BOB ARMOUR MAKES GOOD

Provincial Party Candidate Holds Rousing Meeting And Pleases Large Local Audience

More pep was shown at the Provincial Party meeting last Tuesday night in the Hotel Stewart than has come to the surface at any of the meetings held here during the present political campaign. The four speakers were on their toes at the very edge of the platform all the time, (except the chairman who was handicapped, being behind a table) and the audience responded by vociferous demonstrations. The chairman, Dalby B. Morkill, made his maiden speech before a crowded house and won the favor of his hearers. He gave as his principal reason for joining the Provincials, that the two old parties had reached a point where they were in collusion in matters of business affecting the welfare of the province, and he wanted to see someone take hold in a business-like way aud make British Columbia in fact rather than in theory, the best place on earth to live in.

H. W. M. Rolston outlined the needs of this particular section and told of the failure of past administrations to provide them. Three items in particular he emphasized—the establishment of a sensible trail system, a government employment office and an amendment to the Workmen's Compensation act to cover disabilities received by prospectors while in pursuit of their vocation. He also dragged Hon. T.D. Pattullo, Minister of Lands, over the coals for making a trip to Europe and advocating the immigration of 300,000 settlers, irrespective of the fact that thousands of native-born Canadians had been driven into the United States by economic conditions. The export of B. C. logs to be manufactured into lumber in the United States was denounced, and as an example of mining legislation enacted by the present Government, the Dolly Varden scandal was cited.

Opposition speakers were given a chance to take the platform and calls for Bert Kergin were hard. He not responding, Pat Kelly was called upon and gave a stirring address in his characteristic manner, making, as members of the audience were heard to declare, a strong plea in support of the new party. However, he finally announced he was in favor of E.J.Conway, Conservative nominee.

Robert Armour, Provincial Party candidate, told of the organization and history of the party. He had hoped, he said, that when the Bowser government was thrown out of power by the Liberals there would be a change for the better in provincial government; but the same old crooked trail is being followed, and that is why the organization of a new party became necessary. He went over the evidence produced and what, he declared, was of more importance, the evidence suppressed, at the Royal Commission on P. G. E. matters, and was subjected to a certain amount of heckling, which failed to disconcert him. In regard to local mining needs, he said that he wanted to go into partnership with the people in deciding what legislation to introduce, and not take it upon his own shoulders. Mr Armour, although a novice on the political platform, made a decidedly good impression, and at the close of his address was cheered to the echo.

The meeting was followed by a dance that lasted until the bird chorus outside commenced to break up the rythm.

Andy Sweeney Dies

Andrew K. Sweeney, millwright at the Premier, died in Stewart last Sunday afternoon of heart failure, while he was here on a vacation visit. The news came as a great shock to his numerous friends, as he had for years been a general favorite. He had been with the Premier ever since the concentrating mill was built.

Andy was born in Scotland and is survived by a married sister, Mrs M. O'Hare, who resides at 240 Hillside Terrace, Cambuslang, Scotland. He served overseas throughout the war, and his three brothers were killed in action.

The funeral was held at 7 p.m. June 9, services being conducted by Rev. F.E.Reddick of Hyder. A large number of friends, both from Stewart and Premier, followed the body to its last resting place.

Dave Joinville has his back yard full of little roosters. They are having a great time—while they live.

Summer sailings of the Grand Trunk boats from Rupert for Vancouver during the summer will be each Monday, Thursday and Saturday at 11 p.m.

Words are pearls. A writer, if he wishes, can string them into a necklace of the most beautiful expression. And then the public, the great pee-pul, say "hell—why didn't the paper give a full report of the prize fight?"

STEWART-HYDER LOCAL NEWS

The Stewart public school will close on the 20th for summer vacation.

Dan Canavan of Atlin, who has been in Anyox for the past 11 months, is in town.

Jack Frumento of Cowichan, who is interested in the Terminus, is a recent arrival.

Capt. and Mrs C.A. MacKenzie left on the Prince George for Vancouver and Victoria.

George Tolin returned Saturday from Lacey, Wash, where he has been attending college.

Harry Noctor returned on the Cardena from Maple Bay, where he has been for several months.

