Twelfth Annual Report of the Milk Board

For the Year Ended December 31st, 1957

This Report of the Milk Board is made in accordance with section 56 of the " Milk Industry Act " and covers the calendar year ended December 31st, 1957.

Tables giving up-to-date statistical information relative to the production and utilization of qualifying milk, to accounting values for each class of qualifying milk, to producer prices for qualifying milk, to sales of fresh fluid dairy products, and to dairy feed prices are appended hereto.

LEGISLATION

There were not any amendments to Part III of the " Milk Industry Act " during the year.

AREAS OF PRODUCTION

By Order in Council No. 1628, approved by His Honour the Lieutenant-Governor in Council on the 8th day of July, 1957, the Kamloops-Okanagan area of production was defined. This brings to three the number of areas of production under Part III of the Act. The other two are the Vancouver and the Vancouver Island areas of production.

At December 31st, Board orders covering the new area have not been issued. It is expected that such order will issue early in 1958.

MEMBERSHIP OF THE BOARD

George W. Challenger, B.S.A., of Sardis, tendered his resignation as member of the Milk Board, to become effective the 30th day of November, 1957. By Order in Council No. 2651, approved November 2nd, 1957, his appointment, made by Order in Council No. 1236, approved May 17th, 1956, was rescinded, effective the 30th day of November, 1957.

By the same Order in Council, John D. Honeyman, of Ladner, was appointed as a member of the Milk Board, effective the 1st day of December, 1957.

ADVISORY COMMITTEES

Under the provisions of section 41 (*z*) the Board constituted two committees. On February 14th, Mrs. L. E. Gower, New Westminster; Mrs. L. V. Lillico, Vancouver; and Mrs. E. Mills, Victoria, were appointed members of an advisory committee of consumers. One meeting with this committee was held.

Mr. John V. Friesen, Ladner; Mr. John D. Honeyman, Ladner; and Mr. William Taylor, Saanichton, were appointed members of an advisory committee of producers on April 12th. Two meetings with this committee have been held.

BOARD MEETINGS

Twenty-five meetings of the Board were held in its office to deal with matters of policy and administration. Minutes of these meetings are recorded in the minute-book of the Board.

Throughout the year, numerous meetings and conferences were also held with producers, vendors, and other interested parties to discuss matters pertaining to the production and marketing of milk.

LICENSING

Under the provisions of General Order No. 5, two classes of licences are issued by the Board. Vendors, milk-jobbers, and producer-vendors are required to obtain a Class I licence and producers and producer-vendors a Class II licence. Both licences are issued for a period of twelve months, or portion thereof, ending on March 31st of the period in respect of which they are issued.
