GENERAL INFORMATION

Westbound Embarkation As embarkation may be the day prior to advertised sailing date, passengers should enquire of Local Agent time of embarkation.

Passports Passengers must hold valid passports or necessary documents of the country to which they belong. Passengers travelling through countries of which they are not citizens or subjects should obtain the vise of the Consuls of such countries wherever necessary. Passengers in transit to Continental Points via Great Britain do not require British vise.

Deposit of $20 is required to be paid when securing reservation; one-half this amount for children. No accommodation will be considered as engaged until such deposit has been made.

The Company will not be responsible for passage money or deposits paid to agents unless the Company's official receipt is given.

Cancellation Should notice be given the accommodation will be placed on sale, and if resold refund of the amount paid, subject to 5 per cent. cancellation fee and expenses incurred will be made. If not resold or if notice of cancellation is given only after ship has sailed the Company reserves the right to demand a forfeiture of the entire amount.

United States Head Tax Under the United States Immigration Laws, all passengers except U.S. citizens entering the United States are required to pay the sum of $8—provided that children under sixteen years of age who accompany their father or their mother shall not be subject to said tax.

Refunds on Prepaid Orders Refunds on Continental prepaid orders are subject to cancellation fee of ten ($10.00) dollars per adult and five ($5.00) dollars per half fare, and cannot be made until the actual order is produced by purchaser.

Baggage can be checked from all points in Canada and many points in United States through via Canadian ports to port of landing, thereby saving inconvenience at port of embarkation of claiming and arranging transfer from railway station to ship. Baggage should be plainly and securely labelled with labels supplied by ticket agent issuing steamship ticket. "Not wanted" or "Hold" baggage will be placed on board and stored separately. "Wanted" baggage will be kept for delivery to cabins, or if too large for cabins, for delivery to the baggage room. Passengers from points where checks are not obtainable should see that baggage is transferred to steamship dock at port of embarkation. The string check (that portion attached to baggage) should show name of ship and date of sailing, as well as name of port of embarkation.

As a means of identifying baggage from which labels may become detached, passengers should have their **name and address** prominently placed inside as well as outside baggage.

Umbrellas, walking sticks, canes, steamer rugs and small articles should not be attached to the outside of baggage, and no liability will be assumed by the Company for damage to or loss of such articles.

Baggage Insurance.—The Company takes every reasonable care of baggage, but their liability is limited and passengers are recommended to fully protect themselves against possible loss, damage or pilferage by insuring baggage for a sufficient period of time to cover journey. Policies covering baggage against risks of transportation and navigation, including theft and pilferage, can be obtained from any Canadian Pacific office.