L. Jessen, manager for Boyle Bros., the diamond drill firm, arrived on the Cardena from Maple Bay.

C. A. Banks, managing engineer of the B. C. Silver, and Mrs Banks, returned Saturday from Vancouver.

Wm. McNeish, traveling auditor for the Workmen's Compensation board, is in camp on his annual visit.

Jack Littlepage, managing engineer of the Riverside mine, returned Saturday from a business trip to Seattle.

Miss M. Wells is the new matron of the Stewart General Hospital. She arrived from Vancouver on the Cardena.

A son was born on Saturday morning, June 10, to Mr and Mrs John Rennie. Dr. Whillans reports that mother and child are doing fine.

W. J. Crawford's new tennis court is completed. It is a lumber court, with ample room, and is affording his friends and family plenty of wholesome outdoor amusement.

S.B.Trites, son of A. B. Trites who, with W.R.Wilson has the Big Missouri under bond, arrived from Vancouver Saturday. He has just returned from a trip around the world.

Rev. Father E. Allard, O.M.I., has written from Terrace that will arrive here June 21 and will hold Catholic Church services in Stewart June 22 and in Hyder June 29, at 10:30 a. m.

George Brown, a pioneer prospector and owner of the Dominion group on the north fork of the Marmot, returned Monday night from Seattle, where he spent the winter.

Friday the 13th this week. Two pieces of hard luck hit the News. First, the shipment of paper due on the last boat, failed to arrive, and second, the printer's towel, which he had cherished for two or more years, was knocked from its nail by a careless visitor, and dashed to pieces. Ah! Woe! Ah! Whoa!

Vince Seiffert returned Saturday after spending the winter outside.

Six fine workhorses arrived on the Prince George for Ernie Armstrong.

T. J. Shenton, provincial mine inspector, is here on one of his periodical visits.

John and James McNeil left Wednesday morning for their Red Top property.

A Ford Sedan for Walter Broad and a motorcycle for Sam McNeil arrived on the Cardena.

A. Forsyth, brother of Louis and Miss Muriel Forsyth of Premier, arrived Saturday from Seattle.

Mrs Morley, matron at the Stewart hospital since last summer, left Monday night for Los Angeles.

Mrs D.A Smitheringale, sister of Mrs W. B. George, returned last Saturday from an extended visit in Victoria.

A son was born Saturday morning to Mr and Mrs John Rennie. Dr Whillans reports that mother and child are doing fine.

S.P.Fitzgerald, president and manager of the Independence, left Saturday on a business trip to Vancouver and Victoria.

John and Jas. McNeil left Wednesdy morning for their Red Top property up Bear river, to prepare for the summer's work.

W. H. Tolin of the Hotel King Edward has made arrangements to give complete returns of the polls on the evening of the provincial election.

H.F.Kergin, Liberal candidate for the Provincial Legislature, returned on the Cardena to fulfill a deferred engagement at the Premier mine.

Rev. Arthur W. R. Ashley is the new minister of St. Mark's Church. He is here with his wife and baby girl and will hold services Sunday night.

Wm. Forrest, owner of various valuable mining interests up the Bear valley, returned Saturday from Vancouver Island, where he spent the winter.

Bob Armour left Wednesday morning on the Amur for Anyox, accompanied by H. W. M. Rolston, who expects to return on the Cardena Monday night.

The Standard Oil Co. have established an agency at Hyder with the Salmon River Dock Co. Their tanker, the "Alaska Standard," will arrive June 25 to unload gasoline, lubricating oil etc.

Constable Williams, B. C. P., arrested two Inidans this week. They plead guilty to dharges of contravening the Indian Act, on appearing before Stipendiary Magistrate J. P. Scarlett, were fined $15 and $25 with costs.

Mrs. Tolin Loses Father

Last Tuesday morning Mrs W. H. Tolin received a message announcing the death of her father, G. C. Richards, who passed away at his home in Edmonds, Wash., on the evening of June 9. The news came as a great shock to Mrs Tolin, as the last word she had heard from her father was to the effect that he was in apparent good health and fine spirits. She was preparing to leave this week to pay him a visit.

The late Mr Richards was past 80 years of age and had been a resident of Edmonds for 34 years. He was a pioneer lumberman of Western Washington, associated with former Senator Moultry, under the firm name of Richards & Monltry, one of the prominent lumber concerns of the state.

