Programme

of

Entertainments and Lectures

Empress of Britain

Round the World Cruise

1931-32

CANADIAN PACIFIC

Foreword

In addition to the following programme, special receptions and meetings will be held for the organization and maintenance of the Sports Tournaments and the various Clubs — Travel, Golf, Camera, Fraternal, Rotary, Bridge, etc.

There will be dancing, with frequent special features, every evening except Sunday, *during lectures* and on evenings of special entertainment. There will also be tea dances, deck sports, community singing, and indoor games.

At these frequent entertainments the collaboration and enthusiastic support of Cruise Members will be greatly appreciated, thus promoting the general sociability and enjoyment. Those having talent will confer a favour upon the Directress of Entertainment by permitting her to include them in the various programmes. She will also be glad to assist in the arrangement of any additional special entertainment or social function on board, such as private dinners, birthday parties, etc.

———

This programme subject to change, of which due notice will be given.
