NORTH SHORE-VANCOUVER NEW TELEPHONE RATES

COMMERCIAL SUPERINTENDENT OF B. C. TELEPHONE COMPANY DISCUSSES NEWLY ESTABLISHED "TWO NUMBER" SYSTEM.

Mr. F. J. MacGougan, commercial superintendent of the B. C. Telephone Company, was a visitor in the city on Monday. In conversation with a representative of the Express Mr. MacGougan expressed surprise that opposition should have developed locally to the "Two Number" system inaugurated between this city and Vancouver since the installation of the new cable across Burrard Inlet. This, declared Mr. MacGougan, is the system that is adopted by all metropolitan telephone companies under conditions similar to those existing in and about Vancouver. The system has been in operation for some years in San Francisco, Berkeley and other cities on the Pacific seaboard and has given excellent satisfaction. The B. C. Telephone Company has operated the system for some time between Vancouver and Eburne and it has worked smoothly and well. Statistics show that only two and one-half per cent. of the calls over the Eburne lines have been ten cent calls since the inauguration of the "Two Number" system. The others have all been five cent calls.

By the "Two Number" system is meant a system which directly connects one local number with another, thus dispensing with the interposition of a third number, namely "Long Distance." Of course, said Mr. MacGougan, telephone subscribers still have the privilege of using the "Long Distance" route if they wish, in which case the ten cent toll would be charged.

The endeavor of the telephone company, declared Mr. MacGougan, was to install the very best equipment, to establish the most modern system and to provide a service second to none among the most progressive cities. He therefore felt that the opposition which had developed to the local trans-inlet rates showed a lack of appreciation of the efforts of the Company on behalf of their subscribers. He was confident that if matters were allowed to proceed until the "Two Number' system had been given a fair trial local telephone subscribers would be more than pleased with the results, both with reference to cost and other features.

The Smart Set at Lonsdale Theatre

A large audience gathered in the Lonsdale theatre on Saturday night to see and hear the "Smart Set" make their debut in a programme of popular songs and sketches. Let it be frankly admitted that some critical persons went with no great expectations that the performance would rise above mediocrity, but they were agreeably surprised, for not only were the staging and costumes artistic, but the whole performance was of a refined and interesting character, rendered with taste and plenty of "go," and fully justified the adoption of the title under which the production took place. The singing was the strongest point, and it was good, chiefly in solo and duet numbers. The chorus work and one of the quartettes required more rehearsals, especially for attack and balance of parts. The programme was an agreeable change from the wishy washy illustrated song and monotonous rag time with its exaggerated syncopation, which are constantly heard in the vaudeville theatres.

MADAME NORMINTON

To Whom the Smart Set Owes Its Inception

The Smart Set deserve to be encouraged, and it is to be hoped that they will soon be heard again in a more ambitious programme, if for no other reason than to revive the jaded taste of the public, by giving them singing where purity and beauty of tone are paramount, instead of the nasal whine and strident noise which pass under that name in so many of the western playhouses.

Madame Norminton (Florence Hayward) and Mrs. C. A. Laing (May Scott Hastie) took the largest share in the ladies' part of the programme. The former lady was in splendid voice, and her mellow tone, extensive range and good expression, gave the audience much gratification in her rendering of "Carissima," and of a ditty about a Yorkshire lass, for both of which songs she was deservedly encored. Mrs C. A. Laing has a delightful voice, which, combined with her clarity of enunciation and mobile expression, quite captivated the audience. Her principal effort was the Faust Jewel song, which she sang with dramatic force and brilliance. Her other items were duets with Mr. John Moir (Lawne More) and Mr. S. Adamson (Sid Eastmead), the former a humorous composition about being shy, and the latter, a pretty song by Massager. Mrs. C. E. Lawson (Kate Hardman) looked very neat and sprightly and sang a duet with Mr. C. H. Sharratt (Richard McCarthay) from the pen of the late Sir Arthur Sullivan, which was encored. She also took part in a quintette with other four damsels, and Mr. Victor Jenkins (Mike Calland), who sang through a much beribboned telephone that he loved them, which assurance evidently gave them unbounded satisfaction as they smiled and sang "then ring off." The graceful dancing of Miss F. Conington (Eleanor Gwynne) was an attractive feature, and much applauded, especially in the final number, in conjunction with Mr. John Moir. Miss E. Adamson (Ethel May) sang a kissing duet with her brother in a way which called forth a vigorous encore; and Miss Madeline Musson (Madeline Tilton) was recalled for her rendering of a waltz song. This young lady has a voice in which there are possibilities, and a temperament to which the same remark applies, and with further study she should be a great acquisition to the ranks of our soloists. Her singing gave great pleasure. Mr. John Moir was much in evidence throughout the evening, and his clever acting and singing and pawky humor brought down the house on several occasions. A variant on the well known song about a policeman's lot, made by substituting Scotch for English words in the final verse, was much appreciated by those who came from the land o' cakes. Perhaps Mr. Moir recalls past days in Auld Reekie when a "bobby's lot was no' a happy yin." He also sang a topical ditty about Lottie's lots, and an aeroplane came gracefully into view to illustrate how some of the lots had to be reached. This song and another one, dealing with (inter alia) the mud on Lonsdale avenue, were two of the hits of the evening. Mr. Moir's style is always satisfying, the humour is there and nothing is forced and added to a taking appearance, there is neat clean method. Mr. Craddock (Tyrwhitt Briggs) has a capital bass voice, and sang "Thy Toreador" in artistic style. Mr. C. H. Sharratt made a good impression in a duet with Mrs. Lawson, which gave ample scope for refined singing, and both his voice

M. B. Martinson N. Lonsdale Candidate

Mr. M. B. Martinson, for some years president of the North Lonsdale Ratepayers' Association, has been nominated by that organization to represent the ward on the district council. In his platform speech the candidate reviewed the work of the council during the present term of office. Mr. Martinson's opponent is Coun. Jack Loutet, who, however, will not probably have returned from Jamaica in time to personally contest this division. Mr. Purdie, secretary of the school board, has been endorsed by the same association.

REEVE MAY REPORTS ON PILGRIMAGE TO VICTORIA

"NOT ALTOGETHER SATISFIED" WITH INTERVIEW WITH GOVERNMENT—BEING UNDER NO OBLIGATION TO P.G.E. SHOULD ENCOURAGE OTHER RAILROADS TO CONSTRUCT.

The district council held its usual short meeting on Friday evening, Reeve May presiding.

Resolutions were passed in preparation for the forthcoming elections. Mr. J. G. Farmer was appointed returning officer with Mr. Robt. Chance as his assistant for the North Lonsdale Polling booth and Mr. H. A. Shaw, the deputy at East Capilano. The polling stations will be at the municipal hall, Lynn Valley, office of T. S. Nye, corner Lonsdale and St. James' road and the school house in East Capilano. The date for the court of revision of the voters' list was set for January 6th at 10 a.m. and for the revision of the assessment roll the 1st of February at 10 a.m.

By-laws aggregating $122,000 were introduced and read three times. They were the East Capilano Waterworks Loan By-law, $20,000, Lynn Valley Waterworks by-law $40,000, and the school Sites by-law $62,000. Besides these, the clerk was instructed to prepare by-laws to be voted on in January for $150,000 for road works, $5,000 for sidewalks and $5,000 for parks improvements in Lynn Valley, North Lonsdale and East Capilano.

It was resolved to rescind the resolution of November, 1912, respecting the improvements of Dovercourt, Peters, Carisbrooke and Lynn Valley roads in so far as the same fixes the date of revision.

A communication was received from the North Lonsdale Ratepayers' Association asking for the cost and manner of assessment of grading and macadamizing on Lonsdale avenue, Windsor, King's, Queen's and St. Andrew's avenue. Also quarry expenses. It was referred to the engineer.

A letter was received from the Lynn Valley Ratepayers' Association recommending that 1,000 feet of fire hose be purchased and that a hydrant be installed at the corner of Harold and Institute roads. The former request was referred to the incoming council and the latter was given to the engineer with instructions to have the work done.

After reporting briefly on the delegation's trip to Victoria on the Pacific Great Eastern Railway matters, Reeve May stated that there was something very important now that the government had thought fit to support the railway company in allowing construction of this end of the line to be delayed to the last. "We passed the P. G. E. plans without any objections" the reeve said, "so therefore we are not in the least under obligation to them. We should now throw all our attention and energy towards the starting of the Second Narrows bridge and the encouragement of other railways to construct in here." Whether it be the C. P. R. or any other company the reeve declared that all reasonable concessions should be made.

As to the trip to Victoria the reeve was not altogether satisfied. "Coun. Ward and myself," he said, "comprised your committee to interview the government upon the matter of the non-enforcement of the clause in the agreement between the P. G. E. and the government to the effect that the former would commence and effectually continue construction at a point within 10 miles from the city of Vancouver. I regret to say that on that one point we were not successful.

