Dear Sir:-

Soldier Land Settlement.

Referring to your circular letter of the 7th inst.

I have today requested Mr. Millard to take steps to obtain signatures of Vancouver Officers authorized to sign certificates. Have also asked that he obtain similar records for the use of City Office and Hotel Vancouver Ticket, so that it will not be necessary for all three agents to approach these gentlemen on the same errand.

Yours truly,

T.A.

Dear Sir:-

Soldier Land Settlement.

Further to my Circular Letter May 22nd.

Mr. Shearing advises Passenger Department do not consider it advisable for traffic reasons, to make a general request on the Soldiers' Settlement Board to furnish copies of their officers' signatures for the guidance of himself (A.P.R.) and agents. There is no objection, however, to our agents named in Fare Advice E.L. 2765 - W.L. 613 obtaining these from the officers at each point authorized to sign certificates. Please instruct accordingly and advise.

A.P.R. has taken up with Passenger Department re cancellation of unused coupons by officers issuing, but has not yet received advice. Will advise later.

Yours truly,

Dear Sir:-

Soldier Land Settlement.

I enclose copy of supplement 15 to Fare advice 2765 E L - 613 W L., giving names of officers of Soldiers Land Settlement Board authorized to sign certificates, entitling holders to receive transportation at reduced fares.

Mr. Shearing is taking up with General Passenger Agents of the various districts to arrange so that A.P.R. and agents may be furnished with facsimile signatures of the officers authorized to sign certificates. These are carefully scrutinized when received by A.P.R. with reports and anything irregular or suspicious brought to my notice so that it may be investigated.

As perhaps you are aware, irregularities have been found at Regina and Calgary,- blank coupons not required being forged and used to cover report of tickets at reduced fares, issued at regular fares,- resulting in clerks in question being charged with differences which were collected from them, after which their services were dispensed with.

I want you when visiting offices on your division where these certificates may be presented, to keep a sharp look out for anything irregular in the use of them by agents or ticket clerks.

It has been arranged at Calgary that any coupons not required when original transportation is issued, such coupons are to be cancelled by S.L.S.B. officer, thus preventing the possibility of blanks being detached,- and I am asking A.P.R. to have similar arrangement put in at other points. If you detect or suspect irregularities at any office, and wire me, it may be possible to send you certificates received with reports.

Please acknowledge receipt.

Yours truly,

C J Black

Auditor of Agencies.
