SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to the value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown Lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown Lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority given to established owners. Stockowners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

Gale-Phillips Wedding

St. Mark's Church, beautifully decorated with autumn flowers, was the setting for a wedding of wide interest to a large circle of friends, both here and in Victoria, on Monday evening at 8:30 o'clock, when Miss Hannah Evangeline, eldest daughter of Mr. and Mrs. William Phillips, became the bride of Mr. William E. Gale, only son of Mr. and Mrs. Benjamin C. Gale, Royal Oak, Victoria.

The ceremony which was fully choral, was performed by Rev. A. H. Sovereign, before an altar banked with bronze chrysanthemums and mauve Michaelmas daisies.

The bride, who was given in marriage by her father, made a pretty picture in her wedding gown of ivory taffeta and Brussels lace fashioned on straight lines. Her veil was arranged in coronet style, with a bandeau of seed pearls and Cecil Brunner roses, with small bunches of roses at the side. She carried a shower boquet of roses and maiden hair fern intermingled with white heather, a gift from friends abroad.

Miss Phyllis Phillips, sister of the bride. as maid of honor, chose a frock of buttercup taffeta with trimmings of gold lace and ribbon. Her picture hat was black with panne velvet crown and transparent brim, and her flowers were bronze chrysanthemums. Miss Mercy Phillips and Miss Charlotte Eustis, as bridesmaids, were gowned alike in lavender taffeta, and wore picture hats of black panne velvet and satin with silver metalic trimming. They carried shepherd's crooks with floral decorations of yellow chrysanthemums and silver steamers.

Miss Alex Pye acted as the bride's attendant, and held her embroidered wray, a family heirloom, during the ceremony.

Mr. Gondry Phillips, brother of the bride, supported the groom, and the ushers were Mr. Gerald Stevens, Mr. Heverly Smith, Mr. W. O. Banfield and Mr. Larry O'Leary. During the signing of the register Mr. Jack L. Evans sang "My Prayer."

After the ceremony a reception was held at Kilarney, where Mr. and Mrs. Gale received the congratulations of their friends. The bride's mother wore a dress of silver and black with hat en suite, and a wray of black broadcloth. She carried a sheath boquet of crimson gladioli. Mrs. B. Gale, mother of the groom, was gowned in an imported dress of honeydew shade, with lace and embroidery trimmings. Her hat was of black panne velvet and her flowers were carnations.

Mr. and Mrs. Gale will leave later on the Aorangi for Honolulu, where they will spend their honeymoon. For travellink the bride donned an afternoon dress of grey flowered silk, and seal coat with squirrel collar and cuffs. Her high-crowned hat was of American beauty colored velvet with touches of silver.

Out-of-town guests attending the wedding were Mr. and Mrs. C. Æ. Shaw of Keremeos, Mr. and Mrs. William Barker, of Victoria, Mr. and Mrs. A. E. McKenzie of Princeton and Miss Annie Humphries of Chase.—Vancouver Province.

The bride is wellknown in Greenwood having lived here for a number of years prior to residing at the coast. The Greenwood Ledge joins with a host of friends in this district in extending congratulations.

Here and There

Victoria—Twenty head of grade Oxford ewes, two years old, from Mayne Island, have been sold to Japanese buyers. This makes a new departure in the sheep industry of the Island, being the first of the home production to be sent to Japan.

It is estimated that southern British Columbia will produce 3,217,000 boxes of apples this season, this is about 700,000 boxes more than last year's production. Arrangements are being made for a heavy export business to Great Britain, as well as to the Prairies and Eastern Canada.

A regular aerial mail service has been established between Osaka in Japan and Darien in South Manchuria, two Japanese built "Kawanishi" planes being used. This service is daily, and is being sponsored by the "Osaka Mainichi" one of the largest newspapers in Japan whose aviators recently flew to Berlin.

Moose Jaw—One thousand head of Western Canadian light horses purchased for the Soviet government were assembled here. The horses, which are all light, are being bought for the Russian government with Russian funds placed in Canadian banks for that purpose. A similar purchase was made last year and the repeating of the order indicates satisfaction with the Canadian stock.

The increase in the net profits of the Canadian Pacific Railway for the first eight months of the year ending August 31st is $6,814,895.76, according to a financial statement issued at the headquarters of the Canadian Pacific at Montreal. This is the increase in profits as compared with the profits for the same period in 1925. The increase in the gross earnings over the same period in 1925 is stated at $12,691,364.57.

The sale of Beer by the glass Vindicated

THE Government Control of beer sales to the people of British Columbia in licensed premises has been vindicated by the orderly manner in which these premises are conducted.

These quiet and comfortable establishments prove that the open and above-board sale of pure beer has in great measure ended the evils attending the illicit sale of strong drink. They have proved that the self respect and good behavior of the people of British Columbia are more to be depended on than the opinions of those who wish to prevent the people from having any beer at all.

You may find citizens enjoying a healthful and invigorating glass of beer in the quiet and ease that the well-to-do have in their clubs. Licensed premises in the colder winter months are more than ever the working man's club, where he finds the company and comfort that is his right.

The supervision and regulation of licensed premises by the Government is a guarantee that the excellent conditions under which beer is sold shall continue. Efficient Government Inspectors see not only that such licensed premises are operated in a strictly sanitary manner. They look for a high standard of conduct.

The purity and wholesomeness of all beers served—supplied by the Amalgamated Breweries of British Columbia—is guaranteed by the frequent and strict analyses to which they are subjected by the Government. In the present administration of Beer Parlors the interests of the public are completely protected.

Amalgamated Breweries of British Columbia, in Which are associated Vancouver Breweries Ltd., Rainier Brewing Co. of Canada Ltd., Westminster Brewery Ltd., Silver Spring Brewery Ltd., Victoria Phoenix Brewing Co. Ltd.
