No. 4—HAVANA—NIGHT LIFE—DECEMBER 29

Motor cars leave the ship about 8.30 p.m. and proceed to the Centro Asturiano Club, thence through Chinatown. Then the famous JAI ALAI, the Spanish National Game, for which box seats will be provided. Thence to the Casino—the Cuban Monte Carlo. Leaving the Casino about 12.30 midnight, the party returns to the city for a visit to one of the popular cabaret night clubs. Return to the ship about 2 a.m. All expenses, including admission fees and cover charge, are included in the fare. Party is accompanied by Canadian Pacific representatives.

Extra Cost per Person $6.50

Members are urged to avail themselves of these excursions, as they have been carefully organized with a view of seeing all that is worth seeing. Furthermore, in the case of motor trips, it should be borne in mind that each group of cars is accompanied by a Canadian Pacific representative; cars are not filled to capacity, and spare cars are supplied to avoid delays in event of breakdowns. Meals are also included in some instances. Local drivers in many places offer similar trips at reduced rates but members are warned to beware of such "bargains," as they afford none of the protection or service outlined above and the cars are usually crowded.

GENERAL INFORMATION

DEPOSIT . . . To secure reservation, a deposit of 10 per cent of the fare for accommodation selected is required at time of acceptance of accommodation offered. Balance of fare is payable three weeks prior to sailing date.

CANCELLATION . . . Accommodation cancelled after deposit receipt, passage order or ticket has been issued will be placed on sale, and, when resold, refund will be made of the amount paid, less expenses incurred.

No cancellations or alterations may be made for the Shore Excursions after books are closed, date for which will be announced on board the ship.

STEAMSHIP FARE INCLUDES . . . Apartment accommodation, meals, landing and embarkation facilities and the services of Canadian Pacific representatives throughout the cruise, both aboard and ashore. Shore Excursion fare includes services specified in Shore Excursion section shown elsewhere in this folder.

FARES DO NOT INCLUDE . . . Government Revenue Tax on tickets issued in the United States, personal items such as beverages not ordinarily served on board without charge, laundry, baggage insurance, gratuities to stewards on the ship, conveyances or guides specially ordered by members on individual excursions and not ordered by the Cruise Director.

PASSPORTS . . . are not required by members taking the entire cruise.

SAILING HOUR AND PIER NUMBER . . . The EMPRESS OF BRITAIN will sail at 12.05 A.M. December 23 (five minutes past midnight); embarkation will commence at 8 p.m. December 22 and all members are requested to be aboard not later than 11.30 p.m. Pier number will be announced later.

Gentlemen will find a dinner jacket meets all ordinary requirements.

BAGGAGE . . . Although there is practically no limit to the amount of personal baggage which may be carried on the steamship, it is inadvisable for members to burden themselves with too many trunks and bags. Large trunks and other baggage not regularly needed or which cannot be conveniently accommodated in the apartment, will be placed in the baggage room, which will be accessible throughout the cruise. Trunks for apartments should not exceed fourteen inches in height.

Every care is taken in connection with baggage, but on board the liability of the Canadian Pacific is limited, and no responsibility is assumed ashore. Members are recommended to protect themselves by insuring their baggage against loss, damage or pilferage. This may be done at reasonable rates.

Baggage may be checked from many points through to the ship at New York upon payment of the New York transfer charge. Consult your local Baggage Agent.

MESSAGES TO RELATIVES AND FRIENDS AT HOME . . . The offices of the Canadian Pacific will receive advice of the arrival of the EMPRESS OF BRITAIN at each port, and will notify relatives and friends of members by mail if list of names and addresses is left with them.

THE SHOP . . . The EMPRESS OF BRITAIN has an attractive, modern shop at which may be purchased a variety of articles, such as books, candy, toilet requisites, photographic films, souvenirs, post cards, fancy goods and dolls.

PHOTOGRAPHY . . . As a cruise offers exceptional opportunities for photography, a staff of experts is carried to develop and print films for members. Cruise members should not take a large supply of photographic films with them, as hermetically sealed films are required in the Tropics and may be purchased at The Shop at regular prices. Cine Kodak films are also available but must be developed on shore.

The EMPRESS OF BRITAIN has every facility of the modern hotel — stenographer, barber, ladies' hairdresser, manicurist, chiropodist, masseur, masseuse, turkish bath, surgeon, dentist, trained nurses, laundry, valet service, photographer, novelty shop, daily newspaper, etc., There are five passenger elevators which serve all decks.

CRUISING DE LUXE

On December 23 the Empress of Britain will sail from New York on a Christmas and New Year's Cruise to the West Indies . . . at Christmas rates. Never before has this Atlantic flyer sailed on a short cruise. Only those who have taken a World Cruise have had the opportunity of enjoying her unexcelled facilities for cruising. And the Empress of Britain was built for cruising. Every detail of her construction—the unheard of lavishness of space for the individual passenger, the vast facilities for deck sports which include a full size doubles tennis court, the huge public salons designed by world-famous artists—every detail was considered from the point of view of cruising.

International society has placed its seal of approval on the Empress of Britain on the North Atlantic. Comparatively few have experienced her outstanding cruise qualities. Today the opportunity is open to everyone—an opportunity made possible because the departure of the Empress of Britain on her World Cruise has this season been retarded a month.

Christmas will be spent at sea; New Year at Nassau. Kingston and Havana will also be visited. The programme of festivities has been planned with the "know-how" which only years of cruise experience can give. Why not take advantage of this New Deal in short cruises and enjoy the merriest Christmas of your life? Get full information now!

KINGSTON

Kingston, colorful capital of Jamaica, "Queen of the Antilles", will be our first port of call. Give a passing thought to Port Royal as you enter Kingston Harbour, for this was once the richest, most dissolute town in the world, the gilded rendezvous of swashbuckling pirates and buccaneers. The Caribs called Jamaica "Xamayca", land of springs and streams, a name you will appreciate as you motor through green clad hills, silver streaked with tumbling waterfalls. Stroll through the market place of Kingston before you leave; the brilliant fruits and motley costumes are a kaleidoscope of color.

HAVANA

Sophisticated, cosmopolitan is the new Havana with its Casino, Yacht and Country Clubs, its Tropical Gardens, smart restaurants, gay cafés. Here, life . . . like the famed cigar . . . is for the connoisseur, the artist in luxurious living. But there is an old Havana, too, which will intrigue you . . . typically Spanish . . . with its balconies, arched doorways and cool patios . . . its historic Cathedral where the bones of Columbus lay enshrined for a hundred years . . . its President's Palace; its factories where Cubans deftly roll cigars with a singer perched aloft to keep them happy! A curious blend, life in Havana.

NASSAU

To northerners it is a novel experience to usher in the New Year with the thermometer at summer levels. How much more so when we celebrate at that centre of brilliant, vivid social life, Nassau. Built on coral, its white walls gleaming amongst cocoanut palms and silk cotton trees; Nassau was designed by nature for gayety. But when we have consigned the Old Year to the limbo of forgotten things, we may remember that Nassau's Sea Gardens, her Fish and Sponge Markets are worth a visit before we board the Empress for New York and home.

WES and LISA ADAMS, Specialty Dancers

Leaving cold weather behind, the Empress of Britain will carry the spirit of the Christmas season on this West Indies Cruise, with a Christmas Day dinner in which the traditional old English ceremonies will be observed, together with a galaxy of singers and dancers whose performances during the course of the Cruise will have no rival on shore. This entertainment will differ from the usual variety show imported from Broadway in that the talent will be mainly Canadian, just as the service on the ship itself is Canadian, and experience has proved there is none better. This talent includes:

WILF CARTER—Yodling Cowboy of the Canadian Prairies, Official Songster of the Trail Riders of the Canadian Rockies. He has a repertory of hundreds of songs like "The Last Round Up."

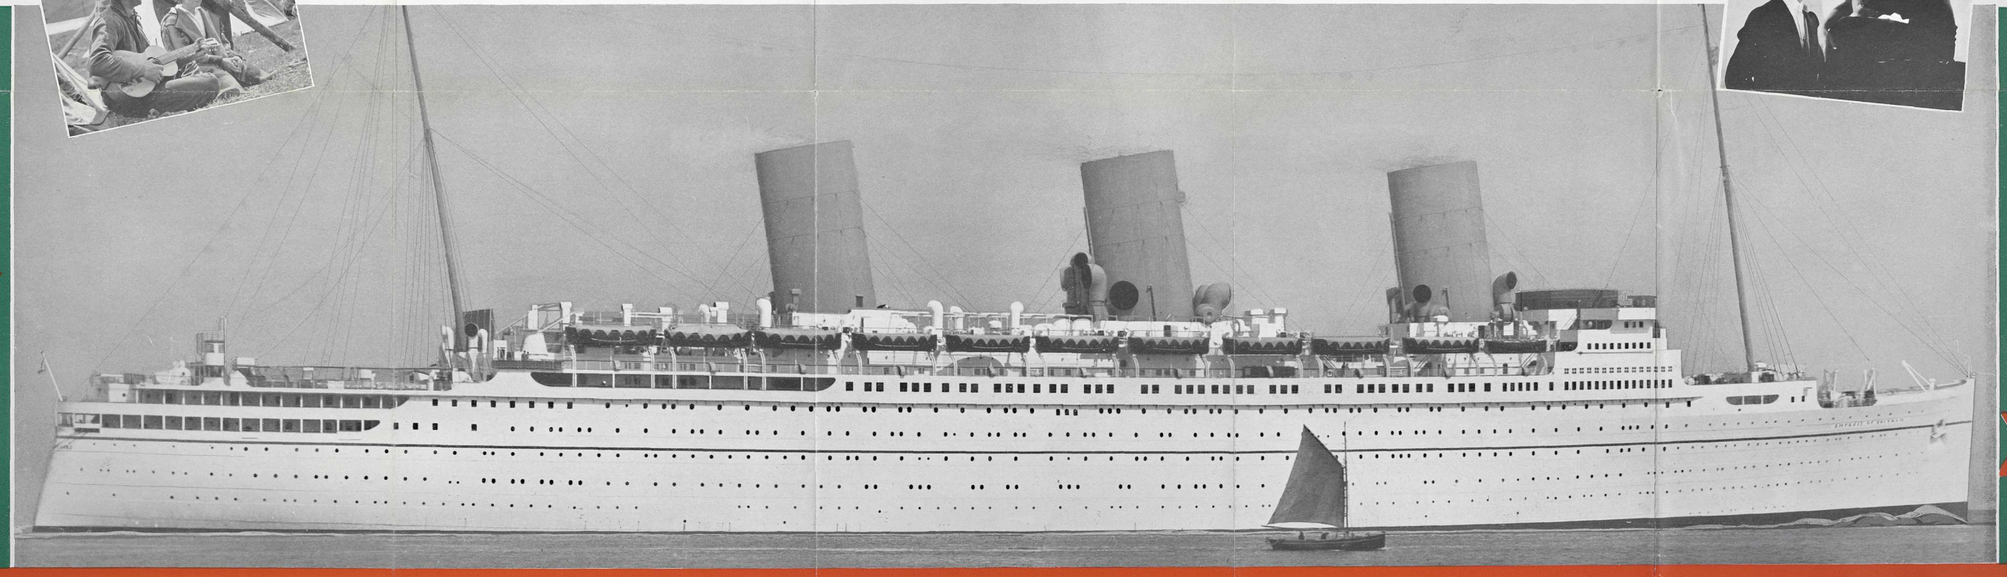
EMILE BOUCHER—French-Canadian tenor, recognized as the foremost interpreter of French-Canadian folksong—one of the famous "Bytown Troubadours."

BILLIE BELL—Canada's ace contralto "blues" singer, participating by kind permission of the Canadian Radio Broadcasting Commission.

FRANCES JAMES—Lyric soprano of Toronto, Star singer at Banff Highland Gathering, and other Canadian Musical Festivals.

WES and LISA ADAMS—Specialty dancers—fresh from a triumphant season at the Royal York Hotel, Toronto.

—together with the Empress of Britain celebrated Dance and Concert Orchestra, conducted by R. Stuart-Jones.



CANADIAN PACIFIC STEAMSHIPS

WORLD'S GREATEST TRAVEL SYSTEM

With her white, blue-ribboned hull and huge buff-colored funnels, sharp-flaring bow and raking cruiser stern, the Empress of Britain charms the eyes of ship lovers with a sense of majesty and power. Of 42,500 tons gross register, 757 feet length, 97½ feet breadth, the Empress holds the record for the shortest elapsed time across the Atlantic, Father Point to Cherbourg, 4 days 7 hours 32 minutes!

Launched in 1930 by H.R.H. the Prince of Wales, the Empress of Britain has steadily added to her list of admirers who appreciate her not only as a great mechanism but as a lavish hostess. Her famous cuisine, her sparkling vintages, her unexcelled facilities for entertainment and enjoyment, her music, service and personnel have won her in three years' time the acclaim of the connoisseurs of travel.

PUBLIC ROOMS:—An entire deck is given over to Public Rooms. These include the largest impillared open space ever built into an ocean liner! World-famous artists designed them—Lavery, Allom, Dulac and the inimitable Heath Robinson, combining the quintessence of beauty—or drollery—with the acme of luxury. SPACE is the keynote throughout, for the Empress of Britain has more square feet per individual first class passenger than any other liner afloat.

Your private apartments are designed on the same spacious scale, some being 27 feet long! The majority have private bath. Added, too, are those comfort-ensuring devices—controllable ventilation, real beds, extra lighting, ship-to-shore telephones. There are also private suites, each consisting of an entrance hall, a charming double bedroom, a spacious living room, bathroom and ample luggage room. A larger type adds a cheerful sun verandah! Superlative luxury!

Space to live? And space to play. Exclusive of the Tennis Court and Sports Deck, the area of open, unobstructed promenade deck space totals twenty-six thousand square feet! There are two Swimming Pools on board—an open air deck pool and the enclosed Olympian Pool, forty feet by twenty, complete with beach-side cafe for spectators and bathers. An ultra-modern Gymnasium, Turkish and Electric Baths adjoin. The Sun Deck is entirely given over to recreation. There is a Sports Deck, too, with full size double tennis court, cafe and spectators' gallery—and facilities for all at-sea diversions—regulation squash racquets court, ship golf, bowls, deck tennis, horse racing and, before the evening dance or masquerade begins, there are manicure and hair dressing salons for both ladies and gentlemen, and a boudoir with permanent waving equipment for milady. Can you doubt the Empress is the Ship of the Moderns?

The Cruise you have been waiting for!
