## CRANBROOK VS. LETHBRIDGE.

### Fine Exhibition of Lacrosse on Monday—Cranbrook Team a Fast Bunch—Score Stands 13 to 1.

Enthusiasm ran high on Monday afternoon last when the Cranbrook and Lethbridge Lacrosse teams lined up at 4.20. A great deal of speculation had taken place as to who was likely to take first place for the day. Lethbridge felt confident. They were in good trim had a good rest,—from Sunday morning and their countenances were beaming as they thought of a double victory last year and now they were out to win again. Cranbrook did not do much talking but seemed slightly nervous but the boys held their nerves and when the time came they showed what was in them. B. Black acted as referee and gave entire satisfaction and succeeded in holding the game in order so that the large crowd of nearly 500 people witnessed a clean game of ball

The whistle was blown at 4.20. Cranbrook got the ball in the face off Jameson was sure and passed to Miller a few passes followed and DeBeck gets the ball and scores—time 1¼ minutes A cheer went up, at this time another face off and a swift pace is struck, one or two mix-ups and Skeith gets two minutes to rest. The ball passes up and down the field and across and again in 16½ minutes Patten finds the goal. Once more from the centre a rush follows. Lethbridge tries hard and works well but the pace is too swift and the class too high. Matthews scores in two minutes and the whistle blows for quarter time. The score stands Cranbrook 3, Lethbridge 0.

In the second quarter the interest is increasing as the opposing teams warm up, Lethbridge men are determined to change the sheet, but no; sad hearts, when in two minutes Matthews scores again. About this time Lethbridge gets close to Cranbrook goal and at one time a shout went up thinking goal was scored, but Matthews picks the ball up and is seen on a run and a pass is made and the interest is at the other end, in 12 minutes more DeBeck again scores. "Will this keep up"? is asked by many, and to the surprise of the spectators in one minute Patten scores again. Another face off and Matthews scores in another minute. The whistle blows for half time and the score stands 7 to 0 in favor of Cranbrook.

The crowd tallies by crying one, two, three, four, five, six, seven. Lethbridge is reminded of the game with Tabor and are learning a few lessons.

The second half is beginning to look one sided but still the interest keeps up as there is good ball being played and the score does not indicate that the game was poor but rather that one team far outclassed the other. Lethbridge played some good ball, their boys are not as swift as our home team but showed some good material. In six and one half minutes Matthews scores and again in 6¾ minutes Patton finds the net, and again in 1¾ minutes Cowan does the trick. How high is it going? Now a rush down the field. Lethbridge gets the ball and in four and one half minutes Stewart lands one safely for Lethbridge. The whistle blows and the score is 10 to 1.

And now for the last quarter a rush is made and Jameson scores in one minute. Time rushes on and Patten again in eleven and three quarters. DeBeck now gets two minutes to rest because of his hard work checking one of the boys. He comes back fresh and assists in another goal in a nice pass to Jameson who scores in five minutes. Cowan again in one minute. Jameson gets two minutes and soon the whistle blows and time is up the score standing 13 to 1 in favor of Cranbrook.

The game was clean, the home team was strong, many men showing up well. The defense is almost impassable, the home is sure and cool. The team is out to win and will. The playing yesterday ensures good support from the city and the boys deserve it. The cup is coming home.

COMMENTS ON THE GAME.

Shoot!

Let her come!

Give her speed!

Let them score once!

Freddy has it. Go it Freddy!

Back to the bunch grass.

They're all "pretty good little players" those Cranbrook boys.

J. McSweyn—We sure have the winning bunch this year.

Vic. Rollins—There's not a team between Winnipeg and the coast can trim that outfit.

J. Arnold—The cup's coming our way this year.

Will Rollins—They're not in our class. The blue combinations were too bewildering and swift for the reds

Bill Tuttle—You can't play fast enough to raise a sweat on those Cranbrook boys.

Miller in goal—"This is where I shine—when there is nothing to do."

They couldn't throw them too tall for "Scotty." He was there with the boarding house reach.

"Hit him! hit him!" cried a young lady to a Lethbridge boy who was chasing Jim Staples, "he's not padded." "That's more than can be said of some of the spectators," retorted some mean man standing near.

How about an excursion to Lethbridge when the boys go to play the return match.

The boys in blue located the net early in the game, and could not forget the dear spot.

Gow played a star game for Lethbridge, but there were not enough of him on the team.