New Strike Up Salmon

C.W.Peterson has finished doing assessment work for this year on the Butte group, and on Monday brought in some nice-looking samples of white quartz, heavily mineralized with galena and iron pyrites and showing some ruby silver. The Butte consists of five claims, on the Alaskan side of the line, about 7½ miles from Hyder and a half hour's walk from the Salmon valley road. Last fall "Pete" built a fine cabin on the property and did considerable surface prospecting. Work thus far consists of open cuts which have exposed a strong vein, from six to ten feet in width and extending through the group. He intends to go up again next fall and possibly spend the winter there driving a tunnel.

Forestry Officials Here

Last Saturday District Forester P. S. Bonney and Ranger Critten arrived from Rupert on the B. C. Forest Service launch Leila R. On their way up the canal they made examinations of timber sales, logging operations, and timber trespass, and while here visited the Lawrence & Workman mill in Stewart and the Hyder Lumber Co. mill in Hyder. They also arranged for special forest preservation instruction in the local school. Land examination work up the Bear river valley is being arranged for on their next trip, some time during the next few weeks.

Twelve of the greatest entertainers who ever came this far north are here and will give a show in the Hotel Stewart Monday night, June 16. Space forbids telling all these talented musicians and charming girls are going to do, but their entertainment will be worth seeing and hearing.

DOMINION DAY CELEBRATION

Committes Selected To Take Charge of Greatest Event In History of Portland Canal District

Three members each from the Citizens Association, International Service Club, Moose Lodge and Board of Trade met Tuesday night and selected committees to take charge of the Dominion Day celebration, July 1, as follows:

Chairman—H.P.Gibson.

Sports—D.W.McLeman, J. W. Wilson, W.R.Tooth, Jack Scott.

Decorations—Kate Ryan, Sam Potts, Alex Frazer, E. Lewis.

Finance—Henry Rochfort, G. C, Andrew, P.S.Jack.

It is the intention to make this the greatest celebration ever held in Stewart and if the weather holds as it has been for the past week there will certainly be seen the greatest crowd ever assembled in this district. Net proceeds will go to the hospital.

Stewart Wins First Game

By a score of 13 to 8, Stewart won the first baseball game of the season with Hyder on the local grounds last Sunday. Three new pitchers appeared in the firmament; Dr. Butler for Stewart, and Billy McDonnel and Ed Haddon for Hyder, and the catchers, Brown for Stewart and Rabel for Hyder, also made a first appearance before local fans The game was much better from a spectator's standpoint than the scores seem to indicate, and with their new material both towns give promise of developing snappy teams when they have had some more practice. There will be a return game on the Hyder grounds next Sunday afternoon. Umpires last Sunday were J. A. Williams and Joe Grashio.

Bob Is Mining

A fact not generally known around the camp is that ten of the Granby workmen bought and are developing the Esperanza mine at Alice Arm. They have to pay the original owner of the property 25 per cent of smelter returns, as well as keeping up the payments called for in the sale. Bob Armour, one of the candidates in the forthcoming election, holds the largest individual interest in this property and has at times been instrumental in keeping it operating. Recently the high-grade opened out to three feet, and the little mine looks now like it would pay its way and make some returns to the boys who took a chance.

CLEAR THE TRACK

PEANUT POLITICS is trying to hold up the Relief Express. By your vote remove this obstruction to prosperity on June twentieth. A vote for the Liberal Candidate is a vote for John Oliver, the engineer who will bring this Relief Express, bearing prosrerity for British Columbia Safely through. It carries Equalized Freight Rates---the one fundamental that is essential to the prosperity of every man, woman and child in this Province.

Equalized Freight Rates will bring millions to our Province; will double our population in ten years; will develop our ports; will bring to us basic manufacturing industries and their pay rolls; will develop the necessary market for our agricultural products.

Equalized Freight Rates means more money, more industries, more people, lower taxes, lower cost of living.

Equalized Freight rates is the hinge on which the door to prosperity hangs. John Oliver and his Liberal Government have the key in the form of the sympathetic ear of a *like* Liberal Government at Ottawa.

Your vote for the Liberal Candidate is a message to the industrial, financial and political interests of the East that you are behind John Oliver in his fight for prosperity. Remember this on June twentieth.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age and by aliens on declaring intention to become British subjects, conditional upon residence, occupation and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes, minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment for stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 5 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free or partially free permits are available for settlers, campers and prospectors.

