Plans and specifications are on file with the consulting engineers.

HEAVY LOCAL DEMAND IN CEMENT MARKET

The steamer Montara has discharged 16,000 sacks of cement for Balfour, Guthrie & Co, at the G.T.P. wharf, and the Eureka will follow shortly with 24,000 sacks, and with an additional shipment of 16,000 sacks before the end of the month, a total of 56,000 sacks will have been received by this firm.

Difficulty is experienced in getting sufficient cement to supply the demand, which is unusually heavy just now. The shipment on the Montara was entirely cleaned up in exactly three days.

Monday—Victoria.
Tuesday—South Vancouver, Victoria, New Westminster.

Thursday—South Vancouver, Shaughnessey Heights, Victoria.

You will save two dollars by paying a year in advance for the Record, besides having considerable time and the annoyance of paying a small bill each month. Sixteen and two-thirds per cent is pretty good interest on your money, isn't it? Worth saving! The price for one year paid in advance is ten dollars.

LUMBER SHIPPING SHED.

NEW WESTMINSTER—A new shipping shed for dry, finished lumber will be erected at the Brunette Sawmills, Sapperton. Work on driving the piling began Monday. The shed will cost approximately $4,000. An increase in business within the past few months has made necessary the enlargement of the shipping facilities of the concern. The Fraser River Pile Driving Company will put in the foundation for the warehouse.

SUBDIVIDE INTO WARDS.

NORTH VANCOUVER—The city council has completed a draft of the proposal to suddivide North Vancouver into six wards. The scheme will shortly be presented to the ratepayers in the form of a bylaw.