## LACROSSE GAME

### Frank vs. Lethbridge—A Rough Game, Which Was Won by Lethbridge.

The Frank-Lethbridge game of lacrosse, played at Frank on Tuesday last, was won by Lethbridge, who succeeded in defeating the Frank team.

According to reports it was a rough game. Thirteen men were ruled off, for 29 minutes, and one of the players was seriously injured Those who witnessed the game are of the opinion that Frank should have won, a member of that team having been discharged at the close of the game on suspicion of having sold out to a bunch of sports from Coleman who had invested heavily on Lethbridge. The score was 5 to 4 in favor of Lethbridge.

### Scotch Concert Thursday Evening

As announced, Gavin Spence and Miss Nannie Strachan appeared in the Wentworth hall Thursday evening. The attendance was not large, but the audience was enthusiastic and appreciative, for seldon had a Cranbrook audience the delight of listening to such an accomplished vocalist as Miss Strachan and those who were so fortunate as to be present enjoyed a rare treat. Mr. Spence has a rare gift for story telling, and his description of their visit to India was most entertaining. The dreadful story of the great mutiny was vividly described by the singing of "Jessie's Dream." Miss Strachan's singing of "Caller Herrin" showed a perfect cultivation of voice and acting. All the pieces were finely rendered, and Miss Strachan well deserves the high enconiums bestowed on her performances by the press. They expect to return to Cranbrook by next winter, when an enjoyable treat is in store for those who can appreciate high class singing and a sweet and cultivated voice.

### Payday at Cranbrook.

Thursday was C. P. R. payday at Cranbrook. The total amount paid along the Crow line from Dunmore Junction to Kootenay Landing, in wages, was $92,000. Of this amount there was paid to employes at Cranbrook $37,800.

A careful estimate of the gross wages paid by the milling business in Cranbrook and vicinity amounts to $20,000 per month.

From the above figures it will be seen that Cranbrook has a monthly payroll of about $57,000 per month.

### New Government Buildings.

Mayor Rogers received from the provincial government on Thursday the plans for the first floor, ground floor, and basement of the new combined provincial and city building for Cranbrook.

The plans received show on the first floor a large public hall, court and jury rooms, rooms for jurymen and witnesses, a room for barristers, and balcony.

On the ground floor is a large room to be used as an office for the government agent, also a private room for the agent; one for the mayor, one for city clerk, and one for the police magistrate. Safety vaults for both provincial and city use, hallways and porch.

The basement has a room for constables, cells for prisoners, a large furnace room, and additional room for cells if needed.

The outside dimensions of the building will be 60 x 45 feet, and will be three stories in height. The plans for the upper part of the building will be here by June 25th.

### In the County Court.

A session of the County Court was held on Thursday, and the following cases were disposed of:

P. Bookhout, charged with criminal assault was found guilty of simple assault and fined $20 and costs.

Minnie Morgan, who attempted suicide, was found guilty, but received a suspended sentence.

### Memberships Increasing.

The leading secret societies of our county continue to increase in membership There is something in a secret organization that strongly appeals to a married man.

We have a great name for selling the best. "STEWARTS" Chocolates and Bon Bons are made for those who desire quality—pure and delicious H Stewart, Armstrong, Ave.

### It Pays to Advertise.

It pays to read the advertisements of enterprising home merchants. They are the people who makes it possible to have conveniences right at your door, so to speak.

Just arrived, a carload of hay and oats. A. C. Bowness.

## WORK OF GRIT ROMANCERS

### Denial to Fake Dispatches From the Coast.

Victoria, June 20—The political romancer is actively at work again. A report is published to the effect that the action of the government in deciding to have an investigation of the charges in the Vancouver World against the chief commissioner was the result of pressure on the part of the lieutenant-governor, and it is intimated that it is only a matter of a few days before the chief commissioner will be forced to resign.

The Colonist says it is in a position to state on authority of members of the executive that there is absolutely not one word of truth in the published statements, which are given to the press simply to discredit the effect of the announcement of the proposed investigation. The initiative was taken by the Hon. Mr. Green himself immediately upon his return from the interior, and the lieutenant-governor neither directly nor indirectly suggested such a course, nor was he in the remotest degree responsible for it being followed. As to the sequel, it will be fully demonstrated. The rumor about dismissal is a contemptible fabrication.

The closing exercises were concluded on Friday evening by a grand concert given in Wentworth Hall A large crowd was in attendance. The above prizes and medals were presented by the trustees and local clergymen

Mayor Rogers presided and the following programme was rendered:

1. Chorus—The Land of the Maple
2. Address by the Mayor
3. Presentation of rolls of honor
4. Song by Junior class
5. Song by the school
6. Presentation of medals and addresses by local clergy
7. Presentation of prizes
8. God Save the King

During the exercises the pupils all acquitted themselves with great credit, both to themselves and teachers. The large audience was delighted at the efforts, and needless to say the boys and girls were pleased that holidays had come.

## MEETING OF CITY COUNCIL.

### What the City Fathers are Doing to Build up Cranbrook.

The regular meeting of the Cranbrook City Council was held on Wednesday evening, there being present his honor Mayor Rogers, and aldermen Baker, Tisdale, Ryan, Jackson, Fink and Murphy.

Minutes of last meeting were adopted as read.

A motion for returning fine for impounding of cattle belonging to Mrs. St. Eloi was laid on the table until next meeting.

Dr. Connolly, health officer, then addressed the council re the reducing of his salary from $35 to $15 per month. After giving a synopsis of work performed, the doctor said: "I will treat the city as I do my other poor patients, do the work for nothing."

Mr. Long, manager of the Waterworks Company, then addressed the council, and showed that the city was getting an ample supply of water at a very reasonable rate

It was ordered that the salaries of A. A. McNeil, Mrs. Brock, and Miss Lewis be paid.

It was ordered that the estimates of the Water Supply Co. be accepted and that a contract for one year be made.

It was ordered that the city teamster be paid a salary of $65 per month.

Upon motion of aldermen Fink and Murphy, leave was granted to introduce a bylaw to be known as the "Pound and Dog Tax Bylaw, Amendment Bylaw No. 27." Upon motion said bylaw was introduced and read a first time. It being deemed advisable said bylaw was read a second and third time.

The council resolved into a committee of the whole to consider bylaw No. 27, clause by clause, with Mayor Rogers in the chair.

The committee on public works were instructed to proceed with the construction of sidewalks and grading as follows: Grading of Lewis street between Burrell and Garden streets. Sidewalks on Edward, Hanson to Van Horn; Armstrong and Lewis street bridges; end of walk from Hanson to Edward; sidewalk along Lewis from Hanson to Garden street

Bylaw No. 27 was then read a third time.

Notice was given by Alderman Fink that at next meeting of council he would move that bylaw No. 27 be reconsidered, finally passed and adopted.

By Aldermen Baker and Jackson that leave be granted to introduce a bylaw to be known as the "Curfew Bylaw."

By Aldermen Tisdale and Murphy that bylaw 28 being the "Curfew Bylaw," be now introduced and read a first time. It being deemed advisable bylaw No. 28 was read a second and third time

The council resolved into a committee of the whole to consider Bylaw No. 28, clause by clause, the mayor in the chair

Upon motion of Aldermen Jackson and Murphy notice was given that at next meeting of the council Bylaw No. 28 be reconsidered, finally passed and adopted

Upon motion of Aldermen Jackson and Murphy, Dr. Connolly's objection to salary be settled at next meeting of the council.

Council adjourned.

### Will Build Railway.

It is announced that the C. P. R. will soon commence the construction of a branch railway from some point near Elko down the Elk river to Elkmouth, to enable mill owners in that vicinity to ship lumber to Alberta and other eastern Canadian points.

THE investment by conservative citizens in business and residence property is a very good indication of the faith of the citizenship in the city. Their advance has been gradual but it has only been in keeping with the general prosperity that has been prevalent in this city. People who formerly resided in our city on their return visits are quick to see the change in conditions. There is an atmosphere of good times present.

Just at this time the mail order houses are active in flooding the country with big handsomely gotten up spring catalogues, quoting attractive prices on staple articles and making all sorts of big sounding claims for your cash. They do not offer to exchange their goods for the farmers' eggs, poultry, butter or other produce. They don't trust a penny's worth, but make you pay cash before you get the goods and the freight besides. If anything is wrong with the goods or they do not suit, they will not exchange them for you. They pay no taxes into your city or county treasury, with which our schools are maintained, roads, bridges and sidewalks built. They do not contribute to our churches, charitable institutions, nor to our poor.

The "big head" is a popular way of expressing a common and very frequent ailment. It arises from various sources, but the real foundation is a lack of sense. A little money develops it in some people; a few good clothes gives it to others; a little office, where a chance is given to exercise a little authority, is often the cause of it, while others get it having a little better job than their associates. The truth is no sensible person gets the "big head." The ones who become stuck up and stiff-necked from sources of any kind are weak in the intellectual caliber.

Yesterday we were asked if we ever saw a baldheaded woman. We answered "No," we never did, nor did we ever see a woman waltzing around town in her shirt sleeves with a cigar in her teeth, and running into every saloon she saw. We have never seen a woman go fishing with a bottle in her pocket, sit on the damp ground all day and come home drunk at night. Nor have we ever seen a woman yank off her coat and say she could lick any man in town. God bless her, she's not built that way.

Let everyone keep hustling to improve the appearance of their streets and lots. Keep all kinds of rubbish off the streets and sidewalks, and see that your houses, fences, etc., are neatly painted. There is nothing that helps the looks of a town and induces newcomers to settle in it more than neatly painted houses and fences, neat and tidy streets and sidewalks, and fruit and shade trees on your lots. Let us see what you will do for the benefit of our progressive little city.

A schoolmaster once said to his pupils to the boy who would make the best piece of composition in five minutes on "How to Overcome Habit," he would give a prize. When the five minutes had expired a lad of nine years stood up and said: "Well, sir, habit is hard to overcome. If you take off the first letter it does not change 'abit.' If you take off another letter you still have a 'bit' left. If you take off still another, the whole of 'it' remains. If you take off another it is not totally used up, all of which goes to show that if you want to get rid of habit you must throw it off altogether." Result—He won it.

## NORRIS & ROWE CIRCUS

### Many New Features, Acts and Novelties.

It can truly be said without contradiction that no circus traveling has a larger or more faithful following than that of Norris and Rowe. For 18 years these earnest young men have steadily increased the size of their aggregation, have kept faith with the public and have conducted a clean, moral, honest show. Games of chance in any form were never allowed and never will be with this show. Therefore the public has the greatest confidence in the announcements of this circus. This season Norris & Rowe promise an all new show and they can be relied upon to give it Of the bareback riders, the principals are Miss Edna Maretta, champion somersault rider; Frank and Dolly Miller in a two horse carrying act; Ed. Hocum, principal rider; Austin King, hurricane hurdle rider; Herbert Rumley, champion rough rider; Janet Melville and her high school horses, Annie Morton in a beautiful menage act. The four Picard Bros. aerial horizontal bar performers; the great Stirk troupe of 10 young men and women aerial cyclists; the Sugimoto Japanese troup of 10 women on the flying trapeze; Lucifer and his giant golden ladder; M'lle Rose Maretta on the double balancing trapeze; Miss Irene on the swinging ladder; Martin & Crouch, comedy acrobats, etc., are the more important numbers. The trained animal features include a trio of elephants, 10 educated sea lions, "Sport," the famous bull dog who climbs a ladder 60 feet high, catches a pad and flies to the ground on a trolley wire; two Siberian bears and a huge Danish bloodhound in balancing feats; 20 Shetland ponies in drills; Babe and Royal, two superbly beautiful Bengal tigers who jump through hoops of fire. Then there is a grand tournament, picturesque entry hippodrome races, long and high leaping over the backs of elephants, llamas, camels, dromedaries, etc. by athletes; a corps of clowns, a large menagerie of rare wild beasts, a side show of wonderful freaks and curiosities, splendid band concerts and a big street parade. These are but a few of the many features to be seen here Monday, June 25.

If you want a prosperous town where people can come who are disposed to make homes, then do away with and bury from sight all jealousy and spite work, move for common prosperity and mutual benefit. Wake up, rub your eyes, roll up your sleeves and go to work. Do not work with fear and trembling, but take for granted that blood will tell. Leave results to themselves, borrow no troubles, but all unite to make it the biggest kind of a town. Go to work.

A friend at our elbow suggests that the best way to head off the mail order houses is for the local merchants to advertise liberally and get the trade themselves. It does look reasonable. All of the successful mail order houses are heavy advertisers and if they can make it pay why not the local merchant.

A special train will be run on Tuesday, July 3rd, from Cranbrook, and the hose team and lacrosse boys and many others will attend the celebration at Fernie on that date.

The Cranbrook brass band turned out Monday and dispensed music at the recreation grounds. It is said that Bandmaster Short was trying to cheer up the Lethbridge bunch of players.

The Masonic Grand Lodge for B. C. met at Victoria Wednesday. Messrs. J. D. McBride, Wm. F. Tate, M. A. Beale and Thomas Stark were delegates from North Star and Cranbrook lodges.

Jack Means was down from the Skookum Chuck country Wednesday. He reports that logging is about over for the season, and that vast numbers of saw logs are now passing into the Kootenay river.

John Leask left on Tuesday for West Kootenay on mining business. Mr. Leask has valuable mining property in the Lardeau district, and will let contracts for several hundred feet of tunnel work before he returns to Cranbrook.

Rev. B. Goodfield will occupy the pulpit of the Baptist church at Fernie tomorrow. He will deliver a lecture entitled "John Bull" on Monday evening. It is Mr. Goodfield's intention to give the citizens of Cranbrook an opportunity of hearing this lecture in the near future.

The mission band of the Methodist church held a very successful and enjoyable ice cream social on Monday evening. The programme of music was attractive, and the after performance was interesting to all. There was a good attendance.

Wm. White of Bixby, Arizona, was in the city Wednesday. Mr. White is an old timer in South-east Kootenay, and his appearance was a complete surprise to his friends, it having been reported that he was killed in a mine some years ago. Mr. White is foreman at the St. Eugene mine.

Regular public preaching services will be held in the Methodist church next Sunday. Morning subject, "A proof that we are living." In the evening the local order Knights of Pythias will attend in a body and the pastor will deliver an appropriate address. Special music will be furnished by the choir of 24 voices. All are invited.

Chief of Police Baron has asked us to suggest through our columns to the merchants and storekeepers of the City, the advisability of seeing that back doors of their premises are locked while the Circus Procession is on the streets next Monday, as it is on occasions of this nature when the attention of the people is naturally diverted to the front streets, that the back-door sneak-thief gets in his work.

Automobiling in Cranbrook is now all the rage—any time, any place, any manner. One day lately a party of five left town in the morning to go to Cherry creek to spend the day. They thought chances were good for record making. A swift run was made to the Mission in 18 minutes, and still the crowd rushes on. A trail is struck. Still automobiling is nice; the pace is kept up; holes are nothing; hills are less, and now an attempt is made with trees. Once too often. A sudden stop is made. The day is spent in fixing, and at last a team of horses is engaged and the five arrive in town after dark. The auto is repaired and returned home the next day.

Strawberries fresh every day at Stewart's.

### Dominion Day At Moyie

All arrangements have been completed for the grand Dominion day celebration at Moyie on Monday, July 2nd, says the Leader. Over $800 have been subscribed to be donated in prizes. The program will consist of rock drilling contests, log rolling, tie making and chopping, hose reel races, shooting matches, tug of war and a full program of Caledonian sports.

The committee in charge are leaving nothing undone to make the day a complete success. Special rates on the railroad will bring a number from Cranbrook and other outside points, the lake being a special attraction for a large number of outsiders. The sports are to conclude with a dance in the Eagle's hall in the evening.

The committee and citizens are determined to make the day a success and to send all the visitors home saying "Never had a better time."

### TOWN FOOTBALL.

**Fire Brigade and Shops Play Best Game of Season.**

At the recreation grounds on Tuesday evening the C. P. R. shops and fire brigade football teams met for the second time this season. The game was an easy first from a spectators point of view, being interesting and exciting throughout, more so as much depended upon it. Had the shops won they were sure to carry the gold medals, but the brigade winning out puts both teams on an equal footing, each having seven points, with a game each to play. The game was a fine exhibition of ball. It was clean, and the quick passes were often commendable, and showed good material. A. M. Black acted as referee. The score stood 1-0 in favor of the brigade team.

Imitation, they say, is the sincerest flattery. Have you noticed how our style of advertising has been imitated. Even to the very words.

Well its not hard to imitate our advertising, but to imitate our Clothing is a very different proposition. We show pictures of our Clothing and they are actual pictures drawn from actual garments.

The artist is not allowed to deviate one iota from the original garment. That's very different from going to an engraver and saying "Give us a swell Clothing Cut". Very different.

We have arranged with our artist to produce for your inspection, Mr. V. A. Rollins dressed in one of the New 20th Century up-to-date suits. Watch for Vic.