Mr. D'Arcy Tate contended that should they be forced to comply with that detailed agreement they could not complete the contract in specified time under present circumstances. I will admit that taking the agreement in the aggregate the final resultant benefits accruing to North Vancouver will be on a par with those which will result from the agreement being carried out in detail but by doing so we lose our immediate benefits to North Vancouver by delaying that part of the contract until the last. Our government promised us that the cars would be running into North Vancouver inside of two and a half years and that we would have a fine passenger and freight depot.

Chief of Police Davies wrote thanking the council for its expression of sympathy on the occasion of the recent death of the chief's little son.

Messrs. Burns & Walkem, solicitors, wrote intimating that the case of James against the district had resulted in a judgment in favor of the plaintiff. The case in question was one in regard to a tax sale in 1897, in which the reeve had notified the clerk to mark down for the district all properties on which the bids did not equal the taxation. The court took the position that the reeve should have been at the sale and should have put his bids in for the district in the regular way.

The above solicitors' account for $250 for services in the case Jay versus the district was referred to the finance committee.

The Hastings Shingle Manufacturing Co. wrote alleging that some timber lying on the Hoskins road had been removed by one of the district road men. This had seriously handicapped the company's work and the writers wished to have the timber returned. The matter was left in the hands of the engineer.

Dedication Took Place Last Sunday Evening

The new St. Andrew's church, situated at the corner of 10th street and St George's avenue was formally dedicated on Sunday by the Rev. Peter Wright, D.D., moderator, on behalf of the Presbytery of Westminster.

The auditorium of the handsome church was filled to overflowing and many old friends took advantage of the occasion to be present at the impressive services.

For the presbytery, Rev. Dr. Wright congratulated the pastor, church committee and congregation on the beautiful edifice which they were about to occupy.

The Rev. Mr. Macleod, pastor, explained that while there was just reason for the pastor having the honor of preaching the first sermon in the new church, he had thought that some one older in the church should have that to do, but the managers had insisted of his taking the service, hence his presiding. He took for his text, "Upbuilding of the church," and dwelt on the opportunities which were offered to everyone in this magnificent work. It was a disappointment to the management that the fine new pipe organ was not in operation, but this was found impossible only a few days ago by the builders. The pipes, however, were in place and these, from the appearance, gave reason to believe that the new organ will be a very fine instrument.

The choir, under the personal direction of Choirmaster Wilson, was augmented for the occasion. The renderings were especially fine.

In the evening the Rev. Ronald MacLeod was assisted by Rev. A. G. Paterson, while in the afternoon the Rev. D. McLennan of Boston, preached a sermon in Gaelic.

During the morning service Miss Jean Clark contributed a rendering of "Fear Not Ye O Israel."

C. P. R. Location Map Under Scrutiny

CITY FATHERS TO PROTECT STREET GRADES WILL FORWARD CERTAIN OBJECTIONS TO OTTAWA.

The city fathers this morning assembled for the purpose of examining the the location map of the Canadian Pacific Railway so far as the company's proposed lien along the city's foreshore is concerned. Determined to safeguard the grades at the city's street ends, several technical objections were formulated and will be forwarded to the proper department at Ottawa.

N. S. Debating Club and Socialism

The North Shore Literary and Debating Society meets this evening in the Central school, Fourth street and Chesterfield avenue, at 8 o'clock when the topic for discussion will be "Socialism." The leaders are well chosen, and, with a good turn-out of members the debate should be one of the most successful yet held. New members cordially invited.

FINAL BRIDGE PLANS BEFORE DEPARTMENT

WILL COST EXTRA $250,000 TO BUILD BRIDGE FIFTY-FIVE FEET HIGH—THIS FEATURE MAY YET BE MODIFIED—DETAILED PLANS WILL IMMEDIATELY FOLLOW APPROVAL OF PLANS NOW SUBMITTED.

Work on the completion of the plans of Second Narrows bridge has been moved forward with the greatest possible expedition by the firm of Sir John Wolfe-Barry and Partners and although no advice to that effect is yet to hand from the company's solicitors, it is expected that a copy of the plans is now in possession of the Public Works Department at Ottawa. These plans show the stress and give other detailed information of a technical nature, with respect to the several features of the bridge and these items must all be carefully checked up by the engineers of the department previous to final approval. Meantime the Board of Directors have been discussing the proposed height of 55 feet with the department through Mr. H. H. Stevens, M.P., with a view to inducing the department to accept a height of forty-five feet above high water as shown on the plans which are now being submitted. The directors are advised by the firm of Sir John Wolfe-Barry and Partners that the additional ten feet in height would entail an increased expenditure of $250,000 and would likewise entail a further delay of six weeks in commencement of construction. It has, therefore, been arranged that upon the arrival of the plans at Ottawa, H. H. Stevens, M. P., together with the Ottawa solicitors for Burrard Inlet Tunnel and Bridge Company will again take up the matter with the department with a view to securing the acceptance of the lesser height. In this particular it is stated that the plans as about to be submitted are in strict accordance with the recommendations of Mr. Worsfold, resident government engineer. Should the department be found unwilling to accede to the request of the company, it is within the possibilities that the government might consent to increase the subsidy by an amount equal to the additional expenditure rendered necessary by the added height of the bridge.

Once the details of the structure are finally decided and the plans now submitted are approved, the way will be cleared for the execution of the detailed plans which will be followed by calls for tenders and the awarding of the contract followed by immediate commencement of construction.

Special Meeting To-morrow Evening

CITY HALL TENDERS TO BE CONSIDERED

Local Druggists Protest Against Recommendation of Water Committee—General Proceedings of Last Night's Council Meeting.

The city council met as usual last evening. Mayor McNeish presiding over a full attendance of aldermen.

Mr. Thomas Irwin wrote asking for the continuation of the sidewalk from lot 16, block 155, D. L. 274, to St. George's Avenue. This was referred to the board of works.

Messrs. Livingston, Garratt, King and O'Dell wrote, instructed by Mr. A. Rowan, the owner of lot 5, block 29, D. L. 548, informing the council that the city had entered upon the said lot and has opened up a lane 10 feet wide across one end of it. The writers had been instructed to record damages. The matter was referred to the lanes committee.

The chief of the fire department reported that several details and improvements in regard to the chemical and hose motor wagon had been carried out, and the matter now only awaited the council's final decision to purchase the machine.

Ald. Irwin moved that, subject to the council's and the city solicitor's approval on these points, and as to the guarantees offered that the machine be purchased and that the company be paid forthwith.

Mr. Herbert Day wrote, asking the council to look into the condition of 15th street which, the writer stated, had been rendered worse since the blowing of stumps.

Mr. M. S. McDowell and Mr. W. Wainman wrote, complaining against the water committee's recent recommendation that drug stores be charged the maximum amount allowed in the by-law for stores. Both writers declared that the drug business entailed the use of a comparatively small amount of water per annum. The matter was referred back to the water committee.

Mr. E. P. Gilman wrote intimating that in regard to his tender for city hall site, his associates in England (for whom he is nominal owner) would be willing to accept half of the total purchase price in city bonds and Mr. W. W. Montelius wrote in the same connection describing more fully his tendered property as lots 14, 15, 16, 17, 18 and 19, block 142 in D. L. 274.

The assistant secretary of the U. C. M. wrote calling the council's attention to the notice given to the Dominion parliament by the B. I. T. & B. Company for an extension of time, etc.

The mayor sarcastically asked the city clerk whether there was a letter also calling the city's attention to the application of the C. P. R.

A petition was received for the repairing of that portion of 18th street between Mahon avenue and Jones avenue.

It was decided that tomorrow evening at 7 o'clock should be appointed as the time for a special meeting to consider the tenders of the city hall site. Ald. Foreman at the outset was disinclined to go into the matter, declaring that it might be better to refer it to the incoming council seeing that the candidates were apparently making an issue of the question; Ald. Foreman however thought the incoming council would have quite enough to look after. The date as above, Wednesday, at 7 p.m. was thereupon appointed.

North Vancouver Man Fell One Hundred Feet

While on a hunting trip in the vicinity of Lake Buntzen on Sunday Mr. H. Vickers of 18th street had the misfortune of falling a hundred feet and sustaining severe injuries which necessitated his spending the night in the forest above the snow line. The wounded man was with the assistance of his brother, Percy Vickers, conveyed by launch to Vancouver and a ferry dray had to be utilized to convey him from the ferry terminus to the car.

Vancouver vs. Victoria To-night

THIRD GAME OF HOCKEY SERIES AT ARENA

The Vancouver and Victoria teams will put up their first argument this season at the Vancouver arena this evening. The match will be refereed by Gardner and Lehman of the Westminster team.

Each of the competing teams has won a victory over the Westminsters so that the struggle this evening is really for first place in the race to date. While the Victorias lead the Westminsters by a narrower margin than did the Vancouvers, the outcome of this evening's game is by no means a foregone conclusion. The capital city team is said to be putting up better combination on the attacking division than either of the other teams. It remains to be seen if the Vancouver defence can defeat their rushes, when it will be up to the Victoria defence to show what it can do against the Vancouver attack led by the redoubtable "Cyclone" Taylor.

The advance sale of seats points to a yet larger attendance than that which witnessed the opening match of the season.

Mr. S. D. Schultz Denies Rumor

HAS NO INTENTION OF WITHDRAWING FROM CONTEST

Mr. S. D. Schultz, candidate for mayor of this city, has contradicted the local rumor that he purposes withdrawing from the coming contest. Mr. Schultz has no intention of doing so. His organization committee met last evening.

Westminster hockey team, champions of the P. C. H. L., met their second defeat at Victoria on Friday last, 6-4.

Government's Naval Policy—Premier Borden Makes Historic Speech—Scene of Wild Enthusiasm in the House.

Ottawa, Dec. 12th.—The announcement of Premier Borden's naval proposals has of course over-shadowed everything at the capital. There is nothing else which is talked of or dreamt of. The premier made a wonderful speech in presenting his plan—one of the greatest speeches, if not the greatest, ever heard at Ottawa. It was a great occasion, marking the dawn of a new era for Canadian and Imperial politics and the premier thoroughly appreciated the responsibility which weighed upon his shoulders. He spoke slowly, deliberately and impressively and he was eloquent by the earnestness of his manner rather than by any brilliant flashes of oratory. He marshalled his facts in splendid array, his arguments were irrefutable and there was no man who heard him make his historic utterance who was not thoroughly convinced that it was time Canada should assume a larger share of the burdens of empire, no matter whether he agreed with the Premier's methods or not.

When the Premier completed his brilliant peroration there was a scene unparalleled in the history of the house. The house of commons is seldom carried off its feet. It is a staid body. But Thursday was too much for it. No sooner had the premier taken his seat than the house burst into a storm of cheering. The Conservatives sprang to their feet, banged desks, waved handkerchiefs and cheered for many minutes. Rule Britannia and God Save the King were started at the same moment, but the National Anthem led by Joseph Rainville, one of the Quebec Nationalist members, predominated. The opposition members, the galleries, The Duchess of Connaught and Princess Patricia who were on the floor of the house, rose to their feet and joined in the swelling chorus of the National Anthem. That is, all rose but one, Hon. Frank Oliver, ex minister of the interior. He alone sat glum and glowering in his seat. He was a conspicious figure, the cynosure of all eyes, as he sat there on the front benches of the opposition, while on one side of him stood the premier and the other Hon. Charles Murphy. It was the only jarring note in a magnificent tribute to Mr. Borden's statesmanship. Oliver sat through the whole of the refrain, his face flushed with anger, his brows knit in sullen obstinacy as he settled himself lower on his bench. His action is the talk of the capital. Mr. Oliver has attempted no explanation. It is doubtful if he can—it was inexplicable and incomprehensible.

The text of the announcement has already appeared in the daily papers. However, it might be well to sum up briefly the main features of his policy which were as follows:

1. Canada presents to the Imperial Government three Dreadnoughts of the latest class, the cost to be $35,000,000.

2. These ships are to be maintained and controlled as part of the Royal Navy.

3. If at any time we establish a Canadian unit of the Royal Navy, these ships may be recalled to form part of that unit.

4. The three Canadian Dreadnoughts are to bear historic names associated with the history of Canada.

5. The Canadian Government will be a permanent member of the Imperial Defence Committee, and no important step in British foreign policy will be taken without consulting the Canadian minister.

6. The British Admiralty will place orders for the construction of small cruisers in Canada and the Canadian government will, for a time at least, bear part of the additional cost due to construction in this country. The ship-building industry will be fostered and plants established on both the Atlantic and the Pacific oceans.

The effect on the Pacific coast will be that with the additional strength Canada is giving to the home navy the squadron in the east which in recent years has been seriously reduced will be able to be increased to some semblance of its old standard. How much Britain has been forced to reduce its naval force on the overseas stations was strikingly pointed out by the memorandum prepared by the admiralty. In 1902 there were 160 British vessels on the overseas stations against only 76 to-day. As the premier said: "Is it not time that the former conditions should in some measures be restored? Upon our coasts, both Atlantic and Pacific, powerful squadrons were maintained twelve years ago. Today the flag is not shown on either seaboard. "I am assured," declared the Premier, "that the aid which we propose will enable special arrangements to be consummated that without courting disaster at home an effective fleet of battleships and cruisers can be established in the Pacific and a powerful squadron can periodically visit our Atlantic seaboard and assert once more the naval strength of the empire along these coasts."

There has been a great deal of interest in the attitude of Quebec towards such an advanced imperialistic policy. A. Mondue of Gamaska, one of the Nationalist members, it is understood, will move that there be a referendum. However he will get at the outside but five French government supporters. The majority of the French Conservative members are enthusiastically in favor of the proposals which have been propounded by the first minister. They state that when the plan is properly understood in Quebec they believe it will be heartily endorsed. It is very likely that later a series of meetings will be held in the province when a compaign of education will be carried on.

Reeve Nelson Will Not Seek Re-Election

MR. JOHN LAWSON WILL BE CANDIDATE FOR THIS OFFICE

Reeve Charles Nelson of the municipality of West Vancouver will not seek re-election at the forthcoming elections. This decision is due to Mr. Nelson's intention to take a trip abroad next year.

Mr. John Lawson, the present chairman of the school board and popularly known as the "father of Hollyburn" has announced that he would submit his name to the electorate of West Vancouver for reeve.

It is expected that there will be several changes in the personnel of the council of 1913.

CANCELLATION OF RESERVE

NOTICE is hereby given that the reserve existing by reason of the notice to permit of the sale of the timber standing thereon:

"That portion of Lot. No. 534, Group 1, New Westminster District, not covered by Lot No. 1650 or the South Half of Lot No. 1651, Group 1, New Westminster District.

Commencing at the north-west corner of Lot No. 2635, New Westminster District; thence north 14 chains and 70 links; thence west 14 chains and 41 links, more or less, to the east boundary of Lot No. 781; thence south 8 chains and 50 links to the south-east corner of said lot; thence west 2 chains and 59 links to the fractional north-east corner of Lot No. 829; thence south along the easterly boundary of the said lot 26 chains and 50 links to a post marking an angle of the said lot; thence east along the boundary of the said lot 17 chains, more or less, to a fractional north-east angle of said lot; thence north along the west boundary of Lot No. 2635 a distance of 15 chains and 30 links, more or less, to the point of commencement; containing by admeasurement 50 acres, more or less.

Commencing at the most northerly north-east corner of Lot No. 768, New Westminster District; thence east 40 chains; thence south 40 chains; thence east 40 chains; thence south 20 chains to an angle of said Lot No. 768; thence westerly and northerly along the boundaries of said lot to the point of commencement; containing by admeasurement 280 acres, more or less.

Commencing at the north-east corner of Lot No. 570, New Westminster thence north 20 chains; thence west 20 chains, more or less, to the south-east corner of Lot No. 569; thence west 20 chains, more or less, along the south boundary of Lot No. 569 to the point of commencement; containing by admeasurement 80 acres, more or less.

ROBERT A. RENWICK,
Deputy Minister of Lands.
Department of Lands,
Victoria, B. C., December 11th, 1912.
17-3-13

APPLICATION FOR HOTEL LICENSE

NOTICE IS HEREBY GIVEN that I intend at the next regular meeting of the License Commissioners for the City of North Vancouver to apply for an Hotel License to be known by the name of the Arlington Hotel situate on lots twenty-seven in block 156, D. L. 274, in the city of North Vancouver.

JOHN MEAGHER.

Dated Nov. 14th, 1912. 15-12

THE CORPORATION OF THE CITY OF NORTH VANCOUVER

THE ATTENTION of persons desiring to vote at the forthcoming Municipal Election is hereby called to the following information:—

The registered Owner and the registered Vendee under Agreement for Sale both have the right to have their names appear on the Voters' List, but the registered Owner alone shall have the right to vote at any election unless he or she on or before the day of Election by writing under his or her hand filed in the office of the undersigned, waives or renounces his or her right to vote, in which case the Vendee shall be entitled to vote provided he or she has the requisite qualifications of a Voter.

According to a special resolution of North Vancouver City Ferries Limited the qualifications of a Director of that Company are now the same as those of an Alderman of the City of North Vancouver. Candidates for that position must be male British subjects of the full age of twenty-one years, who are not disqualified under any law and have been for the past six months next preceding the day of nomination the registered owners in the Land Registry Office of land or real property in the City of North Vancouver of the assessed value in the last Municipal Assessment Roll of Five Hundred ($500) Dollars or more over and above any registered judgment or charge and who are otherwise qualified as Municipal Voters.

The voting this year is by Wards, of which the following are the boundaries

Ward 1.—On the East Jones and Mahon Avenues, on the South, North and West City Boundaries.

Ward 2.—On the North Keith Road, on the West Mahon Avenue, on the East Lonsdale Avenue, on the South the southern boundary of the City.

Ward 3.—On the North Keith Road, on the East St. Andrew's Avenue, on the south, the southern boundary of the City, on the West Lonsdale Avenue.

Ward 4.—On the North Keith Road, on the south the southern boundary of the City, on the West St. Andrew's Avenue, on the East, City Boundary.

Ward 5.—On the South Keith Road, on the West St. George's Avenue, on the North and on the East City boundaries.

Ward 6.—On the North City boundary, on the south Keith Road, on the east St. George's Avenue, on the West Jones Avenue.

A Candidate for the representation of a Ward need not be a Voter in that Ward so long as he possesses the other qualifications for an Alderman of the City.

No Elector shall be entitled to vote in more than one Ward. A resident elector shall vote in the Ward in which he or she resides. A non-resident elector shall vote in the Ward in which he or she owns the largest amount of property. The voting place for all Wards is the City Hall.

The Court of Revision of the Voters' List will sit in the City Hall, North Vancouver on the 19th day of December, 1912.

W. AUSTIN BROWN,
City Clerk.

Steadily Increasing Membership

HELD SUCCESSFUL AND INTERESTING DEBATE LAST SESSION

The North Shore Literary and Debating society held a most successful meeting at the Central school, Chesterfield avenue last week, when the subject for debate was the abolition or continuance of the segregated district. The leaders of the abolitionists were Mr. Percy Ward and Mr. A. E. Anders, while the principal defenders of the system were Mr. J. N. Boult and Mr. T. F. Rowe.

The topic was treated by speakers on both sides in a sensibly outspoken fashion, and so well stated were both cases that the president, Mr. McRae, who acted as judge, experienced difficulty in returning his verdict.

On points, however, he decided that the affirmative side were the victors. The debate appointed for next week's meeting is one on the subject of Socialism, a topic which is self-advertising. The society during the last few weeks has been steadily increasing its membership, and there have so far been no disappointed new-comers.

Convenient for Vancouver Shoppers

North Vancouver people can have all their purchases in Vancouver sent to J. A. Chamber's store, 23 Hastings Street east, thereby getting them al together on their way to the ferry.

St. Thomas' Church North Lonsdale

This small temporary church is now connected with the city by car. Indeed, it is the only church on the North Shore on the car line. Recently as a daughter church from St. John's the congregation expressed their filial duty by closing the church at 11 a.m. and uniting with the congregation assembled for worship at St. John's. No doubt such an expression of hearty co-operation with the mother parish will result in some of the congregation of St. John's occasionally visiting their poor and struggling offspring. Such an occasion presented itself on Sunday last when the o'clock. The Rev. H. A. Butler of Langley, was the preacher at evensong. St. Thomas church is in charge of the Rev. F. E. Perrin, who is laying the foundation of spiritual work in this growing district on sober evangelical catholic lines. There is a reverent celebration of the christian mysteries every Lord's Day at 8 a.m.

Reports Show City Schools Progressive

ENROLLMENT OF SCHOLARS 777 AS COMPARED WITH 494 TWO YEARS AGO

The remarkable progress of this city's schools, notable for a steady influx of new scholars and general improvements to the system, could not be more pointedly set forth than in the teacher's reports for the month of November. The theory that comparisons are odious is helplessly exploded when one is confronted with the comparative enrollments during the Novembers of the last three years. In November, 1910, the local schools were being attended by 494 pupils. In November 1911, this number had increased to 614, while the returns for last month show the school-attending population to be 777.

Below are the most recent statistics relating to this department of the city's life, gleaned from the reports of the teachers for November 1912:

School	Enrollment Boys	Girls	Total
High	27	17	14
Central	136	150	286
Lonsdale	89	70	159
Ridgeway	130	158	288
Total	382	395	777

School	Actual Attendance Total	Average	Percentage
High	885	39.28	89.80
Central	5176½	246.5	86.19
Lonsdale	2925½	139.30	87.61
Ridgeway	5349	254.71	88.
Total	14276	679.79	88.

The staff now in charge of North Vancouver's schools is constituted as follows:

High school—J. H. Keller (principal), Miss Clark.

Central school—Charles S. Debbins (principal), Miss Jardine, Miss Corbett, Miss Smith, Miss Jones, Miss McAdam, Miss Corcoran.

Lonsdale school: D. F. Clark (vice principal), Miss Potter, Miss Hart, Miss Ramsay.

Ridgeway school—J. B. Bennett (principal), Miss Sexton, Miss Black, Miss Millward, Miss Woodhouse, Miss Warner, Miss Patrick.

A gratifying feature of last month's report is the apparent progress which is being made in connection with the manual training department under the direction of Mr. Albert Wooldridge.

Order of Eagles' Annual Meeting

ELECTION OF OFFICERS

The Fraternal Order of Eagles held their annual election of officers on their annual election of officers last week in the lodge room of lowing were elected for the ensuing term: President, Mr. H. B. Baker; vice president, Mr. H. B. Smith; treasurer, Mr. T. Prime; secretary, Mr. P. King; chaplain, Mr. H. Smith; inside guard, Mr. W. C. Gladwin; outer guard, Mr. G. C. Walker; trustees, Messrs. W. H. Stoney, C. G. Melville and O. A. Evenson. At the conclusion of the lodge business the brothers took part ing a smoking concert when the rest of the evening was spent in song, story and speech with abundant refreshments, thus closing a successful year and a pleasant evening.

Contributors to Canada's Wealth

The Amounts Contributed by the Leading Industries

It is always of interest to compare the values of the products of each of the leading industries of a country. Everyone will tell you that Canada is immensely rich, but when you demand particulars, they are not so readily forthcoming as are general statements. Canada has not, as yet, made such statictical progress as to permit a close comparison of this kind to be made for a particular year. The following figures, however, are approximations of the value produced annually by our greatest natural resources and by manufacturing:

Field Crops and Dairy Produce	$604,800,000
Forest Products	161,093,000
Minerals	102,300,000
Fisheries	29,965,000
Value added to raw products by manufacturing	563,630,000

The Canadian Bank of Commerce

It constitutes an advertising medium of exceptional value for reaching in a thorough and effective manner the population of North Vancouver City and District. Every effort is made to give advertisers the most satisfactory service.

All changes in contract advertisements should be in the printers' hands not later than 10 a. m. Monday and 5 p. m. Wednesday to ensure insertion in the following issue.

North Vancouver, B. C.....December 17, 1912.

TRANS-INLET TELEPHONE RATES

Whatever specious arguments may be advanced to support the new scale of telephone rates between this city and Vancouver, the fact still remains that the inauguration of the so called "Two Number" system, does not provide the basis which local public bodies were assured would be laid down were the cable route across the Inlet granted. Those public bodies (and through them, the entire local phone-using public) were assured in writing by the Telephone Company that the inauguration of the service over the new cable would carry with it a reduction of fifty per cent. in the rates to Vancouver, or in other words, that the rate would then be five cents instead of ten cents as heretofore. Those assurances made no reference whatever to the fact that other conditions would be imposed, but conveyed the meaning that conditions would in all respects (with the exception of the price) remain the same. In consideration of the promises thus made the fullest assistance of local public bodies was given to induce the Dominion government to approve the cable route and it is safe to say that the efforts of those public bodies were a strong factor in securing that approval.

At the time at which the assurances to which reference has been made were given the B. C. Telephone Company was familiar with the "Two Number" system and they either knew or should have known whether it was or was not their intention to establish that system with the inauguration of the new cable. If it was their intention at that time to inaugurate that system, it was their plain duty to state the fact in a straightforward way and to explain just what the "Two Number" system implied and thus to place the local public bodies in position to take such action to assist or to oppose the cable route as they might elect as a result, not of a misconception due to suppression of information, but in the light of the facts fairly and fully stated.

If, on the other hand, the decision to inaugurate the "Two Number" system was arrived at by the Telephone Company subsequent to giving those assurances to local public bodies, then in all fairness that change should not have been made until and unless the assent of those public bodies had been obtained.

In either case, the B. C. Telephone Company has deemed it wise to adopt methods which in public opinion will not only be considered unbecoming in a corporation of its magnitude and standing, but methods which there is already ample evidence to show, are considered (to put it mildly) unfair and which are keenly resented by the local business public.

The number of calls which it will be necessary to repeat (and for which two or more tolls will therefore require to be paid) will prove to be either a large or a small percentage of the whole. If a large per centage, then the public are right in concluding that the alleged reduction is really an increase in the telephone rates and are pursuing the right course in asking the company to harmonize this with their promises. If, on the other hand, the percentage of repeats is small under the "Two Number" system, then the Telephone Company might be wise to forego the slight additional income and to preserve thereby the confidence of the local public.

FORESTRY FACTS

The Chief Forester of the province has intimated to the Express the hope that as many people as possible will avail themselves of the facilities which the Forest branch possesses for collecting information on forestry questions. Besides a large and growing library the branch has numerous experts with broad experience in matters of fire protection, forest nursery practice, tree diseases, etc. In addition, there are constantly arriving at the branch accounts of conditions throughout British Columbia, and doubtless the experience of men who know the north thoroughly would be appreciated by those who live in the south and so on.

