SAYS MR. GUENTHER IS NOT THEIR ARCHITECT

On last Tuesday Mr. Emil Guenther, architect, with offices in the North West Trust bldg, volunteered the information to the Building Record that he had completed plans for a theatre bldg on Hastings E. for W. P. Dewees and associates, and that he would receive construction tenders until Sept. 13 for the work.

To-day Mr. W. P. Dewees informed the Building Record that Mr. Guenther had no authority for any such action; that he had not been commissioned to prepare any such plans, and that in all probability the plans for the theatre would be prepared by Architect Phillip M. Jullien, Arts & Crafts bldg.

As to what authority Mr. Guenther had for making any such statements the Building Record has no knowledge. The columns of this paper were open to him, as to any architect, for information of service of all subscribers alike, on the assumption that such a privilege would not be abused.

Mr. Guenther submitted a set of plans and completed specifications covering the construction of this theatre bldg. to the editor of the Building Record for inspection. On the other hand Mr. Dewees states positively that Mr. Guenther had no authority for any statement tending to show that he was the architect for the job.

VICTORIA NEWS

Excavating Contract Let.

The work of excavating for the Hudson's Bay Co.'s new store bldg. has been let to Luney Bros. Work commences at once.

It is said that the general contract will be let within a few weeks and actual construction undertaken.

Jail Issue Undecided.

The question of erecting a new jail (by-law has carried) is still undecided. It is likely that the bldg. inspector will be instructed to prepare plans and estimates.

May Terminate Contract.

Unless the Canadian Mineral Rubber Co. proceeds at once with the Gorge Road paving it is said that the city will rescind its contract.

Sooke Lake Waterworks.

The early submission to the ratepayers of a by-law to authorize the expenditure of an additional $1,500,000 wherewith to complete the Sooke Lake waterworks scheme has been decided on by the city council.

"Home" Contract Let.

Twenty-one firms have bid on a small contract to enlarge the Children's Home. The contract for additions at the Old Men's Home will be let to Knott & Jones at $3,920.

Esquimalt Building.

The total of building permits in the district municipality of Esquimalt during August was $9,500, while for the whole eight months since January 1, the total reached $202,200.

Plans "On View."

The successful designs in the Provincial Royal Jubilee Hospital plans competition are to be on view daily from 10 a.m. to 5 p.m., at the rooms of the Architects' Society, corner of Langley and Broughton Sts. The three successful designs are by Mr. L. Rixford, Somevell & Putnam, Vancouver; and James & Davidson.

WILL INVITE PROPOSALS TO FIX COST OF MAIN

While tenders will be invited by the city for constructing what is known as the Point Grey "partnership" water main, it does not follow that a contract will be let, as the idea of the officials is simply to ascertain whether it is cheaper to do the work by day labor or contract.

SOUTH VANCOUVER PERMITS FOR MONTH OF AUGUST

Building Inspector Young of South Vancouver reports that during the month of August permits issued by his department numbered 94, with a total value of $67,740. This is a slight decrease over the corresponding month last year

COMPETITION OPEN.

Dept. Bldgs., Ottawa—The commission of architects appointed by the government to direct the preparations of designs for the new departmental buildings at Ottawa has just submitted its report outlining the conditions of the competition.

It will be open to competitors throughout the British Empire. There will be at least two buildings and probably a third one for the courts. Half a million superficial feet of floor space will have to be provided.

Designs of a general character will first be submitted and from this number the best six will be selected and the authors of these will be asked to elaborate their designs. The one finally selected will get the job of superintending the work based on his plans and will be given a five per cent commission. The cost of the buildings will probably aggregate five million dollars.

The other five competitors who will be asked to develop their general designs will each receive $3,000. The sketches will be received up to January 2 next. Then three months will be given for the best half dozen to develop their plans.

The competitors whose plans are accepted will be given a further period of four months to prepare working plans. Afterward tenders will be called for, but, in view of the time allowance, this will not be before next autumn.

The cost of the building will aggregate $5,000,000 dollars. The other five competitors will be asked to develop their general designs and each will receive $3,000. The sketches will be received up to January 2, next. Then three months will be given for the best half dozen to develop their plans.

PROPOSED GOVERNMENT BUILDINGS, OTTAWA, ONT.

Architects are invited to submit sketch designs in a preliminary competition for the erection of Department and Courts Buildings.

From the designs submitted in this preliminary competition, six will be chosen by the Assessors, the authors of which will be invited to submit more matured designs in a final competition, for which the five unsuccessful competitors shall each receive an honorarium of Three Thousand Dollars ($3,000.00.)

The author of the design placed first by the Assessors will be entrusted with the work which the Government intends carrying out at once.

The competition is limited to British subjects, practising in the British Empire.

The Government has appointed Mr. T. E. Collcutt, Mr. J. H. G. Russell and Mr. J. O. Marchand, as Assessors to act in its behalf.

The designs in the first competition must be delivered in Ottawa (carriage paid) not latter than 12 o'clock noon, 2nd January, 1914, addressed to the undersigned.

Conditions for both competitions may be had on application to the undersigned, and at the office of the High Commissioner for Canada, 17 Victoria Street, London, England.
