### BURNED OUT.

Wm. Holmes, of Crescent Island, had the misfortune to lose his house with most of its contents, on Wednesday evening last. The fire occurred shortly after six o'clock and was just discovered coming through the roof as the men were about to go in for supper. A defective flue is blamed for the loss. It is a bad time of the year to be turned out-of-doors and not a nice time to build.

---

Finnan Haddie, Codfish, etc., fresh shipment—W. H. Smith.

---

Don't forget the masquerade ball, under the auspices of the Band, on November 30th.

### CROUP.

---

Cranberries, Sweet Potatoes and Tokay Grapes, today—W. H. Smith.

---

BRAN, SHORTS, Whole Corn, Cracked Corn, Rice Meal, Chit Rice, Chick Feed, Timothy and Clover Seeds, Sutton's Garden and Field Seeds may be obtained at Brackman-Ker Milling Co.'s warehouses, Ladner, from Mr. H. N. RICH, Local Agent.

### FRACTURED SKULL.

On Tuesday last, young James McCulloch, while engaged on the light towers, was badly injured by some heavy beams falling on him. He was taken over to Vancouver Hospital where he lay for an hour or more in the operating room. It was found that he had received a severe fracture of the skull from which he subsequently died. The deceased has a brother in Vancouver.

This is the first death and we sincerely hope it will be the last.

---

"Shorty" Anderson paid a short visit here, this week, and, after settling up his affairs, returned to Seattle, Wash., on Wednesday.

### FRUIT GROWERS.

The meetings of the Oregon State Horticultural Society and of the North West Fruit Growers' Association, take place the former in Portland on the 8th and 9th, and the latter at Seattle on the 16th, 17th and 18th January next.

Prof. Lake says of the former. "It is going to be the biggest thing going." Prominent fruit growers are going to attend from all parts of the adjoining States, and an exhibition of the best commercial varieties of fruit are to be exhibited. He expresses the opinion that no better opportunity can possibly occur for a practical demonstration of the production of the best commercial fruit from the root upwards, in all its phases, and advises all of our people who can spare the time, to attend this meeting.

The fourteenth annual meeting of the Northwest Fruit Growers' Association will be held at Seattle, Wash., on January 16, 17, and 18 next. This interstate organization comprises the states of Oregon, Washington, Idaho, Utah, Montana and Province of British Columbia.

The officers are: President, R. L. Smith, Hood River, Oregon; treasurer, W. F. Offner, Walla Walla; secretary, C. H. Tenneson, Tacoma; vice-presidents, A. I. Mason, Hood River, Ore.; Ben Durgunder, Colfax, Wash.; Fremont Wood, Boise, Idaho; R. C. Cooley, Bozeman, Mont.; C. A. Hickenloaper, View, Utah; J. R. Anderson, Victoria, B. C.; chairman of local committee, E. M. Gordon, Seattle.

The programme committee extends invitation to all connected with the different interests of the great fruit industry—the grower, the merchant, the carrier, the press, the instructor, the scientist—requesting them to be present and take part in the proceedings of the meeting. Many questions of vital importance will come up for discussion and consideration at this convention, particularly from the commercial standpoint, and the serious problems that now confront the fruit growing industry can best be solved by the combined wisdom and energy of all interests working harmoniously together.

Mr. Tenneson, the secretary, writes to Mr. J. R. Anderson that, provided a sufficient number intimate their intention to attend, from this province, he will make application for a reduction in rates. It is, therefore, requested that those wishing to attend the meetings, send in their names without delay to J. R. Anderson, vice-president for British Columbia, Victoria.

---

### PASSED AWAY.

The whole of the community received a severe shock, on Thursday morning, when it was learned that one of its most popular young ladies had passed away. Miss Emily Bertha Tairkle, third daughter of Thos. Tairkle, died on Wednesday night, at the early age of 19 years, 1 month and 25 days as a result of appendicitis for which an operation was performed on Sunday last. Miss Tairkle, but a few days previous, apparently was the healthiest and jolliest girl in the neighborhood.

Having no mother, Miss Tairkle, better known as Flossie, has been her father's housekeeper since the marriage of her sister, Mrs. Alf. Coleman, and it was while filling this position that she so interwove her life with that of her father and little sisters and brother that her loss will be so severely felt as to be almost heartbreaking and the sympathy of the whole community goes out to the bereaved family in this their hour of trouble.

The funeral took place from the Methodist Church, at 10 o'clock yesterday morning, where the service was conducted by Rev. J. F. Betts. The church was packed, standing room not being obtainable. After the service was over, an opportunity was given, for all who wished, to take a last look at the face of their departed friend.

