A. 27

Dear Mr. Moll

Here, at last, is the copy of the things & cash we have sent to German sides from Sept 1 to Nov 12

which you were so good as to say you would put in the Cologne Gazette –

This does not include, of course, what we have been doing lately for the French Sick Prisoners in Germany. [We sent £5000 worth of things last week alone for them.]

I will write again –

I will send you another copy for Augsburg Gazette, if you are so good as to write it.

Yours ever

23 Nov/70 FN