Whether readers of this paper have something to tell or something to ask their letters will be most gladly received and anything that the forest branch can do to assist in a thorough understanding of the forestry problem will be enthusiastically undertaken. Sooner or later the province will come to a management of forest areas similar to those in eastern Canada, Russia, Germany and Sweden, and it is to be hoped that the lesson which these countries have learned at tremendous expense will not be duplicated in this land. With British Columbia rests the future of the timber trade in Canada, and to the extent that she realizes her position will her prosperity increase.

NEW ADMINISTRATION OF DOMINION FISHERIES

After careful investigation and consideration, including conferences with ministers of the respective provincial governments, Hon. J. D. Hazen, minister of marine and fisheries, has announced that a Fisheries Advisory Board will be created. This step marks the most important development which has transpired in many years, relative to the efficient organization and administration of the fisheries industry.

There will be thirteen members on the Fisheries Board in addition to the officials of the department, and these members will represent the diversified interests of the country on the fishing industry. The interests of canners, curers, fish merchants and fishermen will be safeguarded by their representatives.

The membership of the Board will be distributed throughout the respective provinces. Nova Scotia and British Columbia will each have three members on the Board by reason of the conditions being more diversified than in the other provinces. The fisheries of Nova Scotia are of far greater value than the fisheries of the other parts of the Maritime provinces and in addition to its inshore boat fishery the province has a large fleet of banking vessels. One member of the board will represent the banking vessels, another the inshore fisheries and a third the merchants and canners. The last named class has representation because Halifax is the distributing point for cured fish for the Maritime Provinces.

British Columbia has, as is well known, a large salmon fishery and an important salmon canning industry and the deep sea fishery is also very extensive. The three members for British Columbia will represent the fishermen, curers and canners.

New Brunswick will have two members, one representing the weir fishies on the Bay of Fundy, and the other the fisheries on the North Shore, which are largely in a different class. One member will represent the interests of Prince Edward Island. The gulf portion of Quebec will also be represented by one member; the inland portion of Quebec and also the fisheries of Ontario being administered by the provinces themselves do not require representation on the board. One representative will be provided for each of the three prairie provinces.

As might be expected with a board representing interests from the Atlantic to the Pacific, it will be divided into three committees, one for the Atlantic provinces, one for the prairie provinces, and one for British Columbia. They will meet twice a year, before the opening of the fishing season and following the close. They will not meet all at the same time. This provision is necessary, so that the officials of the department may be able to attend. The fisheries department will be represented on the board by the deputy minister ex officio chairman, by the superintendent of fisheries, the assistant to the superintendent the expert on the curing and handling of fish and the commissioner of fisheries. The best means of developing the trade and kindred matters will be considered at a meeting of the whole board held once a year.

The members of the board from the different provinces will not receive a salary, but will be paid an allowance and expenses per claim when attending meeting of the board or its committees. The importance of Canada's fisheries is very great. The waters in and around the Dominion contain the principal commercial food fishes in greater abundance than the waters of any other part of the world. The coast line of the Atlantic provinces from the Bay of Fundy to the Straits of Belle Isle without taking into account the lesser bays, measures over 5,000 miles. On a sea-washed shore of 7,000 miles. In addition to this immense salt water fishing area there are 220,000 square miles of fresh water in the lakes, abundantly stocked with excellent food fishes. The total market value of fish and fish products taken in the year under notice was $29,965,433, of which $26,122,596 was contributed by the sea fisheries which are directly under the jurisdiction of the fisheries department.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to any agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

December 11, 1912.

Editor Express:

Dear Sir,—Now that the elections are so close upon us, might I suggest through the kind courtesy of your paper *you request the future candidates* about to represent the ratepayers in the council for 1913 to give their views on what lines they are prepared to carry on the business of the city.

The new council will have a very difficult position to fill. The ratepayers have to thank the old councils for much arduous work in the past six years, at through the shortsightedness of their policies.

The Ferry Company was taken over, the old boats bought, but the most valuable asset, Lonsdale Gardens, not purchased. A great benefit to the town, the drainage system, yet when this was put in the lots and houses on the system could have been connected at a nominal cost of about $50, today any individual connecting pays $100 to $125. The vacant lots have been benefitted in value by being on the system, and ought to have been connected and so saved the perpetual breaking up of the permanent way. Roads have been graded, and macadamized yet macadamizing. Citizens are talked down when they say the Second Narrows bridge is a useless commodity, yet in the mind of many who have the keenest interest for the welfare and the development of North Vancouver, it is a hopeless waste of money and ultimatly will not benefit the city one dollar. *Any railway wishing to enter* North Vancouver could find the money at half the cost that the small municipalities are put to. Today North Vancouver is only a small residential suburb. Show a railway that there is good business to come for, it will cross *anything to get it, but for the fun of* crossing the Second Narrows it would be very hard to persuade a railway to run. Years ago the council could have secured at little cost to the ratepayers valuable waterfront. We have seen what could be done by the *reclaiming of the land on the Fell estate*; this could have been done along the whole city front, then North Vancouver could have offered advantages to railways and other businesses and in time from the revenue would have been the only city on the Pacific coast free from rates and taxes. The energy that has been put in to try and build up the value of the land at the north side of the present proposed bridge could have been used in developing our own city. We want to see our own town grow not another municipality called East North Vancouver. The rates today are heavy enough for the present residents, but God help their children in the future time. The new council practically start with empty coffers, and today if they wish to raise *more money they will have to pay a* bigger interest and heavy underwriting fees. The ratepayers voted a year ago have they lost on the other larger sums that have been voted for their own and other districts' benefit.

It is quite time that the city woke up and that any money spent must be to the benefit and the advancement of itself and the men elected must be far seeing enough to save the future generation *from being driven out of what* once promised to be a most prosperous position by the exorbitant rates.

Yours truly,
HUBERT KITCHIN.

Chatham, Ontario,
Dec. 7th, 1912.

Editor Express:

Dear Sir,—I see in the last few copies of your valuable paper of the intention of changing the name of your city. Having interests in your city I take pleasure in suggesting a name which I think is suitable, namely "Montcouver". My reasons for this are that for the gateway of the Atlantic we have the great historic city of Montreal and on the Pacific the great and prosperous city Vancouver. Both cities being extensively known throughout the whole world, thus the word "Mont" would associate the name with that of its Atlantic sister and second word "Couver" would identify it with its Pacific sister, and also its location. An additional reason for using the word "Mont" is that your beautiful city lies at the foot of the mountains. For these reasons I hereby submit that above name would be a *most suitable one.*

Trusting whichever name you decide upon, that it will be the beginning of an era of unbroken prosperity. I am,

Yours truly,
C. K. CAMPBELL.
Subscriber.

FACTS AND FIGURES IN CHAIRMAN'S ANNUAL ADDRESS

GREATEST ELECTRICAL COMPANY IN THE EMPIRE

In the course of the chairman's address *at the annual general meeting* of the B. C. Electric Railway Company held in London yesterday, Mr. R. M. Horne-Payne gave the following epitome of the remarkable growth of the Company and its business:

"In fourteen years we have grown from nothing to be about the largest electrical enterprise in the British Empire, with possibly one exception. We have expended $36,000,000 of cash up to the present, and in order to raise that sum we have had to keep British Columbia and its resources constantly before the investors of Great Britain, and have advertised the progress of the country day in and day out, and we have been and are still, the greatest means of attracting British capital to every class of enterprise in the province. As one result we have now 9,000 stockholders.

"At a rough, but fairly reliable, estimate the company has itself ex*pended in wages since 1898, $14,430,*000, not including contractors' wages. During the past year alone we have spent on capital and revenue accounts $12,564,717, of which $674,638 represents salaries of the local officials and staff and $3,676,720 the wages of other employees, leaving $8,213,359, a large proportion of which represents wages paid by contractors working for the company.

"The total number of employees on the company's payroll at June 30th, 1912, was 5,660, and the estimated number of persons dependent on each wage-earner as two we have a total number of persons maintained by the British Columbia Electric Railway Company, directly and through its contractors, of 24,489, or 11 per cent. of the total population served by the company.

"At the end of 1898 we had 40 miles of track, today we have over 280. In 1898 we had 2,000 h.p. available, today we have 12,000 h.p. In 1898 we were operating 14 passenger cars, in 1908 we had 71, in 1909, 97, in 1910 128, in 1911, 240, and today we own or have under contract for prompt delivery 359 passenger cars."

Basketball

The basketball team of the local corps of Canadian Engineers last week engaged in a match with the team of "B" company of the Duke of Connaught's Own Rifles. These players had just annexed the regimental championship and were, therefore rather surprised when the North Vancouver boys scored four goals in the first eighteen minutes. Thanks to a particularly strong forward line, they maintained this same quality of play throughout, and finally won an exciting game by 24 points to 18.

Villagers Benefit by Golf

For a year's use of the links, the Royal West Norfolk Golf Club has contributed $350 to the village of Branester. The money has been divided in equal proportions among the residents of twelve months' standing.