The Riverside Mission Circle, of which Flossie was president, were all present and were very deeply touched by the affecting scene.

The pall-bearers were: Geo. Devitt, C. H. Morgan, H. Llewellyn, D. M. Ellis, Robt. Stokes and Geo. Clarke.

Among the beautiful floral tributes noticed were:

Spray—Uncle and aunt, Mr. and Mrs. H. Tiffin, Vancouver; Mr. and Mrs. N. Lee, Vancouver; Misses Thomasine Kerr and Jessie Dunsmore, New Westminster, Mrs. L. Monkman, Mrs. E. B. Ladner.

Star—Riverside Mission Circle.

Crescent—Mrs. W. L. McBride, Misses Leona and Lillie Whitworth, Mrs. H. J. Cresswell and Mrs. E. A. Bown.

Cross—Mrs. J. T. Stanton and Mrs. J. H. Fletcher, Mr. and Mrs. W. Stokes, Mrs. McDiarmid and Mrs. Nelson.

Wreath—Mr. and Mrs. James Follis, Mrs. Fenton, Misses Florence and Olga Kirkland and L. Davis, Westham Island Football Club, Mr. and Mrs. W. J. Lanning, Dr. and Mrs. King, Methodist Sabbath School, Mr. and Mrs. G. W. London, Westham Island, Mr. and Mrs. Geo. R. Manley and family.

D. Murchie, of New Westminster, was the undertaker.

---

D. M. Ellis is taking a forced holiday, just now, having had the misfortune to crack a few ribs by falling over a barrel. During his rest Dave took a trip to Victoria and Vancouver.

---

There was a meeting of the Liberal-Conservatives, on Monday evening last, in Oddfellows' Hall, when delegates were appointed to attend the Central Convention in session to-day, at Cloverdale. A special train was put on this afternoon, from Port Guichon to Cloverdale, for the accommodation of the delegates. Another meeting is called for Tuesday evening next, in Oddfellows' Hall, to receive the report of the delegates.

## GOOD START.

In speaking of H. M. Vasey for the Reeveship, the question may be mooted as to whether he is running for personal advantages or not. Of course, the chief personal advantage to him would be the opening up of the River road from Mitchell's to the Landing, but Mr. Vasey wishes it to be understood that he will not ask the Council to complete this work as he is satisfied that the Council is unable to handle it at the present time and with so much other roadwork on their hands. It is his intention, however, if elected, to use his best endeavors to get the government to complete this work or, to so assist the Council that it might be completed. This is an excellent recommendation in itself, added to this is the fact that Mr. Vasey stands out very prominently among the more prosperous of our farmers and adds youth to his very mature experience.

The time for a change has arrived and is acknowledged by all. By introducing a young man to take the head of the Council it is hoped to strengthen the body and we hope to see the whole of the Councillors returned for another year at least, in order that some unfinished business of long standing might be finished up and satisfactorily terminated.

## Good Seeds.

J. R. Anderson, Esq.,
Deputy Minister of Agriculture,
Victoria, B. C.

Dear Sir: I have recently received word from the Seed Commission, Ottawa, that a seed laboratory was to be established under my charge at Calgary for the purpose of testing the purity and vitality of farm seeds. Testing will be commenced the 1st of January 1907. Seeds sent in by farmers or seed merchants and addressed to the Dominion Department of Agriculture, Seed Laboratory, Calgary, will be examined free of charge. Regular postage rates must be paid on samples sent to Calgary; samples sent to Central Seed Laboratory, Ottawa, go postage free. All samples should be marked "Purity" or "Germination," or both, according to what the sender wishes them tested for.

The establishment of this sub-station will save seven days in the time required to send seeds from Alberta and British Columbia to Ottawa, and return the report to the sender. It will also lessen the delay in having the testing done as the Central Seed Laboratory is often overloaded with work during the seed season on account of the great number of samples sent in by the large western seed wholesalers.

Yours faithfully,
(Sd.) W. C. McKILLICAN.

## IN TIME OF PEACE.

In the first months of the Russo-Japan war we had a striking example of the necessity for preparation and the only advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history, and given us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by All Druggists.

Remember the masquerade on the 30th.

The S.S. Sonoma leaves Ladner at 8 a.m. and 3 p.m.; leaves Steveston at 9 a.m. and 4 p.m. Every day except Sunday.

### Sells More of Chamberlain's Cough Remedy than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many doses sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by All Druggists.