EMPIRE MINING CONFERENCE

The Empire Mining and Metallurgical Congress, the first Empire congress of the kind to be held, opened at the British Empire Exhibition June 3. The object of the gathering is to discuss scientific, technical and economic problems connected with the development of the mining resources of the Empire. It is also hoped, as an outcome of the congress, that an Empire council of mining and metallurgical institutions may be formed.

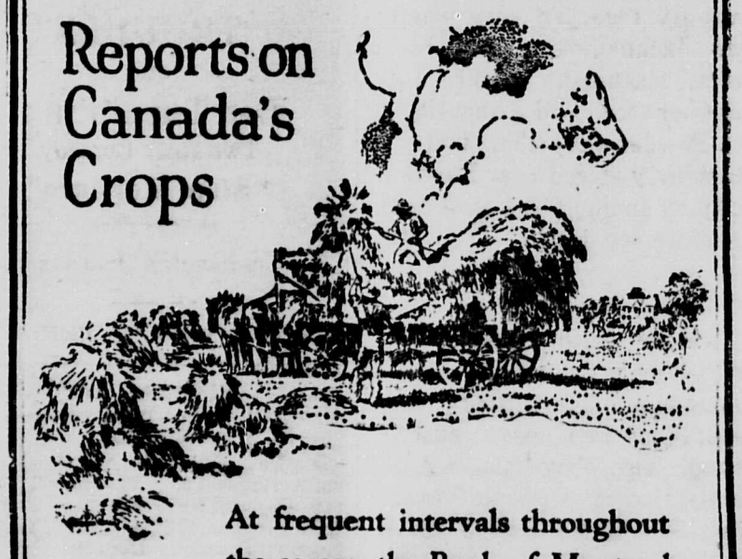
Referring to oil, Lord Long, who presided, said there was a very great potential source of oil in the Empire in large shale deposits and in torbanite, which is similar to shale, that contains a much larger proportion of high-grade oil. New South Wales, Lord Long said, contains the richest torbanite known, the yield of which would be 130 gallons to the ton.

It has been estimated that the actual iron ore resources in Australia are more than 334,000,000 tons, Lord Long said. Newfoundland possesses deposits of almost every known variety of iron ore and two of the largest mines in the world.

The resources of the Empire, in which her minerals were reviewed by Lord Long, showed that the British Empire holds a secure place in the world in their production. There are no minerals which could not be found in some quarter under the British flag.

"Our mining resources are enormous," said Lord Long. "We have the mines; we have the men to develop them."

Reports on Canada's Crops



At frequent intervals throughout the season the Bank of Montreal issues reports on the progress of the crops in Canada. These reports, telegraphed to headquarters from the Managers of the Bank's 550 Branches, cover every Province and form a reliable index of crop conditions.

The reports are furnished free. Upon request at any Branch of the Bank your name will be placed on our mailing list.

The Mineral Province of Western Canada

Has produced Minerals valued as follows: Placer Gold, $76,962,203; Lode Gold, $113,352,655; Silver, $63,532,655; Lead, $58,132,661; Copper, $179,046,508; Zinc, $27,904,756; Coal and Coke, $250,968,113; Building Stone, Brick, Cement, $39,415,234; Miscellaneous minerals, $1,408,257; making its mineral Production to the end of 1923 show

AN AGGREGATE VALUE OF $810,722,782

The substantial progress of the Mining Industry in this Province is strikingly exhibited in the following figures, which show the value of production for successive five-year periods: For all years to 1895, inclusive, $94,547,241; for five years, 1896-1900, $57,607,967; for five years, 1901-1905, $96,507,968; for five years, 1906-1910, $125,534,474; for five years, 1911-1915, $142,072,603; for five years, 1916-1920, $189,922,725; 1921, $28,066,641: for the year 1922, $35,158,843; and for 1923, $41,304,320.

PRODUCTION DURING LAST TEN YEARS, $350,288,862

Lode mining has only been in progress for about 33 years, and not 20 per cent. of the Province has been even prospected; 300,000 square miles of unexplored mineral-bearing land are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any Colony in the British Empire

Mineral locations are granted to discoverers for nominal fees.

Absolute Titles are obtained by developing such properties, security of which is guaranteed by Crown Grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing
