JADE

The "Heaven Stone" in all of its exquisite range of color, fashioned into fine jewelry and objects of art. The guarantee of a house of unquestioned integrity should be your first consideration in your purchase of Jade.

GUMP'S *at* Waikiki

Don't be fooled by bright sunshine . . .

Hawaii's sun is very bright, but full of yellow rays which make it much weaker than it looks to the ordinary movie or kodak fan. That's just one of the tips our experts will be glad to give you . . . stop in for a chat before you spoil a lot of film.

SAN FRANCISCO: Helen Jacocs, of Berkeley, woman's tennis champion of the United States, has something new to hang in her trophy room today. It is the key to the city, presented by Mayor Rossi at a ceremony in his office in the City Hall, in recognition of Helen's great victory at Forest Hills.

WASHINGTON: The administration's latest effort to boost wheat prices by modifping rules of the grain futures administration, has been met with the lowest prices in four centuries. This effort, launched by Secretary of Agriculture Hyde, was the suspension of the rule of grain futures administration, requiring individual traders involving more than five hundred thousand bushels.

PARIS: The Ministry of Labor reported today the greatest unemployment in France at the start of any winter since the war, with 249,727 on the national dole, compared to 51.054 in the corresponding week last year.

PARIS: The Superior Council of National defense today approved a New French disarament plan understood to include a general agreement, in which the Uuited States would be asked to participate, pledging consultation before resorting to war.

WASHINGTON: Small increases in employment reported for the last three months are almost entirely seasonal, William Green, President of the American Federation of Labor, wamed today.

WASHINGTON: American industrialists which have been most active n camphigns for high tariffs are besieging the bureau of customs with complaints that foreign dumping of cheaply made goods is costing them millions of dollars, and deprived thousand of Americen workmen of jobs.

TOYKO: Japan's counter report to the League of Nations which will be submitted for consideration simultaneously with the Lytton Commission's report on Manchuria, was completed today ready to be forwarded to Geneva.

WASHINGTON: The Cleveland speech of Uuder-Secretary of State William R. Castle, promising that Uncle Sam will be a generous creditor when the war was debts bob up again, was promptly cabled abroad by the diplomatic representatives of the interested debtors in Europe.

WASHINGTON: The Reconstruction Finance Corporation today granted a relief loan of eight hundred fifty thousand dollars to Missis ippe, to meet relief needs in seventy countries and thirteen cities, from November first to December thirty first.

BOSTON: The unqualified full and complete support of Franklin D. Roosevelt and John N. Garner, was asked of the voters of Massachussetts Thursday night by Alfred E. Smith, in an address to twenty thousand of his followers.
