Milk Board Membership and Activities

1980 saw the retirement of J. D. (Jack) Honeyman after 23 years service to the dairy industry as a Milk Board Member. The Minister of Agriculture and Food appointed J. L. (Jim) Gilbert, a Lower Mainland dairy farmer, to replace Jack Honeyman as Board Member. Jim Gilbert relinquished his appointment on the Market Sharing Quota Advisory Committee to take his position on the Milk Board. Other Members of the Board remained unchanged from the previous year with Elmer D. Daum, B.A., C.A., as Chairman and S. L. Hanson as Member.

The Board held many meetings to discuss matters of policy and held numerous additional meetings with producers, vendors, and other interested parties to discuss matters pertinent to the milk industry. Board representatives attended meetings of the Dairy Committee of the British Columbia Federation of Agriculture and the Board members attended the Federation's Annual Convention. The Board Administrator attended the meeting held by the International Association of Milk Control Agencies which took place in Lexington, Kentucky.

The Board Chairman and the Administrator, together with the members of the Market Share Advisory Committee, attended the meetings of the Canadian Dairy

Commission Milk Supply Management Committee in Ottawa. The Administrator of the Milk Board continued to serve on the Secretariat to the Milk Supply Management Committee.

Market Share Advisory Committee

Mr. Jim Waardenburg and Mr. Reg Emblem continued to serve as members of the Market Share Advisory Committee. In January 1981 Mr. James W. Schalin was appointed as a member of the Committee to replace Mr. Jim Gilbert. The Committee held many meetings to discuss matters of policy and administration related to market-sharing quotas and the Milk Supply Management Program. They also held additional meetings with producers and other interested parties to discuss matters related to these programs.
