bins is providing considerable building activity.

KERRISDALE—The B. C. E. Ry. has notified the council of its intention to change the names of Shannon, Marpole and Townsend station on the Lulu Island line to 59th, 64th and 70th Aves. respectively.

SOUTH VANCOUVER—The municipality has $29,000 balance of the sewerage money left and has not decided as to which district it will be expended on although it will be either the George, Prince Albert or Commercial St. area.

NANAIMO—A special committee which has had the proposal under consideration for some time has strongly urged the council to establish a central dairy station. The cost is placed at $20,000, being $5,000 for land, $5,000 for buildings and $10,000 for machinery and equipment.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,423
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	373,000	308,670
Education	1,594,600	1,524,500
Transport	33,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $30,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; provincial normal school, Vancouver, maintenance, $8,000. The appropriations for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $63,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $60,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

SAINO SHEET METAL FIRE DOOR

This door is radically different from Fire Door heretofore known. Made of steel and asbestos, crosslaid galvanized iron of two thicknesses, with air spaces and asbestos lining 1-16th inch thick prevents warping. Much lighter than any other standard Fire Door. Weight only 5 lbs. per square foot. Can be installed in any manner that other Fire Doors are installed—sliding, swinging, vertical, etc.—Latest approved hardware and trimmings used.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers" of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

STREET AND ROAD IMPROVEMENTS

VICTORIA—The streets committee has decided to purchase from the Worswick Co. its bunker on Gladstone Ave.

PORT COQUITLAM—The City Council has decided to grade and improve Dominion avenue leading to the Pitt River shingle mill. This will cost about $2,200.

VICTORIA—Oak Bay avenue will be resurfaced with tar macadam, as called for in the original by-law.

Shelbourne St. between Hillside ave. and the city limits will be macadamized at a cost of $1,900.

VICTORIA—Aldermen Porter, Dilworth and Johns have been appointed to take up a proposition with Grant, Smith & Co. and McDonnell, Ltd., for repairing the creosoting plant, now dormant, for use by the company in its breakwater piers contract, on the understanding that the city shall have the opportunity of taking any blocks for treatment there at a nominal figure.

VERNON—The City Council has decided to engage the services of a competent hydraulic engineer to report upon the best measures to be taken to increase the water supply of the city.

FORT WILLIAM, Ont.—The Grain Growers' company of Winnipeg, has awarded a contract to S. J. McQueen, of this city, for its new elevator to be constructed this year on the Port Arthur waterfront, at a cost of $700,000.

NEW WESTMINSTER — Permits have been issued by the building inspector for the $15,000 factory building of the Canadian Products Limited on the Waterfront; for a lodging house costing $1,000 on the Westminster Mill Company's premises, and for the new freight sheds of the B. C. Electric Railway to cost $2,000.

VICTORIA—At the last meeting of the fire wardens, the question of the replacement of the wood-stave pipe on the wooden trestle across the waters of "The Arm" was discussed. Several alternative propositions were under consideration, but it was concluded that, under the circumstances, it would be unwise to recommend the Council to undertake any change.

It is stated that all the loggers on the Pacific Coast north of the Columbia River may close down for 30 days beginning some time next week. The reason given is that the log market is rapidly becoming flooded with a surplus, owing to the rush that took place when the business outlook appeared good; another circumstance being given is the scarcity of labor and the high wages that prevail.

The residence of Mrs. M. Frith, 820 Helmcken St. has been damaged by fire. The loss is not large.

NOTICE TO CONTRACTORS.
TENDERS WANTED.

Sealed tenders addressed to the undersigned and endorsed "Tender for Telegraph Wire," will be received at this office until 4:00 p.m. on Monday, July 10, 1916, for 163,500 lbs. of Galvanized Iron Telegraph Wire delivered at Montreal, Que.; or 128,500 lbs. of same delivered at Kamloops, B. C., and 35,000 lbs. delivered at Vancouver, B. C., early dates of delivery desired.

Specification and forms of tender can be obtained on application to the office of the General Superintendent of the Government Telegraph Service at the Department of Public Works, Ottawa; also at the office of Mr. J. T. Phelan, superintendent of Government Telegraphs, at Vancouver, B.C.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent. (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the contract. If the tender be not accepted the cheque will be returned.

The department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 13, 1916.
