EMPRESS OF CANADA

Newest of the Empress fleet . . . streamlined, stabilized, and air-conditioned—she is 650 feet long, 86½ feet broad, and her gross register is 27,300 tons.

Empress of Canada, The Coral Pool

Main social hall . . . for both classes . . . is The Canada Room. Bright colouring, the balcony . . . with bar service . . . and the high ceiling, enhance the generous proportions of this domed ballroom. A specially designed carpet with the wild flower emblems of Canada's provinces as its theme, lends gay authenticity to the Canadian influence of the decor.

"Bon Voyage"... a Canadian Pacific Tradition

The Banff Club, Tourist Class smoking room and bar, is essentially "Western" in its decor. Colouration of walls and furniture, carvings, the branded cowhide bar front, all combine with the carpet of Indian beadwork design to reflect the Canadian Rockies.

Tourist bedroom for two.

First Class bedroom.
