STAFF.

The number of employees on the permanent staff of the Liquor Control Board as at March 31st, 1944, is 250, being 233 males and 17 females. This number does not include 26 employees on active service.

In order to take care of veterans returning from overseas, no appointments have been made to the permanent staff during the past three years, unless there have been exceptional circumstances which necessitated such appointment.

Vendors and Clerks in many instances carried on their work under trying and difficult conditions, and the Board wishes to take this opportunity of acknowledging the co-operation of employees in overcoming many difficult situations.

STOCKS.

The value of stocks as at March 31st, 1944, amounted to $1,746,002.93, being an increase of $880,392.79.

Apart from the Federal Government restrictions in regard to the quantity of liquor which could be obtained for distribution, the Board met many difficulties in obtaining imported goods, and it is possible that these conditions may continue for some considerable time.

SALES.

The total sales of $24,825,174.93 show a decrease under the previous period of $3,886,106.42.

For comparative purposes classification of sales is given hereunder for the fiscal years ended March 31st, 1943, and March 31st, 1944:—

	Fiscal Year 1944.	Fiscal Year 1943.
Duty	$1,406,922.13	$1,655,440.74

The figures quoted do not represent the duty, excise, and sales tax on merchandise sold during the period under review, but only that paid by the Liquor Control Board on goods that were cleared through the Customs and Excise Departments during the said period.

The above total does not include taxes paid direct to the Federal Government by brewers in connection with beer manufactured in Canada, by Canadian wineries covering wine produced, and also liquor purchased by the Board duty paid, the latter being paid direct by the distillers.
