The Radium liquor store, previously a seasonal operation, remained open all year round for better service to the public.

The Board disposed of its property at River Street, Golden, and Victoria Avenue and Jaffray Streets, Fernie, as these properties were surplus to its needs.

In order to give added service at the Christmas season, the Board arranged for the extension of hours of sale of many stores throughout the Province on December 17, 18, 21, 22, 23, 29, and 30. These added hours, as in the past, proved beneficial in serving the public.

Chief Accountant

I have examined the balance sheet of British Columbia Liquor Control Board as at March 31, 1971, and the related statement of profit and loss for the year then ended. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary for the circumstances.

In my opinion these financial statements present fairly the financial position of the Board as at March 31, 1971, and the results of its operations for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