NOT ENOUGH OPERATORS

Railway and Wireless Concerns Short of Keymen to Transmit Messages

With new federal laws in effect requiring railways and ships to be provided with more telegraph and wireless operators, there is a widespread scarcity of men and women to work the keys. The commercial telegraph companies are also feeling the shortage. All sea-going vessels are now required to carry two operators, where one was deemed sufficient before. Schools for telegraph operators are finding it extremely difficult to meet the demands of all branches of the service. The Morse Telegraph Company, opposite the Orpheum theatre, Seattle, will gladly mail you, upon request, a catalogue outlining the courses for men and women. This is the largest school of the kind in the Northwest. 6-1-13

Womanly Intuition.

Mrs. Flatleigh—The new family upstairs have a lot of money, but they used to be very poor and ordinary. Mr Flatleigh—How do you know? Have you called on them? Mrs Flatleigh—No, but there was a half eaten broiled lobster and a whole Camembert cheese in their garbage can on the dumb waiter this morning.—Judge.

Why His Habits Changed.

"I thought you used to shave yourself."

"I did, but I gave it up."

"Why?"

"I got tired of being called to the telephone just the minute I was lathered."—Detroit Free Press.

Too High.

A visitor said to the small boy of the family, "Johnny, can you stand on your head?"

Johnny looked startled.

"No," he replied after a moment's thought; "it's too high up!"—New York Telegraph.

For Him?

Medicus—Don't you think this scientific idea is a good one of killing off all the idiots? Cynicus—No; the world would be too lonely.—Baltimore American.

BANK OF HAMILTON

Capital Paid Up $3,000,000
Reserve and Undivided Profits $3,500,000
Total Assets .. .. .. over $45,000,000

JUST as a successful merchant makes every effort to give his customers courteous, efficient attention, so do the officers of the Bank of Hamilton endeavor to render to depositors every service consistent with conservative banking practice.

No deposit is too small to assure the depositor considerate treatment—the savings accounts of those in moderate circumstances are welcomed with courtesy, and with that absence of undue formality which makes banking a convenience and a pleasure.

This branch is now equipped with Safety Deposit Boxes.

C. G. HEAVEN, Agent,
North Vancouver

City Woodyard

FIRST CLASS CORDWOOD

$4.50 PER CORD

Stove wood, 16-in. $3.25 per load, 12-in. $3.50. Prompt delivery. Phone 556, office and yard. Corner 4th and Mahon Ave. t.f.

The special attention of Electors is drawn to the provisions of section 4 of the "Municipal Elections Act Amendment Act, 1912, which reads as follows:

"In case the registered holder of the fee and the registered vendee under an Agreement for Sale are both owners (as defined in this Act) of the same land or real property, they shall both have the right to have their names entered on the voters' list, but the holder alone shall have the right to vote at any municipal election, unless he, on or before the day of election, by writing under his hand filed in the office of the city clerk, waives or renounces his right to vote, in which case the vendee shall be entitled to vote, provided he has all the requisite qualifications of a voter."

Forms of waiver in terms of the above provision may be obtained from the undersigned.

W. AUSTIN BROWN,
City Clerk.

City Hall,
North Vancouver. 14-1-13

MARION & MARION,
364 University St., Montréal.

SECTION

Mr. and Mrs. Berwitt of North Vancouver are now residing in their new residence on Peter road.

Good progress is being made on the opening up of Sutherland avenue north of Lynn Valley road.

Don't forget the Zealandia minstrel entertainment in the Institute Hall on Thursday evening at 8 o'clock.

Mrs. Moody has made arrangements with the Pioneer Bakery on Centre road to serve hot lunches daily.

The Lynn Valley Athletic and Football Clubs will meet in the institute hall for general business on Wednesday at 8:30 p.m.

Last evening Mr. and Mrs. Robt. Magennis entertained the members of the sports and pastimes committee of the SS. Zealandia.

A store and residence is being erected on Hoskins road for Mrs. Blacker who will on completion of the building open a bakery and confectionery business.

Mr. Raymond Smith of Winnipeg is a guest of Councillor and Mrs. West over, Frederick road. Mrs. Smith and family will arrive in Lynn Valley next week.

At the residence of Mr. and Mrs. Wall, Duval road, while they were enjoying the company of a surprise party last week, a large hanging lamp fell from the ceiling and exploded, causing a big blaze and much excitement, but fortunately, little damage was done.

The concert announced for Monday last in the institute hall and to be given by the members of the sports committee of the SS. Zealandia, has been postponed to Thursday, Dec. 19th, owing to the steamer having to go to Seattle for coal.

The funeral took place on Wednesday afternoon of the late Rev. E. C. Fakeley from the North Vancouver Methodist church. The service was held by Dr. Chown, assisted by the Rev. R. R. Newton and others. Interment was made in the North Vancouver cemetery.

The Rev. N. A. Thompson (to give him his full title) successfully passed his examinations last week and was on Sunday last ordained in St. John's the final step into the ministry of his church.

The concert entertainment given by the Lynn Valley Choral society on Sunday evening in the Institute Hall was a great success; every item of the program was well rendeded. The encores and applause showed the appreciation of the audience. The play "Ici on Parle Francais" was excellently given and the caste consisted of local talent only.

A most successful sale of work was held last Thursday by the Womans' Auxiliary of St. Clement's church. The sale took place during the afternoon and evening. In the evening games were indulged in besides the business of selling, drawing for cakes, etc. The result is not known at present, but it is believed will be quite up to expectations.

The hauling of a log 37 inches in diameter and 33 feet in length on the Rice Lake road was the result of a wager between Messrs Germyn Bros. and the Lynn Valley Lumber Co's. teamsters on Saturday morning. Six horses of the Lumber Company having failed to draw the log up a sharp incline from the bridge, the company's teamsters lodged a sum against Germyn Bros.' four horse team. The contest resulted in a victory for the latter, who refused to divulge the amount at stake.

If enthusiasm counts for anything, the masquerade ball advertised for Friday next, the 20th inst., at the Institute Hall, will be one great success. The arrangements are in the hands of an efficient committee who are sparing no pains to make this, the first of its kind in Lynn Valley, an event ever to be remembered. The tickets are but $1.50 and admit a gentleman and lady friend, and include supper for both. No difficulty need be experienced in obtaining masks, for the general store, corner of Center and carline, is putting in a supply for the occasion.

SONS OF ENGLAND

The annual "at home" under the auspices of the Sons of England, Western Rose Lodge No. 296, takes place on Thursday, Dec. 19th, at 8 p.m. at the I.O.O.F. Hall, Mount Pleasant. It is expected there will be a good attendance of members and friends from both shores of the Inlet. The evening's entertainment will comprise supper, cards, dancing, games and prizes.

Empire Theatre

North Vancouver

Under New Management

This Theatre will be devoted to the entertainment of the public by the exhibition of wholesome and elevating pictures and shows, accompanied by good music and illustrated songs. The new manager has connections with the moving picture business in Vancouver and also in Victoria, and his intention is to see that the public of North Vancouver enjoy the best photoplay exhibitions that can be procured. Remember the Empire program will be changed every day.

Admission: Adults 10c, children 5c. Open evenings, 6:30 to 11; Saturday and Holiday Matinees, 2 to 5. 30-12

District of North Vancouver

A BY-LAW to authorize the Council of the Corporation of the District of North Vancouver to borrow the sum of $40,000 to be secured upon the rentals, rates or charges enforceable under the Lynn Valley Waterworks Regulation By-Law, 1908, and the Lynn Valley Waterworks Regulation Amendment By-Law, 1909.

WHEREAS under the provisions of the Lynn Valley Waterworks Regulation By-Law, 1908, and the Lynn Valley Waterworks Regulation Amendment By-Law, 1909, duly passed by the council of the Corporation of the District of North Vancouver, certain rentals rates or charges are enforceable in the Lynn Valley Waterworks Townsite therein defined;

AND WHEREAS the amount of the debt which this By-Law is intended to create is the sum of $40,000, and the object for which the same is created is the extension of the said Waterworks system in the said Lynn Valley Waterworks Townsite;

AND WHEREAS the estimated amount of the said rentals, rates or charges chargeable as aforesaid for the year 1912 is the sum of $3,100, and no amount of money is already charged thereon;

AND WHEREAS the debt is created on the security of the aforesaid rentals, rates or charges;

AND WHEREAS it is estimated that the said rentals, rates or charges will be sufficient to make up the amount of the annual interest and sinking fund upon the debt hereby created and that there will be no deficiency;

NOW, THEREFORE, the Reeve and Council of the Corporation of the District of North Vancouver in council assembled (with the assent of the electors duly obtained) do hereby enact as follows:

1. It shall be lawful for the council for the purpose aforesaid to borrow or raise by way of loan from any person or persons, body or bodies corporate who may be willing to advance the same upon the credit of the debentures of this Corporation hereinafter provided for, a sum or sums of money not exceeding in the whole the sum of $40,000, and to cause the same to be placed in the Bank of Hamilton to the credit of the Corporation for the purpose aforesaid.

2. Debenture bonds of the Corporation to the amount of $40,000 in the whole may be issued by the Reeve and Clerk of the Corporation in terms of the Municipal Act in sums as may be desired, but no single debenture shall be for a greater sum than $1,000. Each of said Debenture Bonds shall be signed by the Reeve and Clerk and shall be sealed with the Seal of the Corporation.

3. The said Debenture Bonds shall bear interest at a rate not exceeding

debenture bonds coupons signed by the Reeve and Clerk for each and every payment of interest that shall become due, and such signatures may be either written, lithographed or stamped.

4. The said debenture bonds shall as to principal and interest be payable at the District Municipal Office, North Vancouver, B. C., or at the principal office of the Bank of Hamilton in the city of Toronto, in the province of Ontario, or at the principal office of the said bank in the city of Montreal in the province of Quebec. The said principal sum shall be made payable by the Corporation not later than 50 years from the 1st day of November, 1912.

5. The said debenture bonds shall be secured upon the rentals, rates and charges enforceable under the provisions of the before-recited Lynn Valley Waterworks Regulation By-Law, 1908, and Lynn Valley Waterworks Regulation Amendment By-Law, 1909, and the said bonds shall be and the same are hereby as to principal and interest guaranteed by the municipality at large.

6. There shall be set aside annually by the Treasurer of the Corporation out of the said rentals, rates and charges, and in case of a deficiency then as to such deficiency out of annual revenue, the sum of $263, for the purpose of forming a sinking fund for the payment of said debentures when they become due and the sum of $2,000 for the payment of the interest at the rate aforesaid to become due on such debentures during the currency thereof. The said rentals, rates and charges shall be withdrawn from the annual revenue of the municipality and shall be paid into a special account in the Bank of Hamilton for the purpose of meeting the aforesaid sinking fund and interest, provided always that any moneys that may have to be advanced, or which may have to be paid under the aforesaid guarantee and any surplus beyond the sums annually required for such interest and sinking fund shall from time to time be transferred from the said special account and refunded to the amount of the annual revenue.

This By-Law may be cited for all purposes as "The Lynn Valley Waterworks Revenue Loan By-Law, 1912."

This By-Law shall come into effect on the 31st day of December, 1912.

Passed by the council on the 13th day of December, 1912.

Received the assent of the Electors at an election held on the day of 1912.

Reconsidered and finally adopted by the Council and signed by the Reeve and Clerk and sealed with the Corporate Seal on the day of 1912

Reeve.
Clerk.

ELECTORS OF THE DISTRICT OF NORTH VANCOUVER

TAKE NOTICE that the above is a true copy of the proposed By-Law upon which the vote of the Municipality will be taken within the following polling stations, viz: In the Municipal Hall, Lynn Valley Road; in the office of Mr. T. S. Nye at corner of Lonsdale Avenue and St. James' Road, and at Capilano Schoolhouse, all in the district of North Vancouver, on Saturday, the 28th day of December, 1912, between the hours of 9 o'clock a.m and 7 o'clock p.m.

JOHN G. FARMER,
C.M.C. and Returning Officer

PUBLIC NOTICE is hereby given that the vote of the Electors of the District of North Vancouver will be taken on the "Lynn Valley Waterworks Revenue Loan By-Law, 1912," on Saturday, the 28th day of December, 1912, between the hours of 9 o'clock a.m. and 7 o'clock p.m. within the following polling places, viz.: In the Municipal Hall, Lynn Valley Road; in the office of Mr. T. S. Nye, at the corner of Lonsdale Avenue and St. James' Road, and at the Capilano Schoolhouse in the district of North Vancouver, and that John G. Farmer has been appointed Returning Officer to take the votes of such Electors with the usual powers in that behalf.

By order of the Council,
(Signed) WM. H. MAY,
Reeve.
(Signed) JOHN G. FARMER,
C.M.C.

District of North Vancouver

DISTRICT OF NORTH VANCOUVER
A BY-LAW to enable the Corporation of the District of North Vancouver to raise by way of loan the sum of $62,000 to provide for the purchase and clearing of School Sites.

WHEREAS on the 21st day of October, 1912, the Board of School Trustees for the District of North Vancouver laid before the municipal Council a detailed estimate of the sums required by the Board for the purchase, clearing and grading of school sites in said district, amounting to $62,000, the said sites being in District Lots 553, 552, 787, 784 and 469 respectively;

AND WHEREAS on the 31st day of October, 1912, the Municipal Council finally rejected and disapproved said estimates until such time as the Electors should give their assent to a By-Law for raising the said sum of $62,000, for the purposes aforesaid;

AND WHEREAS on the 2nd day of November, 1912, the secretary of said Board of School Trustees made a written request to the Reeve of the District for the submission to the Electors of a By-Law authorizing the proposed expenditure and for raising the moneys required to defray the same upon the credit of the Municipality;

AND WHEREAS the amount of the debt which this by-law is intended to create is the sum of $62,000, and the object for which the said debt is created is the purchase and clearing of school sites as aforesaid;

AND WHEREAS by a Special Order dated the 21st day of November, 1912, the Council of Public Instruction have authorized the extension of the loan to be raised under this By-Law over a period of 50 years from the date when this By-Law takes effect;

AND WHEREAS it will be necessary to raise annually by special rate the total sum of $3507.00 for 50 years for the repayment of the said loan and interest at 5 per cent. per annum as hereinafter provided;

AND WHEREAS the value of the whole rateable land or improvements or real property of the Municipality according to the last revised assessment roll amounts to $8,083,790;

AND WHEREAS the aggregate of the Debenture Debt of the municipality (except for works of local improvement and school purposes) amounts to $68[illegible],000;

THEREFORE the Reeve and Council of the Corporation of the District of North Vancouver in council assembled (with the assent of the Electors

ate who may be willing to advance the same upon the credit of the debentures of this Corporation hereinafter provided for, a sum or sums of money not exceeding in the whole the sum of $62,000, and to cause the same to be placed in the Bank of Hamilton to the credit of the Corporation to be expended for the purpose aforesaid.

2. Debenture Bonds of the Corporation to the amount of $62,000 in the whole may be issued by the Reeve and Clerk of the Corporation in terms of the Municipal Act in sums as may be desired, but no single Debenture shall be for a greater sum than One Thousand Dollars. Each of the said Debenture Bonds shall be signed by the Reeve and Clerk and shall be sealed with the Seal of the Corporation.

3. The said Debenture Bonds shall bear interest at a rate not exceeding 5 per cent. per annum payable half yearly on the 1st day of May and the 1st day of November in each and every year during the currency of said Debentures or any of them. There shall be attached to the Debenture Bonds coupons signed by the Reeve and Clerk for each and every payment of interest that shall become due, and such signatures may be either written lithographed or stamped.

4. The said Debenture Bonds shall as to principal and interest be payable at the District Municipal Office, North Vancouver, B. C., or at the principal office of the Bank of Hamilton in the city of Toronto, in the province of Ontario, or at the principal office of the said Bank in the city of Montreal, in the province of Quebec. The said principal sum shall be made payable by the Corporation not later than 50 years from the 1st day of November, 1912.

5. There shall be raised and levied annually by special rate on all rateable land or improvements or real property in the district the sum of $407 for the purpose of forming a sinking fund for the payment of said debentures when they become due and the sum of $3,100 for the payment of the interest at the rate aforesaid to become due on such debentures during the currency thereof, and that in addition to all other rates to be levied and collected in the said district during the whole currency of the said debentures or any of them.

No rebate shall be allowed on the said special rate to be levied under this By-Law.

This By-Law may be cited for all purposes as "The School Sites Loan By-Law, 1912."

This By-Law shall come into effect on the 31st day of December, 1912.

Passed by the Council on the 13th day of December, 1912.

Received the assent of the electors at an election held on the day of 191

Reconsidered and finally adopted by the Council and signed by the Reeve and Clerk and sealed with the Corporate Seal on the day of 191

DISTRICT OF NORTH VANCOUVER VOTERS' LIST

NOTICE—Attention is drawn to the provisions of the "Municipal Elections Act Amendment Act, 1912," which provides as follows:

"In case the registered holder of the fee and the registered Vendee under an Agreement for Sale are both owners (as defined in this Act) of the same land or real property, they shall both have the right to have their names entered on the Voters' List, but the holder alone shall have the right to vote at any Municipal Election unless he, on or before the day of Election, by writing under his hand filed in the office of the Municipal Clerk, waives or renounces his right to vote in which case the vendee shall be entitled to vote, provided he has all the requisite qualifications of a voter."

Resident Electors vote in the Ward in which they reside. Non-resident electors vote in the Ward in which they have the largest amount of property in value according to the Assessment Roll.

No person is entitled to have his or her name twice entered on the Annual Voters' List as a voter in the Municipality.

JOHN G. FARMER, C.M.C.

The stress of Christmas business has been appreciably facilitated at the local post office by the installation of a separate wicket for parcels by mail. This department will now no longer interfere with the business conducted at the stamp and money order wicket as heretofore.

Wood & Son are to be congratulated on their Christmas window display, which is most tastefully decorated and contains a showing of footwear in all shapes and styles including Canadian, English and American shoes and boots by the best makers. The firm's showing of slippers is very fine and they come in all kinds of material including leather, felt and velvet. They would make most suitable Christmas and New Year's gifts for father, mother, sister and brother. Wood & Son are the pioneer shoemen of the north shore, and have fifty years practical experience at your service.

M. S. McDowell and Wm. Knowles Seek Aldermanic Honors

OTHER CITIZENS ANNOUNCE CANDIDATURE FOR COUNCIL AND SCHOOL BOARD

Candidates for public office at the forthcoming civic elections are now beginning to announce themselves after a somewhat long period of modesty. Ald. Biss, present chairman of the Board of Works, has stated that he will contest ward VI, while it is probable that Ald. McRae will stand again in Ward I.

Mr. M. S. McDowell chairman of the board of school trustees has been offered nomination for Ward IV. and has announced his willingness to contest this division. Mr. McDowell has not yet decided whether or not he will withdraw from the school board, of which body he would ordinarily be a member during the coming year.

Mr. William Knowles has decided to again seek aldermanic honors and will contest Ward IV.

Mr. A. G. Perry and Mr. Geo. Hay will seek re election as school trustees from which board Ald. Fraser has announced his decision to retire. The name of Mr. A. R. Steacy is mentioned as a candidate for trusteeship.

Copies of the Express Christmas edition can be had at this office.

Appended is a complete list of the tenders for a city hall site received on Monday last week. These will be considered by the council at a special meeting tomorrow.

Sacred Oratorio by St. John's Choir

The sacred oratorio by Farmer entitled "Christ and His Soldiers" will be given by the choir of St. John's church assisted by an orchestra of twelve pieces on Thursday evening, December 19th, at 8 o'clock. It is to be hoped that a large number of people will patronize this event which promises to be one of the best ever held on the north shore. Several capable musicians and vocalists have promised their assistance including Mr. Adamson, Mr. Sharp, Madame Norminton, Miss Adamson, Mr. Rowe, Mr. Hooley, Mrs. Anders and Mr. Evans. The work will be under the direction of Mr. W. Spear ond Mr. D. E. Strenden. A collection will be taken towards the new organ fund.

Telephone Co'y Asked to Carry Out Promises

COMMITTEE OF COUNCIL REPORTS UPON INQUIRY INTO REVISED RATES

The members of the special telephone committee of the city council having reported upon their mission to the B. C. Telephone Co. last evening, the council issued instructions to the city clerk to ask the B. C. Telephone Co. to fulfil their pledges made to the Board of Trade and to the city council to reduce their telephone rates fifty per cent.

Ald. Dick repeated his remarks of the last meeting of the council, claiming that the new regime resulted in an increased cost of 50 per cent instead of 50 per cent. decrease as promised. This the committee had stated to a representative of the company and Ald. Dick considered that the explanation which was forthcoming was extremely unsatisfactory. In fact the official they interviewed said that he did not know who had been given authority to write promising a 50 per cent. reduction.

Ald. Foreman corroborated the former speaker's remarks.

Alr. Irwin thought the telephone company should be written to and asked to carry out the agreement as promised in their letters without any complications, the past conditions being allowed to continue in regard to connections and only the rate being altered to 5 cents per three minutes.

Ald. Dick mentioned that the company had stated as an excuse that they had published in the papers their intention to adopt the two-number system was.

The drafting of the letter was left in the hands of the same committee.

It was pointed out by Ald. Irwin that there was no complaint of any kind being levelled at the local management.

City's By-Laws Carried on Saturday

ELECTORATE VOTED FAVORABLY ON MEASURES INVOLVING OVER HALF-MILLION DOLLARS

The electorate of the city of North Vancouver on Saturday voted favorably on all the bylaws which were submitted. The polling was as follows:

By-law to enable the Corporation of the City of North Vancouver to guarantee the payment of Debentures to be issued by the North Vancouver City Ferries Limited to the extent of $142,000 and interest thereon:

For	190
Against	32
Spoiled	2

By-law to enable the Corporation of the City of North Vancouver to guarantee the payment of Debentures to be issued by the North Vancouver City Ferries Limited, to the extent of $137,000 and interest thereon.

For	192
Against	29
Spoiled	3

By-Law to enable the Corporation of the City of North Vancouver to guarantee the payment of debentures to be issued by the North Vancouver City Ferries Limited, to the extent of $26.000 and interest thereon:

For	192
Against	26
Spoiled	6

By-Law to enable the Corporation of the city of North Vancouver to enter into and execute an Agreement with the Burrard Inlet Tunnel and Bridge Company for the purchase of shares in the capital stock of the said Company:

For	193
Against	29
Spoiled	2

By-Law to enable the Corporation of the City of North Vancouver to raise by way of loan the sum of One Hundred and Fifty Thousand Dollars for the purchase of shares in the capital stock of the Burrard Inlet Tunnel and Bridge Company:

For	188
Against	32
Spoiled	4

By-Law to enable the City of North Vancouver to raise by way of loan the sum of $75,000 for school purposes in acquiring by purchase an additional school site within the said city:

For	172
Against	35
Spoiled	7

Mr. Austin Brown, city clerk, was returning officer.

The Smart Set at Lonsdale Theatre

Continued from page 1

and interpretation were good. Mr. Victor Jenkins seemed to have a penchant for the ladies, as in both his numbers he made them his theme. He has a pleasing baritone voice. Mr. S. Adamson's vigorous bass was heard to advantage with Mrs. Laing in a duet with a swinging refrain. Mr. C. R. Stovell (Bobbie Baughen) sang a rollicking song with lots of snap, supported by a rollicking chorus.

The pianist and accompanist was Mr. B. C. Hilliam (Lloyd Holland), whose reputation as a versatile artist was much enhanced by his performance. As a pianist Mr. Hilliam has an excellent technique, his interpretation is always intelligent and artistic, because restrained. He is author of the words of two of the songs which were sung, "Lottie's lots" and "Peace", and composer of the music to the former song, and of one of the dances. His original musical sketches of the use of the tune "The Vicar of Bray" by different people with widely different ideas, was extremely clever, and as an encore he gave another original musical sketch, entitled "A Pianovelette." Both sketches were vociferously applauded. The rehearsals have been under his direction, and much credit is due him for the proficiency attained.

Mr. W. E. Sharp as stage manager, and Mr. F. Norminton as business manager, were untiring in their efforts to make the production a success. The proceeds of the entertainment go to the recently established branch of the Victorian Order of Nurses in our city.

JOHN ALEXANDER.

For stealing a horse a man was arraigned before a judge who denounced him as a persistent law-breaker and then sentenced him to ten years at hard labor in the state prison.

"Have you anything to say?" the judge asked, when he was through.

"No," said the sentenced man, "except that it strikes me you are pretty durned liberal with other people's time."

Christmas Gifts

Now that the Christmas season is here we invite every one to examine our stock of Christmas goods.

We have a stock of table cutlery that will bear anyone's inspection and our carving sets are the best.

Don't forget our stock of kitchen ware for the Christmas cooking and baking.

Revival of Bottle License Question

Motion for Submission of Plebescite Defeated in Council

The council last evening dealt with a recommendation from the board of licensing commissioners in regard to the submission of a plebescite to the people on the question of a bottle license. Prof. R. Macnaghten had written to the board repeating his offer of February last to pay the expenses of a plebescite as to whether if a bottle license be granted it should be granted to a private individual or to a company devoting all profits above 5 per cent. interest on the capital invested to objects of public utility.

After considerable discussion a motion that such a plebescite be taken subject to the conditions stated was defeated by four votes to two, Ald. Irwin and Ald. Biss voting for, and Ald. McRae, Ald. Dick, Ald. Foreman and Ald. Fraser voting against.

Births

To Mr. and Mrs. Harry Dick, First street and St. Patrick's, Dec. 3rd, a daughter.

To Mrs. James McEwen, cor. View and Gilmour, Dec. 12th, a daughter.

The Board of Trade meets tomorrow evening in the city hall at eight o'clock. An important question will come under discussion in connection with transportation facilities between West Vancouver and North Vancouver.

Cord Wood

Football

CALEDONIANS VS. ENGINEERS

The above teams met on the Boulevard grounds on Saturday. The game from the outset was a one sided one, the Caledonians having the play all their own. Lack of combination prevented the Engineers from making a better showing although they had the services of Mr. Harry Williams, a smart player recently out from the east. The game went to the Caledonians with a score of six goals to nil.

Lonsdale Avenue Street Car Service

Ald. Foreman reported last evening in relation to his complaint of the previous meeting, of the council about the overcrowding of the one street car which was running on Lonsdale avenue after five on Saturday the committee after five on Saturday, the committee specially appointed had interviewed Mr. A. G. Perry, local manager of the B. C. Electric Railway Company.

Assurances had been given that a double service would in future be run on Lonsdale avenue after five o'clock one car being labelled 16th street. It was particularly desirable that passengers should look for this label so as to obviate complaints afterwards that this car did not go beyond the street mentioned. Strict attention is to be paid to the two vices of standing on the street car steps and smoking.

Mr. W. L. Keene May Contest Ward V

A petition influentially signed is to be presented to Mr. W. L. Keene with a view to persuading him to enter the aldermanic field at the forthcoming election and contest Ward V.
