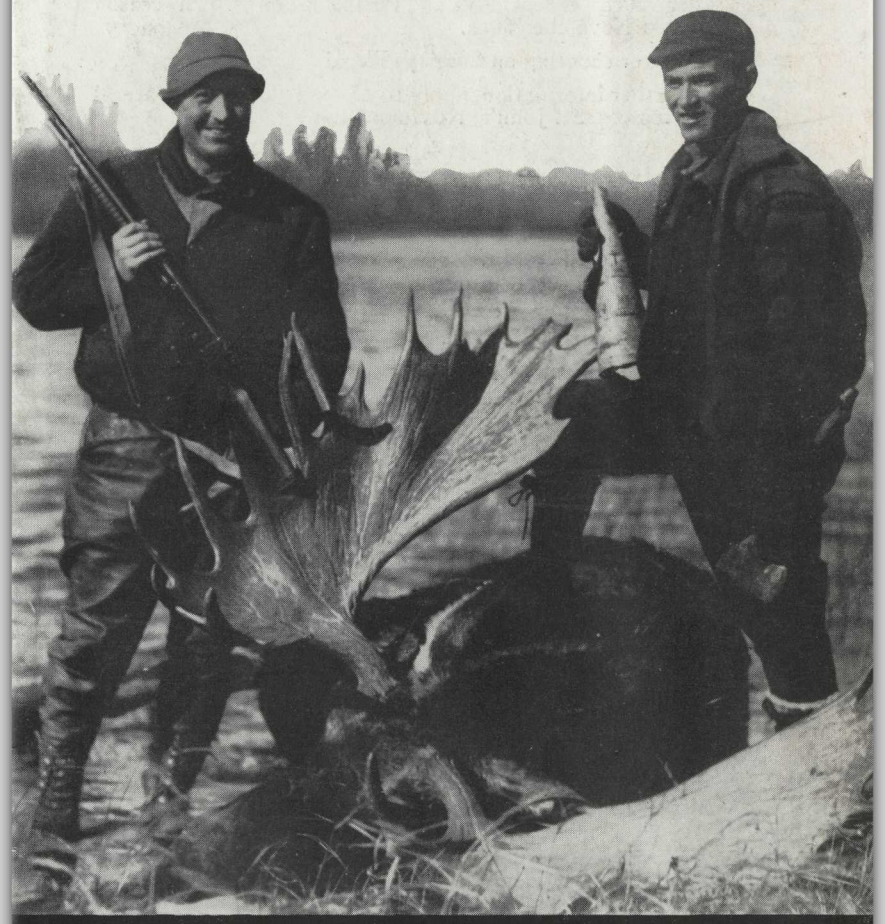
Open Seasons for HUNTING

CANADA MAINE NEWFOUNDLAND ALASKA

1938



Canadian Pacific

THE Canadian Pacific Railway gives access to many attractive hunting districts where big game is plentiful. Sportsmen desiring information concerning game conditions, outfitters, guides, or any other features surrounding a hunting trip, should write to A. O. SEYMOUR, General Tourist Agent, Canadian Pacific Railway, Montreal, Que.

The following hunting laws are compiled from latest Governmental advices. As changes are frequently made, however, the information cannot be absolutely guaranteed. Intending sportsmen should consult the official sources of information mentioned to be on the safe side.

Game Birds—Special Note

The control of all migratory birds in Canada is vested in the Dominion Government. Provincial laws have accordingly been amended to correspond with the Dominion regulations, which latter, however, are subject to change.

Special Note—Baiting and the use of live decoys prohibited.

CANADIAN CUSTOMS REGULATIONS

A sportsman's wearing apparel and ordinary baggage, including guns, rifles (not including revolvers and pistols), fishing tackle, golf clubs, tennis racquets and cameras, dogs and other animals for hunting or as pets, also not more than 50 cigars and not more than 200 cigarettes are allowed free entry into Canada. In addition to this he may bring in canoes, outboard motors, tents, camp equipment, still cameras and reasonable amount of unexposed film, phonographs, radios, musical instruments, etc., for his personal use, provided that he reports the goods on his return to the Canadian Customs and has same exported in Bond within six months from time of entry.

WEAPON PERMITS

Weapon Permit (Form 76 B) is required when bringing rifles and shotguns into Canada if the sportsman is not a British subject. Permit may be obtained upon application to the Attorney General's department of the province in which hunting is to be done.

Ammunition brought into Canada is subject to duty.

NOTE—Revolvers cannot be brought into Canada except on special authority. In certain cases, permits may be issued by the Attorney General of each Province.

Automatic pistols are prohibited.

EXPORT OF MOOSE AND DEER FROM CANADA

Sportsmen must obtain, from the Canadian Customs, a permit to export, this permit together with hunting license tag should be handed to the express company to go forward with shipment.

Canadian Customs authorized to issue export permits are located at Montreal, Quebec, Sherbrooke, Ottawa, Brockville, Kingston, Prescott, Toronto, Port Arthur, Saint John, St. Stephen, McAdam, Halifax, Yarmouth, Windsor, N.S., White Horse, Y.T., and at all Canadian Customs ports on the border of the United States.

In order to avoid delay at the border, sportsmen are advised to ship game to one of the above Customs ports en route where permit can be obtained.

The export of deer is allowed from the commencement of the "open season" until the following 31st of January.

The export from Canada of partridge, prairie fowl, quail, wild turkey and woodcock is prohibited.

UNITED STATES CUSTOMS

Free entry is allowed returning sportsmen of their trophies of game—this may be arranged by any United States Deputy Collector of Customs located in Canada or in the United States.
